### BRUINS NAME SWANSON AS JV BASKETBALL COACH, VARSITY ASSISTANT

Following the pattern of the Portland Trail Blazers in naming a player to be an assistant coach the next season, George Fox College has tabbed NAIA District 2 All-Star Eric Swanson to be its new JV basketball coach and varsity assistant.

George Fox basketball coach Mark Vernon announced the selection of Swanson on Tuesday (July 20).

For the 6-5 Swanson it will mean remaining on the Newberg campus for a third year. The record-setting Bruin forward finished his collegiate playing eligibility last spring. This fall he will return to GFC as a coach.

Swanson will take over as jayvee coach from Matt Mount, who is leaving after three years in the position.

Swanson, from Castle Rock, Wash., left behind impressive records with the Bruins. He set two school marks last year with the most defensive rebounds in a season (287) and the most in one game (20).

Swanson's 649 total career rebounds moved him to 10th on GFC's all-time rebounding list, just the second two-year player ever to climb into the top 10. His 397 season rebound total is the second highest ever recorded by a Bruin, topped only by All-American Randy Dunn's 422 in 1981-82. Swanson's 12.03 season rebound average is fourth best at GFC.

-more-

George Fox College

Swanson Named Coach, Basketball

July 19, 1988

Page 2

In scoring, Swanson missed GFC's top 10 by just eight points. He produced 1,132 points in two years at GFC, nearly equaling three and four-year players. His 654 point total last season is the second highest ever. His 19.8 average put him in seventh spot. His .586 career field goal accuracy is the best ever at GFC.

Swanson came to the Bruins from Grays Harbor Community College where in 1986 he was named MVP for Northwest Region 2 community colleges.

Vernon calls Swanson "a big plus for our coaching staff."

He said Swanson has "a tremendous understanding of the game of basketball and what it takes to win; he has a great future in coaching."

Vernon said Swanson, as varsity assistant, will help in development of the big men, and with teaching inside moves and rebound skills.

An physical education major, Swanson will be completing his bachelor's degree while coaching.

#### PAIR OF REDMOND INTERMOUNTAIN ALL-STARS TO TEAM UP AT GEORGE FOX

Two Oregon Intermountain Conference first-team players, both MVP's for their Redmond High School team, will continue to team up in college basketball.

George Fox College Coach Mark Vernon announced Tuesday (May 24) the signing of 6-2 guard Tim Harris and 6-6 forward Ron Wolfe.

The pair join three other all-state choices already announced for the Bruins.

Harris this year led Redmond in both scoring (12.8) and rebounding (7.7). The team captain and MVP headed a squad that had seven players averaging between 7.9 and 12.8. He was named to the Intermountain League's All-Star first team.

Wolfe was Redmond's MVP in 1987 when he averaged 15.0 points a game and 7 rebounds, was the team captain and an Intermountain first-team All-Star. He had back surgery prior to his senior year and last season averaged 10 points and 8 rebounds a contest, named to the league's second team.

Both players are honors students and members of National Honor Society, Wolfe with a 3.3 grade point average and planning to major in psychology and Harris with 3.3 average and planning to major in business.

"Tim plays all out all of the time," Vernon said of Harris. "He has tremendous determination and hustle." He said a 6-2 guard leading in both rebounding and scoring is "a great accomplishment." He calls Harris a good defender and good scorer. At GFC

-more-

Intermountain All-Stars

May 23, 1988

Page 2

he will play an off-guard position, asked to shoot from the perimeter along with good inside play.

"The bottom line on Tim is his total dedication to do anything he can to win," Vernon said. "He's a great competitor."

The seventh-year George Fox coach says Wolfe "has a very nice shooting touch from 15-feet and in and at 6-6 he will give us depth at the forward position."

"Ron had an outstanding junior year -- being named to the All-League first team -- but his back surgery cut into his potential," Vernon noted. "As he gets stronger and more physical, he will be a strong contributor for the Bruins."

Vernon, who has guided GFC to a 124-67 record in his career, calls the pair "quality additions to our program. They have received excellent coaching from Glenn Kinney, who is an outstanding coach, both at the high school and college level."

Earlier George Fox announced Chris Patoine, Oregon's community college Player of the Year; Kurt Ronnow, an Oregon first-team high school player who topped the state tourney in both rebounding and scoring; and Jon Hagen, a state honorable mention pick who led the Metro League in scoring.

