OUTDOOR TRACK AND FIELD

OUTDOOR KINGS . . . Southeastern Louisiana University captured the 24th Annual Outdoor Track and Field Championship title. The meet was held at Henderson State University, Arkadelphia, Arkansas.

OUTDOOR TRACK AND FIELD

Southeastern Louisiana, scoring heavily in the sprints, captured the 24th Annual NAIA National Track and Field Championships held on the Henderson State University campus, May 22-24.

Eastern New Mexico, the defending champion, finished second with 63 points as veteran Mike Boit set a record in the 880 and also won the mile run to be named the Outstanding Performer in the meet. Boit was also the Outstanding Performer in the Indoor Track and Field meet held in Greensboro, NC.

The only other record set in the 1975 meet was by Jim Heiring of Wisconsin-Parkside as he posted a 47:40.2 in the 10,000 meter walk. For the first time in NAIA Outdoor Track and Field history, electronic timing was used as the official time in the running events.

Track and Field was one of the first sports added to the NAIA program in 1952 and has produced some of the finest athletes in the world. The initial meet was staged in Abilene, Texas, with Abilene Christian winning the first three titles in four years.

This championship remained at Abilene for three more years, attaining a great degree of stature in that time. In 1956, it was decided to take the meet to the West Coast, traditional site of the nation's track power. San Diego, California hosted the meet for three years.

From 1959 to 1967 the meet was held at Sioux Falls, South Dakota and in 1968 it was moved to Albuquerque, New Mexico to an altitude similar to that of Mexico City, the site of the 1968 Olympics. Billings, Montana was chosen as the site of the 1969-72 Championships. The 1970 meet saw 110 institutions with over 400 athletes participating as keen competition continued in the three day meet.

Henderson State University was host to the 1973-75 Championships. There was a record 134 institutions that participated in the National Track and Field Championships.

NAIA NATIONAL TRACK & FIELD RULES FOR 1976 NATIONAL CHAMPIONS

The NAIA has adopted the 1976 National Alliance Track & Field Rules for this year. In addition to the "College Differences" as listed in the Alliance Rules the rules for the marathon, steeplechase, walk and hammer throw are as follows:

MARATHON (42,195 meters - 26 miles 385 yards)

The marathon race shall be run on made-up roads: when traffic or similar circumstances make it unsuitable to run on a road. The course duly marked, may be on a bicycle path or footpath alongside the road, but not on soft ground such as grass, verges or the like. The start and finish may be within an athletic arena (on the track).

No entry for the marathon shall be accepted unless it is accompanied by a certificate signed by a qualified doctor within 30 days of the race, certifying that the competitor is fit to take part in the race.

A competitor must retire at once from the race if ordered to do so by a member of the medical staff, officially appointed.

The distance in miles on the route shall be displayed to all competitors.

Refreshments shall be provided by the organizers of the race at 7 miles (11 kilometers) and then every 3 miles (5 kilometers) thereafter. No refreshment may be carried or taken by any competitor other than that provided by the meet organizers. A competitor may submit to them a type of refreshment desired and this if approved may be placed at the designated stands to be given to the competitor. All refreshments should be placed in such a manner that they are easily accessible for the competitors or so they may be placed in the hands of the competitors. A competitor taking refreshments at a place other than the points appointed by the meet management renders himself liable to disqualification. Additional sponging points after 12 miles (20 kilometers) may be used and only water will be at these points.

STEEPLECHASE

Distance for the steeplechase shall be 3,000 meters.

Jumps-There shall be 28 hurdles and seven water jumps. Water jump shall be the fourth jump in each lap - the finish line may be moved to allow this to be done.

Course-If jump is inside the track a lap is shortened by 10 yards or meters. If the water jump is outside of the track it causes the lap to be increased by 10 yds. or meters.

Dimensions of steeplechase hurdles and water jumps:

The hurdle shall be not less than 2 feet 11.86 (91.1 cm) nor more than 3 feet .103 inches (91.7 cm) high and shall be at least 13 feet (3.96 m) in width. The top bar shall be 5 inches square (127 mm).

