George Fox University Archives

1989

If you are entering 7th, 8th, or 9th grade this fall, are you ready for an action packed weekend at Tilikum?

What was summertime fun like in the 1920's and 30's? What kinds of games did your grandparents play when they were kids? (Maybe they're still kids at heart!) We will explore what was considered fun "In the Good Ol' Summertime" plus enjoy other Tilikum activities including: Big Swing, Tire Traverse, the Trolley, Lake exploration, kayaks, sailing, etc.

NEWS FLASH: For the first summer ever we will be using Valley View School, a one-room schoolhouse built in 1909 that has been moved to Tilikum and restored. Discover what life was like for students in a one-room school. But you won't have any homework!

SUPER LEARNING: Was God more real to people living in 1929? How real is He to people living in 1989? Even though much has changed over the past 60 years, -- silent movies have been replaced by television, Model T's by Maserattis, walking boys by Walkmans. . . . God is still in control and concerned about us as individuals.

GREAT FOOD: Almost as good as Gramma's!

FRIENDS: Bring your friends to camp and meet new friends who also enjoy Tilikum.
