NWYM Council of Representatives Meeting
Approximate attendance: 55

Brad Holton, presiding clerk, welcomed representatives to yearly meeting 2019. Brad led us in prayer, in which we invited God's Spirit to guide our deliberations in these sessions.

Lana Thurston, clerk of nominating committee, presented information regarding nominations for YM Presiding Clerk and YM Assistant Presiding Clerk. The nominations will be presented on the floor of YM tomorrow, with the goal of deciding the matter on Wednesday. The nominating committee will recommend Ken Redford for presiding clerk and George Crosiar for assistant presiding clerk.

Brad Holton presented the anticipated agenda for YM 2019, with particular attention to action items. He explained which items will be considered on which days. Some action items may be decided quickly, but some may need to be held over for other days.

Brad invited General Superintendent Jim Le Shana to describe the plan for the first hour (8 am) of business sessions Monday-Wednesday. Brockie Follett, Director of Kaleo Academy, will be sharing research findings about churches in the United States that

are doing well in reaching youth and young adults.

Brad urged representatives to remain in Newberg to attend Wednesday's business session. Some action items will be presented by some boards on Wednesday.

Some representatives asked questions about details of the agenda. Answers were supplied by Brad Holton, Jim Le Shana, and Ken Beebe.

Assistant Clerk Debbie Harrison gave a presentation outlining responsibilities of representatives. (see Appendix A)

The representatives thanked Debbie for her presentation.

After some discussion, the 2019 agenda was approved.

The meeting adjourned with prayer at 4:25.

Monday, July 22, 2019, 9:10 am.

Approximate attendance: 160

1. Northwest Yearly Meeting of Friends Church convened its 127th annual sessions on Monday, July 22, 2019, on the campus of George Fox University. We come together in worship to make decisions and to think about the issues that affect our community. Some Quakers call this a “meeting for worship with attention to business” to remind us that we listen to the Spirit as well as each other. The theme for this year’s session is “Fresh Vision.” In the hour preceding the business session, Brockie Follett, Director of the Kaleo Academy at Barclay College, presented the first of three sessions, “Concepts of Growing Younger.”

2. Clerk Brad Holton invited visitors to introduce themselves. Phil Baisley, of Indiana Yearly Meeting and Earlham School of Religion is a “true” visitor. (Phil finally moved his membership from NWYM to an Indiana church.) Nancy Irving, of North Pacific Yearly Meeting, brought greetings. Nancy is retired from Friends World Committee on Consultation. She invited us to send a representative to the 2020 NPYM.

3. Lana Thurston reported for the nominating committee.

Renewals:

Elders—Ken Beebe, Arden Kinser

Global Outreach—Nadine Brood, Janelle Ralph

Leadership Development and Enrichment—Melissa Kelley, Paul Anderson

Finance—Barry White, John Johnson (1 year)

Trustees—Dave Hampton

These names were approved.

New nominees. Note, on recommendation from Administrative

Council and Nominating Committee, these persons absented themselves from the meeting during consideration of their nominations.

Elders—Elisa Pharris (Meridian)

Congregational Care—Debbie Day (City's Edge), Cindy Johnson (Newberg), Sherri Sheirbon (Caldwell)

Communication—Joseph Harrison (Newberg)

Leadership Development & Enrichment—Stan Morse (Star)

These nominations were approved.

Lana explained that Presiding Clerk Brad Holton had resigned his office, effective at the end of these sessions. Debbie Harrison, whose term as Assistant Presiding Clerk ends this year, has declined to renew. Lana proposed nominees for new clerks: Ken Redford (Meridian) and George Crosiar (Rosedale). The nominating committee recommends we take action on these nominations on Wednesday.

Lana urged Friends to consider whether God is calling them to serve on yearly meeting committees and boards.

One Friend raised a question about process on the nomination of new clerks. Delaying the decision to Wednesday might bind the yearly meeting if the nominees were not approved. Clerks recommended moving the discussion of the clerk nominations to Tuesday and allowing the business meeting to decide as the Spirit leads.

4. Phil McLain reported nominations made by Elders for Administrative Council.

Renominated: Bill Moormann, Katie Morse

These nominations were approved.

5. Jim Le Shana reported as General Superintendent. He has spent much of his time since beginning his service in fall 2018 traveling to churches and meeting with pastors. Jim expressed thanks for Yearly Meeting staff people: Tonya Comfort (Bookkeeper), Janelle Nordyke (Director of Finance), and Elizabeth Licon (Office Manager), in particular. Jim introduced new pastors: Scott and Kim Morin at Homedale, Dave and Renee White at New Life Friends. He invited prayer for pastoral families. Four churches currently do not have lead pastors.

Jim attended eight area meetings since fall 2018. The area structure of NWYM is unique among evangelical Friends; other YMs have dropped the “quarterly meeting” level of organization. Jim suggested that future area meetings could focus on training/how-to sessions.

Jim noted a strength of NWYM: our camps (four of them—we are the envy of other YMs!) and George Fox University and Greenleaf Friend Academy.

Jim urged Friends to give to a “challenge goal” to meet YM budget needs. Our budget is balanced, partly because we spend conservatively. We have not filled certain YM staff positions that could help expand YM ministries. Jim urged individuals and churches to increase their giving to NWYM.

Jim urged Friends to pray for existing and new churches, “new” churches being those not yet opened, but “birthed” in our hearts. He shared data about church attendance in the Northwest. It’s clear there is a great field of mission around us in our region. “It takes all kinds of churches to reach all kinds of people.”

Jim reminded Friends of a quote he shared at the eight area meetings: “The sign of a great family of churches is that its vision is greater than its memories.” See superintendent’s report (Appendix B)

6. Janelle Nordyke, YM Director of Finance, presented the financial report and the proposed 2020 budget. Our recent preliminary audit looks good. The income was at 93% of budget and local church support was almost 100%. Expenses were held to 93% of budget. Our net loss was approximately \$20,000, less than the \$60,000 anticipated. Janelle explained that some money in the ministry fund has been transferred to Sierra-Cascade YM, according to the transition plan approved by AC. (Insert footnote to 2017 AC minute.) In 2019 we are under-spending our budget. (See the GS report; we have not filled certain positions.) The proposed 2020 budget is almost the same as 2019, this after several years of drastic reductions in the budget. See attached budget (Appendix C).

The 2020 budget was approved.

7. A Friend from Newberg rose to express thanks to Brad Holton and Debbie Harrison for their leadership during the difficult time of division in the YM, affirming their release from their roles as clerk and assistant clerk.

8. Ken Beebe, GFU board member, presented the GFU proposal for changes regarding the GFU Board of Trustees. GFU proposes that rules in the by-laws of the university be changed, i.e. that 51% of the Board be required to be affiliated with Friends, and that 51% of that number be affiliated with NWYM. All members of the Board must affirm the university's statement of faith. The Board proposal requires that no Board member speak against the university's lifestyle statement. The proposal also requires that all nominations to the GFU Board be approved by NWYM. The proposal clarifies the notion of "affiliation"—by membership or affirmation of participation in a Friends church (or, in case of geographical distance, affirmation of identification with Friends).

**RECOMMENDED NEW LANGUAGE:
BYLAWS OF GEORGE FOX UNIVERSITY, ARTICLE IV:
MEMBERSHIP OF THE BOARD**

Section 1. Composition of the Board

b. At the time that new members of the Board are approved, at least 51% of the total number of members of the Board, including the new members being approved, will be affiliated with a Friends Church (by membership in a Friends Church, by affirmation that they are part of the congregation if the church does not use a membership process, or by affirming that they identify with the Friends Church but by reason of distance are unable to attend one) (a "Friends Board member"). Of the required number of Friends Board members, at least 51% will be, at the time that new members of the Board are approved, affiliated with a church in the YEARLY MEETING (by membership, by affirmation they are part of the congregation if the church does not use a membership process, or by affirming that they identify with a church in the NWYMFC but by reason of distance are unable to attend that church) (a "NWYMFC Board member").

RECOMMENDATION:

The George Fox University Board of Trustees approved the following language at its full board meeting on March 9, 2019 and respectfully requests the approval of Northwest Yearly Meeting in place of that set out above:

"All nominees for Trustees shall assent to the University's Statement of Faith which is, in essence, as set out below, and be in harmony with (To "be in harmony with" means that the Board member will abide by and not speak against the concepts contained in these documents, even if the Board member does not assent to those concepts.) the University's Community Lifestyle Statement and the Friends Faith – What Friends Believe as set forth in NWYMFC's Faith and Practice:" – and is followed by the University's 10-point Statement of Faith

Several Friends raised questions about the proposal, which led to significant discussion. After much discussion, the GFU proposal for the by-laws was approved. See attached GFU proposal (Appedix D).

Tuesday, July 23, 2019, 9:15 am.

Approximate attendance: 150

Preceding meeting for business, Brockie Follett spoke at 8:10 about principles of “growing younger” churches: fueling a warm community, taking Jesus’ message seriously, and being the best neighbor.

9. Clerk Brad Holton quieted talkative Friends (people like each other!) and opened the meeting for business with prayer.

10. Robin Baker, President of GFU, reported on the state of the university. He introduced Roger Nam, Dean of George Fox Seminary. Dr. Nam said that the mission of the seminary is to serve the evangelical churches, and he described several initiatives to connect with churches. After some years of depressed enrollment, the seminary enrollment has rebounded strongly. Roger thanked Friends for their strong affirmation of women in ministry and spiritual formation—two emphases of the seminary that have helped recruit students.

Dr. Baker recounted highlights of the recent year, illustrating a recent theme, “stand tall.” A new dorm, Newlin Hall, will open this fall. GFU will begin a new Physician’s Assistant program, which will be housed with the Physical Therapy program in a new building near Newberg Providence Hospital. GFU is increasingly

connected with local churches in Newberg.

One Friend expressed concern relative to the university, i.e. the high cost of college and the desire to increase faculty pay. Dr. Baker answered particular questions. The future of the university will be different, as it has to find ways to stem the rise in tuition costs.

11. Lana Thurston reported for the nominating committee (new nominees absented themselves during discussion).

New nominations:

Youth and Young Adults: Lauralee Franklin (City's Edge), Keith Reeser (Newberg), Kevin Vanderbeek (Greenleaf), Nathaniel Vanderploeg (Rose Valley)

Global Outreach: Jonelle Liddell (Peninsula), Dorothy Sherman (Clackamas Park)

Christian Education: Marilyn Harmon (Newberg)

Local Outreach: Dan Banham (City's Edge), Rich Miller (Sherwood), Mike Slothower (River of Life), Mark Thompson (Newberg)

Faith and Practice Revision Committee: Mark Franklin (City's Edge), Cathie Jo Sturdevant (Newberg)

These nominations were approved.

YM Officers: Ken Redford (Meridian) for Presiding Clerk (one year term) and George Crosiar (Rosedale) for Assistant Presiding Clerk (three year term). These nominations were announced Monday to give Friends time to consider them. Discussion arose whether Ken Redford, who is well qualified to serve as clerk, might be overextended as pastor and clerk. A Meridian Friend, involved in leadership in that church, recounted the local church leadership's discernment process regarding Ken's nomination; she

and other leadership of the church endorsed Ken's ability to do both jobs. Extended discussion ensued.

We took an abbreviated break at 10:18.

12. Resuming business meeting at 10:35, several Friends spoke in support of the nomination of George Crosiar for Assistant Clerk. The nomination of George Crosiar for Assistant Presiding Clerk was approved. After several affirmations of the nominating process (and loud appreciation for the work of Brad Holton as clerk), and endorsements of Ken Redford's abilities, the nomination of Ken Redford as Presiding Clerk was approved.