### BRUIN BASKETBALL HONORS ANNOUNCED

For just the second time in the school's 23 years of NAIA basketball history George Fox College has named two to share Most Valuable Player honors.

GFC players couldn't decide who deserved the 1987-88 honor most and split their vote in naming NAIA District 2 All-Stars Eric Swanson and Dan Newman.

"Sometimes it's cut and dried; this year it was really hard," said GFC Coach Mark Vernon. "There's not a better way to end the season." He announced the honors at a dessert awards program on campus this week.

Why the difficulty in choosing? Both were leaders:

\*\*\* The pair of seniors averaged nearly 41 points a game between them, just three-tenths of a point a part, Newman at 21.1 and Swanson at 19.8.

\*\*\* Swanson averaged 12.0 rebounds a game, best for the Bruins and second best in the district.

\*\*\* Newman countered with a 5.3 assist average, best for GFC and sixth best in the district.

Swanson scored 654 points this year, the second highest ever at GFC. His 19.8 average was seventh best. His .586 career field goal accuracy is the best ever.

Newman scored 591 points in his final season, the fifth-highest season total ever. His scoring average was third highest ever.

-more-

George Fox College

Bruin Basketball Honors

April 18, 1988

Page 2

Swanson's 397 season rebounds is the second highest ever recorded by a Bruin. He set school records this year with 287 defensive rebounds and with his 20 defensive grabs in a Feb. 5 game with Northwest Nazarene.

Newman, a guard, this year established a three-point school record with a .500 accuracy rate (48 of 96). He also set a record with eight attempts in one game and a record with five made. He was a perfect five of five in a playoff game with Concordia College.

Both MVPs finish their careers high in GFC statistics. Newman had 2,113 career points, second highest ever for a GFC player. He had 501 points a year ago for the Bruins after two years at Concordia College. His career free throw accuracy of .822 is the fifth highest ever at GFC.

Swanson's marks come in both scoring and rebounding. His career total 649 rebounds is tenth best at GFC and he became just the second two-year player ever to climb into the Top 10 at GFC. A forward, Swanson missed the scoring Top 10 by just eight points, producing 1,132 in two years, nearly equaling three and four-year players.

In addition to NAIA District 2 honors, both players received national recognition by the National Christian College Athletic Association, Vernon reported. Swanson was named to the first team, Newman to the second.

The Bruins' Most Improved Award went to 6-11 freshman center Dave Wilson. He produced five school records for blocked shots, and his .642 shooting accuracy on 122 of 190 attempts set a school record.

In the Bruins' final NAIA District 2 game of the year, in the semifinals at Oregon Tech, Wilson had 20 points, nine rebounds and seven blocked shots.

George Fox College

Bruin Basketball Honors

April 18, 1988

Page 3

"If he continues to improve like he has, watch out," said Vernon. Wilson averaged 9.5 points and 5.8 rebounds a game. Three times during the year he had game triple doubles in points, rebounds and blocked shots, once with 12 blocks in a contest.

Named Most Inspirational was senior forward Eric Lautenbach, who came back from a season-ending knee injury a year ago to start at times this year. His .872 free throw accuracy led the Bruins. "His hard work just to go through the season was an inspiration," said Vernon. "He was an inspiration to the team."

The Best Defense award went to junior guard Jeff Richards. He lead the Bruins in steals at the time of a broken foot eight games before season end. He had 11 steals in a game with Dominican College Jan. 2 to tie a GFC record.

The team's Hustle Award was earned by junior guard Pat Casey, the College's baseball coach who started with the basketball Bruins 13 games into the season. "Anyone can earn this, but he stood out," Vernon said.

### JON HAGEN, SECOND ALL-STATE PLAYER, PICKS GEORGE FOX FOR BASKETBALL

George Fox College's basketball fortunes continue to grow.

Already having signed Oregon's top high school scorer and rebounder in the state AAA tournament, and Oregon's community college player of the year, the Bruins now have recruited a second all-state player.

It will be a short move to college for Jon Hagen, leading scorer for the Metro League. The Newberg High School standout will move across town to play his collegiate career at GFC.

Bruin Coach Mark Vernon announced Hagen's decision Tuesday (April 19).

Hagen, a 6-3, 180-pound guard, last week was one of a dozen players picked to the Metro team for the June 17-18 State-Metro summer all-star basketball series. Earlier he was named to the state's honorable mention all-star team.

