cho - II The blood II

Mother always ask us wheather we washed our hands. This is the same thing. Jesus he died for us. He shed his blood for us to any body who needed. The same way the sinner gave himself it make shine his face, and every body see it. And now is the same way I can not give my son to die for us but God gave his son to saves. and this is Sept. John 14: 2, 3.

All of us God invites us. to a better place. if salvation needed to pay we would needed money even tho we needed we would be hard time and long long ago. The gospel came by mr + mrs Samson we are glad for it. As we are fishermen we are backsliders has fail to help as a boat who has a trough + row help out but we fail. I was so glad mother has gave me her book and I used them.

Luke 5:1-6

No des want us to tie on the earth Jesus do not to see and get feathers. God has wonderful thing in us. Jesus like to get fish. wont that be too bad to get any fish but we allway to get and eat. because men can eat & sleep. Jesus was purpose to get a lot of fish but Peter caught

lots of fishes. V4 Jesus said
launch out into the deep shore
line go. I am not good swimmer.
I always likes to be in shore in
shallow place. Peter was as a
foolish. Jesus understand about
our lives. Peter was many different
trails. Peter & other disciples fishing
all night long, but day come in the
morning Jesus meet them & said
launch out into the deep why
Jesus knows because he knew
all he made. Jesus God
He never tells what he never
do. Be ye holy for I am holy
does he scare you. 1 John 1:9,
God said He will keep us from
falling what is that mean
go out just trust & trust.

P. said something. He believe God
has said and work miracles
and v 5, we told all night
at thy word I will
when God call me. I am sinners
but you only save. God wanted
to use my lives and win others.
our lives can be used. I failed
many times. I just yielded
my lives for Him what happen
Peter when he obey the Lord,

He caught lots of fishes
we shouldn't worry about that &
that I never worry. It is better
to trust on him. When rest
in heart when we have sin,
unless the Lord cleanses.

God is always answers prayers
God always spares his son
as a father.

God has wonderful help me
and keep me only when I pray.

There are times in our lives in
our heart. sometimes we see in
our home are mixed up. when we
see in our heart, even so when we
go before God we want them to be
order as if dressed up. Isa 6:ch
5 vs. Woe is me for I am undone.

when we go before God we
something is unorder. That is why
we have to confessions we admit what
is wrong. We can never grow unless
we make it right what is against
us. mad against each other.

only way spiritually making wrong
right in our church it is big thing
in our church even a little thing
as a dime between sun + your eye.
when I was a boy and saw a gun
and cousin of mine I encourage him to
steal and help him chew it. That is
the kind we was wrong we have to

