STUDENT HANDBOOK
1958

WELCOME STUDENTS!

It is my distinct pleasure to welcome you, both returning students and new ones, to the halls and campus of George Fox College. You will be happy to know that the observation made to me more than any other, and one which gives me a real sense of satisfaction to relay to you, is "The school is better every year!" One of the reasons for this realization is the increasing importance of this Handbook, representing as it does the combined judgment and unity of the administration, faculty and student body. Get acquainted with it. Memorize its important features. Use it throughout the year. Its standards and traditions reflect the life of Christian youth which it is your honor to maintain.

More than anything else, the Handbook sets a norm for social life. You will find, as you live at GFC, that there is beauty and fun in active participation in the roster of activities.

With best regards,

Wm. C. Rose

WELCOME STUDENTS!

You have probably been looking forward to college for some time and have already pictured in your mind what it will be like.

I hope that you are expecting to put a lot into your work at George Fox because you will get out of it just what you put into it.

As one of the students here I want to welcome you and wish you every success for your years at George Fox.

Let's work together to make this a great year both academically and spiritually.

PAUL MORSE
ASGFC President

PREFACE . . .

Best wishes to you as you plan one of life's greatest experiences—going to college!

First Things . . .

George Fox College is a Christian college which has maintained through the years highest standards of Christian principles of living. You are encouraged to be consistent in maintaining these principles. Start your year right by establishing a time for daily Bible reading and prayer, for you will need the help and inspiration of this time if you are to measure up to the standards of Christ while at college.

An excellent college age Sunday School class and evening Christian Endeavor service are provided for you at our college church. The pastor of the Newberg Friends Church is our college pastor. He is most willing to counsel with you concerning your spiritual needs and be your pastor away from home. You will find a warm, spiritual atmosphere in the Sunday church services. The informal evening church hour is given to testimonies, live gospel singing, and evangelistic preaching. You will find opportunity for real Christian service in the work of the Sunday School, Christian Endeavor, Boys and Girls Clubs, or by joining our college church choir. Avail yourself of the privilege of being a faithful worshipper in both morning and evening services.

Students who are not members of the Friends denomination are cordially invited to worship at the college church. If they prefer to worship in churches of their own denomination, they will find a warm welcome and concern for their spiritual welfare from their own church.

In line with our emphasis on highest planes of Christian living, attendance at programs inconsistent with Christian principles is seriously discouraged. The college endeavors to furnish activities which provide for the social development of the students.

Opportunity is provided for participation in the finest cultural programs in the Portland area. Attendance at theater programs which are not consistent with Christian principles is not approved. Social dancing, card playing, the use of alcoholic beverages or tobacco are just not permitted or missed by students attending George Fox.

One of the mid-week highlights on our campus is the Student Prayer Meeting which is held each Wednesday evening. Don't miss it!

Information for Arrival . . .

ALL students who will not be living at home must clear with the Administration for living arrangements. Girls upon arrival shall report immediately to the Dean of Women at Canyon Hall for assignments of living accommodations. Boys shall report to the Dean of Men at Edwards Hall for assignments. Any students desiring to live off campus must make such arrangements through the office of the President or Dean of the College. All Freshmen are expected to room in the dormitories.

Get The Facts . . .

At any time if you have questions to be answered do not accept rumor in place of facts. If in doubt, go to one of the administrative officials and ask! The president, dean, registrar, bursar, or any other faculty or staff member will welcome the opportunity to help you. They know the answers, or can direct you to the one who does know. You are not bothering them when you call at one of their offices; their business is *serving you*.

Regi-Strain . . .

Entrance Tests

A series of entrance tests is given to freshmen and incoming transfer students. These tests are used to aid the counselors in knowing more about you so that they can serve you better. For example, the English Placement Test is used to determine what English composition course will be best suited to your needs. The Vocational Inventory will be a means of helping you choose your vocation. Results from the Psychological Ex-

amination will be used to aid you in meeting college life more effectively.

How to Registrar

Freshmen will register in the library on Saturday, September 20. After completing your booklets there and getting faculty signatures you will proceed to the Bursar's office in Wood-Mar Hall to complete financial arrangements. Sophomores, juniors and seniors will follow the same procedure on Monday, September 22.

