the WORLD VISION QUARTET

1134 EAST LEMON AVENUE

GLENDORA, CALIFORNIA

October, 1960

Dear Friend:

The World Vision Quartet has enjoyed nearly 15 years of evangelistic, missionary ministry. Over five of those years we have been in full time work. Since each of us has trained for an individual career, it has seemed only natural to us that some day we would separate to pursue our chosen callings. That time has come.

We had discussed this possibility informally among ourselves and with World Vision during the past several months. Therefore, we had no doubt that God was definitely leading when the World Vision board in a recent meeting brought about a new policy in regard to the deputation department which, among other changes, involves the termination of the quartet's service in World Vision on January 15, 1961.

May we solicit your continued prayers, especially in the next few weeks, as each of us steps out to fulfill the Lord's will for our individual futures-- as yet unknown. Dick Cadd is praying about some offers to work in the field of music, teaching or other forms of Christian service. Ronald Crecelius, who has an M. R. E. degree and who is a recorded minister, has received several offers, but feels still that the future is wide open. Harlow Ankeny, who was for five years public relations director of George Fox College and has handled that department for the quartet, is prayerfully considering the Lord's will in several fields. Norval Hadley, who is trained for a preaching ministry (B.D. degree) has offered his services to World Vision, Inc. and is still praying about two alternatives in World Vision as well as other possible openings. We believe God has been preparing our hearts and is answering prayer in behalf of our future. We will fulfill some commitments as a quartet through January, 1961.

May we say a hearty "thank you" to all of you who have so faithfully prayed for us and supported our ministry. We want to strongly encourage you to continue your support of World Vision because we earnestly believe this organization has been called of God to perform a very vital and needed service in behalf of the most urgent needs on the mission fields of the world.

Through the past 15 years together as a quartet, God has literally fulfilled His promise: "And every one that hath forsaken houses, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my name's sake, shall receive an hundredfold, and shall inherit everlasting life." (Matt. 19:29). We praise Him for all the many friends and loved ones in the Lord...for the pleasant associations and memories of our quartet life...for the fruit of this ministry. And we thank you for your share in all these blessings.

With grateful hearts,

Norv  Dick  Harlow
