**SIMPLIFIED FOOTBALL SCORING**

**Revised Edition 1951**

# Sherar Football Scoring System

**DEvised IN 1941** and officially adopted statewide by the WASHINGTON STATE HIGH SCHOOL ATHLETIC ASSOCIATION.

**COMMENDED by H. V. PORTER**, Executive Secretary of the NATIONAL FEDERATION OF HIGH SCHOOL ATHLETIC ASSOCIATIONS, who wrote: "This book should fill a long-felt need. Conferences and the National Committee should be able to secure much valuable data from its use. It deserves serious consideration by coaches."

**PRAISED IN LETTERS** received from such nationally famous coaches as: Flaherty, Kerr, Dawson, Hollingberry, Stiner, Elward, Stevens, Anderson, Higgins, Larson, Crisler, Neyland, Morrison, Phelan, McKeen, Pecarovich, Matthews, Dorais, McMillan and Warner. Many of these contributed ideas for improvements.

**ADOPTED by:** WASHINGTON STATE JUNIOR COLLEGE CONFERENCE

Everett, Grays Harbor, Olympic, Wenatchee, Yakima, Lower Columbia, Columbia Basin.

**NORTHWEST INTERCOLLEGIATE CONFERENCE**

Whitman, Pacific University, Linfield, College of Idaho, Lewis and Clark, Willamette College of Idaho.

**EVERGREEN INTERCOLLEGIATE CONFERENCE**

Eastern Washington, University of Puget Sound, University of British Columbia, Central Washington, Whitworth, Pacific Lutheran University, Western Washington.

**DISTRIBUTED NATIONALLY by:** RAWLINGS SPORTING GOODS STORES, Independent Dealers or available direct from Publisher.

# INSTRUCTIONS:

## GENERAL

A scorer should account for all the yards each team gains (or loses) through its own positive efforts as a result of being in possession of the ball. This includes rushing, passing, punting, punt returns, kickoffs, kickoff returns, intercepted pass returns, passes thrown but intercepted by opponents, and yards gained (or lost) as a result of field goal attempts. Penalty yardage is assessed as a loss against the team which is penalized.

Every change in position of the ball on the field shall be accounted for and credited to the team in possession, or charged against the team incurring a penalty.

Yards gained (or lost) shall be credited to the individual player who was last in possession of the ball when play ended or team possession changed.

## RUSHING YARDAGE

All plays starting with a snap from center are SCRIMMAGE PLAYS regardless of kick, run, or pass. RUSHING PLAYS are those which result in the offensive team attempting to advance the ball beyond the line of scrimmage by running. RUSHING YARDAGE is measured from the yard-line where the ball was put in play by a snap to the yard-line where it next becomes dead or possession changes. Credit the offensive player, who last had possession of the ball when a rushing play ends, with the yards gained (or lost) during the play, even though team possession may have changed.

EXAMPLES: Team A's ball on the 50-yard line.

- (a) Player A-1 receives the snap and advances the ball across the line to B's 42-yard line where he is tackled and the play ends.  
RULING: Credit A-1 with an 8-yard gain by "rushing."

- (b) A-1 receives the snap and laterals to A-2 who advances the ball across the line to B's 42-yard line where the play ends.  
RULING: Credit A-2 with an 8-yard gain by "rushing."

- (c) Same as (b), but A-2 fumbles and B-1 recovers on B's 42-yard line.  
RULING: Credit A-2 with an 8-yard gain by "rushing" though possession changed.

- (d) Same as (b), but A-2 fumbles on B's 42-yard line and the ball rolls to B's 32-yard line where B-1 recovers it.  
RULING: Credit A-2 with a "first down" and 18 yards gained by rushing. A was the last offensive player in possession when the play ended.

- (e) Same as (d) but A-3 recovers A-2's fumble on B's 32-yard line.  
RULING: Credit A-3 with a "first down" and 18 yards gained by "rushing" since he was the last offensive player in possession.

- (f) Player A-1 receives the snap, advances the ball across the scrimmage line. On B's 40-yard line he laterals to A-2, who advances 5 yards and laterals to A-3, who carries the ball 10 more yards before play ends for a total of 25 yards gained.  
RULING: Credit A-3 with a "first down" and a 25-yard gain by "rushing."

- (g) Player A-1 receives the snap and fades back, an obvious forward pass play. Before he can get the pass away, he is tackled on his own 35-yard line—a 15-yard loss.

RULING: Charge A-1 with a 15-yard loss by "rushing." The option to run is always retained until the pass is actually away.

- (h) Player A-1 is back to punt. He receives the snap, fumbles the ball, picks it up, but is tackled and play ends on his own 35-yard line before he can get the punt away.  
RULING: Charge A-1 with a 15-yard loss by "rushing." No actual punt was effected.

- (i) Players A-1 and A-2 line up evenly, five yards back of center A-5, who snaps the ball which passes between A-1 and A-2 and rolls back to A's 35-yard line where

(1) B-1 recovers: RULING: Charge center A-5 with a 15-yard loss from "rushing." He last possessed the ball.

(2) A-1 recovers: RULING: Charge A-1 with a 15-yard loss from "rushing."

- (j) Player A-1 receives the snap and advances the ball on a 40-yard run to A's 10-yard line where the play ends. A-2 commits a penalty infraction on the 20-yard line, the point of inflicting the penalty. The ball finally ends in team A's possession on A's 35-yard line, netting a 15-yard gain for team A after the penalty.

RULING: Credit A-1 with a 30-yard gain by "rushing," the number of yards he legitimately gained to the point of infraction. The 15-yard penalty, charged against team A, is minus yards against the team and not player A-1.

## PASSING YARDAGE

The length of a pass is always measured from the yard-line where the ball was put in play by a snap to the point the ball was caught, or to the goal line in case of passes caught in the end zone. Total yards gained on a forward pass includes "length of the pass" and the "running advance" (or loss).

Charge all yardage awarded for pass interference as "penalty yardage" against the offending team. Do not credit the passing team with "yards gained by passing" or credit the passer with a "pass attempt" or "completion" when the pass interference is inflicted.

EXAMPLES: Team A's ball on the 50-yard line.

- (a) Player A-1 receives snap, fades back to A's 35-yard line where he throws a pass 30 yards to A-2, completed on B's 35-yard line where play ends.

RULING: Credit A-1 with a 15-yard pass, the yardage his team gained as a result. Credit A-2 with having received a 15-yard pass.

- (b) Player A-1 receives snap, fades back to A's 35-yard line, throws a pass 10 yards to A-2, completed on A's 45-yard line (5 yards behind line of scrimmage), where play ends.

RULING: Credit A-1 with completed pass for a "minus 5 yards." Credit A-2 with having received a "minus 5-yard pass."

- (c) Player A-1 receives snap, throws a pass complete to A-2 on B's 35-yard line. A-2 advances 5 yards and laterals to A-3 who advances 10 more yards to B's 20-yard line, where play ends.

RULING: Credit A-1 with completing a 15-yard pass. Credit A-2 with having caught a pass. Credit A-3 with having gained 30 yards as result of the play. A-3 being last in possession when play ended.

## PUNTING YARDAGE

Measure the distance of a punt from the yard-line where the ball was put in play by a snap to the point of the maximum gain for the punting team (ball downed, goes out of bounds, is caught for a return run, is muffed by opponent, or goes for a touchback.)

EXAMPLE: Team A has the ball on the 50-yard line.

- (a) Player K-1 punts over the goal line for a touchback.

RULING: Credit K-1 with a 30-yard punt, the maximum yards he gained for his team, since the touchback gives the ball to the opponents on the 20-yard line.

- (b) Player K-1's attempted punt is blocked on team K's 40-yard line, the ball rolls back to K's 30-yard line where K-2 or R-1 recover.

RULING: Credit K-1 with a "minus 20 yards" on an "attempted punt," the number of yards lost to team K as a result of the punt.

- (c) Player K-1 punts, the ball sailing to R's 15-yard line where R-1 muffs the kick, obviously interfering with the impetus of the ball and the ball rolls to R's 2-yard line where K-2 or R-2 recovers.

RULING: Credit K-1 with 35-yard kick to point of muff. Credit R-1 with a minus 10 yards punt return regardless of whether K-2 or R-2 recover. Charge R-1 with a fumble and the recovering team with a fumble recovery.

- (d) K-1 punts and R-1 touches the ball on his 20-yard line, the touch obviously not interfering with the original impetus of the ball. The ball rolls to the 10-yard line where the play ends.

RULING: Credit K-1 with the full distance of the kick, 40 yards, charge R-1 with the fumble.

## PUNT RETURNS

Credit a team with a "punt return" only for those punts actually attempted to be returned. Kicks going out of bounds, resulting in touchbacks, or being downed by the kicking team are examples of punts not figured in "punt returns" by the receiving team. "Punt returns" are figured from the point of first touching, providing there is a definite interference with the original impetus by the receivers, to the yard-line where the ball becomes dead or possession changes.

EXAMPLES: Kicking team punts from 50-yard line.

- (a) R-1 receives the ball on his 10-yard line, advances to the 20-yard line where he laterals or hands-off to R-2 who advances to the 30-yard line where he is tackled and play ends.

RULING: Credit R-2 with a 20-yard kick return. The last man in possession who successfully completed the play.

## KICKOFF and KICKOFF RETURNS

In general, the rules for punts and punt returns apply.
