HERBERT HOOVER

381 Fourth Avenue
New York 16, New York
December 10, 1953

Dear Mr. Barker:

One of our national problems is the training of less fortunate boys in character and thinking.

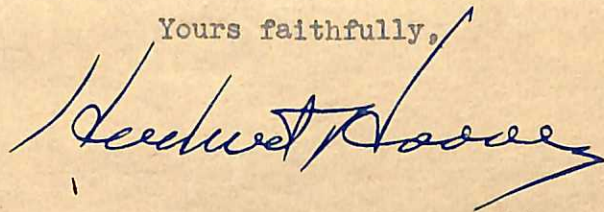

A dynamic program is necessary to foster these ideas among our growing youngsters - to teach them there is real opportunity in America provided they are willing to work for it.

Boys' Clubs of America, of which I am Chairman and which you have generously supported in the past, continues to give such a dynamic program. In the enclosed leaflet you will see the work 360 Clubs are doing with 350,000 boys who live in our congested areas.

Three million boys are still unserved and funds are needed to extend this work and strengthen existing units.

We are grateful to you for your past help and it is my hope you will continue your support this year.

Yours faithfully,

A handwritten signature in dark ink, appearing to read "Herbert Hoover". The signature is written in a cursive style with a long, sweeping tail that extends to the right.
