## BRUIN SOCCER

Overall 12-6-1, Northwest Conference of Independent Colleges 9-6-1

### No. 6 Seattle Dashes Bruins Playoff Hopes

A season ending loss to No. 6 Seattle University will keep George Fox out of the NAIA postseason for the first time since 1989.

George Fox tied Pacific University for the fourth and final NCIC playoff berth with 19 points, but was edged out based upon head-to-head losses to the Boxers.

The Bruins recorded their 12th consecutive winning season, but came up one win shy of extending their string of nine first or second place finishes in district or conference.

George Fox started the season 7-1 and was ranked No. 18 in the NAIA national poll - its fifth national ranking in the last six years. Two seniors - forwards **Greg Shaffer (North Medford HS, Ore.)** and **Travis Johnson (Hidden Valley HS, Grants Pass, Ore.)** - will be lost from George Fox's 12-6-1 team. Johnson was a 1996 NAIA All-American Scholar-Athlete.

George Fox was coming off a NCIC title in 1995 and a NCIC runner-up finish in 1996.

### LAST WEEK:

#### Seattle 5, George Fox 1

SEATTLE, Wash.-- No. 6 ranked Seattle University slammed the door on George Fox's playoff hopes with a 5-1 Northwest Conference win in the Bruins' final game Sunday (Nov. 2).

The Chieftains are unbeaten in their last 19 games and have clinched the NCIC crown.

Forward **Marc Misiewicz (So., Renton HS, Wash.)** scored the Bruins lone goal, making it 2-1 at the 32 minute mark. Seattle led 4-1 at the break.

### BRUIN BITS:

\*\*\* Former soccer Bruin Jim Maine ('95) was named Pacific-7 Conference Co-Coach of the Year after guiding Newberg High School's boys soccer team to a third-place conference finish and into the state class 4A playoffs.

-more-

\*\*\* George Fox outscored its opponents 35-22 and shut out eight opponents.

\*\*\* A broken nose suffered in practice last week did not deter forward **Marc Misiewicz (So., Renton HS, Wash.)** from scoring George Fox's lone goal Sunday against Seattle University. Head Coach Manfred Tschan said the break was serious enough to require surgery on Monday (Nov. 3). It also gave Misiewicz a seasonal look. "With his black eyes, it looked like a Halloween mask," said Tschan.

\*\*\* George Fox might be able to blame missing the NCIC playoffs on bureaucracy. In a meeting prior to the 1997 season, NCIC coaches voted to change the procedure for determining playoff teams. Three points were to be awarded for a win and one for a tie. However, the new rule never made it to the NCIC athletic directors nor the Faculty Athletic Representatives and was not put into the coaches handbook. Thus under the old two points for a win/one point for a tie rule, Pacific University tied George Fox and edged the Bruins out based on head-to-head competition. Had the new 3/1 rule been installed, George Fox would have claimed the fourth spot outright.

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Seattle:* "We just had our season in a nutshell. We gave an effort most of the way. At half it was 4-1, but two or three of those goals were the result of something crazy happening, like people slipping. We thought we could score on Seattle. Their defense is big, but not that quick. We thought with our quickness could get people open. We had opportunities for it to be 4-3, or with a lot of luck, 4-4 at half, but the longer it went on without scoring the less chances we got. It was a tough mountain to climb. Seattle is a tough team. It's tough to beat them."

*On Season:* "I think our freshmen made good contributions. **Merrick Brownlee** had an outstanding season. There's some big bodies there. If they can spend the time in the weight room, play indoors or whatever to make a step forward, they will be serious players in this conference."

*On Seniors:* "We lost **Erik Sorensen** (concussion symptoms) at the beginning of the season. We could have used him. **Greg Shaffer** and **Travis Johnson** made contributions. It's probably tough for them to not make it to the playoffs their senior year."

*On Streak:* "I think with it coming down to the last day - if we win we tie for second - shows how tight it is year- to-year and makes the last nine years (of finishing first or second in conference or district) even more amazing."

