Relay teams are to report to the clerks area(red benches, ten minutes ahead of race time. Give the clerk the names of your team. You will then be sent to the starting line and the exchange zone.

All teams will be timed; all field event marks will be measured.

Results will be duplicated within fifteen minutes of the last event finish.

Portland and Salem newspapers will be notified of the meet results.

Dear Coach,

*Rich*

February 14, 1979

The 1979 Oregon Small College Relays Meet will be held at Willamette University on March 10th at 1 P.M. You may enter one team in each of the track events and one to three men in each of the field events. Please mail your entries to me by March 4th (sooner if possible). You may change entries anywhere at meet time. It just helps with the planning to know how many men will be in each field event.

Teams traveling over 100 miles to the meet will dress and shower at McGulloch Stadium. Other teams will dress and shower at Sparks Center on the main campus. Towels will be available at both sites by checking them out from the equipment room. Valuables should be checked in the equipment room or retained by the team manager.

To assist in the officiating your school has been asked to supply the officials to run the Pole Vault Relay. We plan on completing the meet in two hours. We hope you will join us in this good early season competition.

*Charles Bowles*
