DON'T KNOW MUCH ABOUT* THE ST. LOUIS WORLD'S FAIR OF 1904

"Meet me in St. Louis, Louis / Meet me at the fair" were the famous words it inspired. Formally called the Louisiana Purchase Exposition in celebration of the centennial of the Louisiana Purchase, the legendary St. Louis World's Fair missed it by a year and opened 100 years ago this weekend. What do you know about this most monumental of all world's fairs? Try a quick quiz by Kenneth C. Davis, the author of *Don't Know Much About History*.

More than 20 million people attended the fair, which covered 1,200 acres and lasted seven months.

True or false? Answers below.

1. Among the items that were introduced or popularized at the fair were the **hot dog**, the hamburger, iced tea, the ice cream cone, air conditioning, automatic turnstiles and the Ferris wheel.
2. Many of the fair's 1,500 buildings are **still in use**.
3. The first Olympics in the United States were held in St. Louis **at the same time**.
4. In response to complaints about discrimination, a **Negro Day** was held.