Water jump-shall be 12' x 12'. It shall be 2'6" (76 cm) deep, immediately in front of the hurdle and slope to level of the ground 12'0" from the hurdle-the hurdle shall be firm in front of the water the last 6' of the water jump should have a covering over the cement surface.

Placement of hurdles - Placed as to have one foot (30 cm) of the top bar, measured from the inside edge of track will be inside of the field.

Steeplechase measurements (based on the water jump being on the inside of the track) -

Distance from starting point to commencement of 1st lap (to be run	
without jumps - - - - -	295 yards
Distance from beginning of 1st full lap and 1st hurdle - - - - -	11 yards
From 1st to 2nd hurdle - - - - -	80 yards
From 2nd to 3rd hurdle - - - - -	86 yards
From 3rd hurdle to water jump - - - - -	86 yards
From water jump to 4th hurdle - - - - -	86 yards
From 4th hurdle to finishing line - - - - -	76 yards

WALKING

Walking is progression by steps so taken that unbroken contact with the ground is maintained.

At each step, the advancing foot of the walker must make contact with the ground before the rear foot leaves the ground. During the period of each step in which a foot is on ground, the leg must be straightened (i.e. not bent at the knee) at least for one moment, and in particular, the supporting leg must be straight in the vertically upright position.

Judging and disqualifications--The appointed judges shall elect a chief judge. All judges shall act in an individual capacity. Disqualifications shall occur when in the opinion of:

- a) Two of the judges, one being the chief judge
or
- b) Three judges other than the chief judge.

A competitor's mode of progression fails to comply with the definition during any part of the competition, he shall be disqualified and informed of his disqualification by the chief judge.

Effect may be given to any such disqualification immediately after the conclusion of the competition, if circumstances render impracticable an earlier notice to the competitor of his disqualification.

A competitor may be cautioned when by his mode of progression he is in danger of ceasing to comply with the definition of contact; but he is not entitled to a second caution. The decision to caution a competitor shall be made under the same procedure as for disqualifications set out in paragraph four above.

In track races a competitor who is disqualified must immediately leave the track, and in road races he must remove the distinguishing number or numbers which he is wearing.

Races should be 10,000 meters, but if shorter distances are used it is recommended that 2 miles be the minimum.

HAMMER THROW: The throwing circle shall be the same as the one used for the shot put.

(Head) - The head of the hammer shall be of solid iron or other metal not softer than brass - if it is not solid the shell must be of the same type of substance, and filled with lead or other solid material. It must be completely spherical in shape.

(Handle) - The handle shall be a single, unbroken and straight length of spring steel wire not less than .118 inches (3 mm) in diameter, and shall be such that it cannot stretch appreciably while the hammer is being thrown. The handle may be looped at one or both ends as a means of attachment.

(Grip) - The grip may be either of single or without hinging joints of any kind, and so made that it cannot stretch appreciably while being thrown. It must be attached to the handle in such a manner that it cannot be turned within the loop of the handle to increase the overall length of the hammer.