How to Change Registration

A change in registration requires that you begin with the Dean, secure the approval of the teachers involved in the change, and the Bursar. By the time you have seen all of these people you will wish you had not thought of changing your program!

How to Withdraw from Courses

If you wish to withdraw from a course for which you are registered secure a change of program sheet from the Dean, fill it out and secure the signatures of the instructors involved, then return this form thus filled out to the Dean. Students can not withdraw from a course from which they are receiving less than a passing grade. To do so is to receive "F" in the course.

How Many Hours to Take

Lower division students who are taking PE can register for 17 hours, but other than these take it easy, make good grades with 16 hours rather than try to take the entire schedule.

How to Petition for Extra Hours

First semester freshmen are not permitted to take more than 17 hours including PE. All other students who wish to take extra hours may petition the faculty to do so if they have a grade point average of 'B' or above. Petition blanks for this purpose are obtainable in the Dean's office.

The Meaning of Course Number and Semester Hours

A semester hour is the same as one unit of credit, which is a

50-minute class session once each week for 18 weeks. Except for certain science and laboratory courses a 2-hour course means it meets twice each week, a 3-hour course three times each week, etc.

Courses are numbered in four series—100's, 200's, 300's, and 400's. The 100 series is designated primarily for freshmen, the 200 series for sophomores, the 300's for juniors, and the 400's for seniors. Now there is another confusing element which enters into course numbering which is that the 100 and 200 series are lower division and the 300 and 400 series upper division. Any lower division student will be apt to take courses from both the 100 and 200 series, but he is not permitted to take the 300 or 400 series courses. Juniors and seniors, or upper division, should not be taking courses in the 100 and 200 series.

Grading System

You are issued grades each nine weeks during each semester. These are given in order for you to know how well you are doing in your courses. Here is a word about the grades given and what they mean:

"A" grade represents the completion of all assigned work, the student's initiative has been pronounced and additional work, as reading, reports, or investigation, has been accomplished. Active interest has continued throughout the course. Attendance has been excellent. Class participation has been spontaneous and stimulating to other members of the class.

"B" grade represents the completion of all assigned work. Initiative has been shown in much classwork. Interest has been enthusiastic and demonstrated by prompt attendance. Class participation has been active and stimulating.

"C" grade represents the completion of all classwork. Initiative has been excellent at times. Interest and class participation have manifested a sincere desire for a thorough understanding of the course.

"D" grade represents the completion of most classwork. A comprehensive knowledge of the course has been attained, some areas need further study. Interest and attendance have been good throughout the course.

"F" grade represents the inadequate understanding and lack of preparation in some areas of the course work.

Class Attendance . . .

The responsibility rests with the student to maintain good standards involving satisfactory scholarship. Regular class attendance is expected of each student in all courses. Classes are conducted in such a manner that regular attendance is necessary if one is to maintain scholastic achievement. Students should be prepared and present for daily participation in class discussion and quizzes, and well prepared for all exams. All projects should be completed according to deadlines for satisfactory class attendance.

Permission to be absent from class for participation in co-curricular activities must be granted by the Dean. In order to secure this permission get from the Dean's office an **ADVANCED ASSIGNMENT SLIP**. He will record the dates you are to be absent from the class with the reason for the absence. Then you record the classes you will be missing and get the *assignment* for each of those classes from the respective professors. *When the work is complete* the professor will sign your Advanced Assignment Slip. After securing the signature of each professor involved, signifying that all of your work is made up in advance, return the slip to the Dean's office. Such permission must be requested *one week* in advance of the anticipated activity and returned to the Dean's office completed *one full day* prior to departure for the co-curricular event.

Work lost because of any other absences may be made up only in the case of prolonged or confining illness, death of close relatives, or other similar emergency.

Excused Absence Procedure

In those rare instances in which you may be too ill to attend class, notify your head resident when you are first aware of illness. He or she will be able to help you make the decision as to your most healthful procedure in case of illness. Whatever happens, see the school nurse who is on campus at prescribed hours each day. If you are too ill to go to the dispensary, she will call on you in your room. When you have sufficiently

recovered from a severe illness to return to classes be sure to get an excused absence slip signed by the nurse. She is the only one except the Dean who can excuse from a class so that you will have the privilege of making up lost work. Excused absences should be presented to your professors immediately upon your return to their classes.

