Dear Coach,

Dec. 7, 1981

The 1982 Oregon Small College Relays Meet will be held at Willamette University on March 13th at 1 PM. You may enter one team in each of the track events and one to three men in each of the field events. Please mail your entries to me by March 8th (sooner if possible). You may change entries anywhere at meet time. It just helps with the planning to know how many men will be in each field event.

Teams traveling over 100 miles to the meet will dress and shower at McCulloch Stadium. Other teams will dress and shower at Sparks Center on the main campus. Valuables should be checked in the equipment room or retained by the team manager. Please bring your own towels.

To assist in the officiating your school has been asked to supply the officials to run the Pole Vault. We plan on completing the meet in two hours. We hope you will join us in this good early season competition.

Charles Bowles, Track Coach

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very long letter, and it contains a great deal of information about the state of the country at that time. It is a very important document, and it is one of the most interesting documents in the collection.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

NAIA Women's Division team championship.

Abilene Christian, winning its fourth overall team title but its first since 1955, scored 80 points and outdistanced runner-up Azusa Pacific CA 64. ACU won three events and scored in 11 of the 23 events.

ACU pole vaulter Billy Olson wound up an illustrious collegiate career by winning his event for the fourth time. Olson's record-breaking jump of 5.56 meters (18 feet, 3 inches) headed the ACU pole vaulting corps which accounted for 28 of its 80-point total.

Prairie View, which finished second in the inaugural 1981 women's division championship meet, had little trouble this time around. The Panthers won eight events — four individual and four relays in piling up 117 points, far ahead of second place Adams State CO 73.

In the men's division, Garry Henry of Pembroke State NC was the lone double winner of the meet. He won both the 5,000 and 10,000 meter runs — the latter in record time (20:30.76).

200-meter dash.

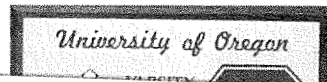

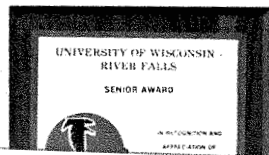

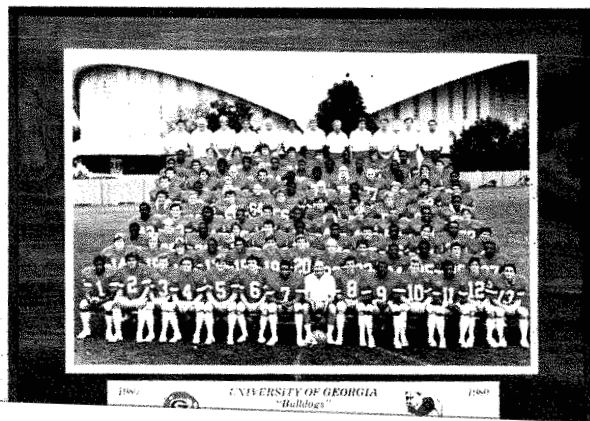

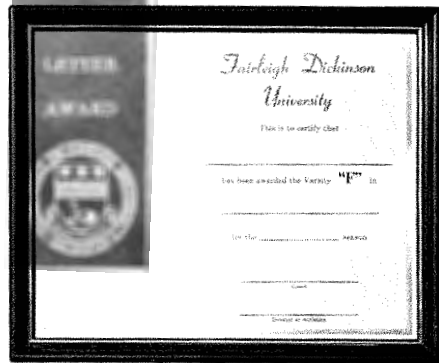

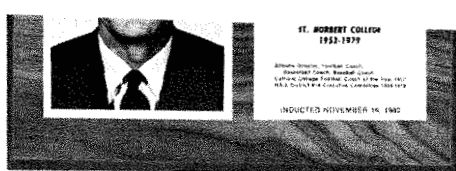

The second year of the women's division saw 10 NAIA records fall during the three-day meet.

All institutions which had placewinners in both the men's and women's divisions will receive travel proration, courtesy of the Miller Brewing Company, Lite division. The sponsor of the 1982 championship meet was the State of West Virginia.

from Southern California to Eastern Michigan in 1971 to win the 17th annual men's division while Texas Southern overwhelmed the rest of the field to capture the 2nd annual women's division team title.

Six records were bested in the men's division and 10 more were shattered in the women's division but the weekend belonged to Saginaw Valley and Abilene Christian University TX pole vaulter Billy Olson.

Saginaw Valley did not win an event but scored in nine of the 13 running events and just two of the six field events for its total of 68 points. The Cardinals' top

the premier pole vaulter in the country, did not disappoint the fans who showed up Saturday night to watch him perform.