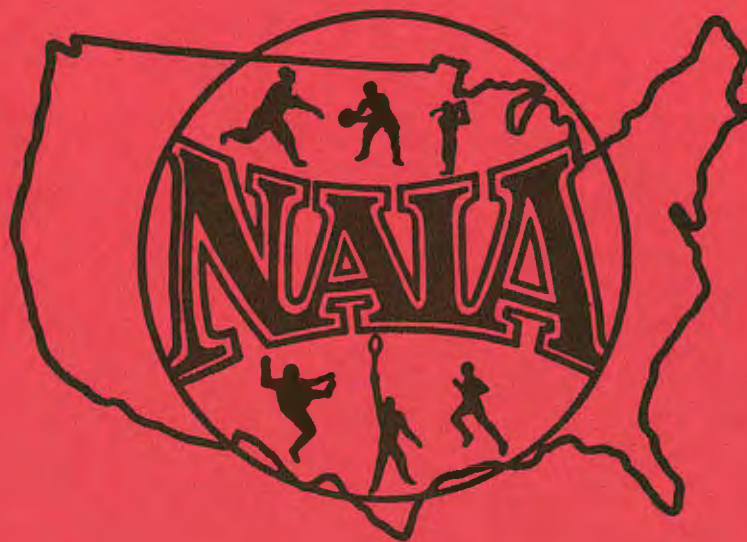

(Connection) - The handle shall be connected to the head by means of a swivel which may be either plain or ball bearing. The grip shall be connected to the handle by means of a loop. A swivel may not be used.

Specifications -

1. Weight of hammer complete as thrown: minimum of 16 lbs. (7.257 kg).
2. Length of hammer complete as thrown, measured from the inside of grip:
Minimum - 3 ft. 10.250 in. (117.5) Maximum - 3 ft. 11.750 in.
3. Diameter of head: minimum 4.016 in. (102 mm) Maximum - 4.724 in. (120 mm)
4. Center of gravity of head: not more than .236 in. (6 mm) from the center of the sphere.

(Enclosure) - For safety, all hammer throws shall be made from an enclosure.

(Sector) - The throwing sector shall be two radial lines 2" wide, and form a 45 degree sector. Sector flags should mark the ends of the lines.

RULE DIFFERENCES

1. In all running events, the athlete is given two false starts but is disqualified on the third!
2. An athlete must attempt each event or is disqualified from the entire competition.
3. Only three attempts are allowed each athlete in the jump, shot put, discus, and javelin.
(regular three attempts at each height in the high jump and pole vault are given.)
4. All distances and heights are measured in meters. Following are the approximate yard equivalents of the metric distances run in the decathlon.
 - 100 meters about 109½ yards
 - 110 meters about 120 yards
 - 400 meters about 437½ yards
 - 1500 meters about 1840½ yards
 - (Mile is equal to 1760 yards)
5. A wind gauge is no longer used since a recent rule change allows a mark to stand, in the decathlon regardless of the wind velocity.

Eastern New Mexico Rules as Outdoor Track King

ARKADELPHIA, ARK—Senior Mike Boit of Eastern New Mexico successfully closed out his four year career for the Greyhounds as he scored a double and established two new marks in the 25th Annual NAIA National Outdoor Track and Field Championships held at Haygood Stadium on the Henderson State University campus.

Eastern New Mexico captured the team championship as the Greyhounds finished with 56 points. Northwestern Louisiana State was second with 52 while Texas Southern University was a distant third with 30. Linfield College ORE took home the fourth place trophy as the Wildcats finished with 28 points.

In all, there were seven new standards established in the three-day classic. In addition to Boit, sprinter James Wooten of Fayetteville State NC and field events specialist Jim Howard of Westmont CALIF were double winners in the meet.

Wooten captured the 100 meter classic in :10.54 seconds while he registered a :20.99 clocking in the 200 meter to clearly establish himself as the sprint champion of the meet. His 20-point performance enabled Fayetteville State to capture the sixth place honors in the team scoring race.

Howard won the shot put competition with a 17.15 meter effort that was converted to 56-3/4. His other victory was in the discus as he registered a 55.02 meter toss which was measured out at 180-5 1/2. All running events, with the exception of the 3000 meter steeplechase and the 10,000 meter run, were registered on electronic timing with the field events all registered in meters.

Boit, a world class performer in his four seasons at Eastern New Mexico, won the 800 meters in a record 1:47.71 clocking, shattering the old record of 1:48.5 established by Robert Ouko of North Carolina Central in 1972. The Kenya native then registered a 3:44.88 standard in the 1500 meters to break the old record of 3:45.9 set by Bob Mapstone of Eastern Washington State in 1972.

There was hardly any question that Boit was the Outstanding Performer in the meet, the second consecutive year that the Eastern New Mexico standout has won the award. This also marks the second year in a row that Boit has captured the NAIA individual Cross Country championship and was selected as the top athlete in both the NAIA Indoor and Outdoor Track and Field Championship meets.

