## . PREFACE

We the students  
send you this book-  
let to provide a little  
picture of the Quaker  
campus. It cannot give you  
the whole picture, but we  
hope that it will give you some  
suggestions about how we live  
and work.

It mostly contains hints and sugges-  
tions in order to make you feel more at  
home from the first step on the campus. In  
some ways it sets a few standards both for  
conduct and dress. We ask you to plan your  
school clothes and activities in the light of these  
helpful suggestions.

Best wishes as you plan one of life's great experiences  
-going to college!

Welcome Students!

If the environment means anything at all, your next months should contribute greatly to the value of your future. The youth of Oregon have the finest opportunities granted them in furthering their education. In coming and staying on at George Fox College, you are electing a school replete with noble traditions of sixty-five years standing, where "molding futures is a sacred trust," and where many of your dreams will come true.

But these realizations do not come willy-nilly! The growth in mind and heart, the widened horizons, the satisfactions of discipline, the appreciation of the wonderful and beautiful—all these and more—come as you make them possible to yourself, it is my hope and prayer, and that of the entire faculty and staff, that we may be able to stimulate you to the highest endeavor and that your years at GFC may be the best you have yet known.

And, as I wrote in last year's handbook: "Let it be known that the green carpet in the President's office is worn the better by those who freely come at any time!"

With best regards,

MILO C. ROSS  
President

## Welcome Students!

You have just fulfilled one of the greatest decisions of your life by coming to G.F.C. It is here at a Christian college that you will be able to develop yourself spiritually as well as academically. I want to congratulate you on your decision.

These next years will be the greatest of your life. You will be forming lasting friendships, the knowledge you receive will help you to be a better Christian person. The best way to make college days happier is to study hard and enter into all the college activities that you can.

The Student Council always appreciates constructive suggestions. This is your school, run and governed by your choices, so feel free to add your part wherever, and whenever it would be helpful.

May the Lord bless you and make this one of the greatest years of your life!

—FRED NEWKIRK  
ASB President

## Welcome Students!

We sincerely welcome you to George Fox College. May the Lord bless each of you who are new students and refresh those of you who are returning for further preparation.

We would personally encourage each of you to join in the activities of your college. We sincerely believe the most vital and valuable participation you can enjoy are the activities conducive to spiritual progress.

We entreat you to attend chapel sincerely, to attend prayer meeting regularly and enjoy real Christian fellowship where Christ is glorified.

This year will truly be a successful year only if we each one personally experience the fulfillment of II Peter 3:18 in our life.

II Peter 3:18—"But grow in grace and in the knowledge of our Lord and Saviour Jesus Christ."

Yours in Christ,  
DARWIN GRIM  
President of SCU

## information for arrival . . .

All women students who will not be living at home must clear their living arrangements with the Dean of Women (during office hours at the Treasurer's office, during evenings at Dining Hall apartment). When you arrive, you should report immediately to the Dean of Women for your assignment. This applies equally to those who will live outside Kanyon Hall.

Men students will receive their room assignments from the Dean of Men, Edwards Hall. This applies both to those who will be living in Edwards Hall and to those who will be assigned elsewhere.

After reporting to the respective Deans, you may consult with any school officials you wish if you have some questions to be answered. Do not accept 'rumor' in place of information. If in doubt, go to one of the administrative officials and ask! The president, the dean, the registrar, the treasurer, or any other staff member will welcome the opportunity to help you. You are not bothering them when you call at one of their offices—their business is serving YOU.

## regi-strain . . .

### How to Register

Freshmen will be taken to the library on Thursday of the orientation period to register. After completing your booklets there and getting faculty signatures you will proceed to the Treasurer's office in Wood-Mar Hall to complete financial arrangements. Sophomores, Juniors and Seniors will follow the same procedure on Friday.

### How to Change Registration

A change in registration requires that you: begin with the Registrar, secure the Dean's approval, the teachers involved in the change, and the Treasurer. By the time you have seen all of these people you will wish you had not thought of changing your program!