Late Exam Fee

A late exam fee of \$2.00 is charged for the privilege of making up a previously announced examination if one has a valid excuse for absence due to personal reasons other than illness.

Lost and Found

Lost and found is handled in the general office. One of our great traditions is the honor of respecting the possessions of others.

Hall Conduct

Students should be quiet in the halls during class hours. Any personal property left in the halls may be retrieved in the general office upon payment of at least a 5c fine for each article, books included.

Mail Call

Student mail is picked up in the alphabetically listed boxes in the foyer of the dining hall. The mail usually is distributed by 12:30 p.m. Please do not go to the office for your mail; those who work there have enough to do without telling you a dozen times that the mail still is not in.

Telephones

Students are asked to use the pay telephones provided for your use for all private calls. Only college business is to be handled on college office telephones.

Chapel . . .

Chapel services are held each Tuesday, Wednesday, Thursday, and Friday. Attendance at chapel is a required must at George Fox, and you will find the chapels to be worth the time spent in enjoying the performance of other students, excellent

speakers, musical programs, occasional comedy programs, worthwhile movies, faculty programs, and participation in open chapels. Everyone sits in assigned places in chapel. Chapel attendance operates somewhat differently from class attendance. A record of each chapel absence is kept by the Dean's office and each student will be notified if he misses a chapel. If a student should miss as many as four chapels in one semester he will be placed on provisional status for the remainder of the semester.

A student may be reinstated to regular status at the close of the semester, provided he has maintained perfect chapel attendance from the time he was declared provisional until the end of the semester in which his status changed. If a student should continue to miss chapel for the semester following he would be asked at the close of that semester to remain out of college for a semester. Any student who is tardy to chapel is asked to sit in the balcony so he will not disturb other students in getting to his place. Three such tardies constitute an absence. Your chapel committee proposes to make chapel so very interesting to you that these will be known as the "great unused rules!"

Quiet Time

Quiet Time—From 7:30 a.m. until 8:00 a.m. each day is reserved for quiet meditation and devotions.

We Eat . . .

Meals are served:

Breakfast 7:00-7:15 a.m.

Lunch—Cafeteria 12:00-12:30

Dinner—6:30 p.m., except Friday and Saturday when dinner is at 5:00 p.m., unless duly announced to be later.

Form the ON TIME habit, for tardiness is not permitted except for emergencies. If it is necessary to be excused early from a meal, please make advance arrangements with the dining hall hostess.

If it is necessary to eat early at any time, permission must be secured from the dining hall hostess.

Tray Service

If illness keeps you from the dining room for your meals you may have a friend take a tray to your room. A tray slip signed by the head resident of your dormitory must be presented to the head cook in the dining hall by the person obtaining the tray.

The ordering of any lunches must be cleared through the Dean's office before 4:00 p.m. the day before the lunch is desired.

Financial Responsibility

Students are financially responsible for all meals taken in the dining hall, both for themselves and their guests. Arrangements for guests should be made with the person in charge in the dining hall prior to the time of the meal involved.

Dining Hall Dress

Wednesday evening and Sunday noons are designated as Guests Meals, at which you are expected to dress according to the clothing charts for these occasions. T-shirts, pin curls, bandanas, slacks or jeans are not permitted at meals, except on Saturdays, and then not when guests are expected.

At Home Away from Home . . .

Certain living standards are expected of you at college. These are given to you that you may know what others expect of you. Here you must assume responsibility for your successful adjustment to new living conditions. Because college conditions differ from home situations in many instances, regulations are established and must be observed if you are to be happy and others around you are to have the happiest living experiences.

Guideposts

Below are listed general guides which will help to show you how we live in college:

If you become ill notify your head resident. Be sure to

send word to the school nurse, who is a qualified R.N.

What time should you be in the dorm?

	<i>Girls</i>	<i>Boys</i>
Week nights	10:00	10:30
Friday and Saturday nights	12:00	12:30
Sunday nights	11:00	11:30

Men students are welcome in the ladies' parlors between 4:00 and 7:00 p.m. on school days, and afternoon and evenings on weekends. On Wednesday evenings men may remain in the ladies' parlors until the time prayer meeting is to begin.

Women students living off campus will not have the privilege of entertaining men in their parlors without the presence of the designated house mother.

