UNIVERSITY OF PUGET SOUND VOLLEYBALL

Tacoma, WA: **LOGGER VOLLEYBALL REMAIN UNBEATEN, NOW STAND AT 8-0**

The University of Puget Sound hosted their second Northwest Conference opponent, George Fox and the Loggers continued their dominating play coming away with the win by the scores of 15-7, 15-6 and 15-6. It is the eighth win in a row overall and the Logger's second NWC victory. The win keeps the win streak alive and makes an outstanding case for the Loggers to be ranked in next week's regional and national polls. Coach Massey has the team off to their best start in his five years here at Puget Sound.

Outside hitter, Eileen Gamache and middle hitter Karen Elmgren proved to be too much for the Bruins as they combined for 30 kills in the match as the Loggers hit for a combined .282% to that of .008% for the Bruins. The Bruins committed 28 hitting errors. George Fox was lead by Amy Forbes with eight kills and Jennifer Westerberg had six. The Loggers dominated net play with 13 blocking assists. Senior Lindsay Weber led Puget Sound in assist with 46 and the Mindi Yost had 22 assists for the Bruins.

Game one had the Loggers struggle a bit in the early going as they tried to find a rhythm. George Fox led 2-1 before the Loggers ran off a string of points putting the Loggers in the lead 10-7 and finished out game one by the score 15-7. Eileen Gamache led the team with 5 kills and transfer middle hitter chipped in four kills. George Fox had a trio of hitters with three kills each. Game two had the Loggers jump all over the Bruins 9-1 before George Fox could rally back to a 10-6 score. The Loggers put game two away running off five straight points for the 15-6 victory. Game three had the Bruins with the early lead 2-1, only the second time the Bruins had led all match. The Loggers put a string of points together to take the 7-4 lead and finished out with a 15-6 win.

The Loggers now stand 8-0 overall and 2-0 in the Northwest Conference. George Fox falls to 2-6 overall and 0-2 in NWC. The Loggers will play at home this coming Wednesday, September 20th at 7:00pm against Pacific Lutheran.

Individual Records

Official NCAA volleyball records began with the 1981 season and are based on information submitted to the NCAA statistics service by institutions participating in the statistics rankings. In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exist. In these cases, the numerical order of the rankings is accurate.

Blocking information has not been included in the following records due to the fact that there appears to be a significant variance in the methods by which blocking statistics were kept during the 1980s. Research continues to determine a standard by which to measure blocking statistics for NCAA record-keeping purposes.

Single-match record lists are not divided by the number of games in a match. If the three-game record is not among the listed performances, it is just indicated below. Performances from two-game matches are not included in single-match records.

Official career records include players whose career statistics were recorded during the era of official NCAA play.

An "M" located after a number under a "games played" column indicates the number of matches played, as the number of games is unavailable.

York (Pennsylvania)'s Jill Crouse-Wolf made a record-setting 980 digs during the 1999 season. She also holds records for Division III in most digs per game in a season and a career.

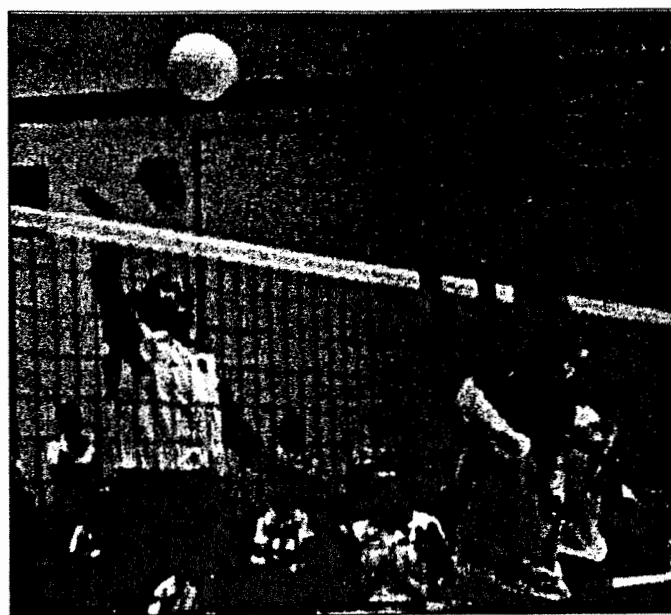

Photo courtesy of Marian (Wisconsin) Sports Information.

Three-time Division III individual, blocking champion Nicole Bencal (No. 7) led all blockers in 1999 with 276. It's no surprise Bencal and her Marian (Wisconsin) teammates won their third consecutive team blocking title.

Team Records

Official NCAA volleyball records began with the 1981 season and are based on information submitted to the NCAA statistics service by institutions participating in the statistics rankings. In statistical rankings, the rounding of percentages and/or averages may indicate ties where none exist. In these cases, the numerical order of the rankings is accurate.

Blocking information has not been included in the following records due to the fact that there appears to be a significant variance in the methods by which blocking statistics were kept during the 1980s. Research continues to determine a standard by which to measure blocking statistics for NCAA record-keeping purposes.

Single-match record lists are not divided by the number of games in a match. If the three-game record is not among the listed performances, it is just indicated below. Performances from two-game matches are not included in single-match records.

An "M" located after a number under a "games played" column indicates the number of matches played, as the number of games is unavailable.