### BRUIN SOCCER

Overall 12-5-1, Northwest Conference of Independent Colleges 9-5-1

#### Bruins Face Possible Do-or-Die Versus No. 6 Seattle

George Fox's final Northwest Conference game Sunday (Nov. 1) could determine whether the Bruins finish second in the NCIC or fall to fifth place and miss the playoffs for the first time since 1989.

A George Fox upset of No. 6-ranked Seattle University combined with a University of Puget Sound loss at Pacific Lutheran University on Wednesday would give the Bruins second place. George Fox has finished first or second in its district or conference for nine consecutive years.

A George Fox loss to Seattle combined with PLU and Pacific wins would eliminate the Bruins from postseason play.

Four NCIC teams will meet Nov. 8-9 to determine the conference's representative at the NAIA Pacific Northwest Regional Tournament.

The NCIC playoffs are Saturday-Sunday (Nov. 8-9) at Seattle. The semifinals will pit the No. 1 seed versus No. 4 and No. 2 versus No. 3.

George Fox is coming off a NCIC title in 1995 and a NCIC runner-up finish in 1996.

**BRUIN BITS:**

\*\*\* George Fox is outscoring its opponents 34-17 and has shut out eight opponents.

\*\*\* George Fox has assured itself its 12th consecutive winning season and has surpassed its 1996 win total. The Bruins were 11-10-1 last season, but advanced to the NAIA Pacific Northwest Regional Tournament.

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Linfield:* "We controlled the game for the most part. We got into a little trouble late in the game by allowing them the penalty kick, but we just settled down and played our game. After that, it went a little easier than I expected."

*On Pacific:* "It was almost like we played two separate games. We knew that Pacific was a bigger team, so we would have to move the ball well. In the first half, we did and it gave us a 2-0 lead. As the game went on, we did less and less, and Pacific really put the pressure on. They were in a must win situation and played like it."

*On Seattle:* "We really need to pull in. We still need the win to make the playoffs without counting on other teams to lose. Right now our goal is to extend the season, and make the playoffs."

Wade Fleming (Jr., Lakeridge HS, Oregon City HS) earned Northwest Conference of Independent Colleges Player of the Week honors Monday (Oct. 20). Fleming changed positions last week, moving up from midfielder to forward to help spark the Bruin offense. The relocation paid off as Fleming scored a goal against Whitman College Saturday (Oct. 18) and both goals in George Fox's crucial 2-1 overtime win over Whitworth College on Sunday (Oct. 19). Fleming leads the Bruins with five goals and five assists. He was an NAIA Honorable Mention All-American last season.

## Faint Hopes Continue for Bruin Streak

A series of upsets this week gave new life to George Fox's goal of making it a complete decade at the top. The Bruins have finished first or second in their district or conference for nine consecutive seasons, but this season find themselves fighting to reach the postseason. George Fox holds a tenuous grip on the fourth and final Northwest Conference playoff berth with three conference games remaining, including tough matchups with NCIC-leading Seattle University and defending champion Pacific University. Last week the No. 2, 3 and 5 teams in the conference lost games to teams below them in the standings, while George Fox held steady with a pair of wins.

George Fox is coming off a NCIC title in 1995 and a NCIC runner-up finish in 1996.

George Fox 2, Whitworth 1 (OT)

NEWBERG, Ore. – George Fox survived a scare, using overtime to defeat Whitworth College 2-1 on Sunday (Oct. 19) and stayed in the Northwest Conference playoff hunt.

The Bruins got two goals from forward **Wade Fleming (Jr., Lakeridge HS, Oregon City)**, who last week changed positions from midfielder to provide more offense.

Whitworth, which was coming off a Saturday road win over defending NCIC champion Pacific University, had the Bruins 15 minutes from defeat before Fleming headed in the tying goal. Midfielder **Greg Shaffer (Sr., North Medford HS, Ore.)** set up the play, dribbling down the right wing and crossing to the far post where forward **Travis Johnson (Sr., Hidden Valley HS, Grants Pass, Ore.)** headed it back to Fleming in the center of the goal.

After misfiring on a one-on-one earlier in the game, Fleming redeemed himself with the gamewinner in overtime, beating the keeper on a fastbreak goal. He was mobbed by teammates following the score.

