ABOUT GEORGE FOX COLLEGE

George Fox College is the outgrowth of a desire by early Willamette Valley Quaker settlers who established Pacific Academy in 1885 for the Christian education of their children. The college division was organized in 1891 to provide more advanced instruction for students. In 1949, because of the many colleges in the Northwest with Pacific in their name, the College was renamed George Fox in honor of the founder of the Friends (Quaker) Church. The College is governed by a 42-member Board of Trustees elected by Northwest Yearly Meeting of Friends Church, which comprises more than 8,000 members in 57 churches in Oregon, Washington, and Idaho.

The 60-acre rural, tree-shaded campus a half-hour drive from Portland has undergone major expansion in the last seven years with nine new buildings constructed at a total investment of nearly \$10 million.

College enrollment is 625.

Accredited by the Northwest Association of Secondary and Higher Schools, the College offers 27 majors in six divisions: Education, Fine and Applied Arts, Language Arts, Natural Science, Religion, and Social Science. George Fox is one of 13 members of the national Christian College Consortium. The College has a student-faculty ratio of 15/1.

George Fox students come from 18 states and 5 foreign countries. Nearly 40 religious denominations are represented on campus.

Alumni of George Fox are primarily in service-oriented vocations. The College's most prominent alumnus is the late President Herbert Hoover, who attended Pacific Academy.

GFC ATHLETICS

Intercollegiate athletics is an integral part of the overall education program at George Fox. Men's varsity athletic teams represent the College in baseball, basketball, track, cross country, and soccer. Women students compete in volleyball, basketball, track, softball, and cross country.

George Fox College competes as an independent on the varsity level. Its schedules are coordinated with the Northwest Conference and with other independents in the Northwest. George Fox is a member of the National Association of Intercollegiate Athletics (NAIA), District 2, and the National Christian College Athletic Association, District 7.

For students not participating in the varsity program, GFC has a complete intramural program including flag football, basketball, volleyball, softball, tennis, and racquetball.

Athletic facilities include the Coleman H. Wheeler Center for Sports and Physical Education; Colcord Field, which includes a football/soccer field and new all-weather rubberized track; and tennis courts. A new athletic field complex containing baseball diamond, two softball fields, soccer field, and archery range was completed in 1981.

Wheeler Center, completed in 1977 in a \$2.7 million project, includes the James and Lila Miller Gymnasium with three basketball courts and seating for up to 2,500; multipurpose, class, and weight rooms; faculty and administrative offices; handball courts; dressing and therapy rooms.

BRUINS PARTICIPATE IN NAIA DISTRICT 2

George Fox College men's athletic teams compete in District 2 of the National Association of Intercollegiate Athletics (NAIA). Nineteen teams currently make up the district, all but six within the state of Oregon. Four are in Hawaii, two in Idaho. Schools include the four members of the Northwest Conference, four members of the Evergreen Conference, and 11 independent schools, including George Fox.

The district tip-off and play-off guidelines are established by a basketball committee, composed of the coaches. The play-off system this year involves an eight-team tournament including the colleges rated highest by the "Sempert System," which awards points based on wins and losses against teams with winning and losing records. This year, for the second time, Hawaii schools will have their own playoffs. The 15 Northwest schools will conduct a separate District 2 playoff tournament.

Members of NAIA District 2 are Brigham Young—Hawaii, Chaminade University, College of Idaho, Columbia Christian, Concordia, Eastern Oregon State, George Fox, Hawaii Pacific, Lewis and Clark, Linfield, Northwest Nazarene, Oregon Institute of Technology, Pacific, Southern Oregon, University of Hawaii—Hilo, Warner Pacific, Western Baptist, Western Oregon State (formerly OCE) and Willamette.

George Fox College has been in the NAIA District 2 playoffs 10 of the last 14 years.

The Bruin district play-off record:

1970-71—Willamette University (lost 103-69)

1971-72—Willamette University (lost 69-60)

1972-73—Linfield College (won 95-88)

Pacific University (won 68-67) (District Title); Defiance (Ohio) College (lost 82-62) (NAIA national championships)

1973-74—Pacific University (won 92-72)

Oregon Institute of Technology (lost 55-54)

1974-75—Oregon Institute of Technology (lost 72-56)

1976-77—University of Hawaii—Hilo (lost 85-79)

1977-78—Oregon Institute of Technology (lost 79-65)

1979-80—Oregon Institute of Technology (lost 69-67)

1980-81—Northwest Nazarene (lost 61-58)

1983-84—Western Oregon State (lost 86-72)

THE SEMPERT SYSTEM: GETTING TO THE PLAYOFFS

The Sempert System, named for Coach Dean Sempert of Lewis and Clark College in Portland, is a system of points that are earned by each team in the district in the following manner:

Four (4) points for a win on the road against a better-than-.500 team.

Three (3) points for a win on the road against a less-than-.500 team.

Three (3) points for a win at home against a better-than-.500 team.

Two (2) points for a win at home against a less-than-.500 team.

One (1) point for a loss at home or on the road against a better-than-.500 team.

No (0) points for a loss at home or on the road against a less-than-.500 team.

(All neutral court games are counted as away games.)