13. Richard Sartwell reported for the Faith and Practice Revision Committee. The Committee proposes the following change to Faith and Practice. This is the second reading for the proposal, which removes reference to Barclay Press in Faith and Practice.

NWYM Administrative Council Minute 18-114 recommends to the Faith and Practice Committee "that references to Barclay Press be removed from F & P." In response to that recommendation the Faith and Promise Committee presents the following changes for the action of the Representatives:

- Paragraph 7.08.13 under the responsibilities of the Board of Communications currently reads: "Promote Friends publications, books, and Barclay Press resources."
- We propose this paragraph be changed to read: "Promote publications, books, and other resources compatible with the mission of Northwest Yearly Meeting of Friends and the statements comprising 'WHAT FRIENDS BELIEVE'."
- Paragraph 7.08.14 under the responsibilities of the Board of Communications currently reads: "Identify ways to further support the ministry of Barclay Press."
- We propose this paragraph be omitted.
- On page 91 of the printed version of Faith and Practice, under

the Section entitled “Organizations Serving Northwest Yearly Meeting”, Barclay Press is included with this language: “Originally founded by Northwest Yearly Meeting, Barclay Press is a not-for-profit publishing house serving evangelical Friends through online and print communication. It is governed by a self-perpetuating board of directors.”

- We propose the listing of Barclay Press and this description be omitted.

Friends rose to question the proposal, citing appreciation for Barclay Press publications such as Fruit of the Vine and Illuminate. Several Friends commented on various publications of Barclay Press, including on-line opinions in conflict with the position of the YM in regard to human sexuality. Extended discussion ensued.

The first two paragraphs of the proposal were approved. There seemed to be no consensus on the third paragraph. Some Friends affirmed that publications of BP (such as Fruit of the Vine and others) were useful to NWYM. The meeting instructed the Faith and Practice Revision Committee to revisit that paragraph, and the Administrative Council will appoint a task force to explore NWYM’s relationship with Barclay Press and make a recommendation regarding this third proposal.

14. Betty Jo Steele led us in a brief memorial service, remembering Friends who died since last yearly meeting.

Wednesday, July 24, 2019, 9:02 am.

Approximate attendance: 130

Before our meeting for worship (8:00 am), Brockie Follett, Director of Kaleo, presented more principles of growing younger (for churches). After Brockie's talk, we took a "standing break" to allow meeting for business to begin promptly.

15. Clerk Brad Holton called the meeting to order, leading us in prayer.

16. Phil McLain presented the name of Jan Geil, Vancouver Friends, as nomination by Elders for Administrative Council. **The nomination of Jan Geil to Administrative Council was approved.**

17. Dan Cammack, Executive Director of Evangelical Friends Mission, presented Matthew Zoller, who has joined the EFM team. Matt grew up in NWYM and has many years' experience as a missionary. Exciting things are happening with Evangelical Friends Mission. Dan invited Friends to attend the EFM workshop in the afternoon. See attached EFM report (Appendix E). The various evangelical yearly meetings, with one exception, have placed their mission work under the umbrella of EFM. Dan expects the final yearly meeting to join in 2020.

18. Ron Mulkey reported for the Board of Global Outreach. See attached written BOGO report (Appendix F). Ron read an addendum to the report, explaining that the Board of Global Outreach has moved supervision of Elizabeth Todd's work (in Ramallah) to another organization, Paraclete. The Board strongly endorses Elizabeth's work. Financial support of Elizabeth Todd's work should be directed through Paraclete Ministry. NWYM's work in the Middle East and North Africa is now closed. Ron invited Friends to attend today's mission luncheon to learn more.

19. Brad Holton led us in prayer for EFM and Dan Cammack in particular, given that EFM has doubled in size in the last year, as various YMs have moved their work to EFM.

20. We welcomed representatives from our NWYM camps. Jacob Newton prompted the reps with questions: What is something exciting happening? How can your camp/school connect with the mission of the YM going forward?

Brad Holton represented Quaker Hill (see Appendix G). Dennis Littlefield reported for Tilikum (see Appendix H), Ken Beebe for Twin Rocks (see Appendix I), and Karl and Liz Seume for Quaker Cove (see Appendix J). Bev Chapman joined the camp reps to report for Greenleaf Friends Academy (see Appendix K).

It was clear that God is doing good things in these ministries. New and unexpected openings have expanded the work at our camps and GFA.

Camps offer places for Friends to try out new vision. The camps intentionally connect summer staff positions with church youth positions. Internships at camps help create church leaders. GFA deliberately grooms students for Christian leadership, not only for Friends churches but also for other denominations.

Jacob Newton, speaking as a youth minister, praised camps as a wonderful tool for moving children to commit their lives to Christ.

Jim Le Shana led the assembly in prayer for the camp and school representatives.

21. Debbie Harrison reported for the Administrative Council. The AC, which includes the General Superintendent and Financial Director, meets regularly. The AC is empowered to act for the YM between our official sessions.

The AC approved certain nominations during the year for some Boards.

The AC has noticed that some organizational portions of Faith and Practice are out of date. George Crosiar has led efforts to update these sections, and the AC will make recommendations to the Faith and Practice Revision Committee.

The Friendsview Retirement Community is an independent organization. The F&P will need to be corrected to reflect our actual relationship with Friendsview.

The AC continues to monitor financial elements of our separation from Sierra-Cascades YM. See attached AC report (Appendix L).

A Friend shared a concern: Can the AC inform representatives of upcoming AC decisions during the year? Debbie acknowledged the presence of new presiding clerk and assistant presiding clerk in the meeting. They may give attention to this concern.

22. Cindy Johnson, Newberg Friends, reported for the Board of Congregational Care (see Appendix M). The Board wishes to honor Friends marriages of 50 years with gifts.

Jerry and Sally Kingery
Sam and Margaret Hiskey
Dick and Linda Sartwell
John and Linda Edwards
Gordon and Cleta Crisman
Hal and Nancy Thomas
Ron and Nancy Woodward
Ken and Anne Howe (60 years!)

Cindy also read a list of births in the yearly meeting. Congratulations! We have gifts for these families too.

(If Friends know of other 50 year marriages or new births in their congregations, please communicate with the YM office.)

Break

23. Debbie Harrison reported for the Visioning Task Force. (This report was shared earlier at area meetings. Debbie's report today is a brief recap.) Debbie thanked the persons who served on the task force. The task force met with groups in the yearly meeting in fall 2017 and throughout 2018. The task force will continue to work through 2020. The task force helped with the general superintendent search, changes in YM workshops, communication channels, and other matters. This year the task force will look at area structure. The area business meetings are not working well; the task force anticipates recommending changes to the area structure to YM in 2020. The task force will also look at possible changes in yearly meeting schedule. See Debbie's overheads (Appendix N).

24. Wendee Lewis reported for the Board of Youth and Young Adults. They have faced difficult challenges because some members of the past Board have left. The Board concentrated this year on Summit Conference, camps, and youth yearly meeting. Samuel School 1 & 2 were combined. With eight new board members, the Board is encouraged to envision and pursue new goals.

Keith Reeser, Newberg Friends, described Board thinking about different levels of youth ministry: with kids who are not yet Christians (seekers), for young people committed to Jesus (faith development), and for those who are moving into leadership. Keith invited Friends to give input on youth ministry by writing ideas on white boards that will be available on campus today.

Clyde Thomas, Newberg Friends, reported on this year's youth yearly meeting. Students on campus this week are enthusiastic

about intergenerational connections in churches. Clyde urged churches to send names of local youth workers (not just pastors) to him (see report in Appendix O)

25. Rich Miller, Board of Leadership Development and Enrichment (see Appendix P), presented Roy Lujan as a candidate for recording in NWYM. Rich interviewed Roy about his life story, his family, and his calling as a minister. The meeting approved the recording of Roy Lujan as a minister of the gospel. Rich led us in prayer of blessing on Roy and his family. (Roy's wife, Joy, is also a minister of the gospel.)

26. Roy Lujan and Pete Faville, Board of Local Outreach, introduced Dan and Mindy Burns of Destiny Friends, a ministry point for 19 years. After much work, Destiny Friends is ready to be recognized as a local church in the YM. Destiny Friends Church's status as a local church was joyfully approved.

27. Brad Holton invited board clerks to the platform for the purpose of entertaining questions. Debbie Harrison asked the various clerks to introduce themselves and identify their boards. Insert board clerks names. Brad asked each clerk to identify some aspect of their work they are excited about. Clerks mentioned healing in the yearly meeting, leadership training, thankfulness for new members (and the continuing need for new members!), board members from all parts of the yearly meeting, new people who are responding to God's call to ministry, and our full partnership with Evangelical Friends Mission. The clerks used the opportunity to invite Friends to join them in the various ministries of the boards.

Debbie Harrison led the meeting in prayer for the board clerks and the work of the boards.

28. Jacob Newton, Board of Communication, read a draft of the YM epistle. The final version will be approved by the AC at a later time. (See attached YM epistle in Appendix Q).

29. Jim Le Shana asked Brad Holton and Debbie Harrison (with their spouses, Laura Holton and Phil Harrison) to join him on the platform. Jim asked that the yearly meeting minute our appreciation for Brad and Debbie's work over recent years. This was approved with enthusiasm. On behalf of the AC, Jim presented Brad and Debbie with small gifts.

30. The 127th session of Northwest Yearly Meeting of Friends adjourned to meet at midyear sessions, January 24-25, 2020 and in its annual sessions, July 19-22, 2020.

Appendix B | Superintendent's Report | Jim Le Shana

Welcome to the 2019 Annual Sessions of Northwest Yearly Meeting of Friends Church!

As you may know, I have been in my role as General Superintendent of NWYM for something less than one year (the position was approved last summer, but I didn't begin serving until later in the fall). Although I am relatively new to this role, I have been close enough to the issues over the past few years and served long enough here in the Northwest to join you in thankfulness for the Lord's goodness, sustaining help, and blessing on our leaders, individual churches, and our entire family of churches.

Two of my main priorities this year have been to meet with each of our pastors (and other leaders) in face-to-face meetings and conversations, and to visit a different church every weekend (two tasks I came close to accomplishing). I have enjoyed many breakfasts, lunches, dinners, and coffee meetings on top of worshipping with many of you (and I look forward to visiting every church in the days ahead)! The most common words that I have heard during these past months are "hopeful" and "hope" as it relates to NWYM. Several churches who formerly were not contributing to NWYM have begun to give. Others are participating in other ways – in area meetings, on boards, and many aspects of service. God has been faithful and I believe He is preparing us for something more! My report below highlights just a few things that may be of interest, but I encourage you to read the balance of the written reports in this folder to catch a glimpse of some of the things that the Lord is doing in our midst!

Looking Back:

- Staff: The Lord has blessed us with many people who serve in volunteer roles of ministry in NWYM! Countless people continue to give sacrificially of their time and talents in our

churches, camps, educational institutions, on our boards, and in many other ways. I am thankful for each one (and for Lana Thurston and our Nominating Committee who attempt to help us get the right people into the right areas of ministry for the Yearly Meeting). I am also especially thankful for our paid staff: Elizabeth Licon (Office Manager and my Assistant in many ways), Janelle Nordyke (Director of Finance and Development), and Tonya Comfort (Bookkeeper). We have also had two interns this year: Joseph Harrison (during the school year), and Daria Brandt (during the summer). They have all been of great help to me, and they are serving you wholeheartedly and well!