Hagen averaged 21.5 points and 7.9 rebounds a game for Newberg's Tigers. As a junior he averaged 18.3 points a game as the Metro League's second-leading scorer. He was captain and MVP of his team both years.

Hagen, who narrowed his choices to several Oregon small colleges, said he finally chose George Fox because "it has the best program I've seen overall; I really liked the way they play, the coach and the team." He also credited Vernon with "a great job of seeing my games."

-more-

George Fox College

Jon Hagen  
April 18, 1988  
Page 2

"Jon should be heard from even as a freshman," Vernon said. "He will have a good four years at GFC, and, above, all he is just a top quality person." Hagen has a 3.87 grade point average and will be given GFC Honors-on-Entrance academic designation.

Vernon calls Hagen "one of the best drivers and penetrators in the state -- he can finish his penetration and score but also is an extremely good passer on the move." Vernon said Hagen "puts tremendous pressure on the defense as he attacks the hoop."

Hagen will play a wing, Vernon said, rotating between the off guard and small forward spots. He said Hagen is a good perimeter shooter who should improve in that area as he is asked to shoot the ball from the three-point range.

Vernon describes Hagen as "a very coachable player well grounded in fundamentals because of his basketball intelligence and coaching." Hagen's high school coach was Gregg Griffin, a former Bruin player and 1980 GFC graduate.

Hagen joins other top recruits: Chris Patoine, who averaged 16.2 points a game at Umpqua Community College this year leading the Timbermen to a 27-6 season and who was recruited by 300 colleges; and Kurt Ronnow, a first-team All-State choice who led his Molalla team with a 26 point, 13 rebound average in the state high school championship tournament.

### CHRIS PATOINE, OREGON COMMUNITY COLLEGE PLAYER OF YEAR, PICKS GFC

George Fox College, which last month picked up Oregon's AAA high school basketball tournament scoring and rebounding leader, now has scored a coup at the community college level.

Bruin coach Mark Vernon Tuesday (April 12) announced the signing of Chris Patoine, Oregon's community college Player of the Year.

Patoine had been contacted by mail, phone or directly by coaches of 300 colleges nationwide, including NCAA Division 1 schools and as far as the East Coast.

"I just felt comfortable with the school, coach and people I met," Patoine said in announcing George Fox as his choice. "I did research and talked with people." He also noted that Vernon had watched him play eight times and that he decided he wanted to play at an Oregon school.

The 6-5, 195-pound forward has played two seasons for Umpqua Community in Roseburg, this year averaging 16.2 points and 5.2 rebounds a game. He helped the Timbermen to a 27-6 season and to championship of Oregon community colleges.

Patoine averaged 22 points and 12.2 rebounds a game as a senior at Sutherlin High School where he was a 1986 AA first-team All-State choice. He owns the career point (1,404) and rebound (717) records at Sutherlin. Patoine, who averaged 24 points as a junior, was leading scorer and rebounder both his junior and senior years in the Sky-Em League.

-more-

George Fox College

Chris Patoine  
April 11, 1988  
Page 2

At Umpqua a year ago Patoine was named to the Northwest Athletic Association of Community Colleges Region 4 All-Freshmen team and this season was MVP. The Timbermen finished fourth in the NWAACC four-region tournament last month in Bellevue, Wash.

A 3.3 g.p.a. student, Patoine, 20, was given Umpqua's Scholar-Athlete award this year. He will major in business at George Fox.

"Chris is a top quality addition to our program," said Vernon. "He was a proven scorer in high school and junior college and he will be asked to score for us; he has had a great career so far and I expect him to continue that at George Fox."

"I couldn't be happier to have Chris as a Bruin," Vernon said. He praised the coaching of Patoine by his high school coach, Willie New, and UCC coach Rod Snook.

Earlier the Bruins landed Oregon AAA high school first-team selection Kurt Ronnow of Molalla, who was the leading scorer and rebounder in the state tournament, averaging 26 points and 13 rebounds a contest.

"The addition of Chris and Kurt," said Vernon, "will help ease the job of filling the forward spots vacated by the seniors Eric Lautenbach and Eric Swanson."

Patoine is the fourth MVP of the NWAACC to chose the Bruins in the last three years, one in each region. Toby Long of Region 3 and Mike Redmond of Region 1 picked the Bruins in 1985 and Swanson, from Region 2, in 1986.

