From Kansas Yearly Meeting of Friends held at Wichita,
tenth month 8th to 13th inclusive, 1909.

To Douglas Alaska Monthly Meeting,

Dear Friends:

Time in his rapid flight has brought us again to our Annual Meeting. And while our hearts are being cheered and encouraged as we mingle together we have remembered you in the far north land, as absent members of our family. We are rejoiced in having our dear friend, and yours, Anais Peebles, with us at this time, and her reports coupled with those of Josiah and Elizabeth Dillon are gratifying to us. We are thankful to our Heavenly Father that so many of you are standing fast in the faith, and not being "Entangled again in a yoke of bondage."

We have with us at this time the battle scarred veterans of the cross with their wise and loving messages. We have also a larger number than usual of strong young men and women who are taking their places in the forefront of the battle against sin and Satan.

Christ, the Divine Savior of mankind, is being preached in all His fullness.

The work of our beloved church is advancing in all its various departments. The labors of our Evangelists this year have been very fruitful and many have been added to the church.

With a salutation of love, we are your friends-

The minutes of last meeting was read.

A report was given by one of the members of the Meeting Committee, from which, it seems they have been faithful in service, for which we are glad and encourage them to continue.

Brother Williams expressed the thought that we ought to be more earnest in work for the Master.

The members were urged to give to the work of the Lord systematically, a privilege that we can not afford to miss having a part in.

Kansas Yearly Meeting of the Society of Friends held at
Lawrence, Kansas, October 9th to 14th, 1908.

To the Friends of Douglas Monthly Meeting Alaska.

Dear Friends:

In the goodness of God we are permitted to assemble again in our yearly meeting. Through your reports you are brought lovingly to our remembrance, and we are encouraged by the good work that is being done by the hand of God through the missionaries and those of your own number who have submitted to Jesus to be used of Him in doing good to others. During the past year the Lord's work has prospered among us, many souls have been born into the Kingdom of God, Missionary, Temperance, Evangelistic, Bible School and all lines of church work have been well maintained the past year. Our prayer for Alaska is that she may be freed from all intoxicating liquors by the Government prohibiting the manufacture and sale of it in your borders. We desire that the Friends Church in Alaska may be a great factor in bringing these things to pass. The Christian's armor of defense is found in the weapons of warfare which are Truth, Righteousness, Peace, Faith and Salvation and the Sword of the Spirit which is the word of God, with all prayer and supplication in the Spirit. Eph. 6; 14-18. Christ came to destroy the works of the devil and he is able to do marvelous things through his faithful followers. The process may be slow but the blessing

of success will come, it will not tarry. Whilst the work is of God he has declared that we are laborers together with Him. Be faithful dear friends in every good word and work exhorting one another and praying one for another, for it is our Fathers good pleasure to give you the victory through Jesus Christ; the righteous one, our Saviour, the Son of God.

Signed by direction and on behalf of Kansas Yearly Meeting of Friends, held 10th Month, 9th to 14th inclusive, 1968.