- Churches: NWYM is filled with churches and leaders who are serving the Lord and who desire to do so with increased health, effectiveness, and fruitfulness. Based on my visits and conversations this past year, I see great potential and many possibilities for the days ahead. A few of our churches face (or have faced) some particular challenges related to issues such as changing demographics, financial concerns, or leadership needs. Of course, with every challenge comes an opportunity to trust God and watch Him work – and that has been true this year. During the past year, two churches have hired new lead pastors (Homedale – Scott and Kim Morin; New Life – Dave and Renee White), while at least two hired a new youth pastor (Caldwell – Melynda Lujan; Sherwood – Josiah Muhr). At the moment, four churches remain without lead pastors (Boise, East Hill, Rosedale, McKinley Hill), allowing others in the congregation to serve in various ways.

- Area Meetings: During the past five months, we held eight area meetings throughout NWYM. Each session provided a time for people in our churches to meet personally with the “new superintendent” along with the Presiding Clerk (Brad Holton) and Assistant Presiding Clerk (Debbie Harrison). These meetings also allowed for an update on the “visioning process” and action steps taken by the Visioning Task Force along with a training experience in “Hospitality: Creating the Environment for Healthy Growth.” In addition, a survey of potential future equipping

topics was completed by over 160 people, providing helpful guidance for our planning of future area meetings and also this summer's Yearly Meeting sessions (several of the highest chosen topics from the survey are being offered as Equipping Workshops this week).

- **World Missions:** Last Fall, the Board of Global Outreach (BoGO) followed through on the decisions made at last summer's annual sessions, proposing to Evangelical Friends Mission that they become our official sending agency. Not only was this proposal accepted enthusiastically, but they also accepted our Teaching Abroad (TA) China program as one of their official mission "fields." The transitions have moved smoothly thus far (thanks especially to Ron Mulkey and Dan Cammack), as well as several other changes. Among them, the shift of Elizabeth Todd from a NWYM missionary to serving with STEP International, concludes at these annual meetings. I was also pleased to participate with the team that represented NWYM at the Centennial Celebration of Bolivia Yearly Meeting last April. Each of these three groups (Bolivia team, EFM, and Elizabeth Todd) will present reports at our new Missions Meals during lunchtimes this week. We are blessed to be a part of a Yearly Meeting that is committed to do our part to fulfill the Great Commission around the world!

- **Home Missions:** Many of our churches are praying and considering how they can reach people for Christ in their communities. Last August, sixteen leaders from NWYM attended the National Friends Church Multiplication Conference at Barclay College in Kansas. At least one pastor has asked me to challenge him and his church to start a new church! At our Pastor's Conference in April, the theme was "Building Bridges," which also symbolizes the connections that many of our churches desire to make with the unchurched. The Board of Local Outreach (BoLO), thanks especially to Roy Lujan and Peter Faville, has been working with our Ministry Points to become full Local Churches. Eleven steps must be completed, and one has finished that process and is up for final approval this week (Destiny) while

another is taking steps toward that goal (New Life).

- **Camps:** One of the greatest treasures of NWYM are the camps we steward. It is a blessing when one region has one effective camp that also understands its missional purpose – but we have FOUR of them! Each of our camps is managed by directors of high character, vision, dedication, and noteworthy ability. I am thankful to have recently completed personal visits to each of these camps (I was at Quaker Hill the year before taking this position, the others all in the last few weeks). I hope you will read their reports elsewhere in this packet! You will be inspired!
- **Educational Institutions:** George Fox University and Greenleaf Friends Academy represent two additional blessings for NWYM as they train people (men/women and boys/girls, respectively) to follow Jesus while pursuing their various academic goals with excellence. You will want to read their reports fully. They are doing fine work for the Kingdom and we need to support them!
- **Challenge Goal:** Last July, the Board of Elders issued a “challenge” for each family to contribute \$1,000 beyond our regular giving, to support the ministries of NWYM and help us to finish the 2019 year in the black. So far, over \$40,000 has been given to meet the goal of \$105,000, with another six months to go. That is a great start (since oftentimes donations increase at the end of the year). Thank you for your prayers about this! We have been meeting our budget needs so far through holding our spending in several ways and through your generosity! Thank you!

Looking Forward: As I have travelled and met with many in our Yearly Meeting this past year, I have sensed a growing awareness of the needs around us and the opportunities we have to make a difference for Christ. As one of our workshops this week reminds us, Prayer is the Key to Revival! Nothing significant happens unless God’s people pray. With that in mind, some things I invite you to pray about with me for the future include:

- Existing Churches: We want to help all of our existing churches to be effective, healthy, growing, and vital – reaching and teaching people to be faithful followers of Jesus Christ. Please pray to that end!
- New Churches: The mission field is all around us. We remain one of the most unchurched regions in the country. There are tens of thousands of men, women, boys, and girls who need to know Jesus and who aren't involved in any home church yet, and it takes all kinds of churches to reach all kinds of people. Please pray that the Lord will help us to start a number of new churches in the years ahead, and that He would add to our sense of urgency to do so! At least one prospective church planter has approached us recently about starting a church in the NW, and the International Friends Church Multiplication Conference is coming November 11-13, 2020!
- New Leaders: We are thankful for all of our current leaders (as stated previously)! But... we need more! This was one of Jesus' prayer requests to us – to pray that the Lord would send out workers into His harvest field, because “the harvest is plentiful but the workers are few” (Matthew 9:37-38)! We need more Friends of every age and stage of life who are ready (or willing to learn how) to serve as pastors, missionaries, church planters, and church leaders! Among other reasons, it takes all kinds of pastors to start all kinds of churches to reach all kinds of people!
- Youth and Young Adults: We are thankful that Brockie Follette is introducing us to the “Growing Young” research. Pray that the Lord will help us all to learn the keys to reaching, keeping, training, and releasing young men and women to be faithful followers of Jesus in and through our current and future churches!
- Future Training/Growth: We want to continue to learn and grow. The opportunities to do so together in our local churches, in area meetings, and as a larger group abound. While some of the “top” training topics from a recent survey are being offered this week, several others remain, such as “Leading a Church to

Change: How to Move Forward Together Toward a Preferred Future.” Encouragingly, most people said that they were “very likely” to attend a workshop in which they had indicated an interest. Thank you for praying as I plan to revisit each area in the months ahead for additional times of training, inspiration, and fellowship!

- **New NWYM Staff:** Prior to my arrival, the NWYM leadership decided that we would hire at least one (if not two) additional ministry staff, serving under the Superintendent to fulfill important needs. Please pray for the right timing, the right personnel, and the necessary resources to accomplish God’s vision for our future.

- **Faithful Generosity:** It is still true that “God’s work done in God’s way” will not “lack God’s supply.” Having said that, He asks us to be stewards of all that He has given to us, both as individually and as churches. To fulfill God’s purposes for us, we need to continue to give generously and sacrificially. For the 2020 budget, an additional \$90,000 needs to be given beyond our anticipated income in a new version of the “Challenge Goal” (it may have another name). It would also greatly help us if some churches who have given the same amount for several years, would increase their contribution to support NWYM for 2020.

Looking Personally and Thankfully: This past year has been one of great transitions for NWYM, but also for me and my family. Thank you for your gracious patience with me as I learn how to be an effective Superintendent. I’m also thankful for the mentorship of Chuck Mylander (a friend and former Superintendent)! Thank you especially to those who have prayed with us for our son, Jason (who is in the middle of a difficult recovery from cancer surgery and faces additional treatment/surgery for another sarcoma in the future). Please continue to pray with us for Jason, his wife Stephanie, and their three little boys (Elijah, Micah, and Jude). For much of this past year, Jeanine has needed to live out-of-state to care for our grandchildren. We are thankful that she has been here for several consecutive weeks and that the Lord has

provided us with a house in Newberg. Our other children (Jonathan and his wife, Amelia, Jared, and Joy) are doing well and our youngest (Joy) has followed in her older brother's (Jared's) footsteps to work on the staff this summer at Twin Rocks! We are thankful to be on this Great Adventure with you, seeking to have a "Fresh Vision" of the Lord, ourselves, and of the world around us. We continue to feel called, committed, and convinced that our best days together in NWYM are still ahead!

Appendix C | Treasurer's Report | Janelle Nordyke

The NWYM 2018 Financial Statements were reviewed by Kern & Thompson, Certified Public Accountants, in Portland, OR. Their conclusion was "...Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America." In other words, two thumbs up!

Included in this report are summary tables illustrating the financial results and fund balances for 2018. Detailed reports are available upon request from the yearly meeting office.

The pie charts summarize 2018 income and expenses by dollar and percent by board. Total income to boards was below budget at \$800,527. Included in income was the planned allocation of the Ministry Fund to boards totaling \$59,776 with an additional transfer from the Ministry Fund of \$20,602 to cover the net deficit balance of the boards at the end of the year. This represents a reduction of \$6,600 and \$29,300, respectively, from the previous year.

Local Church Support fell approximately \$80,000 from the prior year to \$279,366 which was only \$1,412 below budget. This reduction was anticipated from the result of the reorganization of NWYM on June 30, 2018. Local Church Support payments continued to represent 35% of total income in 2018.

Total 2018 income from individual giving was \$400,558, inclusive of restricted and unrestricted contributions. This was the largest source of income at approximately 50% of total income. Restricted giving, coming from individuals and churches, supports specific ministries, such as Friends Serving Abroad, Teachers Abroad, seminary scholarships, local outreach efforts, Youth

Challenged programs and other vital ministries as directed. The use of restricted funds in 2018 was \$227,709. Unrestricted gifts of \$172,849 were used to fund general expenses where needed within those boards to which they were directed.

Total expenditures for boards during 2018 were \$800,527. This was \$20,602 more than board income which required the additional drawdown from the Ministry Fund. Total expenditures were approximately \$61,000 under budget. Included in total expenditures is unbudgeted expenditures which were paid for through restricted giving. These expenses included Friends Traveling in Service, short term overseas trips, Youth Challenged programs and church match scholarships.

The 2018 ending balance of the Ministry Fund (MF) was \$1,109,261, a \$154,141 decrease from 2017. This decrease included the transferring a portion of the MF in the amount of \$114,358 to Sierra Cascades Yearly Meeting, the new yearly meeting formed by the reorganization of NWYM. Also included in the decrease was the planned decision to use approximately \$20,600 in additional MF resources to fund yearly meeting ministries. The market was not kind to NWYM investments at the end of the calendar year, causing the ending value of the Ministry Fund to lose overall by \$44,855. However, the market recovered from the fall in January and February.

Total designated and restricted fund balances for all boards and Ministry Fund were \$1,921,889. This represents a net reduction of almost \$200,000, referenced by the significant reduction in the Ministry Fund.

Appendix D | George Fox University Proposal

RECOMMENDATION TO MODIFY “FRIENDS” PERCENTAGE REQUIREMENT ON GEORGE FOX UNIVERSITY BOARD OF TRUSTEES

BACKGROUND INFORMATION:

Note: The Bylaws of George Fox University require the approval of the Northwest Yearly Meeting of Friends Church for any change to the Bylaws "affecting the relationship with Northwest Yearly Meeting of Friends Church."

The George Fox University Bylaws currently require that four-sevenths of the Board be members of good standing of the Friends Church and of these, at least two-thirds be members of Northwest Yearly Meeting.

The University's Board of Trustees appreciates and values greatly the relationship between the University and Northwest Yearly Meeting. The University was founded by Friends in the Newberg area to develop Christian young people, both Friends and non-Friends, to become leaders in ministry and secular vocations. The Christian mission of the university, we believe, is enhanced by the involvement of NWYM in the selection and make-up of its Board. The University's Committee on Trustees is increasingly challenged to identify qualified applicants as new trustees and also meet the four-sevenths Friends ratio. In the next several years a number of Friends Board members will retire from service. There is a need to recruit younger trustees and the Board has expressed its desire to improve the composition of the Board with more women, broader ethnic diversity, significant donors, and broader professional backgrounds. Finding Friends who are willing to serve and have the gifts needed to govern an institution of the size of the University is a constant challenge. Many capable Friends do not live in the local area, and it is difficult for people who live at some distance to be actively engaged in the work of the Committees and the Board that is necessary to properly govern the University.

