INDOOR TRACK AND FIELD

In 1966 the NAIA Track Coaches' Association decided to add the indoor championship to their calendar and the results have been most impressive. This event has become a permanent fixture on the Kansas City, Missouri sports calendar.

From 1966 through 1968 NAIA held 10 open events for men and 4 for women in addition to the 14 NAIA collegiate events. In 1969 the Track Coaches' Association eliminated all but the mile run and walk for men in the open events in that the NAIA athletes were consistently outperforming their "open" counterparts.

Forty institutions fielded teams in the 1970 indoor championships with Eastern Michigan winning its second straight team championship with an impressive 73 point total. Prairie View A&M (Tex.) scored 31 points to finish in second place for the second straight year. The mile run became the only open event left on the indoor schedule and John Mason continued his mastery with a record breaking 4:03.5 time. Mason has never been defeated in his three years while competing as a collegiate for Fort Hays State (Kan.) and his past two years as an open entry in the mile.

OFFICIAL NEWS RELEASE

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

106 WEST 12TH STREET

KANSAS CITY, MISSOURI 64105

RELEASE: After 5:30 P.M. (C.D.T.) Thursday, May 28 (For Friday AM's)

KANSAS CITY, Mo., May .---Seven meet records and two world marks will be in jeopardy when the 19th Annual NAIA Track and Field championships open June 5 at Billings, Montana. According to this week's NAIA Track Statistical Report, no less than seven meet standards have been bettered by NAIA performers to date.

The 100-yard dash at Billings will feature a two-man assault on the meet and world century mark. Both Willie McGee of Alcorn A&M (Miss.) and Robert Taylor of Texas Southern have world record tying :09.1's to their credit. Both performances met wind and timing standards and have been submitted for world records. This pair will be shooting at the meet record of :09.3 set by Bob Hayes, Florida A&M, in 1961 and tied by Earnest Haynes, Texas A&I, last year.

The other runner with his eye on possible meet and world records will be Rex Maddaford of Eastern New Mexico. The New Zealand native has already dipped under NAIA record times in the mile (4:01.4), three-mile (13:23.3) and the six-mile (27:22.0). At the NAIA nationals in Billings he will be entered in the six-mile on Friday and the three-mile on Saturday. His best chance for a world-class performance will come in the six-mile where he has already broken the collegiate record by more than 30 seconds.

Rickey Parris of McMurry (Tex.) should have a good shot at the NAIA pole vault mark of 16-1 1/4 set last year by Curt Hisaw of Eastern Washington State. Parris has cleared 16-11 this season and has been over 16-6 several times. Hisaw will also return to defend his vaulting title.

Two other records which are likely to topple are the 120-yard high hurdles and shot put. Willie Davenport's meet record of :13.5 has been equaled by his Southern (La.) pupil Rodney Milburn and by Jimmy Upton of Northeast Louisiana State with a wind-aided :13.5. Al Feuerbach, although hampered by a sore shoulder, has thrown the shot 63-8 1/2 outdoors this year, almost a foot better than the NAIA mark of 62-9 3/4 set by Dave Price, California Western in 1965.