John Muthama of Bethel KAN established a new record in the 5000 meters as he successfully defended his title. The

Kansas star registered a 14:04.44 clocking to shatter the old mark of 14:25 established by John Camion of Emporia Kansas State back in 1964. In addition, Muthama finished second to Boit in the 1500 meter event with a 3:45.53 clocking that was also better than the previous record held by Mapstone.

Defending champion Jim Heiring of Wisconsin-Parkside continued to dominate the 10,000 meter walk race. Heiring lowered his own record to 47:25.44, chopping almost 15 seconds from his old mark of 47:40.2 he established in the 1975 National meet.

Douglas (Bubba) Sparks of Southwest Texas State successfully defending his title in the pole vault, cleared 16-2 but failed in his attempt to break the record of 16-6 1/4 set by Steve Hardison of Fresno State CALIF in 1973.

Three defending champions found the competition much tougher this season as Roger Vann of John Brown ARK had to settle for fifth place in the marathon, won by Dave Elger of Wisconsin-Stevens Point; James Herron of Cameron OKLA was runner-up to Bruce Kupersmith of Azusa Pacific CALIF in the decathlon; and Steve Celsor of Harding ARK failed to place in the high jump competition won by Greg Mitchell of Eastern Washington State with a 7-0 effort.

Three other new records were established in the meet. Chuck Korte, a senior from Loras IOWA, posted a 29:46.4 clocking in the 10,000 meter run to break the old mark of 30:07.7 set by David Antognoli of Edinboro State PA in 1972. Charles Whigham of Texas Southern University registered a :50.45 mark in the 400 meter intermediate hurdles to erase the old record of :50.5 set by Melvin Bassett of North Carolina Central in 1972; and John Kebiro of Eastern New Mexico chopped nearly a minute off the 3000 meter steeplechase record of 8:46.1 by Rex Maddaford of Eastern New Mexico in 1973 as Kebiro recorded an 8:45.6 clocking.

Louis Pike of Henderson State University provided the home crowd with thrills as he captured the 100 meter high hurdles competition with a :14.03 mark. Veteran Charles Oliver of Troy State ALA was the 400 meter dash champion with a :45.74 clocking while J. O. Amoah of Eastern New Mexico regained his form to capture the triple jump crown with a 50-11 leap. Ken Brown of Biola CALIF was the hammer throw winner (171-7) with Tom Badgley of Eastern Washington State taking the javelin competition with a 237-10 toss.

Mississippi Valley State was the

winner in the 400 yard relay event while Linfield College ORE was the mile relay champion.

Bill Silverberg, coach of the winning Greyhounds, was named the 1976 NAIA Track and Field Coach of the Year, the second straight year that Silverberg has won the award.

Mercyhurst Captures Tennis Crown With Big Sweep

KANSAS CITY, MO—Mercyhurst College of Erie, Pennsylvania, became the first Eastern team to win the NAIA National Tennis Championship as the Lakers of Coach Robert Strum finished with 39 points.

The 25th Annual Tennis classic was played at Rockhill Tennis Club with defending champion Redlands CALIF taking runner up honors with 27 points. California-Dominguez Hills was third with 26 while Presbyterian College SC finished fourth with 24 points.

Not only did Mercyhurst break up the Redlands domination of the tournament, the Lakers won both the singles and doubles titles. Redlands had won the last three titles in a row and nine out of the past ten team championships.

Kari Pesonen, a junior from Helsinki, Finland, was the singles champion as he defeated Rick Cleveland, a junior from Huntingdon ALA, in the finals, 6-2, 6-1. Neither Pesonen nor Cleveland were seeded in the singles competition.

Top seeded Reijo Tuomola of Mercyhurst was beaten by Cleveland in the semi-finals, 7-6, 1-6, 7-5 while second

seeded Carlos Behar of Presbyterian SC was ousted in the fourth round of competition by Roberto Partarrieu of Tennessee Wesleyan, 6-0, 3-6, 6-3.