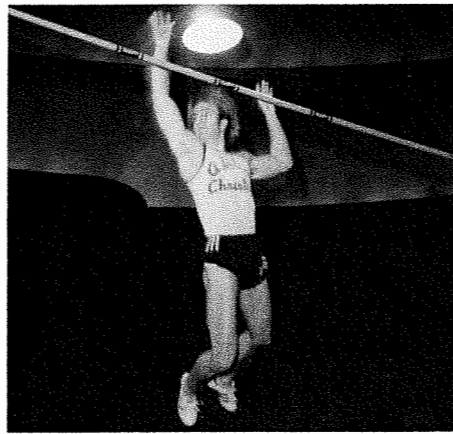

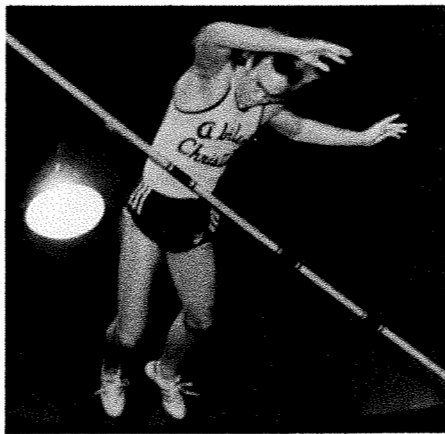

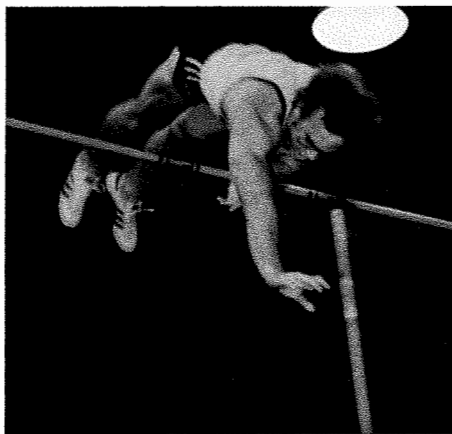

The Abilene, Texas senior established a world best with his leap of 18-10 (5.74 meters). As expected, ACU dominated the pole vault, gaining the first four places, enabling them to tie Texas Southern for second place with 63 points each.

Olson was named the meet's most outstanding performer (men's division) but received stiff competition from Wayland Baptist TX's Joel Ngetich, who was a double winner in the 880 and 1,000 yard runs; Mississippi

In the women's division Cathy Schmidt of Saginaw Valley won the 880 and 1,000 yard runs to win most outstanding performer honors but Texas Southern used its superior depth to pile up 101½ points to outdistance runner-up Prairie View TX 74.

Texas Southern won four events — 60-yard dash, 60-yard hurdles, two-mile relay and distance medley relay and scored in nine of the 11 running events.

The record book took a beating with 10 of the 14 events producing new marks.

Brenda Pitts (right) of Missouri Southern, is presented the Hustle Award from Phyllis Holmes, Chair of the Women's Tournament Committee.

CHRIS WOOD WINS TERRY ANGEL AWARD

The 1982 Terry Angel Award, voted by the team for the most outstanding Pioneer competitor in the Conference Meet, was won by Chris Wood. Competing in a strong 1500 meter field, Chris bettered his personal best time for the fourth time this season to place fifth in 3:58.2.

The Pioneers finished fifth in the Conference but had competitive efforts that proved the form chart wrong in almost every event. Mike Pressley shattered the freshman shot put mark by over a foot to place second on a 48'7.5" put. Marc Gianneschi ran a strong 110 meter Hurdle race to place second in 15.1 and he had a seasonal best 55.0 in the 400 meter Hurdles to place third.

Other personal bests were turned in by Jim Corr with a 184'0" Javelin Throw (fifth place), Bill Dipolito vaulted 12'6" (fifth place), and Pete Baughman clocked 15:24.7 in the 5000 meter Run (fifth place).

Thanks to all the teams and the people they brought to help run the field events.

Next years meet is planned for the same weekend at Lewis & Clark College. It is hoped that the meet will become coed as many of us coach both men and women and it is easier to have both teams at the same site. Please talk this over with your staff and other coaches as you have meets this spring so we might work out a new format.

Northwest Conference Schools: In order for our conference statistician to provide us with up-to-date marks this spring the following information network has been setup. The valley schools will call me at 362-2156 sometime before noon on Sunday and give me your new marks. Jack Sereault will call me and the other schools in the east and then publish a weekly list.

District 2 NAIA Schools: The following arrangement has been made to provide us with District bests. Send to Rusty Bradshaw at Eastern Oregon this week your top marks for this year in all events. He will assemble a top ten list and send it to all member schools. Each week we will update the list by getting changes to him in the following manner. I will have all the Northwest Conference information by Sunday. On Monday I will call George Fox and Western Oregon will call me before noon. Bradshaw will call me at noon. He will also call Southern Oregon and will have Northwest Nazarene call him. If everyone does their part we can get the weekly list in the mail on Mondays. This is an excellent public relations tool for your school so lets make it work.