Puget Sound 3, George Fox 0

TACOMA, Wash.— University of Puget Sound held George Fox scoreless for the second time this season and took a 3-0 Northwest Conference win Saturday (Oct. 11).

The Loggers's Tye Tolentino stole a backpass and scored the first of UPS's three first-half goals.

George Fox 0, Pacific Lutheran 0

TACOMA, Wash.— Goalkeeper **Curtis Selby (Jr., Aloha HS, Ore.)** and the George Fox defense recorded their sixth shutout of the season, but the Bruin offense sputtered in a 0-0 tie with Northwest Conference opponent Pacific Lutheran University on Sunday (Oct. 12).

Midfielder **Josh Turpen (Jr., Sammamish HS, Bellevue, Wash.)** had a 20-yard bullet aimed for the upper corner of the goal that was saved by diving PLU goalkeeper Jonas Tanzer in the second half.

**BRUIN BITS:**

\*\*\* George Fox is outscoring its opponents 26-13 and has shut out six opponents.

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Willamette:* "We played pretty well offensively. We just didn't finish our chances. It's a trend we haven't had at Fox a lot, but it's a fairly common theme in soccer. Defensively, we struggled. We let them get behind us a little too easily. We ended up needing to use overtime to get the win we really needed."

*On UPS:* "We gave them a goal. Their goalkeeper made a point-blank save on a shot by Travis Johnson from four-five yards out. A few minutes later, we managed to misplay a harmless back pass. They have to get credit for being there and willing to put it into the open net. We didn't play well offensively the rest of the way. They made it look pretty easy."

*On PLU:* "It was a do-or-die situation for us. I guess we're still hooked up to the tubes. We gave it the effort we needed. We had several seemingly easy scoring chances, but couldn't get it past the Swedish wonder in goal."

-more-

*On Whitman/Whitworth:* "For us it's the playoffs. If we lose or tie a game, we're probably out. We have no option but to go out and take every game very seriously. The fact we were able to beat Whitman and Whitworth over there gives us hope, but this is soccer and you have to put it in the net to win."

#### BRUIN BITS:

\*\*\* A decade of consistency is the goal of the George Fox men's soccer team. The Bruins have finished first or second in their district or conference for nine consecutive seasons. George Fox is coming off a NCIC title in 1995 and a NCIC runner-up finish in 1996.

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Seattle:* "It was difficult playing conditions for both teams. We had a good idea of what would work, but it seemed that Seattle executed our game plan better than we did."

*On Willamette:* "They are always tough. When we played them at home, they took an early lead over us. We know that they are dangerous, and when we step out onto the field, it'll be time for a gut check to see how we're going to play."

*On Puget Sound:* "We really need to get our offense up against UPS. Last time we played, they only took three or four shots, and ended up beating us, but if we get going on offense, we'll give them a little bit more trouble."

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Linfield:* "We played very poorly. Our decision making was atrocious, but we still ended up coming away with the win."

*On Pacific:* "It was the first time in three years that I felt we outplayed Pacific, but the score didn't reflect that. The game proved that everything happens inside the penalty box. We had them pinned down several times, but couldn't take advantage."

*On University of Redlands:* "This was a good opportunity to compete against a NCAA Div III school, since that is what we will be soon. They definitely weren't used to the (muddy) conditions, and had trouble adjusting to it."

*On Seattle:* "They are unbeaten so far and are always a high-quality team. This will be our first full week of practice in quite awhile, so we'll get a chance to work on some weaknesses and be ready for them."

Puget Sound 1, George Fox 0

University of Puget Sound shut out George Fox and took a 1-0 Northwest Conference win on the Bruins' home field Sunday (Sept. 14).

The loss was the first of the season for George Fox.

Puget Sound capitalized on the absence of Bruin Honorable Mention All-American midfielder **Wade Fleming (Jr., Lakeridge HS, Oregon City, Ore.)**. Fleming was not allowed to play because of a red card he received in the previous game.

Four minutes before halftime, UPS's **Tye Tolentino** scored the lone goal.

Scoring:

UPS 41 min. Tye Tolentino (unassisted) UPS 1-0

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Pacific Lutheran:* "It was what you would usually expect from a PLU game. The winner wins by only one or two goals. It was a very hotly contested match, and we had a few meltdowns (emotionally), that we shouldn't have. Losing our composure ended up costing us later."