Pesonen was in complete control in his march to the singles title, never losing a set. His toughest match was in the fourth round when senior Mike Willis of St. Ambrose IOWA forced him in both games before losing, 7-5, 7-5.

The doubles team of Martin Sturgess and Reijo Tuomola, both seniors from Mercyhurst, were seeded fourth in the competition with the top seed going to Kendall Char and Hadi Rahimi of Redlands CALIF. The twosome of Carlos Behar and Mike Faya of Presbyterian SC drew the number three seed in the doubles warfare.

Sturgess-Tuomola had little trouble in chalking up four straight victories before facing seventh-seeded Bill Bonds-Russell Miller of Redlands CALIF. The Mercyhurst veterans were pushed to the limit before escaping with a pair of hard-fought victories—7-6, 7-6 to advance to the semifinals against Mike Albright-Terry Wood of Southeastern Oklahoma State.

In the semifinals, Sturgess-Tuomola took the first set, 6-4, and then dropped their set in the doubles competition, 4-6, to the Oklahoma pair. The Mercyhurst pair then went to work to capture the third set, 6-4 and advanced to the finals against Carlos Behar and Mike Faya.

Behar-Faya gained the finals with a come-from-behind three set victory over the top-seeded doubles team of Char-Rahimi of Redlands. After dropping the first set, 2-6, Behar-Faya rallied for a 6-2, 6-4 victory to gain the finals.

Sturgess-Tuomola were almost perfection in the first game of the doubles finals, scoring an easy 6-1 victory. The Mercyhurst pair then won the set and deciding game, 7-5, to give the Lakers a clean sweep of honors.

In all, 225 singles entries and 108 doubles pairs competed in the 20th Annual NAIA National Tennis Tournament representing 51 different institutions.

Reijo Tuomola, seeded one in the singles, from Mercyhurst PA was named the Outstanding Player in the National Tournament. Tuomola, after being up-ended in the semifinals, teamed with Martin Sturgess to win the doubles crown.

Jackson State Shows Power to Win Indoor Track Crown

GREENSBORO, NC — Jackson State University MISS captured its second straight NAIA National Indoor Track and Field Championship by scoring 78 points. Eastern New Mexico finished in the runner-up spot for the second consecutive time and third in the last four years.

Texas Southern University and Wisconsin-Parkside tied for third place honors, both finishing with 24 points.

There were three new records established in the meet — Robert Bryant of Delaware State in the 600 yard dash; Richard Newman of Texas Southern in the 1000 yard run; and Jim Heiring of Wisconsin-Parkside in the two mile walk.

There were double winners in the meet. Mike Boit of Eastern New Mexico won the mile run title and finished second in the 880 as he was nipped at the finish line by Gerald Masterson of Ouachita Baptist University ARK. Masterson posted a 1:56:09 clocking while Boit was timed in 1:56.13.

Jackson State had three individual champions with two of them defending titles they captured a year ago. Earl Thomas repeated as the 60 yard dash champion while Hubert Butler successfully dominated the pole vault competi-

tion. The new champion was Clark Godwin who cleared 6-10 to win the high jump title.

The Mississippi institution scored 20 points in the three final events contested on Friday and got the advantage on the rest of the field by qualifying 20 athletes for the Saturday night competition.

Boit, trying for a double in the mile and 880, was sub-par physically as he was suffering from a bad case of the flu and almost decided not to enter the meet. "I was so sick," explained Boit, "but Coach Silverberg was already on his way to Greensboro. I didn't know whether to come or not, but I finally decided to."

After being nipped by Masterson in the 880, Boit came back for the Eastern New Mexico squad and ran in the two mile relay, putting on a tremendous performance as he came from sixth place in the pack to give the Greyhounds a second place finish. His performance helped him win the Outstanding Performer award, the second straight time that Boit has been so honored.

