Cougars, Pantherettes Play Same Old Tune for Competitors

What might sound like sweet music to two NAIA track and field powerhouses, is more akin to a broken record for the rest of the track and field world.

Azusa Pacific CA and Prairie View TX extended their dominance of opponents by

Track & Field

winning their seventh and eighth, respectively, consecutive national titles at the 1989 ServiceMaster NAIA National Track and Field Championships, hosted by Azusa Pacific.

While the Cougars and the Pantherettes provided the same tune, the beat varied a little as several new names climbed into the top four.

On the men's side, Azusa Pacific outscored runner-up Adams State CO, 115-70. Central Arkansas recorded its best finish ever by finishing third with 48 points. Pittsburg State KS rounded out the top four with 43 points. Wayland Baptist TX and Prairie View, perennial top four teams, finished 17th and 38th, respectively.

On the women's side, Prairie View scored 109 points compared to 50 points for Arkansas-Pine Bluff and Concordia NE, which tied for second place. For Arkansas-Pine Bluff, the second place finish was its first

top 10 finish ever in either indoor or outdoor competition. For Concordia, it was its best finish ever. A fourth place finish with 47 points gave Wayland Baptist its fifth consecutive top four showing.

Traditionally strong in the weight throws, Azusa Pacific jumped out to a fast start in the team standings by scoring 23 points in the first event, the hammer throw. With only one exception, when Wisconsin-Parkside jumped into a brief stay at first place after dominating

the racewalk, the Cougars were in the lead to stay.

The Cougars scored points in nine of 23 events, and crowned four national champions and one relay champion. Azusa Pacific had more than one athlete score in four events, including the decathlon where four Cougars scored points.

Leading the Azusa Pacific attack were Ade Olukaju, the only double winner in the

Beile, Franson Named Top Track Coaches

One Hall of Fame coach and another coach destined to become a Hall of Famer, were voted NAIA National Outdoor Track and Field Coaches of the Year by their peers in the NAIA-Track and Field Coaches Association.

Fred Beile of Doane NE earned his first national coaching award as the 1989 women's coach of the year. Beile, who was inducted into the NAIA Hall of Fame in 1987, was selected district coach of the year. At nationals, his team placed 15th behind the performances of marathon champion Amy Baker, All-Americans Kathy Waggoner (800-meter) and Pam Ruge (high jump), and high jumper Mick Holtman.

Elected men's coach of the year for an unprecedented eighth consecutive year was

Terry Franson of Azusa Pacific CA. Franson's Cougars also accomplished an unprecedented feat when they won their seventh consecutive men's outdoor title. Only the women's program of Prairie View TX has won more consecutive NAIA track and field team titles. Azusa Pacific has come to dominate an NAIA men's championship like no other team with the exception of Simon Fraser BC which won nine straight swimming and diving crowns from 1972 to 1980.

Under Franson's tutelage, the Cougars collected 115 points by scoring in nine of 23 events, including national champions in five events.

Beile and Franson were selected from ballots which included the district coaches of the year.

How to get out of building maintenance and back into building minds

If it seems you've started worrying more about how well the air conditioning runs than how well things in the classroom are running, then you need to put ServiceMaster to work.

We're education's largest supplier of management support services for maintenance, custodial, grounds care and food service.

It's our job to see that your air conditioning works, that the grass is cut, that nutritional meals are served, and that routine maintenance checks are made with precision.

We do this all while helping to contain your budget. And we do it with your current staff plus our professional management team.

ServiceMASTER.

Team, Singles, Doubles Titles Give Texas-Tyler Clean Sweep

Texas-Tyler made a clean sweep of the 38th Annual NAIA National Men's Tennis Championship.

In what amounted to a no-lose situation for Texas-Tyler, the Patriots' No. 3 seed Ken Olivier defeated 28th-seeded teammate Charlie Singer, 7-6 (7-4), 6-2, in the men's singles championship match.

Olivier and teammate Chris Harris then made it a clean sweep of all the titles, by beating top-seeded and defending champions Per Asklund and Michael Malvebo of Flagler FL in the doubles final, 6-2, 6-4.

Texas-Tyler, which had sewn up the men's team title two days earlier, finished the tournament with 35 points, 11 ahead of runner-up Auburn-Montgomery AL. The team, singles and doubles titles were the first in Texas-Tyler tennis history.

"We felt like we had a shot at the championship, but there was no way I could have dreamt that we would have two players in the singles final," Texas-Tyler coach Fred Kniffen said. "It has just been a tremendous week."

Men's Tennis

Ironically, it was supposed to be a rebuilding year for the Patriots, who had lost five seniors from the 1988 team which finished runner-up to Lander SC.

"I had an idea we would be able to come back this year after losing those players," Kniffen said. "But last year, we had an excellent

team. We had a lot of experience to replace."

Singer had beaten three higher-seeded players en route to the final, including No. 4 Stephen Diaz of Auburn-Montgomery; No. 11 Fredrik Andersson of Lander; and No. 14 Zubin Irani of Atlantic Christian NC. And in the final, he took Olivier to the brink in the first set, forcing a tiebreaker.

But the 6-foot-6 Olivier won out, wearing out his opponent in the second set. Olivier was the recipient of the Ward-Ballinger Award as outstanding player.

Lander freshman Wade McGuire, the No. 1-ranked player most of the season, missed the tournament because of an injury. Top-seeded singles player Carl van Coppenhagen of Belhaven MS dropped from the field in the fourth round because of an injury.