### How to Withdraw from Courses

If you wish to withdraw from a course for which you are registered secure a change of program sheet from the Registrar, fill it out and secure the signatures of the Dean and the instructors involved, and then return this form thus filled out to the Registrar. Students can not withdraw from a course from which they are receiving less than a passing grade. To do so is to receive an 'F' in the course.

### How Many Hours to Take

Lower division students who are taking PE can register for 17 hours, but other than these take it easy, make good grades with 16 hours rather than trying to take the entire schedule.

### How to Petition for Extra Hours

First semester Freshmen are not permitted to take more than 17 hours including PE. All other students who wish to take extra hours may petition the faculty to do so if they have a grade point average of 'B' or above. Petition blanks for this purpose are obtainable in the Registrar's office.

### Grading System

Students are issued grades periodically during each term. These are given in order for you to know how well you are doing in your courses. Here is a word about the grades given and what they mean:

"A" grade represents the completion of all assigned work. The student's initiative has been pronounced and additional work, as reading, reports, or investigation, has been accomplished. Active interest has continued throughout the course. Attendance has been excellent. Class participation has been spontaneous and stimulating to other members of the class.

"B" grade represents the completion of all assigned work. Initiative has been shown in much classwork. Interest has been enthusiastic and demonstrated by prompt attendance. Class participation has been active and stimulating.

"C" grade represents the completion of all classwork. Initiative has been excellent at times. Interest and class participation have manifested a sincere desire for a thorough understanding of the course.

"D" grade represents the completion of most classwork. A comprehensive knowledge of the course has been attained, some areas need further study. Interest and attendance have been good throughout the course.

"F" grade represents the inadequate understanding and lack of preparation in some areas of the course work.

### The Meaning of Course Numbers and Semester Hours

A semester hour is the same as one unit of credit, which is a 50-minute class session once each week for 18 weeks. Except for certain science and lab-

oratory courses a 2-hour course means it meets twice each week, a 3 hour course three times each week, etc

Courses are numbered in four series—100's, 200's, 300's and 400's. The 100 series are designated primarily for Freshmen, the 200 series for Sophomores, the 300's for Juniors, and the 400's for Seniors. Now there is another confusing element which enters into course numbering which is that the 100 and 200 series are lower division and the 300 and 400 series upper division. Any lower division student will be apt to take courses from both the 100 and 200 series, but he is not permitted to take the 300 or 400 series courses except for an occasional program such as elementary education. Juniors and Seniors, or upper division, should not be taking courses in the 100 and 200 series.

#### **Class Attendance**

The responsibility rests with the student to maintain good standards involving satisfactory scholarship. Regular class attendance is expected of each student in all courses. Classes are conducted in such a manner that regular attendance is necessary if one is to maintain scholastic achievement. Freshmen and sophomores will be restricted as to the number of absences permitted in each class.

Permission for absence from class for participation in extra-curricular college activities must be granted by the Dean. Such permission must be requested not later than one week in advance of the anticipated absence.

Work lost because of absence may be made up only in the case of prolonged or confining illness, death of close relatives, or other similar emergency.

Excessive absence from a class may result in a student receiving an "F" for the course.

#### **Entrance Tests**

A series of entrance tests is given to Freshmen and incoming transfer students. These tests are used to aid the counselors in knowing more about you so that they can serve you better. For example, the English Placement Test is used to determine if you need special help for college writing. The Vocational Inventory will be a means of helping you choose your vocation. Results from the Psychological Examination will be used to aid you in meeting college life more effectively.

#### **Lost and Found**

Lost and found is handled in the general office. One of our great traditions is the honor of respecting the possessions of others.

#### **Mail Call**

Student mail is picked up in the alphabetical listed boxes in the foyer of the dining hall. The mail usually is distributed by 11:00 a.m. Please do not go to the office for your mail; those who work there have enough to do without telling you a dozen times that the mail still is not in.

**Chapel**

Chapel services are held each Monday, Tuesday, Wednesday, and Friday. Attendance is required and students must sit by seat assignment according to class. Student organizations will have charge of Tuesday chapels, in cooperation with the Chapel committee. Each Thursday during the chapel period campus organizations may meet.

## we eat . . .

Meal time is:

Breakfast .....	7:00 a.m.
Lunch—Cafeteria .....	11:30-12:45
Dinner .....	6:00 p.m.

Form the ON TIME habit, for tardiness is not permitted except for emergencies. If it is necessary to be excused early from a meal, please make advance arrangements with the hostess.

### Dining Hall Dress

Wednesday evenings and Sunday noons are designated as Guest Meals at which you are expected to dress according to the clothing charts for these occasions. Men must wear coats or suitable sports shirts or shirt and sweaters to all evening meals, except Saturdays. T-shirts and bandanas are not permitted at meals. Girls may wear slacks or jeans to meals only on Saturdays, and then not when guests are expected.

## at home away from home . . .

Certain living standards are expected of you at school just as they are at home, except the college family is larger. Here you must look after yourself, and these living standards will help you know what others expect of you. It is one way of being aware of other person's rights, and not violating them.

Whether you are in a dormitory or in a private home, you must observe proper hours, cleanliness, regard the rights of house owners, dorm supervisors, and room-mates. This is the only way for you to be happy and for those around you to be happy too.

A few suggestions will help to show how we live. If you get sick—be sure to send word to the student health officer. She is an R.N. and is competent to give advice. Be sure first that your dormitory head is informed if you do not feel well. This is a must!

What time should you be in your room?

Week nights .....	10:00
Friday and Saturday nights .....	12:00
Sunday night .....	11:00

Men students are welcome in the ladies' parlors between 4:00 and 7:00 p.m. on school days, and afternoon and evenings on weekends.

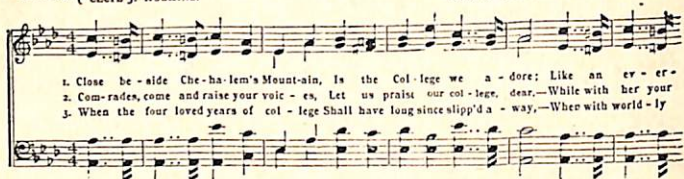

Dormitories should be quiet after 7:00 p.m. until 8:00 a.m. Monday through Thursday nights.

The hours from 7:00 until 9:00 p.m. Monday through Thursday are reserved for study. No meetings should be scheduled during this time without express permission from the Dean, with the exception of Wednesday night student prayer meeting.

### Attention Men!

Men should not wear T-shirts as substitutes for shirts on the campus and down town. Levis are permissible for work, Saturdays, and outings, not for classes, dining hall, down town, or when visiting the ladies' parlors. Corduroy coats are not to be worn as semi-formal wear. Suits and sport outfits should always be neatly pressed, and shoes should sparkle with a bright shine at all times.

### ... and for the Ladies!

Dresses or skirts and blouses or sweaters constitute acceptable attire for most college occasions. Slacks or peddle-pushers are not to be worn downtown or for general campus wear, but should be reserved for appropriate occasions. For formal affairs shoulderless or otherwise unapropriate evening attire is not to be worn. You will find your housemother or the Dean of Women will be glad to give sensible advice regarding the propriety of your attire.

## curriculum . . .

### Academic Standing

Sophomore class standing is achieved with a credit hour rating of 30. Junior class standing is achieved with a credit hour rating of 62, provided the grade point average is 1.90. Senior class standing is achieved with a credit hour rating of 94. A grade point average of 2.00 is necessary to attain graduate standing.

### Provision Status

Applicants for admission to the freshman class whose grade point average for their high school work is less than a "C" or its equivalent will be admitted with provisional standing and encouraged to demonstrate their ability to do collegiate work. The provisional status will be granted for one semester, during which time a student will demonstrate whether he is capable of remaining here. At the end of the semester, the cumulative GPA must be raised to the minimum requirement, or the student must show sufficient progress that his counsellor and the Academic Standing Committee will be justified in granting an extension of the provisional period. If the grade point average for the first semester falls below 1.75 the case will be reviewed by the committee on advanced standing and graduation with recommendations to the faculty for continued provisional status or other appropriate action.