Jackson State scored in eight of the 15 events, gaining three spots in the 60 yard dash. Dennis Trott, a freshman, was second to Thomas and Larry Wesley finished fifth and the Tigers lost Tommy Dennis on a false start.

Dan Timm Named MVP

Graceland Nips Rutgers-Newark for Volleyball Title

KANSAS CITY, Mo.—Led by the all-around play of Most Valuable Player Dan Timm, Graceland College of Lamoni, Iowa, captured the Eighth Annual NAIA National Volleyball Championships as they outlasted the Rutgers University-Newark NJ team in a five game finals played at Rockhurst College in Kansas City.

Also playing a major role in the Graceland victory was the timely spiking of reserve Dan Eslinger and the middle blocking and hitting of Russ Simmons as the champions made a record eighth consecutive appearance in the Volleyball Championships.

The five-game finals started off with Graceland zipping to a 15-3 victory, but Rutgers-Newark came right back for a 15-12 decision in the second game. Graceland squeezed out a 15-11 victory in the third game while Rutgers-Newark returned with a 15-13 thrilled to send the championship into the fifth game set. Graceland scored a 15-9 win to capture its second NAIA National Volleyball title and first since 1973.

Seven teams, the largest entry in the eight years series, began round-robin play on the first day of action with the winner determined by a best two-out-of-three set format.

Defending champion California State-Dominguez Hills found the round-robin competition extremely difficult, and the Toros failed to advance into the playoff round after posting a 2-4 record.

Both Graceland and Rutgers-Newark finished the round-robin competition with 5-1 records. BYU-Hawaii stopped Graceland, 15-11, 15-13, for the Iowa institution's only loss while Graceland pinned a 15-12, 15-13 setback on Rutgers-Newark in the round-robin play.

Earlham College IND gained the playoff spot by defeating BYU-Hawaii 10-8, 11-15, 11-9, but lost a five game decision to Graceland in the playoffs. After losing the first game 14-11, Earlham battled back for an 11-9 decision before losing 15-11, 10-12, and 15-4. In the other playoff game, Rutgers-Newark dropped BYU-Hawaii into the battle for third place with a 15-9, 3-15, 11-8, and 15-11 victory.

In the consolation battle, BYU-Hawaii battled back after dropping the first two games to Earlham by scores of 9-15 and 9-15. After putting it all together in the third set, BYU-Hawaii rolled to three straight wins—15-6, 14-4, and 15-9 to take home the third place trophy.

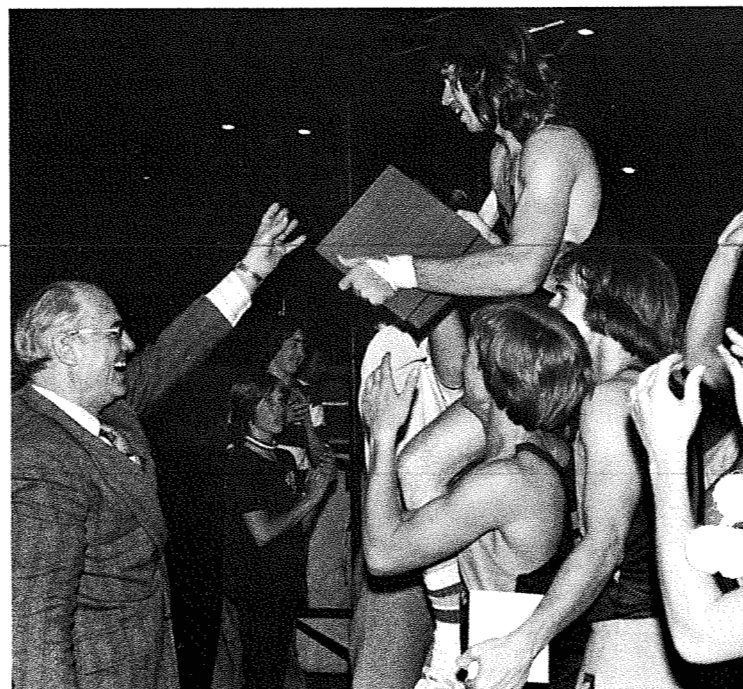

The trio of Eslinger, Timm, and Simmons completely dominated play for Graceland in the opening game of the championship match against Rutgers-

