PAT BAILEY

Third-year Head Coach Pat Bailey has carried on the winning tradition of George Fox baseball.

Last year, he was named Northwest Conference of

Independent Colleges Coach of the Year after guiding the Bruins to their eighth conference or district title in the last 10 years. After winning the conference title, they advanced to the NAIA Far West Regional Tournament for the second straight year, finishing the season with eight school hitting and pitching records. The Bruins' 29-14 record was the second best in George Fox history.

Bailey took over the Bruin program immediately after guiding West Linn High School into the Oregon Class 4A state championship game. At West Linn, his teams advanced to the Class 4A state playoffs seven times and in his final season were edged 2-1 in the 1995 state championship game.

Four times Bailey was named Three

Rivers League Coach of the Year. He was at West Linn for 10 years as head baseball coach and assistant football coach. His baseball teams won five league titles and reached the Oregon semifinals in 1989, 1991 and 1995. From 1989-95, his combined record as a high school and American Legion baseball coach was 315-105 (.750).

Previous to West Linn, Bailey taught and coached at Willamette High School, Eugene, Ore., for three years.

He has worked at various baseball camps and served as a pitching coach at the University of Portland in 1992.

"George Fox really matches up with me personality-wise and philosophically," says Bailey. "As a coach, I want to make sure every kid is making the most of his God-given talent. I want them to be a class act in the classroom and the community. I want the kids to match the school and my personality. I stress to my team that we're a family. Family members are more important than themselves. If you're going to be a leader, you must be a servant first."

Bailey is a 1974 graduate of Moscow

High School in Idaho, where he played football, basketball and was the baseball team's MVP.

A two-year baseball letterwinner at the University of Idaho, Bailey was a starting outfielder and team captain as a senior. He completed his business education degree in 1978. Bailey also lettered two years in baseball at North Idaho College in Couer d'Alene, Idaho.

Bailey continued playing semiprofessionally until age 28.

He earned a master of education degree in educational administration from the University of Oregon in 1983.

At West Linn, Bailey was a business instructor and in 1994 was named to Who's Who Among America's Outstanding High School Teachers. In 1995, he was one of 30 outstanding educators honored with a 1995 Education Excellence Award, given by Associated Oregon Industries.

At George Fox, Bailey is an assistant professor of health and human performance.

Bailey and his wife, Susan, live in Newberg with their children Alex, 14, and Ann, 11.