March 21, 1988

GFC BASKETBALL BRUINS END YEAR WITH 25 NEW SCHOOL RECORDS

George Fox College's 1987-88 basketball Bruins set 25 new school records, more than half in the category of three-point goals.

In addition, freshman center Dave Wilson added five more records in blocked shots.

Unlike last year when the Bruins, who went 27-6 and set 17 team records in the process, this year's squad, with a 17-16 record, set five new team records, three of those in the three-point category.

The Bruins this year set records with 169 three-point field goals (102 last year), on 406 attempts (250 last year), with an accuracy of .416 (.408 last year).

The totals were pushed with a record 11 three-point goals in a playoff game with Concordia March 10 and record 22 attempts against Southern Oregon Dec. 4 and with Westmont Dec. 31.

Individually, senior guard Dan Newman set a record with five three pointers in a matchup with Concordia Jan. 23. He also set a record with eight attempts against Western Oregon Dec. 12, tied by junior guard Brent Peterson against Westmont Dec. 31.

Newman now holds the individual game accuracy record with a perfect five of five, set in the Concordia playoff game. His season percentage of .500 (48 of 96) is a new three-point record, breaking his .451 last year.

-more-

George Fox College

Basketball Bruins

March 21, 1988

Page 2

Newman set a new individual career record with 80 three-point goals in the last two years. Peterson now holds the record for most attempts with 167 in two seasons. Newman exits GFC with the best three-point career accuracy, .479.

This year's Bruins blocked 251 shots for a new record, with Wilson credited with 170 of those for a new standard, at the rate of 5.15 a game, also a record. He had a record 12 against Concordia Feb. 9, when the team set a school record with 16. The previous individual highs were 123 in a season by All-American Kenny Stone in 1984-85 with a 3.73 average the next year.

Senior forward Eric Swanson set two records with the most defensive rebounds in a season, 287, and with 20 of those in a game with Northwest Nazarene on Feb. 5. Both previous records were set by All-American Randy Dunn who had 18 in a game and 284 in 1981-82.

Other records include Wilson's field goal percentage of .642 on 122 of 190 attempts. The previous high was .617 set by J.R. Smith in 1981-82.

A new record for team steals in a game was set Jan. 2 against Dominican College when 31 were recorded, 11 of them by junior guard Jeff Richards to tie a record set in 1984 by Curtis Kimbrough.

Another new record was set when 2,698 points were scored against the Bruins, topping the previous high of 2,667 in 1981-82.

Both Newman and Swanson leave behind impressive individual career standings. Newman finished his collegiate career with 2,113 points, second highest ever for a GFC player, topped only by the 2,187 points of All-American Paul Cozens in 1974-78. He scored 591 in the just-completed season, the fifth-highest season total ever. His season scoring average of 21.1 tied for third best. He had 501 points a year ago at

George Fox College

Basketball Bruins

March 21, 1988

Page 3

GFC with his first two years were played at Concordia College. Newman's career free throw accuracy of .822 is the fifth highest ever at GFC.

Swanson leaves behind marks in both rebounding and scoring. His 649 total career rebounds is tenth on the all-time list at GFC and he is just the second two-year player ever to climb into the top 10. Swanson's 397 season rebounds is the second highest ever recorded by a Bruin, topped only by Dunn's 422 in 1981-82. His 12.03 season average is the fourth best at GFC.

In scoring, Swanson missed GFC's top ten by just eight points. He produced 1,132 points in two years at GFC, nearly equaling three and four-year players. Swanson's 654 season points is the second highest ever at GFC and his 19.8 season average puts him seventh highest. His .586 career field goal accuracy is the best ever at GFC.

Three other Bruins also moved up in career standings. Guard Brent Peterson, with 338 career assists is now seventh, and his 3.93 per game is fourth.

Senior forward Eric Lautenbach moved to fifth in career free throw accuracy at .825 on 146 of 177 attempts.

Wilson's .642 field goal accuracy in his first year compares to GFC's current career best of .572 by All-American Kenny Stone in 1983-87. In his first season Wilson scored 315 points, 9.5 a game, compared to Stone's 296 points (10.2 average) as a freshman. Wilson also set a new unofficial record during the season when three times he recorded a "triple double" in a game: double-digit stats in scoring, rebounding and blocked shots. He had 14 points, 11 rebounds and 11 blocks against Dominican Jan. 2; 20 points, 10 rebounds and 12 blocks against Concordia Feb. 9; and 18 points, 11 rebounds and 11 blocks against the same team Mar. 10.

