Attention John D. Stout, Manager.

Dear Mr. Stout:--

Your request for information about Justice M. Landreth is just received.

I am sorry that I cannot help you out. My acquaintance with this young man is so slight that any comment I might make in regard to him would be of no value, except that I can say that he had a good reputation among the folks who knew him, a reputation which I believe he well deserved.

I am no longer actively connected with Pacific College, having retired five years ago. One year while this young man was here I spent five months in bed, and another year I was five months away from Newberg, so that I was less acquainted with him than I should ordinarily have been, even though not on the active force of the college.

My successor as president of the college is Emmett W. Gulley, who is much better able than I to tell you about Mr. Landreth. The registrar is Miss Mary C. Sutton, and she could furnish you information about his scholastic record.

With regret that I cannot help you in this case, and with the assurance that I shall be glad to assist whenever I can, with those with whom I am better acquainted, I am

Sincerely yours,

Levi T. Pennington.