Newark with key shots out of the middle. Ryuichi Furusawa and Nestor Paslawsky were the key performers for Rutgers in the second game victory. Simmons served two aces while Timm and Eslinger both got a pair of key points in the third game for Graceland's victory. Rutgers jumped to a 7-1 advantage in the fourth game only to have the Iowa squad rally for a 9-7 lead but, Rutgers came back for the victory that sent the match into the fifth game.

GRACELAND PREVAILS — Despite the looks, Graceland College IOWA returned this spike attempt and went on to win the five-game finals against Rutgers-Newark in the Eighth Annual NAIA National Volleyball Championships. The champions have participated in all eight NAIA National tournaments and won two National titles.

HAIL THE CHAMPIONS — Dr. Harry Fritz, NAIA Executive Secretary, presents the awards to Graceland College IOWA at the Eighth Annual NAIA National Volleyball Championships played at Rockhurst College MO. Graceland defeated Rutgers-Newark in a five-game finals with Dan Timm, atop the Graceland players, being named the MVP of the tournament.

Graceland enjoyed a 6-3 lead in the final game before Paslawsky and Furusawa put on a tremendous spiking performance to give Rutgers-Newark a 9-6 advantage. Timm's strong serve accounted for three Graceland points after the Iowa squad had knotted the game at 9-9 with Simmons putting the championship away when he scored another ace serve while Timm and Eslinger each scored "insurance points" for the champions.

INDOOR TRACK AND FIELD

A change in scenery didn't bother Jackson State MISS any as Coach Martin Epps' Tigers won their third straight NAIA Indoor Track title Feb. 25-26 in Kansas City's Municipal Auditorium, piling up 85 points to 38 for co-runners-up Oklahoma Christian and Southern U.-Baton Rouge LA. The 47 point winning margin was an indoor meet record.

Eight meet records were set during the return to Kansas City after two years at Greensboro NC and two new events were added to the slate of activities - the distance medley relay and the triple jump. Meet Outstanding Performer Gerald Masterson, Ouachita Baptist ARK, was the competition's only double winner, taking both the 600 and 800 - in record times.

Winning Jackson State only came up with two firsts but both were recordbreaking performances - taking the two-mile relay in a blistering 7:42.39 and then sitting back and watching junior pole vaulter Hubert Butler take his third straight indoor title - this time going a record 17-1 for the win. Other recordbreakers were Richard Newman of Texas Southern in the 1000; Moise Pomaney, Tarleton State TX, triple jump; Jim Heiring Wisconsin-Parkside, two-mile walk; and Oklahoma Christian's winning distance medley quartet.

INDOOR TRACK AND FIELD

An unbelievable chain of events that saw one team (Abilene Christian) disqualified for interference and the other (Jackson State) not finishing the race when its anchor man walked off the track led to the first tie in NAIA Indoor Track and Field history Feb. 24-25 during the event's 13th annual run in Kansas City's Municipal Auditorium. The deadlock stymied J-State's quest for an unprecedented fourth straight indoor crown and marked the first time that Abilene Christian had ever shared a piece of the title pie.

The most controversial finish in NAIA annuals came during the meet's final event - the mile relay but despite the disappointment of having to share team honors both squads came away with the meet's top individual honors - Jackson State's Kenneth Brimmer walking away with the Outstanding Field Performer award by winning the triple jump in a meet record 52-10½ and taking sixth in the long jump and Abilene Christian's John Kebiro winning the Outstanding Track Performer nod for his mile/two mile double and a second in the 1000.

Kebiro ended up the meet's only double winner while Brimmer was joined by Southern University's Ricky Davenport, Frostburg State MD's Carl Schueler and Southern's mile relay quartet as the event's recordbreakers.