### BRUINS OPEN YEAR WITH THREE HOME GAMES

#### WHAT'S BRUIN

After playing 9 of their first 12 games on the road, the George Fox College basketball Bruins are glad for the start of 1988 that brings them three consecutive home games in a week.

The Bruins host Linfield College Tuesday night (Jan. 5) in a rematch, then take on Columbia Christian Friday night (Jan. 8) and Warner Pacific the next night. The two Portland teams are being met for the first time this season.

The Yamhill County rivals tangled Nov. 24 in George Fox's first game of the season with the Wildcats winning 97-90 on their own floor to bring the Linfield-GFC NAIA series to 24 wins for the Bruins, 16 for the Wildcats. Linfield comes into the game with a 2-5 mark this season.

Columbia Christian is at 7-6. The Clippers have never beaten George Fox in 15 NAIA contests. Warner Pacific enters the week at 4-3. GFC has a 33-15 NAIA series lead over the Knights.

George Fox, 5-7, will continue to be without All-District guard Dan Newman, who injured his knee in the Dec. 14 game with Western Oregon. His 24.8 points a game was among the top in the nation at the time.

But the Bruins gain strength with the addition of 6-2 guard Pat Casey. The

-more-

George Fox College

Bruins Open Year

January 4, 1988

Page 2

Bruins' baseball coach and a former pro player in that sport, Casey has a year and a half of basketball eligibility after previously playing at the University of Portland. He is a junior from Newberg.

#### MARK'S REMARKS

On California trip: "It was beneficial to play two very good teams like Biola and Westmont; I'm happy the way our players competed in both those games; it's promising for the future when we're in division play."

On Biola: "The game was close in the first half and I thought we played well. It will only help us to play a very good team."

On Westmont: "We had the lead with just minutes to go but just didn't finish the game; I was happy with our effort, but we just didn't shoot well."

On Dominican: "It gave us a chance to play everybody and get ready for conference play. I was impressed at how hard they played under unique circumstances."

#### BRUIN BITS

\*\*\* Fort Lauderdale, Fla., for spring break? Skiing in Sun Valley? Sightseeing in New York? A visit to the nation's capital? Those are among the options being considered by members of the George Fox basketball team after it was "bumped" from a United Airlines flight Jan. 2 from Los Angeles to San Francisco because of cancellation of a previous flight. All 16 persons in the party were given round-trip tickets to anyplace in the continental U.S., a free breakfast and put on a flight three-hours later, still in time to play a game won by GFC in a near-record 80-point margin.

-more-

George Fox College

Bruins Open Year

January 4, 1988

Page 3

\*\*\* At the Dominican College game Jan. 2 total attendance was a record-low 17, with 8 rooting for George Fox. It was played in an unheated high school gymnasium in Kentfield, Calif., near the San Rafael campus.

\*\*\* How long does it take for a college student to tire of Disneyland? About nine hours. The GFC basketball team was first in line at one entrance gate for the 8 a.m. opening New Year's Day. Time for gathering together again was set for 6 p.m. By 5 p.m. some were starting to the exit, by 5:30 all were ready to go and the team left ahead of schedule. The favorites? Star Wars and Space Mountain.

\*\*\* Give credit to two sets of parents for determination to see their son play. Newberg parents Mike and Linda Schlachter attended all three California contests to see son Rich, and Jake and Maurine Lautenbach, Portland, attended the Los Angeles area games to watch son Eric.

\*\*\* Bruin personnel and alumni were in action at all three California games. Alumnus Charlie Howard, a 1974 GFC graduate and former GFC sports information assistant who came up to watch, was called into action to run the clock at the Biola game. At Westmont GFC statistician Mike Wirta was called upon to do half of the stats, and at Dominican he was responsible for all.

\*\*\* A chance to get warm with a trip to Southern California during Christmas break? Not for the GFC contingent. It hailed the day they arrived and during their stay a 56-degree high was the lowest high temperature ever recorded on that date. It was, however, mostly sunny and 65 for New Year's Day.

#### STATISTICALLY

+++ GFC now has four players in double-digit scoring, led by the 24.8 of guard Dan Newman, followed by the 21.2 of forward Eric Swanson, then the 11.3 of guard Brent Peterson and the 11.1 of forward Rich Schlachter.

### BRUINS SET RECORDS IN DOMINICAN WIN; LOSE TO BIOLA, WESTMONT

Yes, the score was really 128-48 as George Fox College rolled over Dominican College Saturday night (Jan. 2) in San Rafael, Calif.

It was not a typo. And, no, the 80-point victory was not a school record. That's 87, set last year in a 143-56 blowout of Northwest College.

But the game did produce four school records: two for steals and two for blocked shots. Junior guard Jeff Richards swiped the ball 11 times to tie the mark set by Curtis Kimbrough in a game with U.C. -- San Diego in 1984. And it helped the Bruins reach 31 steals in a game, a new school record, topping the 28 set against Northwest College last year.

Freshman center Dave Wilson blocked 11 Penguin shots to break his own record of 10 set earlier this season as GFC blocked 14 Dominican shots in all for a new school record.

The game was the third in a three-game California road trip in which the Bruins matched up with the NAIA's No. 4-ranked Biola Eagles then took on Westmont's Warriors. GFC lost both, 78-61 to Biola of La Mirada and 78-68 at Westmont in Santa Barbara.

The Dominican affair was a counting game, but definitely no contest. The Bruins were on top 24-2 just 4 and a half minutes into the game. Bruin coach Mark Vernon started pulling back his starters after 10 minutes of play, on top 33-11. With the Bruin bench in the lineup the Penguins managed to come within 21, 56-36 with Dominican's Jeff Colley, hitting 24 of his team's points.

At the half Vernon gave his squad a challenge to toughen up their defense. The Bruins responded with as 70-12 second half as GFC held Dominican to just a single field goal in the final 10 1/2 minutes.

Meantime, the Bruins scored nearly at will, hitting .647 of their 51 shot attempts, at one point having baskets as close as every seven seconds.

It all left GFC with seven players in double-figure scoring, led by the 24 of Richards, who kept helping himself to the ball and scoring on layups and jumpers. He was 11 of 14 for the night from the field.

Close behind with 23 was senior forward Eric Swanson with 23 points on 10 of 14 shooting. And close behind him, with 22 for the highest of his career, was junior center Tim White on 10 of 11 from the field.

Wilson led GFC in rebounds with 11 as GFC edged Dominican 50-48. GFC finished the game at .602 in shooting, hitting 56 field goals on 93 attempts. The 56 made was just one short of GFC's school record of 57 set against Northwest last year.

At Biola the Bruins matched up with one of the nation's best -- for a half. Although the Eagles took a five-point, 33-28, lead to the dressing room at the break, it was their largest to that point and came with two seconds left as they scored and converted a free throw before the buzzer. The first half was tied eight times -- the final time at 28 with 1:50 to go -- and GFC led by four, 23-19, 13 minutes into the game.

George Fox College  
Bruins Set Records  
January 4, 1988  
Page 2

Four minutes into the second period Eagle center Paul Horn went on a scoring spree, hitting nine of his team's 12 points in less than a three-minute span as Biola moved out front 47-39.

The Bruins never caught up.

Turnovers, 25 in all, bothered the Bruins at critical times. But there were bright spots: GFC out-rebounded the Eagles 30-28, and produced 21 assists to 16 for Biola. Richards led the way with 7 assists and Swanson came up with a game-high 10 rebounds, also leading GFC with 26 points, another game-high.

While George Fox trailed off in its shooting from a first-half .550 average to .517 in the second, the Eagles improved from a .469 first half to .667 in the second for a game average of .559.

The next night at Westmont the Bruins nearly followed a script from the night before: GFC was down just five at the half, 38-33, after an opening period tied seven times, with GFC having it's largest lead at four and Westmont's largest at six.

And, just like the night before, the host's came out early in the second half to gain an advantage they never relinquished. This night GFC did not score for the first three minutes and the Warriors upped their lead to 12, 45-33 before GFC could hit.

Unlike the previous night, though, George Fox did come back, trailing by just four, 68-64, with 2:19 to go. But the Warriors remained on top using six free throws on eight attempts and a basket at the buzzer to push to their final score. GFC in the same time collected its final points on a three-pointer and a charity toss.

It was a poor night for GFC shooting. The Bruins hit just .324 in the second half and .383 for the contest, 23 of 60 attempts with no Bruin over .500. Westmont connected on 28 of its 61.

The Bruins were outboarded 47-39 with Swanson with nine, tied with Westmont's junior guard Brad Smidt. Guard Brent Peterson's 15 points paced the Bruins.