As a result, and in response to the Yearly Meeting's request for modification of this proposal, the University's Board of Trustees at its full Board Meeting on October 19-20, 2018, approved a proposed change to the current four-sevenths Friends ratio, modifying it to 51% being Friends Board Members. Of the required number of Friends Board Members, at least 51% will be members of Northwest Yearly Meeting. This will provide additional flexibility in finding capable new Board members to fill gaps in expertise on the Board, while still requiring a majority of Friends on the Board. Importantly, Northwest Yearly Meeting would continue to approve (or disapprove) all new and reappointed Trustees to the Board.

The GFU Board respectfully requests that the Yearly Meeting affirm that the revised changes are acceptable.

SUMMARY OF CHANGES TO BYLAWS, GEORGE FOX UNIVERSITY

1. Article IV, Section 1(b), Friends Board Member Requirement. Changes the test to 51% (from 4/7ths) of the total GFU Board members and defines what a "Friends Board member" means.

2. Article IV, Section 1(b), Northwest Yearly Meeting of Friends Church Board Member Requirement. Changes the test to 51% (from 2/3rds) of the required number of Friends Board members and provides a new definition as to what a "NWYMFC Board member" means that is parallel with the Friends Board member definition as described above.

RECOMMENDED NEW LANGUAGE:

BYLAWS OF GEORGE FOX UNIVERSITY, ARTICLE IV: MEMBERSHIP OF THE BOARD

Section 1. Composition of the Board

b. At the time that new members of the Board are approved, at least 51% of the total number of members of the Board, including

the new members being approved, will be affiliated with a Friends Church (by membership in a Friends Church, by affirmation that they are part of the congregation if the church does not use a membership process, or by affirming that they identify with the Friends Church but by reason of distance are unable to attend one) (a "Friends Board member"). Of the required number of Friends Board members, at least 51% will be, at the time that new members of the Board are approved, affiliated with a church in the YEARLY MEETING (by membership, by affirmation they are part of the congregation if the church does not use a membership process, or by affirming that they identify with a church in the NWYMFC but by reason of distance are unable to attend that church) (a "NWYMFC Board member").

RECOMMENDATION TO CLARIFY BELIEF EXPECTATIONS OF GEORGE FOX UNIVERSITY BOARD MEMBERS

BACKGROUND:

Note: The Bylaws of George Fox University require the approval of the Northwest Yearly Meeting of Friends Church for any change to the Bylaws "affecting the relationship with Northwest Yearly Meeting of Friends Church."

The George Fox University Bylaws require that "All nominees for Trustees shall be in harmony with the Northwest Yearly Meeting of Friends Church's Faith and Practice and the University's statement of faith which is, in essence, as follows:" – and is followed by the University's 10-point Statement of Faith. This Statement of Faith is broadly descriptive of orthodox Christian teachings about God, the Bible, salvation and the role of the church, among other things.

Members of the University's Board feel that the language of this Bylaw needs to be strengthened to require Board nominees to affirmatively assent to the University's Statement of Faith, safeguarding that each board member will be a committed Christian. At the same time, the Board determined that a

definition of the "in harmony with" requirement would also be helpful in assuring that the Friends' perspective is maintained (as stated in the "Friends Faith-What Friends Believe" section of Faith and Practice), while not requiring all Board members to be Friends. The addition of "in harmony with the University's Community Lifestyle Statement" reflects current board practice while also emphasizing its importance.

RECOMMENDATION:

The George Fox University Board of Trustees approved the following language at its full board meeting on March 9, 2019 and respectfully requests the approval of Northwest Yearly Meeting in place of that set out above:

"All nominees for Trustees shall assent to the University's Statement of Faith which is, in essence, as set out below, and be in harmony with (To "be in harmony with" means that the Board member will abide by and not speak against the concepts contained in these documents, even if the Board member does not assent to those concepts.) the University's Community Lifestyle Statement and the Friends Faith – What Friends Believe as set forth in NWYMFC's Faith and Practice:" – and is followed by the University's 10-point Statement of Faith

¹ To "be in harmony with" means that the Board member will abide by and not speak against the concepts contained in these documents, even if the Board member does not assent to those concepts.

Appendix E | Evangelical Friends Mission Report

How can you be involved in what God is doing through Evangelical Friends Mission?

Who is Evangelical Friends Mission (EFM) and why does it exist? EFM is the global missions arm of Evangelical Friends in North America. It has existed since 1963. The yearly meetings/regions who are currently part of this joint effort are:

- Alaska Yearly Meeting
- Northwest Yearly Meeting
- Evangelical Friends Church Southwest
- Rocky Mountain Yearly Meeting
- Evangelical Friends Church -Mid America Yearly Meeting
- Evangelical Friends Church - Eastern Region
- Iowa Yearly Meeting (Associate Member)

Where in the world is EFM located? Please refer to our two-sided “Igniting the Hope” handout that accompanies this update for a detailed map of where we are working.

What is God doing through EFM?

The following story was shared by our friends in Bangladesh.

Luthfa Begam was born and brought up in a Muslim family. She and Mafuza, worked at the same NGO. Mafuza Begam received Christ through the ministry of Friends two years ago. After becoming a believer, people found changes in Mafuza’s life. One day Luthfa told Mafuza, “What happen to you? I see big changes in your life. What is the matter?” Mafuza asked her, “What changes have you found in me?” “Lots of changes,” Luthfa replied. “You are not easily angered, you always smile, and I see a great joy within you. What is the secret?” Mafuza smiled and told her, “Isa (Jesus) came into my life and changed everything. Please visit my house and I will tell more about Isa!” “Yes indeed,” replied Luthfa.

Luthfa did visit Mafuza's house with her husband. Mafuza shared her life testimony with them and told that there is only way to heaven through Jesus. She also invited them to attend a large Christian gathering in capital and they attended some Christian festivals and seminars. Finally, Luthfa and her husband received Christ. After, however, Luthfa and her husband went through many persecutions. Even so, Luthfa started a cell group at her house and teaches illiterate women to read and write. We expect a church will be planted very soon. Please pray for her family.

How can you be involved?

SUBSCRIBE TO MISSIONARY NEWS: EFM publishes a monthly prayer letter and missionaries provide news and updates periodically. Sign up at www.friendsmission.com/pray to get the news you want and help EFM update our new data base. Prayer is not just making our requests known to God, it is also giving him thanks and praise for what he is doing. We invite you to practice both by praying through the following:

PRAY

Praises

- For lives that are being transformed by the gospel of Jesus Christ (like that of Luthfa and her family).
- For the two yearly meetings in Nepal that have just completed their first 25 years. Together they make up EFM's largest mission field, more than 80 churches and 7,000 believers.
- For Matthew Zoller who was added to EFM's staff in May of this year as our Director of Operations. Matthew and his family live near Grand Rapids, Michigan.
- That the restructuring process EFM has been going through during the last couple of years is ending. One of the last pieces to be restructured was the EFM board. The board is now a little smaller while maintaining strong representation from all of the yearly meetings/regions. At the same time, more attention is being given to finding people with certain skills to serve on the board.

- For the yearly meetings that are choosing to put their international missions work under the administration of EFM. Northwest Yearly Meeting took that step in July of last year. Evangelical Friends Church - Eastern Region is in the midst of taking it now. Once that is done nearly all the yearly meeting/regions will have taken this step.

Prayer Requests

- That the Lord of the harvest will send out more workers into the fields. See the “Go” section that follows.
- Pray for Matthew Zoller as he gives leadership to the formation of what we are calling “Field Support Teams.” These are groups of volunteers who will be working within EFM’s guidelines to give stronger support to the missionaries and ministries under its care.
- For Russell and Sarah Badgley and their family as they readjust to being in Ecuador after a 10-month medical leave. We are very grateful that their little boy, Matthew, seems to be as healthy as can be!
- For Molly Morton as we prepare her to qualify for a Minister of Religion visa for Ireland. Together with Molly we have formed a plan that includes further studies, more experience in local church ministry, and more experience with evangelism and discipleship out in the community. Molly will be based in California until we sense the time is right to apply for the visa (which we think will be in 2020).
- For Edwin and Maria Giron, and their son, Edwin Isaac, as they have wrapped up ten years of ministry in Aguascalientes, Mexico, and have returned to the U.S. The doors have opened for them to pastor a church in the States. We are exploring ways that they can work with EFM to help mobilize Hispanic Friends for missions.
- For those who will be on deputation during the coming months: Samson, Priscilla, and Prateek Retnaraj who have been serving in Nepal; and Albert, Metali, Steven, and Edwin Adhikari who have been serving in Bangladesh.

GIVE

EFM is very blessed to have reliable income from the yearly meetings/regions, local churches, and a host of individuals. Such giving has enabled us to meet EFM's annual budgets as well as respond to emergencies and special projects on the fields. Thank you for your faithful giving!

Reliable income and balanced budgets do not mean that all our needs are covered, however. Here are some of the giving opportunities that we invite you to prayerfully consider:

- For many years EFM has been partnering with yearly meetings in Rwanda, Burundi, and the Congo to train leaders. We see much fruit from these training efforts, but as these yearly meetings continue to grow the need for more leaders also grows. Income for EFM's yearly contributions to the training has been dropping off in recent years, so we invite you to help us turn that trend around this year. You can do so by sending gifts for the Great Lakes Leadership Training initiatives. The amount needed for this year is \$26,500.
- Two years ago, EFM formed a partnership with Mexico Yearly Meeting to help them send out their first missionaries, Jaime and Lupita Leon. Jaime and Lupita are from Aguascalientes, Mexico, and are currently serving in the state of Sinaloa in northwest Mexico. Churches and individuals in Mexico Yearly Meeting made a commitment to cover the Leon's salary. EFM offered to cover their ministry expenses as well as ongoing training for missionary service. We could use your help with those expenses. You can contribute by giving online at <https://catalog.friendsmission.com/projects>.
- Much of the growth that EFM has experienced over the years has been in Asia, right in the middle of a multitude of unreached people groups. One might think that these exciting ministries are the easiest ones to fund, but that is not always true. Call our office at (303) 421-8100 for the most recent information on underfunded fields in Asia to support.
- Whenever our missionaries come to the U.S. for deputation they

always need to raise funds for their own support and sometimes for special projects as well. A really good way to encourage the missionaries is by responding to their requests for both prayer and financial support. In the next few months you will have the opportunity to do that for the Adhikari and Retnaraj families.

You can visit all of our missionary pages at www.friendsmission.com/missionaries.

GO

The Great Commission of Jesus to go into all the world and preach the gospel to every creature is a long way from being finished. There are still three billion people on this earth who have either never heard the good news or have not heard enough to make a decision to follow Christ. All hands are still needed on deck to carry out this commandment.

After years of prayer and consultation with Evangelical Friends in the U.S. and around the world we believe that the Lord has placed at least four areas of the world on our hearts where he intends to send missionaries through us. Those four areas are listed below. Some of the missionaries that will be sent may not be U.S. citizens, but we believe many of them will be.

What areas of the world are we talking about?

There is one EFM missionary family left in Africa. We've had to wrestle with the question: "Does this mean that God is done with EFM in Africa?" As we've prayed and talked about it we've become convinced that God would have us rebuild our team in Central Africa. We believe he wants us to be part of keeping the whole-life discipleship, church planting movement crossing borders through tools like Discipling for Development. He also wants us to be part of training African Friends to be missionaries

to their own continent and beyond. They are sensing that call already and are asking for our help in responding to it.

