Dr. Gervas A. Carey, Prest.,  
Pacific College,  
Newberg, Oregon.

Dear Friend:--

The "Pacific College Call" has just arrived, and has been read with interest.

I was surprised at one statement, the recommendation of the Executive Committee that all boards and meetings "assist in the liquidation of the debt of Pacific College of approximately \$27,000.00." That sounds to me as if that meant that that was the total college indebtedness. Is that true? I should have guessed that there was much more than that owing to members of the faculty, past and present.

Not for purposes of publicity but because I am interested in the actual situation, would you be willing for me to know what is the approximate total indebtedness of the college?

Sincerely your friend,

Levi T. Pennington.
