Postlude

I'm sure that readers of *Quaker Religious Thought* will join me in this expression of appreciation for the fine contribution of Dean Freiday as Editor of *QRT* over the past decade. Although he began as a Co-Editor with T. Vail Palmer, and gave over two *QRT* issues to guest editors (#49 on Marriage and Family, and #65 on the contributions of Lewis Benson) his overall output has been remarkable in both quantity and quality. He has significantly broadened the scope of the *QRT* catalog with his issues on liberation theology and on Martin Luther King, Jr. He also fielded and edited papers from QTDG summer conferences in a manner that respected their original provenance as conference papers, while still working them into a form appropriate to a theological journal.

As Arthur Roberts and Paul Anderson take over as Editors in what we expect to be another exciting chapter of *QRT*'s development, I want to express our deep appreciation for all of Dean's tireless efforts, and our thanksgiving for God's empowering him in this important ministry of renewal among Friends.