Dormitories should be quiet after 7:00 p.m. until 8:00 a.m. Monday through Thursday nights. The hours from 7:00 until 9:00 p.m. Monday through Thursday are reserved for study, with the exception of the Wednesday night student prayer meeting. No meetings should be scheduled during this time without express permission from the Dean of the College.

In cases where it is felt there is a beneficial program occurring during the interval of Monday through Thursday nights, clearance for attendance at such programs must be cleared through the Dean's office.

Dormitory Departures

Students should make adequate arrangements with the head resident of their dormitory before going out of town at any time. Any student planning to stay away from the dorm overnight must receive permission from the head resident of his dormitory before making any final arrangements.

Class Privileges

Freshmen and sophomores have one late leave privilege

each month. This means that those taking late leaves may have the privilege of coming into the dorm one hour later than the prescribed arrival time.

Juniors and seniors are allowed two such late leave privileges each month. All requests for late leave must be cleared in advance with the head resident of the dormitory in which you live.

The Meaning of a Campus Restriction

If violation of dormitory living conditions should occur, restriction of privileges will be imposed on those concerned. These restrictions may consist of the forfeiture of late leave privileges, or in case of severe violations the imposition of a "campus" restriction.

A "campus" restriction may be as follows:

"One day campus"—a student would remain in his dormitory on Friday night, except for the dinner hour, without any social privileges Friday from 4:00 p.m. until 8:00 a.m. Sunday morning. "Week-end campus"—a student would forfeit social privileges for an entire week-end extending from Friday at 4:00 p.m. through Monday morning 8:00 a.m. All campus restrictions would be imposed the week-end following the occurrence of the infraction of dormitory regulations. A student who is campused over a Sunday shall be allowed to attend church services which he regularly attends.

Vacation Periods

Students must vacate all dormitories the morning immediately following the official beginning of a vacation period. On return from vacations, dormitories will be opened at 5:00 p.m. the evening preceding the morning on which classes begin. The college assumes responsibility for students immediately upon their return to the campus. The college does not assume obligation for any students during vacation periods, therefore students will not be permitted to remain on the campus during a vacation without express permission from the Administration.

Curriculum . . .

Academic Standing

Sophomore class standing is achieved with a credit hour rating of 30. Junior class standing is achieved with a credit hour rating of 62, provided the grade point average is 2.00. Senior class standing is achieved with a credit hour rating of 94. A grade point average of 2.00 is necessary to attain upper division and graduate standing.

Provisional Status

Applicants for admission to the freshman class whose grade point average for their high school work is less than a "C" or its equivalent will be admitted with provisional standing and encouraged to demonstrate their ability to do collegiate work. The provisional status will be granted for one semester, during which time a student will demonstrate whether he is capable of remaining in college. At the end of the semester, the cumulative GPA must be raised to the minimum requirement, or the student must show sufficient progress that his counselor and the Academic Standing Committee will be justified in granting an extension of the provisional period. If the grade point average for the first semester falls below 1.75 the case will be reviewed by the Academic Standing Committee with recommendations to the faculty for continued provisional status or other appropriate action. Sophomores whose GPA falls below 1.75 at the close of a semester will be placed on provisional status. Juniors and Seniors whose GPA falls below 2.00 lose upper division standing and will be classed no higher than a sophomore with provisional status until the GPA is raised to the required level. Provisional status extends in all cases for one full semester. Students on provisional status are ineligible for co-curricular activities.

Co-Curriculum . . .

We like to think of the activities which are carried on in

addition to academic studies as being a vital part of our curriculum. Thus an eligibility system has been devised whereby students count it an honor to participate in the various "extra" phases of college life. Freshmen and sophomores who maintain a grade point average of 1.75, and juniors and seniors who maintain a grade point average of 2.00 are those who are privileged to take part in co-curricular functions.

Eligibility . . .

At the close of the fourth week of classes all students subject to eligibility regulations will be checked to determine if they are performing satisfactorily in at least 12 credit hours. This means that they must be demonstrating consistent efforts, studious attitudes, active participation in classes, and producing at least "C" grades generally.

At the end of the first 9 weeks grading period GPA's will be figured for all students. Only those lower division students whose GPA average falls below 1.75 and upper division students whose GPA falls below 2.00 will be declared ineligible for co-curricular participation. Such status begins on the date grades are distributed.