### Co-Curriculum

We like to think of the activities which are carried on in addition to academic studies as being a vital part of

our curriculum. Thus an eligibility system has been devised whereby students count it an honor to participate in the various "extra" phases of college life. Freshmen and sophomores who maintain a grade point average of 1.75, and juniors and seniors who maintain a grade point average of 2.00 are those who are privileged to take part in co-curriculum functions.

At the termination of each grading period grade point averages are figured, and one's eligibility is determined on the basis of these averages. A student who fails to maintain a satisfactory grade point has the privilege of reinstatement after a qualifying period.

Most of the school activities should be placed on the calendar within the opening two or three weeks of the first semester. Remember this, no extra-class activity is held without properly scheduling it. Here is how you do it. The official calendar of events is in the Dean's office. First, go there to discuss your proposed date with him. Your second step is to fill out, in duplicate, an extra-curricular slip for reserving a calendar date which you obtain from the general office. Third, have this request slip signed by the chairman of the faculty extra-curricular activities committee, then return it to the Dean's office. When he signs it—your date is clear, but not until!

### **Automobiles**

The operation of a car by a college student should be a carefully guarded privilege. Therefore freshmen are not to bring cars to college unless they secure written permission from the Administration of the college. This permission

can only be granted to those who will suffer extreme hardship without having a car on the campus.

Every student enrolled in the college must comply with the following if he wishes to operate a car:

- a. A valid driver's license is required.
- b. An adequate insurance, preferably 20/40 and 5000 property damage, must be in force.
- c. The car must be in acceptable running condition.
- d. payment of an operating permit.

Upon proof of these conditions being acceptable each student will be issued a permit and sticker for his car.

Cars will be operated on the campus during school hours—8:00 a.m.-7:00 p.m.—by seniors, faculty and visitors, and by sophomores and juniors only when operated in an authorized college activity.

No extensive repair work shall be done on cars without permission from proper college authorities.

Students who find it impossible to abide by these regulations will suffer the payment of a fine.

The constitutions of all student organizations are filed in the Dean's office and can be secured by any student for reference.

No student organization can be formed without permission of the student council and the faculty.

## counseling and guidance . . .

Mrs. Joan Beltz, Dr. Arthur Roberts, Dean Kenneth Williams comprise the committee in charge of counseling and guidance, with Mrs. Marie Tieleman as consultant. Arrangements will be made for each student to have opportunity for discussing test results or any other matters with the members of the guidance committee.

All students are assigned a faculty adviser at the beginning of the school year. These staff members are

charged with the special responsibility of helping to make your college years easier. Be sure to get acquainted with your adviser and let him help you. For academic information regarding your major, feel free to talk to the Dean and the department head in which you propose to major.

#### **Health Service**

The college maintains a full-time health officer who is a registered nurse. She is Mrs. Alice Ross. In the event of illness you are required to report to her at the gymnasium. This is a requirement which must be observed. Physical examinations for all entering students are arranged for by her.

#### **Employment Service**

The college does not maintain a formal employment office, but calls for work are taken at the general office so that if you wish work be sure to register there and indicate the type of work you wish. Also make known your desire to the business manager and the president, who will handle a great many local calls for student employment.

## **traditions . . .**

A college becomes known for the body of traditions that give it a distinct personality. These traditions are a part of the college life; live up to them and enjoy a fuller college life.

6. Seniors are permitted a "Sneak" day under the guidance of their adviser.
7. Seniors are to care for the rose garden.

**Homecoming** is observed on Saturday, November 3. It is a special day for welcoming home grads and friends of the college. Special 'classes' are held in the morning, a football game in the afternoon, a banquet in the evening followed by a dramatic presentation.

**Valentine's Day** is remembered by a formal party in the dining hall climaxed by the crowning of the King and Queen of Hearts.

**May Day** is one of the great traditions of the campus.
