## A C K N O W L E D G E M E N T S

Our thanks to all who have supported this banquet and the project it represents. We hope to see you all at our home football games next fall "on our campus."

We are delighted with our new baseball field and a new track. The turf on our football field is ready. With your help tonight and the generous acts of others we will install a fine new scoreboard and 1,000 seats for the 1966 football season. Although much remains to be done we will have, with the project, successfully located our entire physical education and athletic programs inside the boundaries of the George Fox College campus. On the first day the baseball field and track were put in use, over one-third of the entire student body worked out after 4:00 p.m. on the fields and tennis courts.

Our thanks to those merchants and individuals who made it possible for the Newberg High School team and George Fox athletes to attend this banquet. A partial list follows:
