BIOGRAPHICAL SKETCH

T H E W O R L D V I S I O N Q U A R T E T

The World Vision Quartet of Los Angeles, ~~formerly known as~~
~~The Four Flats of Portland, Oregon,~~ ^{is} are fast gaining renown as
one of the country's top quartets.

With a unique blending of Gospel songs, hymns, spirituals and
barbershop singing, this group has already thrillingly inspired more
than a million and a ~~quarter~~ ^{half} people in ~~over 3,000~~ ^{nearly 4,000} separate meetings
in the past ~~ten~~ ¹³ years.

Since September 1, 1956, they have been blending their talents
in full-time work with World Vision, Inc., a non-profit "evangelical
missionary service organization meeting emergency world needs
through established evangelical missions."

Currently their itinerary includes appearances in evangelistic
and missionary meetings at home and abroad as well as on the World
Vision ABC Network radio program which is conducted by Dr. Bob
Pierce, President of the missionary-aid group. In January, 1957,
they participated with Dr. Pierce in the great city-wide Crusade
for Christ in Manila.

The group was organized in 1946 while they were all students
at George Fox College, formerly Pacific College, Newberg, Oregon.
While there they twice won the Pacific Northwest barbershop ballad
contest at Forest Grove, Oregon.

In 1948 and 1949, they travelled in Oregon, Washington and other regions of the Pacific Northwest, including a six-week evangelistic tour of Alaska. They have made several tours across the United States and Canada.

A highlight of the quartet's career was a nine-week evangelistic mission made in cooperation with World Vision, which took them into six nations in the Far East in the fall of 1955. They visited Japan, Korea, Okinawa, Formosa, Hong Kong, and the Philippines.

Before, during and after this tour, at the urging of the leaders of World Vision, the quartet prayerfully considered a full-time musical ministry. It was their interest in missions which spurred their decision to join World Vision.

They have sung in high schools in many nations, as well as for civic organizations, conventions, Christian social functions, summer conferences, youth meetings, revival meetings, and all types of religious services in many denominations.

For several years they have been featured on many radio and television programs.

The World Vision Quartet has ~~78~~ records available, and they have made a full-color, twenty-minute, musical film.

This talented group has appeared for such outstanding Christian leaders as Billy Graham, , Merv Rosell, Oswald Smith, and, of course, Dr. Bob Pierce.

Each of the members of the quartet married his college sweetheart. Each wife graduated from college the same year as her husband with the same degree.

Each man is a devoted Christian leader in Church and community affairs in his respective sphere of influence. Two of them, Ronald Crecelius and Norval Hadley, are recorded ministers. One of their main avenues of service at present is the conducting of week-long evangelistic campaigns.

Individually, they are:
