"HER BRIGHT SMILE HAUNTS ME STILL."

Years have past since last we met,

And we may not meet again.

I have struggled to forget

But my struggles all are vain.

For her voice lives on the breeze

And her spirit comes at will.

In the midnight of the seas

Her bright smile haunts me still.

I have sailed the raging main

I have crossed the ocean foam

When I close my weary eyes

Sweet dreams my senses fill

And from sleep when I arise

Her bright smile haunts me still.
