SCORING

Meet Scoring

3	5 3 2 1	5 3 0
4	5 3 2 1	5 3 2 0
5	6 4 3 2 1	6 4 3 2 0

7 or more	10 8 6 4 2 1	10 8 6 4 2 1

TIES: If two or more competitors tie for a place, points for the places involved are equally divided between those competitors. For example, if two competitors tie for second place, the points for second and third places are added up and divided between the two placers. The competitor placing behind them is awarded fourth place.

NUMBER OF COMPETITIVE TRIALS

THROWS & HORIZONTAL JUMPS: Each competitor is allowed three trials. Then, competitors equal to the number of places in the meet (Depending on the number of teams participating), plus one, are taken into the finals where they are again allowed three trials. The competitor who had the best mark in the preliminaries competes last in the finals, the person with the second best preliminary mark competes next to last, etc.

VERTICAL JUMPS: If a competitor has three consecutive misses, at any height or heights, he is eliminated from competition. This continues until only one competitor remains. For example, a person may jump at 6'0" and miss. He may jump at that height again or pass and jump a higher height. If he misses again (at either height) he may take his third attempt at the present height or pass and wait for the next height. If he makes this effort, he is allowed to continue with at least three more attempts; if not, he is eliminated from the competition.