*On Puget Sound:* "We played much better. Their goal was a carbon copy of last year's. Once they scored, they didn't need to be on the offense so much, because it was up to us. We had the opportunities, but we didn't pounce on them."

*On Willamette:* "We really need to come out and play hard, not just running and tackling, but being smart, and making good decisions. If they provide a test to our ability, I hope we can step up and pass it."

**CHAT WITH TSCHAN:** (Comments from head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 coach of the Year)

*On Evergreen State:* "Our new players got their college carriers off to solid starts. **Matt Tinder** and **Nick Cook** combined for three goals and three assists. **Marc Misiewicz** and **Merrick Brownlee** played just as well, but without the stats.

*U.S. News* (in its recent issue on colleges) ranked us equal with Evergreen State in several categories, so I was glad to separate us from them on the soccer field."

*On Western Baptist College:* "They have definitely improved in the last few years. They're the defending Christian College champions, so we need to come ready to play a champion-caliber team."

*On PLU/Puget Sound:* "They are good-quality teams. We'll find out how we stand in the conference after the first game. Conference openers are usually nerve racking, like last year when we split our opening two games. That hurt our chances at the league championship. This year we've really got to come out and try to win both games this weekend to have a good chance at the championship. There are no easy games in our conference."

Conference of Independent Colleges (NCIC) in 1997.

Despite the loss of three starters from last year's NCIC runner-up squad, the Bruins may be even better than a year ago.

"We have a little more talent than we had last season," says ninth-year Head Coach Manfred Tschan. "This is an upperclassman-dominated team. Our key players are in their third or fourth season. They know exactly what to expect."

The question is whether they've improved enough to stay atop the tough Northwest Conference. Seattle University joins the NCIC this year, giving the conference three of the four teams that participated in last year's NAIA Pacific Northwest Regional Tournament.

A large and, often-honored junior class will provide the team's foundation. At its core is a duo of center midfielders: **Wade Fleming (Jr., Lakeridge HS, Oregon City, Ore.)** (13 goals, 6 assists) and **Josh Turpen (Jr., Sammamish HS, Bellevue, Wash.)** (10 goals, 11 assists) — who led the Bruins in scoring last season. Fleming was an NAIA Honorable Mention All-American and Turpen received NAIA Pacific Northwest Region Honorable Mention.

The Bruin goal will be defended by a pair of former high school teammates. Goalkeeper **Curtis Selby (Jr., Aloha HS, Beaverton, Ore.)** and sweeper **Tommy**

**Crown (Jr., Kent-Meridian HS, Kent, Wash.)** round out the juniors on the varsity roster. Both will start or see considerable playing time.

Three seniors are back for their final hurrah. Outside midfielder **Erik Sorensen (Sr., Bothell HS, Wash.)** is attempting to return from a concussion suffered last season. **Travis Johnson (Sr., Hidden Valley HS, Grants Pass, Ore.)** — a 1996 NAIA All-American Scholar-Athlete — and **Greg Shaffer (Sr., North Medford HS, Ore.)** will provide experience to a young corps of forwards.

Tschan is hoping for more offense up front than he got last year. "Our forwards should get a steady diet of balls from the midfield," he predicts. "It's just a matter of how they produce."

Newcomers **Marc Misiewicz (So., Renton HS, Wash.)**, **Nick Cook (Fr., North Medford HS, Ore.)** and **Matt Tinder (Fr., Kapaa HS, Hawaii)** all will get their chance to prove they can find the back of the net.

After a redshirt season, **Jared Pearson (Fr., Bend HS, Sunriver, Ore.)** — a 1995 Oregon Class 4A All-State Honorable Mention Selection — also may work his way into the mix.

Another freshman battling for a starting position is outside midfielder **Merrick Brownlee (Fr., South Eugene HS, Ore.)**.

Two new goalkeepers, **Brandon Reyna (Fr., Boulder City, Nev.)** and **Bryan Ercanbrack (Fr., Roy HS, Utah)**, as well as defender **Kris Sorensen (So., Bothell HS, Wash.)** will provide depth