The state of Sinaloa is in the northwest part of Mexico and is one of the areas of that country that has the fewest evangelical Christians. We Friends have had a tiny foothold there in a village called Siete Ejidos but have lacked the personnel to make disciples and plant churches in the surrounding villages and cities. Thanks be to the Lord, Jaime and Lupita Leon responded to the call and are working in that area right now. But one missionary unit is not enough. Who will go and join them in this work?

About nine years ago the Lord called Russell and Sarah Badgley and their family to go to the southeast corner of Ecuador and share the good news of Jesus Christ with an underreached tribe called the Shuar. In the midst of all the health challenges the Badgleys have faced their call to reach the Shuar has remained strong. They are back in Ecuador for the third time and are ready to give it another go. Who else is supposed to be part of that work?

According to the Joshua Project, India is the country with the most unreached people groups in it. More than two thousand! It's a tough country to get into, and a tough country in which to carry out the Great Commission, but God still opens doors and sustains those who are working there for his purposes. M. and K. L. recently completed their first term pioneering a new work. Who will step through the next door he opens?

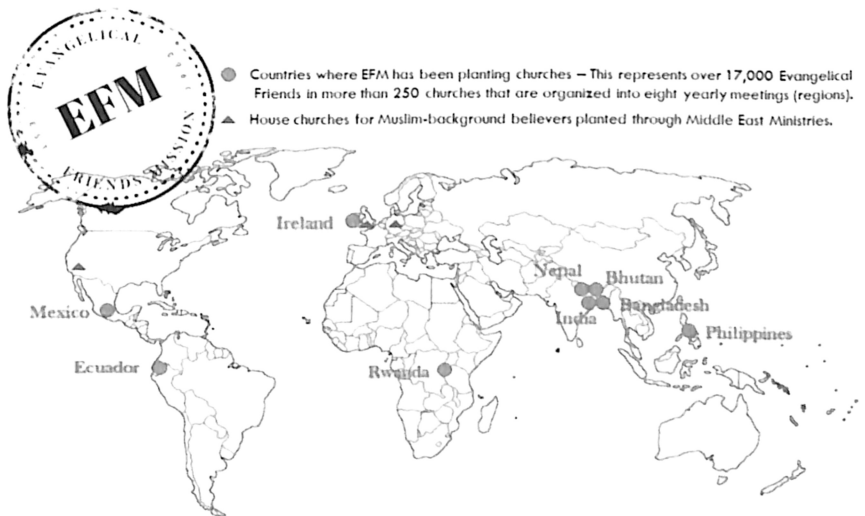

How do you know if God is calling you to serve him overseas? One way to find out is to accompany Molly Black on her annual Future-Missionary Trip to Rwanda, Africa. She makes these trips during the month of June and invites those who are trying to discern a call to missions to go with her. As a former missionary with EFM, Molly is delighted to be part of this kind of

discernment process. Maybe you should go with her next summer! If you are interested or know of someone who might be, visit www.friendsmission.com/rwanda-trip for information on how this year's trip was put together. You can also email Matt Macy at matt@friendsmission.com.

PRAY. GIVE. GO.

Three ways to be involved in what God is doing through EFM.
Which one(s) will you start putting into practice today?

IGNITING the HOPE

Appendix F | Board of Global Outreach Report

Our purpose and passion is to fuel a worldwide movement of people who seek first the kingdom of God, planting churches that live and die to carry out the Great Commission in the spirit of the Great Commandment.

The Board of Global Outreach carries out this mission by stepping into the role of mobilizing missions with EFM (Evangelical Friends Missions) as primary agency for Northwest Yearly Meeting for administrating, supervising and governing global ministries. We also continue to hold our relationship with our sister Bolivia and Peru Yearly Meetings as a priority for fulfilling the Great Commission.

EFM (Evangelical Friends Missions)

At the 2018 November EFM meetings in Wichita, Kansas, the NWYM minute recommending that EFM become the primary agency for administrating, supervising and governing global outreach was presented the EFM Board of Directors. Following reading of the minute the board enthusiastically received and approved the recommendation. NWYM Board of Global Outreach is excited about what God is and will be doing in fulfilling the Great Commission thru our full partnership with EFM. Pray for EFM as we seek first God's Kingdom and His righteousness in carrying out the Great Commission.

A second proposal, adoption of TA China as an EFM ministry, was presented at the 2018 November EFM meetings. This proposal was met with great enthusiasm and unanimous approval. This past year, Dan Cammack has been working closely with the TA China subcommittee on the transition process of bringing this work under the governance of EFM. The progress has been good

and there is still more to be accomplished. I want to thank Dan and all the TA China subcommittee for their diligent faithful work.

One of our first tasks as a board was, after consultation with Dan Cammack (EFM Executive Director), to identify missionaries and missions that we can immediately give “praying, giving and going support”. We identified 4 family units presently appointed as EFM missionaries that are from and receive a significant portion of their present support from NWYM. These families are: David Thomas (Whole Life Discipleship), Dave and Trisha Howell (Ireland), Roy and Jinky Twaddell (Philippines) and Russell and Sarah Badgley (Ecuador). A single flyer with these four families was developed by EFM staff and distributed to NWYM pastor’s at pastor’s conference. The board encourages you to keep these friends of ours in your prayers, continue your faithful financial support and consider how God might be directing you to “go into all the world” with EFM. For more information on our missionaries: www.friendsmissions.com (video resources that can be used for individuals, small groups or in worship services as “a missionary moment”).

This past winter and spring, David Howell and his son Jonathan, traveled to many of our NWYM churches to share about their work in Ireland. I had the privilege of hearing them share at our November EFM meetings in Wichita, Kansas and this past spring at my home church, Netarts Friends. I hope that you and your church will create time and space for our EFM missionaries to share with your faith community. The EFM office and our NWYM office will work to keep you informed when EFM missionaries will be visiting the northwest.

This past year, the Badgley family, has been stateside caring for their son, Matthew. This has been a tiring challenging faith journey for Russell, Sarah and their children. Prayer groups at Friendsview Retirement Community and around the country have kept them in their purposeful faith directed prayers. Praise God, Badgley's son, Matthew, is doing well and the family has returned to Ecuador. Continue your prayers for the Badgley's and others would answer God's call "to go".

November 6-8, 2019, NWYM will be hosting the EFM board meetings at Twin Rocks Friends Camp. As part of these meetings, EFM will be hosting an "Ignite the Hope" banquet in the Newberg/Portland area on Friday, November 8, 2019. This is a great opportunity for you to hear, see and be challenged by what God is doing thru EFM. Place this date on your calendar. More information will be made available as details are finalized.

Teachers Abroad (TA China and TA Hungary)

Teachers in China, TA China, continue to impact the lives of the university students at Wuhan University of Technology. Will and Miranda Allen have effectively served as in country Field Directors. Their support of our teachers, Daisy Gallegos and Tiffany Graham has been tremendous. The board is so grateful for their sacrificial love filled service. Will and Miranda, this past June, have moved to North Carolina. We, as a board, have expressed our deep appreciation. We look forward to seeing how God will work thru Will and Miranda in North Carolina and hopefully in the future with TA China.

This coming year Daisy Gallegos will be returning for her 3rd year of teaching in China. Joining her is Isaac Swan from Newberg. Isaac graduated from GFU this past spring. We are thrilled that both of these young adults have answered to call to serve in China. The TA China subcommittee, along with EFM, look forward to working together in support of these two

incredible young adults. I want to express the boards appreciation for Janelle Ralph, Marilyn Harmon, Dorothy Sherman, Chuck Scott, Adam Carpenter and Dan Cammack, for their faith filled thoughtful work. Please keep Daisy and Isaac in your prayers. We are eager to send more teachers to China, pray about this incredible opportunity of service to Jesus.

Karen Swenson, TA in Hungary, completed another academic year at International Christians School of Budapest, teaching secondary students of missionary families in science, math and Advanced Placement courses; tutoring students who need additional assistance, enrichment, and/or a place to do their homework; and presenting test preparation workshops - SAT Workshops and ACT Workshops. Saturday, June 8, was graduation day. Of the 23 seniors, nine had been among the students who crossed the threshold of her living room/classroom in this past year. Two had taken AP Physics 1 and seven had taken AP Psychology. Others had come at various times for tutoring and/or test preparation. All in all, it was a special time of celebration. Uphold Karen in your prayers as she continues this invaluable work partnering with missionary families in making it possible for children to receive an excellent education as their parents remain active in missions work in Europe and Asia. Also pray for Karen as she prepares for retirement in the next couple years. Thank you to all who support Karen through your prayers and financial gifts.

Bolivia/Peru INELA Relations

Bolivia/Peru INELA Relations subcommittee continues the valuable work of strengthening our "sister" relationship to Boliva/Peru INELA. In last year's report we expressed our hope that there would be a team from NWYM who would attend the 100 year anniversary of Friends work in Bolivia. Praise God, Ken Comfort and Dan Cammack lead at group of 14 people, this past April, to Bolivia to help celebrate this significant milestone. A highlight of the celebration was the viewing of a video on

Bolivian INELA History in Spanish, a project Hal and Nancy Thomas worked closely with Bolivian Friends.

Praise God, Wipf and Stock, a book publisher in Eugene, has agreed to publish the history in English written by the Thomas's, probably in 2020. Thank you to all the people in NWYM who have continued to support this venture in remembering and honoring what God has accomplished through Friends missions outreach in Bolivia. And a tremendous thank you to Thomas's for this labor of love.

The Bolivian Joint Missions Project (matching grant of 30% from NWYM and 70% from Bolivian INELA) continues to be a wonderful way for NWYM to support the Bolivian INELA vision for missions. The men will again be taking an offering at the Men's Missionary Banquet on Sunday evening of Yearly Meeting sessions to continue our support of Bolivian directed missions outreach in South America. Hope to see you all at our Friends Women's and Men's Missionary Banquets on Sunday, July 21st.

Board of Global Outreach Role

At MidYear board meetings and our spring retreat, we focused much of our board time on the discussion of what is the function/purpose of our board now that EFM is the sending agency for NWYM. Following is a sample of our discussions:

Jim LeShana shared that he saw mobilizing as three fold: praying, giving and going.

Dan Cammack suggested that the Great Commission call to unreached people might be the unifying force to help mobilize Friends perhaps in the way the Bolivia/Perú mission did In past years. The diversity of fields EFM provides a far greater number of options for those who feel called to missions.

A possible approach for the NWYM GO Board might be to give special focus upon NWYM connected folks like the Twaddells, Howells, Badgleys and David Thomas.

Along with that, we can encourage every congregation to “adopt” an EFM field to become knowledgeable, passionate and committed to prayer.

What skills does the Board of Global Outreach need in its members to achieve its goals? The following are some brainstorming ideas:

We need those skilled who can visit and promote from church to church or small group to small group among local Friends.

We need someone who can develop a simple script or talking points of basic information to share. Something to post on basecamp and go from there.

We can use fall and spring retreats and spread people out to nearby churches to visit and represent the Board briefly, being more intentional about making local church contacts and identifying other key mobilizers.

We recognize the need for several new members of the Board of Global Outreach from areas of the Yearly Meeting not yet represented on our board.

These are a few of our comments as we continue to explore and define our role as missions mobilizers. Please keep us in your prayers.

This is an amazing new season for our Yearly Meeting and our missions focus/outreach. We need representatives from each region to join with us in discerning God’s plans for fulfilling the Great Commission. Contact me if you have interest in exploring

how you might participate.

Finally, I want to say thank you to our board members for their faithfulness, commitment to our fields. I also want to affirm the hard work of our subcommittees who've remained faithful in support of the field staff appointed to their particular field. These are all incredible people, who love the Lord deeply, have a steady commitment to Northwest Yearly Meeting of Friends and who hold fast to this truth: God's plan for reaching the world with the "Good News" of Jesus Christ is thru the church "carrying out the Great Commission in the spirit of the Great Commandment".

