M. James Sawyer has a PhD from Dallas Theological Seminary. He has taught theology, church history and historical theology for nearly thirty years. He currently serves as Professor of Theology at Pacific Islands Evangelical Seminary, Guam and as Director of “Sacred Saga” ministries (SacredSaga.org). In *Resurrecting the Trinity* he writes about the most profound theological truth in a style that challenges those who have spent a lifetime studying God, and yet is readable and edifying to students at a variety of levels. Sawyer’s book is both theological and devotional. It could be used as a supplemental text in a course on Theology Proper, but is perhaps best suited for someone who has already studied theology and is looking to deepen their understanding of God. *Resurrecting the Trinity* shares this personal, deeper discovery of an ancient truth with the reader.

Some of the beneficial, challenging emphases of the book include:

- A survey of the ways that the Triune God is often misunderstood.
- A reminder that Jesus is the ultimate revelation of God.
- “[I]t is the interrelation of the divine persons of the Trinity that makes God the being that God is.”

The book will serve as a challenge to over-secure categories and will give the reader a greater appreciation for the Triune God. Sawyer’s book provides a good introduction to the ongoing discussion of the Trinity.
