The vast majority of which are DRM free ebooks.

Digital Rights Management (DRM) Digital rights management (DRM) is a systematic approach to copyright protection for digital media. The purpose of DRM is to prevent unauthorized redistribution of digital media and restrict the ways consumers can copy content they've purchased. Learn more: <https://searchcio.techtarget.com/definition/digital-rights-management>

And DRM Free means without Digital Rights Management
Which means George Fox users are free to download the
PDF of the book or chapters needed and keep the book
forever. It will not expire.
