Dear Friend:--

On behalf of the American Friends Service Committee, of which Sammett W. Gulley is executive secretary of the Oregon branch, of the local service committee, of which my wife is chairman, and of the Friends Church, of which Carl D. Byrd is pastor, I am extending to you and your people a very cordial invitation to hear John Hollister, who will speak at the Friends Church at 8:00 o'clock Thursday evening, November 13, on conditions in Europe, and especially in Germany.

Mr. Hollister has been teacher, newspaper man, world traveler and public lecturer, and for the past two years has been one of the executives of the American Friends Service Committee, in charge of German relief. He has just returned from two months spent in a 2,000 mile jeep trip through all four of the zones of Germany and in Berlin, and has had an exceptional opportunity to learn at first hand the actual conditions in that unfortunate country.

Admission is free to this meeting, and all who are interested in conditions across the sea are urged to be present. If you will announce this to your people, we shall greatly appreciate it; if you can be present with a goodly number of your people we shall be all the more gratified.

Sincerely your friend,

Levi T. Pennington.