Board of Global Outreach | Closing Minute concerning NWYM ministry in Ramallah | 07-24-2019

The Board of Global Outreach wishes to clarify a portion of the Board of Global Outreach report that was recorded in the 2018 NWYM Minutes. During the reorganization of the Yearly Meeting, NWYM ended its oversight of ministry in Ramallah and supervision of Elizabeth Todd. That decision was not adequately represented in the 2018 Minutes. The report also may have given the impression that Elizabeth Todd's partnership with STEP, which predated NWYM's decision to end involvement, was enough to sustain the Friends English Experience and Elizabeth Todd's ministry abroad. In fact, it was not sufficient to make the Friends English Experience sustainable.

Over the last year, Elizabeth Todd and the Middle East Team (Jan Cammack, Joel Kelley, Faith Marsalli, and Ron and Carolyn Stansell) have been seeking sufficient organizational support. Elizabeth Todd is now an associate with Paraclete. While this does not solve all the challenges related to NWYM ending its involvement, it does secure the way forward. More information about Paraclete may be found at paraclete.net. Since last Yearly Meeting, the Board of Global Outreach has taken a series of steps to end their involvement well. This Minute is part of that process.

We believe it is important to affirm Elizabeth Todd's faithful and sacrificial giving of herself to this ministry. She served in a very difficult environment, often without the resources that were needed (whether financial, emotional, administrative, or with additional team members), and yet continued to serve with distinction as a Christian, as a Friend and as a member of NWYM. We are thankful for her ministry in Ramallah and around NWYM.

Reasons for this decision to close include:

1. We wanted to bring clarity to the 2018 Minute
2. We struggled ineffectively to fulfill the dream of recruiting a team/group to pursue ministry
3. In spite of our efforts, we struggled to sustain isolated persons in a conflictual environment and to provide sufficient member care and support.

Appropriate steps have been taken to terminate NWYM responsibilities regarding finances, assets and post-field care for the Ramallah field in general and Elizabeth Todd in particular. The NWYM will continue to pass-through donations received for the ministry of Elizabeth Todd in the Middle East until September 30, 2019. Elizabeth Todd will notify her donors that after September 30, 2019 all donations for her support must be sent directly to Paraclete.

We as the Board of Global Outreach, wish to affirm Elizabeth Todd as a faithful and valued member of NWYM and to commend her ongoing service in Ramallah or wherever and in whatever ministry the Lord would lay upon her heart.

We are excited about the new relationship that Elizabeth Todd has with Paraclete Ministries. Paraclete has a track record of effective ministry and oversight of international workers in a variety of settings. Through Paraclete, Elizabeth will continue the Friends English Experience serving Palestinian young professionals. Friends desiring to continue being and sending Friends of Jesus in the Middle East are encouraged to continue supporting this ministry.

As Friends United Meeting has a continuing presence and ministry at the Ramallah Friends School, those who might be interested in participating in that ministry are encouraged to contact the FUM Office.

The work in Ramallah represents the closing of our efforts in ministry within the Middle East and North Africa. Though these ministries have been closed, we want to recognize how God directed NWYM into this region and how God called out a significant number of people to serve there; in both direct and support capacities. We believe that God has used each of these people to have an eternal impact which we will see as we gather in Jesus' presence.

- Early 2019, we hired Reid Fitch F/T to assist Terry Baron in Facilities and general operations.
- The board is putting the final touches on a new and exciting Master Plan addressing the growth.
- We are currently working on three small capital projects: A/C for the Chapel - \$25k Replacing the deck above the ball field - \$20k Building a new "Grand" entrance off the highway - \$40k
- We are also fundraising for one major capital project: Building a new Kitchen (\$1.1MM) complete with public restrooms and seating for 300 campers.

PRAYER REQUEST:

- Acquire Adequate Waterfront - We feel strongly the future of the camp rests on the ability to acquire adequate waterfront. The waterfront is the number one recreation activity and the "bottle neck" of the busy summer months. Buying adequate waterfront is essential!

Appendix H | Camp Tilikum Report

Dear Friends of Tilikum,

What a wonderful year of ministry we've seen at Camp Tilikum! The Lord has blessed efforts to fulfill our mission. Thank you for partnering with Tilikum.

Programs and Events

The ministries of Tilikum reached 6,533 people in 2018.

- 1,967 attended a Tilikum Program.
- 4,550 attended a Guest Group Event.

Finances

Together with our supporters, the scholarship fund of \$30,635 provided scholarships to 352 people. We hope that no child misses the opportunity to attend camp due to financial hardship. Camper and guest fees only provide 80% of the necessary funds to operate the ministry. The other 20% is from generous friends of Tilikum. 212 families donated a total of \$204,609 in 2018. It is never simple to balance the budget and it's a great example of God's provision. Richard Winkel, CPA, performed a financial review of Tilikum's finances for 2018 and we ended the fiscal year with a change in net assets (in the black) of \$20,577. Tilikum's average change in net assets each year for the last five years has been about \$20,000.

Fawver Center Restrooms

We are almost finished with new bathrooms and a new gas fire pit meeting area.

Writers Retreat and Cabin

We are building the cabin framework this summer 2019.

A Capital Campaign for Lakeside Village

\$268,000 has been raised! The road was completed in 2018 and we are working on water, septic, electricity and possibly solar panels!

We are very thankful for your prayers and support and are blessed to partner with you. Thank you.

Executive Director

Appendix I | Twin Rocks Friends Camp Report

It has been a terrific year in the life of Twin Rocks Friends Camp & Conference Center:

Satisfied Campers. For the 10th consecutive year, campers rated their overall Twin Rocks experience at 9.3 or greater. Perhaps just as noteworthy, “staff service” generated a 9.6!

Oceanfront Lots Acquired. The camp obtained four vacant lots located directly across Highway 101 from its main entrance. This property, comprising 228 lineal feet of ocean frontage and a total of one acre, will likely ultimately house a retreat center. Until then, a “Prayer Trail” on the property helps campers take in the sights and sounds of God’s creation while engaging in a time of prayer, Scripture, and solitude. The purchase of the oceanfront lots is one of two large projects slated for the camp’s New Century Campaign. The other key project: Upgrading the camp’s Dining Center to expand seating capacity from 300 to 400. Thus far, the camp has secured \$375,000 in New Century gifts and pledges for this 4-year, \$1.5 million campaign.

A Miraculous Makeover. In the most recent portion of its Million Dollar Makeover, Twin Rocks opened a brand new Central Restroom facility. This restroom, coupled with sidewalks and pavers replacing gravel in the Central Courtyard, allows Twin Rocks to engage more fully with campers affected by disability. Two new bonfire pits are in place, helping campers enjoy meaningful worship, conversation, and time outdoors. To top it off, a 700-foot dual zip line now enables delighted campers to “fly high” above Cammack Field alongside friends and family, and a new Aqua Jump trampoline graces the camp’s Spring Lake waterfront.

Health & Safety Accreditation. To uphold the highest in health and safety standards, Twin Rocks maintains accreditation with the American Camp Association (ACA), complying with “best practices” for camps. In its most recent inspection (2018), Twin Rocks received a 100% compliance rating from ACA.

A Major Blessing. Twin Rocks recently received a \$1.6 million gift from the estate of Lois Friend for use as a camp scholarship endowment. This most generous contribution represents the largest donation ever received by the camp. For generations to come, its invested earnings will help Twin Rocks provide new and expanded outreach programs, discipleship/ leadership activities, camps that serve disadvantaged camper groups, and funds to keep camp affordable for all

Centennial Celebrated. Twin Rocks celebrated 100 years of ministry in 2018! It was a great joy to host 850 friends of the camp a year ago on July 21 for a festive day at Twin Rocks. Later in the year, the camp produced a 180-page “coffee table” book with more than 300 photographs chronicling the first 100 years of Twin Rocks’ ministry.

A Season of Rebuilding. The Friends Church’s recent restructure has affected Twin Rocks. While pain and sadness remain, a noteworthy sense of hope and optimism has also emerged. Summer camps thrive (despite lower attendance), full of a perception of God’s presence and direction. A recent update to the camp’s Vision Statement by its board of directors, coupled with the July 1 hiring of Program Directors Mark & Lauralea Franklin, offers opportunity for Twin Rocks to evaluate and enhance its programs with the goal of helping increasing numbers of young people enter adulthood stating, “My relationship with Jesus is the most important focus of my life. It guides everything I do. I exist to know, love and serve God.”

Financial Blessings. Twin Rocks' overall camper attendance has declined by 9 percent since 2016, primarily the result of a sizable summertime retraction in the aftermath of Northwest Yearly Meeting's restructure. Nonetheless, the camp's finances simultaneously saw great improvement, with operational budget surpluses of \$55,000 in 2018 and \$32,000 in 2017. Overall, Twin Rocks' "net assets without donor restriction" increased by 10 percent during this two-year period.

Executive Director

Appendix J | Quaker Cove Report

New Programs – We started our culinary day camp. 46 kids from K- 12 came for cooking and baking lessons this July. We also had a beach art camp with a local artist, which has been a fun addition. Both programs reached many new kids.

Growth in Programs – We added a 3rd week of day camp. We had 85 kids in 2018 and expect over one hundred kids this summer! Our family gingerbread house event doubled last winter, and we had over 300 people at the camp, about half for the first time. We baked 240 houses and went through 100 pounds of candy!

Staff – We hired Jonathan and Emily (Astleford) Woodward as our first ever summer staff. They have experience at Twin Rocks and Tilikum and are already a huge asset this summer. We continue to be blessed by Aly Brooks, who has stayed on as office manager and begins her 3rd year with us.

Finances - Our finances remained steady in 2018, although we anticipate lower income in 2019, due to The Seumes leaving their church in Anacortes, which had contributed significantly. We are still receiving some support from individuals, but not the church as a whole. We will not be hosting their middle school camp either, which also has some impact on finances.

Rezoning Process Leads to Code Amendment –A code amendment was given final approval last winter and will allow us to begin new building projects! We have now begun the process of making a master plan, which needs to be approved by the county to begin any building.

New Housing – Well, it isn't exactly "new" housing, but the Seume family will be moving into the Red/Greene cabin this fall

after some remodel. Our 7-person family has well outgrown the 2-bed, 1-bath trailer. We will then remodel the trailer for other use.

Site Projects - We painted the exterior of the dining hall and made many improvements in the kitchen, including all new electrical, a new serving counter, shelving, and a working dishwasher! We added irrigation for the garden and bought a storage container, which will help store equipment for future buildings. We have also made significant progress in repairing the Palmer cabin (A-frame) roof. We wired our shop and garages for power.

Volunteers – We have several weekly volunteers who are slowly chipping away at large projects. Groups from VOW have been a blessing! Thank you to all who give of their time to work with us!

In conclusion, God has been so good to us this year. Again, He shows us that He is a God who cares for our hearts and He has graciously provided for every need. We continue to be amazed at how volunteers show up offering exactly what we need without knowing. We had someone offer to survey the entire property and create a measured site map for free, and another Friend offer to roof the Palmer cabin with metal roofing, not knowing that we had been considering solutions for these two very expensive needs for the last year. We would ask for prayer for all of us, that God would continue to sustain us, grow us, guide us, and make our camp shine bright in this community. We have been especially grateful this year for the love and encouragement we have felt from Puget Sound Friends.

