David Rawson Notes: Rwandan VP Kagame Meets With NSA Lake

David Rawson

Notes 3/24/05

28 December 94 ~~Key~~ State 241035 Rwandan VP Kagame
Meets with NSA Lake (Dec. 13)

9. Kagame ^{said} ~~the~~ RUCOR wants the refugees to return and will cooperate with such efforts but something must ~~be~~ be done in the camps. Some kind of force must be used... there are criminals holding refugees hostage. Treating them with kid gloves will only make the problem worse.

27 APR 94 State 111394 Rwandan Ambassador says Killing Continuing;
Foreign Minister Plans to Come to US

5. Am &

4. U. - population will continue killing as long as RPF prolongs the war and that the population is spontaneously killing in order to defend itself from the RPF.

5. Ambassador Rumsfeld strongly disagreed with Uwimana's claim that killing was spontaneous and could not be stopped. He emphasized to Uwimana that the population is being ordered to kill by high-level officials in Rwanda and that these same high-level officials must immediately order the people to stop the killing.

13 Jan 94 State 11907 Uwimana sees RPF Manufacturing Behind Impasse

Amisha accords are based on a division of power which does not reflect the social & political realities of Rwanda. Accord under on competing interests. Blamed RPF opposition trying to obtain 2/3 majority in TNA in order to oust Haby. Through use of Art. 11 of peace protocol. - TNA indictment 2/3 - Court to decide if ~~provision~~ President should resign