A second check of all students subject to eligibility regulations will be made at the end of the fourth week of the second 9 weeks grading period.

Three weeks after one is declared ineligible he may be reinstated to eligibility status by following this procedure: Get from the Dean's office an eligibility slip; have the professor of each of your courses record your current grade; return this slip to the Dean; he will figure your GPA and advise your activity sponsor as to your status.

Identical procedures will be followed during the second semester of each year except that only students entering college at the beginning of the second semester may be eligible according to the above regulations of the first check. All other students must maintain satisfactory GPA's.

Scheduling Activities . . .

Most school activities should be placed on the calendar at the close of each school year. No extra-class activity is held without properly scheduling it. This is the way it is done: The Student Director of Activities or the Dean has an official calendar of events. Discuss your proposed event with either person; fill out a co-curricular slip for reserving date. Be sure the slip is signed by all required authorities. Your date is reserved when it is officially recorded on the Dean's calendar of events.

Automobiles . . .

The operation of a car by a college student should be a carefully guarded privilege. Therefore, each student bringing a car to the campus must register his car and secure a permit for the privilege of using it. Unmarried minor freshmen will not be allowed to bring cars to college and will not operate cars while enrolled as freshmen in college.

If being deprived of having a car at college causes a severe hardship in the case of a student, he may write to the President of the College stating his case. The president will make the final decision concerning his car.

If special permission should be granted, such freshmen will be expected to leave their keys with the Dean, who will issue them to the student only for approved use of the car, such as returning home during vacation periods.

Registering and securing of permits to operate cars shall be cared for with the college Dean at the time students register for classes.

Every student enrolled in the college must comply with the following if he wishes to operate a car:

- a. A valid driver's license is required.
- b. An adequate insurance, preferably 20/40 and \$5000 property damage, must be in force.

c. The car must be in acceptable running condition.

d. Payment of an operating permit.

Upon proof of these conditions being acceptable each student will be issued a permit and sticker for his car.

Cars will be operated on the campus during school hours—8:00 a.m.-7:00 p.m.—by seniors, faculty and visitors, and by sophomores and juniors only when operated in an authorized college activity.

No extensive repair work will be done on cars without permission from proper college authorities.

Students who find it impossible to abide by these regulations will suffer the payment of a fine. If a case of repeated violations occurs the student will be asked to turn in his automobile keys; his car will be parked and not be driven under any circumstances for the extent of the disciplinary action.

Want to Join . . . ?

Here are the organizations with some word regarding them:

The constitutions of all student organizations are filed in the Dean's office and can be secured by any student for reference.

No student organization can be formed without permission of the student council and the faculty.

Students are warned against becoming involved in too many co-curricular activities. Therefore it is recommended that students limit themselves to the number of offices in student organizations they accept. No student should accept more than one major office, although he may participate in other minor offices while holding a major office. Membership in various clubs should also be held to a minimum.

STUDENT CHRISTIAN UNION: for furthering Christian interests, membership open to all students.

FOREIGN MISSIONS FELLOWSHIP is the George Fox College chapter of the Inter-Varsity Christian Fellowship and is open to all students interested in missionary work.

The **GF CLUB** is composed of those men students who have

earned a letter in a major sport and have been voted into membership.

The GOLD "O" is open to women who have won two letters in major sports and have been voted into membership.

OPUS V is a music club open to students interested particularly in musical activities.

PI GAMMA SIGMA HONOR SOCIETY is composed of those students who have earned a GPA of 3.4 or more and are selected for membership.

DELTA PSI OMEGA functions with the dramatics department and is open to those who participate in dramatic productions, either acting in major roles, staff or stage work, writing plays, or performing sufficiently in minor roles.

advisor, and is composed of the student officers and elected class representatives.

This year's officers:

President	Paul Morse
Vice President	Alfreda Pinther
Secretary	Dolores Campbell
Treasurer	Richard Phillips
Crescent Editor	Willis Green
L'Ami Editor	Lyle Wilson
Director of Student Activities	Dan Nolte
Director of Publicity	Dale Campbell
Chief Justice	Jim Ellis

Counseling and Guidance . . .

Mrs. Joan Beltz, Dr. Arthur Roberts, Dean Kenneth Williams comprise the committee in charge of counseling and guidance, with Mrs. Marie Tieleman as consultant. Arrangements will be made for each student to have opportunity for discussing test results or any other matters with the members of the guidance committee.