Mission Statement: “Inspiring students to think clearly, act responsibly and serve passionately”

This year the Academy continued to move forward in dedication to the mission and calling to inspire students in our three main areas. As students experience the rigors of academic study they are challenged to not only learn facts and information but to think critically and deeply about each subject. Using some classical education methods and curriculum teachers help each student to develop more refined skills for discussion, enabling them to formulate their thoughts and articulate more clearly what they know and believe.

As students pursue studies they also have opportunity to explore their faith in a deeper way. The second aspect of the school mission statement to act responsibly is demonstrated as they learn to apply their faith in daily life, words, and action.

Students have more actively pursued opportunities to serve throughout the last year. Through the passion and leadership of Kathy Hazen, Outreach and Student Leadership Director, students have coordinated a number of projects throughout the year into the school and surrounding communities. Each project serves to more clearly demonstrate our third mission piece “serve passionately” and it has been exciting to see students engage and practice what it means to be the “hands and feet of Jesus”.

Projects will continue through the summer and in school year 2019-20 each student will give at least three or more hours of service each quarter throughout the year. Students are excited and motivated as they see what their efforts can do for others and how they can actively demonstrate faith!

With the renewed partnership with Greenleaf Friends Church in providing resources to help the school in the area of facilities and

grounds, Mark Wilkins, GFA Graduate 1977, was hired a year ago to be the Facilities Director. Marks job is to oversee all of the necessary maintenance and grounds needs for the school and the church. Mark has done an amazing job this first year in seeing the areas of deficiency and moving forward with the repairs and upkeep of our current facility. Volunteers on Wheels (VOW) made their way over to the school this July to help with some needed projects.

Other highlights of school year 2018-19 include the final senior project which is an Idaho state requirement for graduation. Students compile written and oral presentations of their project for adjudication and final evaluation. All seniors fulfilled and far surpassed the requirements to complete this project. Seniors then enjoyed wrapping up their high school years with commencement exercises on May 19th followed by their senior trip. Student activities throughout the year include several sports, drama and music productions, weekly chapel services, and other programs.

This spring also has included curriculum planning for the next school year, continuing to invest and incorporate appropriate classical Christian education methods and materials. As evaluations of the language arts, logic, and rhetoric pieces incorporated to date have been extremely positive the Academy is moving to include history, science and additional English classical curriculum to better prepare students in understanding facts learned, discuss these topics and not only assimilate knowledge but practice articulating and defending what they know and understand.

The GFA Board recently approved the start of our Career Technology Education (CTE) by offering a pre-engineering class for the high school students. Through a series of events, we applied for a grant from the J.A. and Kathryn Albertson Family Foundation for the start-up funds needed for new computers, printer, licensing for the SOLID WORDS cad program, and other

things used for this new class offering. We received a \$50,000 grant from the Albertson Foundation and are now setting up the computer lab to meet the need of this new class and future CTE class offerings.

We are also offering to our home-school families the opportunity to take some additional classes for middle school and high school students through our new part-time program called GFA Connect. Home school students who would like enhanced learning can attend one, two, or more classes of their choice each semester and receive the appropriate credits. We are excited about this new program and a chance to see how it will grow.

Recruiting and admissions has been high on our priority this spring. After an enrollment decline over the last couple of years, we made some strategic moves in advertising and recruiting for new students. With the growth of the Treasure Valley heading out towards Greenleaf and west of the school, we are seeing more and more inquiries from prospective students. Part of our recruiting plan was to offer full-day kindergarten as well as keeping our half-day kindergarten option. That resulted in a jump from six kindergarteners this past year to 13 kindergarten students. Our recruiting efforts have been paying off in that we have to date 28 new students.

Financial Report:

The Academy began the year with a projected deficit budget which is always a challenge. (Christian schools receive no government support, tax revenue, etc.) The rural location is peaceful, safe and inviting but the challenge is always to find enough students able to drive the extra few miles and afford the added cost of tuition. Healthy competition with many charter schools and two Christian schools nearby continues to make GFA work hard to provide exceptional academic programs for the students but it also creates an annual challenge to balance the budget. 45% of the annual budget must come from grants, fund

raising, donor support, budget management, and gifts to the Financial Aid program. After an 18-month process of the kitchen renovation, the new kitchen was ready to serve students for our 2018-19 school year. The kitchen staff has done an excellent job of providing delicious, home baked goods and meals for our students. God has been faithful and the Academy looks forward with great excitement and anticipation to a remarkable year to come!

We appreciate Northwest Yearly Meeting of Friends and the continued acknowledgement of the work that takes place on our campus each day. That support is valuable and encouraging and that, with the prayers of many Friends across the Northwest, our mission continues. After 110 years GFA remains the oldest Christian school in Idaho and the oldest Friends school west of the Mississippi river. Lives of students are being transformed by encountering a God who loves them deeply and the mission to inspire students to think clearly, act responsibly, and serve God passionately is active and visible on our campus every day!

Appendix L | Administrative Council Report

The Administrative Council (AC) meets during yearly meeting sessions, fall and spring retreats, and during bi-monthly telephone conference calls. The Presiding Clerk, Asst. Presiding Clerk, General Superintendent, and Finance Director always meet with the AC. The AC regularly reviews and adjusts our yearly meeting budget, receives regular reports from our Financial Director and General Superintendent, approves board nominations and addresses other issues while the yearly meeting is not in session.

Jim Le Shana began serving full time as our General Supt on October 15, 2018 and was able to meet with us at our Fall and Spring Retreats. Jim shared with us his excitement to be part of NWYM and his hope for and commitment to “building bridges” as he works alongside staff, boards, pastors, and local churches across our yearly meeting. He has been very busy traveling to local churches and has met with every local church pastor within NWYM.

During the past year, the council approved the following board appointments:

- Stephen Gulley, Tim Giesbers, and Scott Winter - Friends Church Extension Fund
- Carl Anderson, David Tussing, Jim Buckner, and Cathie Jo Sturdevant –Tilikum Board of Directors

The council recognized there are some parts of our Faith and Practice that are outdated, incorrectly stated or out of date. None of these items are substantive changes, rather organizational changes, the recognized need for codification, and the need for the document to reflect current/correct/updated info. (For example, removing references to Board of Evangelism and Quaker

Benevolent Society, both of which no longer exist). Special thanks to George Crosiar who did the bulk of the work on this project. This new codified/reorganized document has been forwarded to the Faith and Practice Committee for the review. The council also recommended changes to Faith and Practice references to Barclay Press, which will be heard during these sessions.

Our Superintendent received a letter from the Chairman of the Board of Directors for Friendsview Retirement Community clarifying that the relationship between Friendsview. Friendsview exists as a nonprofit entity, separate from NWYM - outside of the control, authority, and accountability to NWYM. We are aware that our Faith and Practice needs some revision in relation to Friendsview and we will bring that to the representatives thru the Faith and Practice Committee at a later time. Please direct any questions you have about Friendsview, directly to the Friendsview Board.

The index values created at the time of the yearly meeting restructure (June 30, 2018) continued to be monitored by the AC. Since the index is in flux until June 30, 2021 (for example, churches who left NWYM as independent churches may join SCYMF), the AC continues to review those figures on June 30 of each year.

The council approved two others items of importance:

1. Board/committee appointment nominees will not be in the room during the approval process.
2. The Visioning Task Force will continue their work thru July 2020.

Respectfully submitted on behalf of the Administrative Council,

Debbie Harrison
Asst. Presiding Clerk

Appendix M | Board of Congregational Care Report

Because there was not an active Board of Congregational Care for 2017-2018, we are beginning our fresh vision. This year we only had two members (both new) but are excited to add additional members at Yearly Meeting.

At the mid-year board meeting we met and reviewed our responsibilities, budget and goals. We'd like to focus on

- Promoting share call fund for NWYM churches
 - Identify specific congregational care needs within NWYM churches
 - Develop a list of resources available to local churches such as workshops, speakers, and trainings related to congregational care life
 - Celebrate births and adoptions, milestone anniversaries, retiring pastors and missionaries, and honoring Friends who have passed
- If you are interested in providing training or workshops to other local churches, or if your church would like to find training opportunities for your congregation, we'd like to hear from you.

During this year we approved a share call request from Star Community Friends church to help with the roof on their parsonage. Submit your request if your church would like to involve the Yearly Meeting in finishing your construction goal.

At 2019 NWYM sessions we are celebrating births and adoptions, 50th and 60th anniversaries, retired pastors and missionaries, and holding a memorial service for Friends who have passed.

We are also sponsoring two workshops:

- “Building Bridges to Those Who Hurt, How to Start a Grief Ministry” by Betty Jo Steele
- “Overcoming Obstacles to Communication”, by Jim and Jeanne Leonard

Respectfully submitted,
Betty Jo Steele (Scotts Mills)
Shirley Kluver (South Salem)

Appendix O | Youth and Young Adult Board Report

During this year of transition, we have been evaluating our programs and visioning our future. We began the year with Youth Yearly Meeting. 15 students attended. The Tilikum Challenge and Quest courses were utilized for programing. Elizabeth Licon and Joseph Harrison did the planning. Nathaniel and Katie Vanderploeg, along with seven students from Friends University provided daily supervision and leadership.

The Board decided to make their top priority during the fall the recruitment for the Summit conference in Colorado Springs. 42 people from NW Yearly Meeting attended. 22 youth and 20 adults attended from 8 churches. Classes were inspiring and visionary. The overall conference received rave reviews. Brockie Follette's presentations were mentioned many times during debriefing as one of the highlights. A desire to have her come to YM to speak to both youth and adults was expressed to Jim Le Shana. The board attempted throughout the rest of the year to build off the momentum gained during Summit by inviting/involving the attenders in the visioning session held at mid-year boards and in planning of future YM youth events.

Sixteen youth workers and young adults attended a visioning session on Saturday of Mid-year boards in Sherwood. We explored what had worked well and what had not worked well in the past. We explored where we wanted to go. The atmosphere was exciting! A shared vision began to emerge. Many ideas were put forth that the board has been attempting to incorporate in planning.

The takeaways included:

1. Our primary goal must be about sharing Jesus Christ with youth and bringing (discipling) them into relationship with Him.
2. Must be diligent in recognizing and incorporating the authority

of scripture in all teaching.

3. Youth programing “barriers” between the three states need to be disassembled. Currently Idaho youth primarily attend Idaho events while Oregon/Washington youth attend Oregon events.

Currently, Preliminary estimations suggest that Idaho youth comprise about 2/3 of our youth population.

4. Increase intergenerational connections with youth within our Yearly Meeting.

a. Recognize that story telling builds community. Increase story telling by the “Cloud of Witnesses in NWYM” to our youth.

b. Invite Brockie Follette to speak to both youth and adults at Yearly Meeting.

5. Combine Samuel Schools 1 and 2. Invite Eli’s to attend alongside their Samuel’s.

6. Find ways to de-compact the Spring and Summer events.

7. Recognition that our summer camps provide most of our leadership training for youth through internships and Student Leadership Programs.

8. Encourage youth preparing for college and university to pursue Biblical training, mentoring and service through programs like Kaleo. Possibly set up a program within NWYM.

9. Possibly plan a Young Adult retreat at Twin Rocks in October (the dates are already reserved).

10. We must be intentional with our YM youth programing. For instance, set up a “funnel” for youth ministry on the YM level in which certain events bring youth in the door while other (following) events lead them into understanding scripture applying it to their lives, being mentored and discipled in Christ, preparing them for life away from home (including college/university) and helping them become involved in the local church, first with youth programing and then adult ministry.

Many of our current programs do this a bit haphazardly.

A combined Middle and High School Samuel School in May was attended by 14 Samuel’s and 3 Eli’s from 6 churches in Idaho, Oregon and Washington. Mark and Lauralea Franklin and Wendy

Lewis provided the upfront leadership. 6 teachers presented on the spiritual disciplines of prayer, worship, Bible study, community, creating space and listening. The Hi School group voluntarily spent a couple hours praying after a session on prayer. It was a powerful time of experiencing Christ's presence.

