*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post, it is blocked by a defender, or it is high or wide.

*A shot is an attempt that is taken with the intent of scoring and is directed toward the goal. Note: A cross is not a shot. A cross is a long kick from a wide position into the penalty area in front of the goal. The intent of a cross is to set up a scoring opportunity for an attacking player. A goalkeeper who intercepts a cross is not credited with a save. To receive a save, the goalkeeper must have stopped a ball that otherwise would have gone into the goal. Each shot results in one of five possibilities: a goal, a save, it hits the post it is blocked by a defender, or it is high or wide.

GEORGE FOX UNIVERSITY BRUINS 1998 MEN'S SOCCER REVIEW

1998 – 13th Straight Winning Season for Bruins

Despite a late-season slump, the George Fox Bruins men's soccer team finished the year on the plus side of .500, the 13th winning season in a row for the team.

It was a season of contrasts for the Bruins, one that began with a fast start and ended with the team wondering what happened to its offense. In their first seven games, the Bruins went 5-1-1, with the tie coming against defending NAIA national champion Seattle University, and climbed as high as 19th in the NAIA polls.

The middle third of the season, mostly Northwest Conference games, was characterized by narrow defeats. In eight games, the Bruins went 5-3 – and all three losses were by one goal each!

But from that point on, the Bruins simply could not “buy a goal”. Four straight 1-0 losses, two of them in overtime, ended the regular season, but an at-large berth to the NAIA playoffs still awaited the team, despite the end-of-the-year scoring drought. The slump continued, however, as the Bruins bowed out of the NAIA Pacific Northwest Regional semifinals with a 2-0 defeat at the hands of Seattle in a game played on artificial turf at Simon Fraser University in Burnaby, B.C., Canada.

There was much to be proud of, however. Coach Manfred Tschan picked up his 200th career victory in 16 years as head coach at George Fox, Concordia University, and with the women's team at the University of Oregon.

Four seniors earned All-Northwest Conference accolades. Midfielder Josh Turpen and forward Wade Fleming each made their third consecutive appearances on the All-NWC First Team, while goalkeeper Curtis Selby and defender Tommy Kolodge were Honorable Mention. Fleming was second in the NWC in points with 30 (12 goals, 6 assists), and Turpen was 11th with 16 points (5 goals, 6 assists). Selby, who posted 6 shutouts, was 15th in the nation in goals-allowed-per-game average (1.09) and 2nd in the conference, while Kolodge helped anchor the league's leading defense. As a team, the Bruins ranked 17th in the nation with 1.15 goals allowed per game.

Fleming went on to receive NAIA All-Pacific Northwest Region First Team and NAIA All-American Honorable Mention honors, while Turpen and Selby were All-Region Second Team selections.

With four other seniors finishing their eligibility (Chad Pohlman, Jeff Wells, Chris Wood, and Jonathan Williams), the Bruins lose eight starters from the '98 team and thus will be very young next year – but if the past 13 years are any indication, the George Fox men's soccer team could well make it 14 winning seasons in a row in 1999.