All students are assigned a faculty advisor at the beginning of the school year. These staff members are charged with the special responsibility of helping to make your college years easier. Be sure to get acquainted with your adviser and let him help you. For academic information regarding your major, feel free to talk to the Dean and the department head in which you propose to major.

Health Service

The college maintains a full-time health officer who is a registered nurse. She is Mrs. Alice Ross. In the event of illness you are required to report to her at the dispensary located in Vet House No. 5. This is a requirement which must be observed. Physical examinations for all entering students are arranged by her.

Requisitions for Purchases

Students will be personally responsible for payment of any purchases made without a requisition signed by the Business Manager or Dean.

College Equipment

The use of college equipment must always be under the direct supervision of authorized faculty sponsors. Any organization wishing to use the panel car, the college truck, or any other mechanized equipment should secure from the Dean's office a permit for the use of such. This permit must be filled out and signed by the activity sponsor, and returned to the Dean two days in advance of the anticipated time of use.

Drivers for the panel and truck will be chosen by the faculty from the best qualified students within the group using the equipment. Drivers thus chosen must drive the vehicles during the full time they are so assigned.

Organizations using the panel car pay at the rate of 7c per mile; any organization using the college truck will pay at the rate of 20c per mile. The college furnishes the gas and oil under these conditions. Persons using any college equipment for their own use are liable for damages which may be incurred.

Equipment other than the panel and truck is rented on an hourly basis.

Student Employment . . .

Requests for employment outside the college are handled through the office of the Business Manager. Students desiring off campus jobs should contact the business manager.

The college helps worthy students to the extent possible within a limited budget of \$900-\$1000 per month. Priority is

given to upper division students, those in greatest financial need, those who take full courses, those who owe the college more, via board, room, etc., and those whose former record demonstrates their ambition, faithfulness to duty, and cooperation. Those with highest scholarship grants may receive less than others. Final decision on the distribution of labor will be made by Mr. Winters.

Certain persons on the faculty or staff will be assigned the oversight of each building. Students are responsible to these assigned persons.

Traditions . . .

A college becomes known for the body of traditions that give it a distinct personality. These traditions are a part of the college; live up to them and enjoy a fuller college life.

A Dining Hall Lounge has been constructed for the use of students during leisure moments between classes and in the evening. The lounge is governed by the students for the benefit of all members of the student body according to the following regulations:

1. The lounge will be open from 7 a.m. to 10 p.m. Monday through Thursday, and from 7 a.m. to 12 midnight on Friday and Saturday.
2. Each person is to cooperate in keeping the lounge neat by replacing furniture and magazines in their proper places.
3. Supervision of conduct will be the responsibility of each member of the student body.
4. The main dining hall is not to be used except during meal times.
5. Organizations may hold their meetings in the lounge.

Student Union . . .

The new Student Union Building provides opportunity for a central meeting place for all students. The building houses the book store, student council office, and publications office. The Paul Oppenlander Memorial Prayer Room is a quiet place for individuals or a group to gather for meditation and prayer. The lounge room is beautifully furnished with davenos, chairs, TV, a high fidelity record player, a baby grand piano, and magazines available for all who want to use the room for relaxation.

The junior class provides soft drink and candy dispensing machines in the concession room.

The fish pond and patio are the gift of the Class of 1958.

The Student Union is under the management of the Student Union Board, a group of students appointed by the student body.

QUAKER FIGHT SONG

Mrs. Connie Larson

Ross Stover

*George Fox Quakers!
Give 'em a mighty yell
After each game
We head for the victory bell.
One, two, three, four—
Count out the points we have won
Newberg will ring from the sound
As we sing of the deed we've done!*

*Men cheer the team: "Yea, team!"
We'll be the victors forevermore.
Cads will scream: "Yea, team!"
Watch how we roll up the score!*

*George Fox Quakers
Foes will regret this day!
Play it hard, boys:
Enter right into the fray!
Show all peoples—
Show 'em our spirit and might:
Forward we drive!
Let us show we're alive
With a FIGHT! FIGHT! FIGHT!*

REMEMBER—wherever you are, on other campuses, downtown, other cities, churches—you are a college representative:

1. Dress neatly
2. Drive safely
3. Be pleasant
4. Be Courteous