The board is now preparing for the 2019 Youth YM programing with a program that will be strongly oriented toward "story telling" and intergenerational ministry.

Appendix P | Board of Leadership Development & Enrichment

BoLDE has continued to respond to the organizational and structural changes at the Yearly Meeting level and continues to focus on streamlining its various sub-committee's workflow. Along that vein, we said goodbye last fall to Monik K as she completed her service as the Coordinator of Friends Leadership Training program. At the time of her departure, we placed the FLP as well as the Friends Center programming on an indefinite hiatus, though we continue to provide scholarships for those who are pursuing graduate level ministry-oriented courses (see below). We are very grateful for Monik's service to the NWYM and BoLDE over the last several years.

The Credentialing Sub-committee will be finalizing a revision of the Credentialing Handbook this year which has been edited to more clearly delineate the expectations and workflow for three distinct credentials: Licensing, Commissioning and Recording. In addition, the Board is happy to recommend one candidate for recording.

This serves as my last YM report as my term expires as Board clerk and I will be transitioning to another YM Board role. It has been a privilege to serve in this role and I look forward to helping our Yearly Meeting continue in our service to the Lord. By the way, the BoLDE clerk role is currently unfilled so please pray with the Nominating Committee as they work on filling that role as well as add additional members to the Board.

I would like to thank all those who served on our board and labored to serve our Yearly Meeting through a fruitful year:

LEADERSHIP ENRICHMENT

Enrichment (aka Pastoral Care) responsibilities for BoLDE include planning and executing professional development (formerly FOCUS Conference), recognizing and rewarding pastoral service, review and approval of pastor sabbaticals, and mentoring.

The BoLDE committee is excited to present a Call to Ministry Workshop at this Yearly Meeting and hopes to follow this with a retreat that begins to accommodate those discerning a call, developing equipping paths as they respond, and mentoring to support and sustain leadership development.

As regards Pastor Recognition, this year the committee decided to

try a little different approach to recognizing and rewarding pastoral service. We will still continue with an appreciation dinner at Pastor's Conference but will expand the recognition of those in ministry leadership here at Yearly Meeting. Those individuals might be serving in Worship Music, Children's Education, Visitation, Women's Ministries, etc. We have received dozens of notes and some videos from individuals and churches affirming appreciation of these servants. We will share some of these during this Yearly Meeting with those notes received available for the Representatives to take back to their home churches.

This last year we were able to provide funding (limited) for two pastors to take a brief sabbatical. We will now have 'mentoring' available as pastor's plan for this time of growth and refreshment. Applications for sabbaticals are available now for the next church year beginning July 2020.

As we move forward into a new year, we are thankful for the opportunities to serve through the building up of leadership with professional development, supplemented with the encouragement and support provided through pastoral care.

Appendix Q | 2019 Northwest Yearly Meeting Epistle

To All Friends Everywhere:

We send you greetings from the gorgeous campus of George Fox University in Newberg, Oregon where we gathered from our local meetings in Oregon, Washington and Idaho, for our 127th Annual Sessions. The weather this week was particularly nice which added to the amazing week we had. We received greetings from Phil Baisley, from Earlham School of Religion in Indiana, and from Nancy Irving – a visitor from North Pacific Yearly Meeting.

Music in the morning and evening sessions was led by various churches and groups around the Northwest, including a Yearly Meeting choir on Wednesday night. We were very blessed to hear from them all! Jim Le Shana, our new Yearly Meeting Superintendent, welcomed us and kicked off the sessions Sunday evening by sharing about having a “Fresh Vision”. Jim was the evening speaker on Monday and Wednesday, and on Tuesday night we heard from Brockie Follette from Kaleo Academy in Haviland, KS.

Each morning began with a one-hour workshop led by Brockie Follette who presented material from the book “Growing Young”. This provided an intentional time for learning something new together.

During business session on Monday Jim Le Shana gave the superintendent report after his first year in the job. His report emphasized the ongoing need for prayer for our local churches.

During the Tuesday business session, with Brad Holton and Debbie Harrison ending their terms, a new Presiding Clerk and Assistant Presiding Clerk were approved. Ken Redford will serve as Presiding Clerk and George Crosiar will be the Assistant Presiding Clerk.

On Wednesday morning, we had a lot of business to get through for our last day. We heard wonderful reports from our Northwest Yearly Meeting camps, the Administrative Council, Congregational Care Board, Visioning Task Force, and the Youth & Young Adult Board. We have so much to give thanks for! The morning was made particularly special with the ministerial recording of Roy Lujan from Whitney Friends and the recognition of Destiny Friends moving from a mission point to full-church status within our Yearly Meeting. A minute of thanks for Brad Holton and Debbie Harrison was noted for all that they have done these past few years.

The theme for our NWYM Annual Sessions was Fresh Vision. Everything was centered around this idea. Jim Le Shana gave his evening talks regarding a fresh vision for NWYM and how God is not done working through NWYM. Brockie Follette shared about "Growing Young" and having a new perspective on how we approach young people in our churches. All of the afternoon workshops also followed the theme of a fresh vision. We really felt like we were seeing God with a fresh set of eyes!

We ask for your prayers as we continue to seek God's will for Northwest Yearly Meeting. As we look toward the future there is still much work to be done with our recent restructure and new staff members. We continue to keep our eyes focused on God and ask for his fresh vision to fall upon us.

ADDENDUM

Addendum A | Board of Elders Report

The Board of Elders has been buoyed by a sense of optimism for the future of NWYM. We are encouraged by the praises we hear from many of our churches of new growth and the reaching out they are doing with new ministries in their communities. We are confident that God is faithful and he will grow His Church.

We are hopeful that – under the leadership of our Superintendent and reunified Administrative Council - NWYM has worked through most of the difficult adjustments caused by the departure of some of our local churches. That unfortunate departure was one result of a major disagreement on how to understand and apply biblical authority.

The Board of elders, like many other NWYM Board and groups, has been understaffed and – through the Nominating Committee - is still in the process of replacing members who attended those departing churches.

Board members have assisted the Superintendent in visiting and providing counsel as requested by several local churches. Several are currently in the pastoral search process.

We continue to attempt to regularly contact all our local churches to learn about their joys and sorrows and to bring their needs before the Lord in prayer each month. We plan an extended prayer time during our Yearly Meeting sessions on their behalf.

After two years of work, our Local Church Care Committee for Boise Friends Church, was unable to lead that congregation to a mutually acceptable solution to their concerns. Boise Friends has returned to local leadership and is seeking to fill the currently vacant pastoral position.

We encourage any local church which is experiencing difficulties to contact us immediately for prayer support. We may have access to other helps, as well, which we will gladly offer at their request.

Addendum B | Board of Communication Report | 2019 NWYM Annual Sessions

This is the first official report from the Board of Communications since 2016. This board has been through some weird times in the past years and 2018-2019 was the first time it has had an official board in a long time. The board only has four members and all four joined/started at the same time. So in theory, all four will go off the board at the same time as well. Because of that, we are wanting more members who can help out the board and carry it into the next chapter when that time comes. If you enjoy helping pass along information via phone communication and online communication please reach out to the board members (Jacob Newton, Mindy Burns, and Elizabeth Licon, and Joseph Harrison because of their role in the NWYM office). Joseph Harrison graduated from George Fox University this spring, so he is no longer an intern in the office. He hopes to join the board in an official capacity this year.

Our board mainly deals with online communications currently. We no longer print and mail physical copies of the NWYM Communication on a consistent basis. A pdf file of the NWYM Communication is made available to pastors with the hopes that they will print and distribute it for their congregation as they see fit. Our Board's goal is to connect the Yearly Meeting and YM Boards with churches, and churches with the Yearly Meeting and each other. We also seek to connect individuals with each other across the yearly meeting.

For the NWYM Connection, we are looking for personal stories of faith, news of innovative church activities that could be replicated in other churches, as well as news of NWYM-affiliated institutions such as Twin Rocks, Quaker Hill, Quaker Cove, Camp Tilikum, etc. Please send your news, stories, ideas, and suggestions to Jacob Newton at jacob@meridianfriends.org or Elizabeth Licon at elicon@nwfriends.org

Addendum C | Trustees Report

I want to thank my fellow trustees, Steve Gulley, Dave Green, Dave Hampton and Barry White for their work over the past year. We continue to pray for Dave Green as he experienced some serious health issues starting in October and continuing as I write this report.

2018/19 was a less busy year than the previous one primarily because the Yearly Meeting restructure in terms of trustee involvement was concluded in July 2018. The preparation and mailing of the deeds releasing NWYM's interest in the departing churches' real property was completed in July 2018. Dave Green did great work in the preparation of the deeds.

Here are some of the other items the trustees worked on this past year:

- We consulted with East Hill Friends Church in the sale of the pastor's home. Dave Green crafted the separation agreement of the church and pastor's property.
- We continued to work with New Life Friends Church with their desire to allow a communications company to place a cell tower on the church property. The income derived from the cell tower will greatly help the ministry and financial stability of the church.
- We consulted with various churches and NWYM on various issues throughout the year.
- The 2019 property tax exemptions for churches in the State of Washington were completed prior to the March 31 deadline ensuring that these churches will continue to receive the exemption from paying real property taxes. Some Washington churches do their own filing.

As trustees, we feel it is an honor to serve the Yearly Meeting

Gordon Crisman, Clerk (Sherwood)

Addendum D | Friends Women Report

Together, Northwest Yearly Meeting Friends Women have continued our commitment to serve our Lord as supporters of those in ministry, both locally and abroad. The efforts of local chapters and others have prayerfully and financially given support to those serving through NWYM and EFM. It's been exciting to see new fields opening and groundwork that is being laid for even more opportunities to serve abroad.

Recently the Badgley family has been able to return to Ecuador after a trying time for their family with Matthew's health issues. He's doing much better and we thank God for answered prayer on his behalf.

Two women's retreats were held this year:

- "RISE" was held in McCall, Idaho, at Quaker Hill Camp, using the theme "Rooted." The speaker was Rita Romberg. A special feature was the "Secret Garden Soiree" on the lawn on Saturday morning. A service project led by Kimberly Fitch was to assemble garden kits which were sent for ministry in Mexico. Workshops, the silent auction, and fellowship times were an important part of the retreat.

- The Oregon retreat was held at Twin Rocks Friends Camp in Rockaway Beach, Oregon. The speaker was Mindy Burns while Sue Hays brought the Bible study. The ladies were treated to a silent auction and lots of great fellowship.

We are looking forward to this year's fall retreats. It is at these retreats that we sign up to fund projects that help NWYM and EFM missions. The projects for the 2018-19 year were projected to be \$3,400 but were funded at \$3,800. Congratulations and thank you for all your hard work. The 2019-20 proposed projects list is \$3,650.

We had three area rallies this spring with the offering taken to go

towards toilet and water filtration projects in Nepal. The offering of \$2,575 was the highest taken in years!

- Boise Friends Church, Idaho, for the Southern Idaho area churches. Special speaker was Louise George. There were 40 in attendance.

- Talent Friends Church, Oregon, for the Southern Oregon area churches. Special speakers were Dan Cammack, of EFM, and Elizabeth Todd. There were 32 in attendance.

- City's Edge Friends Church in Portland for the Portland, SW Washington, Newberg and Salem area churches. Special speakers were women from City's Edge. There were 72 ladies in attendance.

We look forward with enthusiasm to the future as we have good things planned for the 2019-20 year for Friends Women.

Blessings, Donna Painter (Rose Valley)
NWYM Friends Women President
