Miss Carrie B. Wood,
4012 S.E. Main St.,
Portland 15, Oregon.

Dear Miss Wood,

Thanks for your good letter of the 23rd. We were glad to hear again from you and to learn that you were well. We too, have had several reports from the Formosan field concerning the good visit and work of the Four Flats in our Mission there. The Missionaries on the field felt that a real spirit of revival accompanied their messages in word and song.

They also felt that it did something to our people in lifting the prestige of Friends. Before their coming the nationals had not known any Friends other than our workers there. These men with their talents and their godliness brought real lift to our people in Formosa. We thank the Lord for it all. Your medical treatment with ovaltine sounded real good to me.

The Cattells landed in Bombay on the 13th of Nov. They left that city on the 18th. We have no word from them since reaching Chhatarpur. I am sure many will be their duties upon arriving there. Catherine Cattell wrote that Mary was more than delighted to get back to her home land. *Mary is 9 yrs. old*

We are enjoying the work here at Damascus. Evangeline sends Holiday Greetings to you. Our two boys are: Gene & his wife are both teaching Junior Hi school in Miami, Fla.. James is in his first year at Asbury. He has not been home since going down in mid-September. His parents are getting rather anxious to see him. It is awfully quiet about our side of the Missionary Home, but we are glad for the Bankers and their children on the other side.

May the Lord wonderfully bless you during the coming Christmas season and continue to make you a blessing to many as He has in the past.

Yours in the Master's Name

Chester G. Stanley