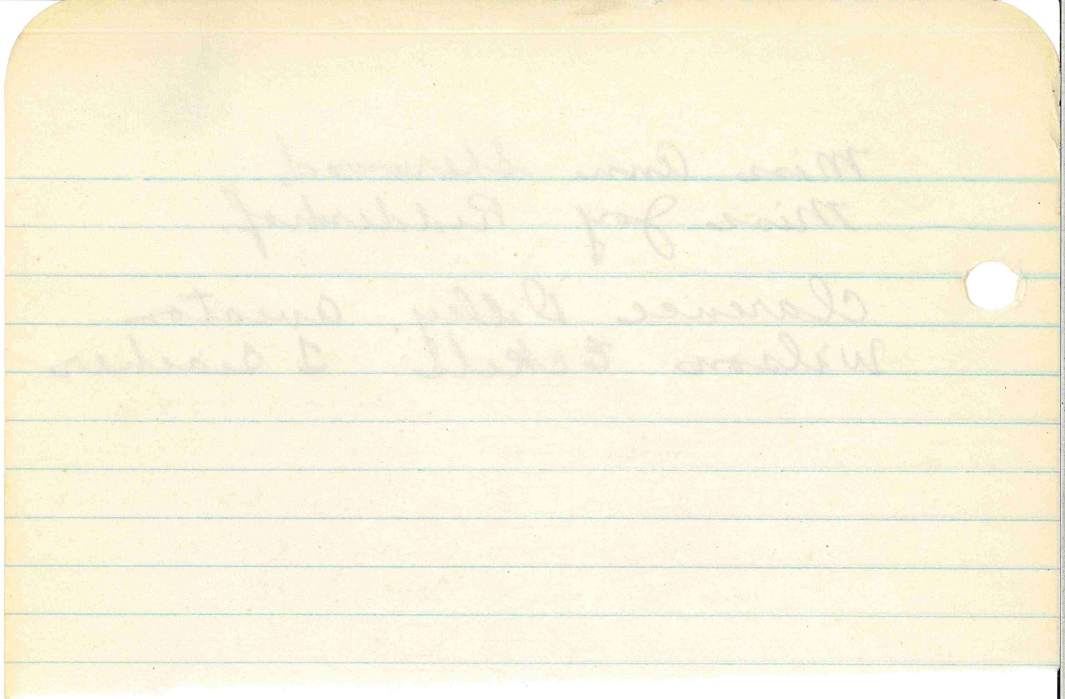

go back. we know a strong man
in his muscle we have to go and
ask for forgiveness and we feel
clean in our hearts washed out,
some of us rust dirty in our
hearts. we think of our fellow man
not only does it surge but we mean
it. to do this in our heart to go
or Pet. to ask to forgive.
Before you go to bed if you go to him
ask him to forgive you.

The first thing I noticed when I stepped out of the car was the cold. It was a sharp contrast to the warm blanket I had been sitting under. I looked around and saw a few other people walking towards the same building. The air was thick with the smell of wet pavement and the distant sound of traffic. I took a deep breath and felt a sense of anticipation. This was my first day in the new city, and I was determined to make the most of it. I walked towards the entrance of the building, my steps echoing on the wet pavement. The door was slightly ajar, and I pushed it open. Inside, the room was dimly lit, and I saw a few people sitting at tables. I walked towards the bar and ordered a drink. The bartender smiled at me and handed me the drink. I took a sip and felt a sense of relief. This was my first day in the new city, and I was determined to make the most of it. Favorable story - in the New Testament. Jesus finds hospitable home of Zacchaeus - before he went to suffering. Local place Jericho - where Joshua conquers - when entering Canaan. If there were travelers come from Noatak or Norwik or Selawik some would go and see your friends - and spreading news about them. Wilson once had little red dog. good fighter. Zacchaeus was unscrupulous surging man -

some horses struggled for life - some fights. There were auction sale - and the old villain covered with dust. The auctioneer puts up some give \$1 - 2 - 3 - 40. Then more and all man who was master of music - and plays melodies - and every body listen some even tears flows down - some men begin to pit more until those things worth \$1000⁰⁰ of dollars. Clean - and tone - Jesus wants us to clean our hearts - tones.

The story. Zacchaeus would go out of his house without notice his wife. and some day she would follow.

Math. 14:19.

We cannot say for sure how many people there were. More than all the villages in our district. Many were sick come to him. Blind, lame, deaf, dumb. So Jesus was sorrow for them and healed them during the day. Finally day was low. And had never eat any food. for they were far from homes. and not many food to eat. so His disciple saw people were hungry probably disciples too hungry. and ready to get darkness. for night is coming. Jesus had different way. why don't you feed them?

disciples amazed. no money to buy food so many people. Jesus says. what do you have? disciple says. they have 2 loaves. & fishes just enough for a boy.

Jesus desires those and gave thanks break bread. Command disciples to feed multitude. All filled and satisfied with twelve baskets fragment.

The world is not much different than those of people than today.

If he sees our villages He would feel sorry for what He sees. as of old. He would have in spirit. those broken in hope and faith.

father. This is so as when Jesus sees -
There were men in villages trying to help -
knowing the night is coming try to show
people - only command them go and seek
for yourselves - Jesus ask them
will ye also leave me? They say whom
shall we go? Broken Bread = "Broken
body" provides people - He didn't try to
save world thru gold and silver - or power -
He felt meanness - pain - sorrow - -
Does life blood sinners can approach -
Ye seek me because you have eat bread
which ye eat. Labor not for bread only
but for eternal - He fed Israel -
with manna, gray hair and die -
Jesus gave life to His disciples -
He gave vision for us our position our
ability for the eternal service; He gave
message to us His broken body - alone -
they that eateth that bread shall live
forever - victory over grave - no more
thing.
