Nota 12115

June 26 - Bogovin special conductor

Apr 26 - 26 people suffocated in command lockers
Human waste water. ^{od} First ^{ing} ^{lon} Drift from sand

Apr. 19 - email

Human Rights Center is a descender

USG completely out of synch on the human rights issue and what drives the rectitude on the ground

Int'l community needs to get down to business /
working with this part.

Triage Committee not functioning + no resources
