Mr. George Sokolsky,
300 West End Avenue,
New York 23, N.Y.

Dear Mr. Sokolsky:--

Through a friend of mine, C. Walter Borton of Moorestown, New Jersey, I have had the opportunity of reading your column, "Nation Rights Wrong Done to Hoover" in the Philadelphia Inquirer of May 3. Permit me to express my deep personal appreciation of this article, and my gratitude to you for writing it and to the Inquirer for publishing it. It is so clear and fair and forceful in its presentation that it ought to have a very wide circulation.

I am sending a copy of it to the Portland Oregonian, with a suggestion that they use it, with proper credit to you and the Inquirer. I know that there are many admirers of Herbert Hoover who would rejoice to have the chance to read it. The Oregonian has spoken with good effect on this same subject, but I should appreciate it greatly if they would give wider publicity to your article, the best that I have yet read on the subject.

Again assuring you of my appreciation, in which I know that very many will join who will never let you know, I am

Sincerely yours,

Levi T. Pennington,
President Pacific College, 1911-41,
Now President Emeritus.

(Herbert Hoover was one of the first group of students in Friends Pacific Academy, out of which Pacific College grew, and is a member of the local Friends (Quaker) church.)
