STUDENT HANDBOOK

PUBLIC RELATIONS OFFICE

*George Fox College
Newberg, Oregon*

PREFACE . . .

This booklet is sent to you to provide a picture of the Quaker campus. College education is comprised of much more than you learn in all of your books, and this handbook is no exception. But we have tried to outline the traditions, customs, and standards of George Fox College for you in such a way that from your first step onto the campus you will be able to feel at home away from home.

We ask you to plan your activities and attitudes in the light of these standards and traditions. As you come to college, aim your ambitions toward the very highest social, spiritual, and academic goals possible.

Best wishes to you as you plan one of life's greatest experiences—going to college!

WELCOME STUDENTS!

Life on a Christian college campus is a combination of many worthwhile and rewarding elements. While the accomplishment of excellence in one's studies is a very high goal, the incoming freshman or transferee is greeted by an entire welter of things—new dorm-mate, testing, "Where is the Book Store?", football practice. "Do you wear gloves to the President's reception?", first chapels, student prayer meeting, letters from home, Mrs. Moore's clam chowder, sitting in the senior rose garden, and on and on.

Social life has both its privileges and its restrictions. It is said that father Adam was the only truly free man. When mother Eve moved in his freedom was cut in half! In a home of four children and the parents, there is not only the simple division for cooperation, but also situations stemming from adult direction and mature leadership; so it is at college. While the Student Body has many areas of creative activity, even so the faculty lead in the class work and club sponsorship, seniors have privileges which they guard most jealously, and traditions must be enforced and developed with every student generation.

Mrs. Ross and I greet you most heartily. We pray for you a most congenial and satisfactory college career here at George Fox. May you develop into the type of Christian person which is your goal and heritage.

Most sincerely,

A large, stylized cursive signature that reads "Mrs. C. Ross".

President of George Fox College

WELCOME STUDENTS!

As a member of Student Council and the George Fox Student Body I want to welcome each of you to our campus. I know that you will find here a college ready and able to serve you in every way.

As we come to school, whether it be our first year or last, let's each one pour our all into the coming months. We must make them months to be proud of.

Let's all join together into a united student body that we may work harder, play harder and most of all serve our Lord better.

DAN NOLTA
ASGFC President

WELCOME STUDENTS!

As president of the Student Christian Union, I extend to you a sincere welcome to George Fox College. I hope that new and returning students alike will have a good year. May this college year be a time of growing in wisdom and in favor with God and man.

This is a "Christian College" only as each individual makes it that way by holding his own personal standards high. So let's hold our banner high and be a faithful witness for our Lord.

May Christ be glorified in our lives and may we always hold Him as supreme.

First Things . . .

George Fox College is a Christian college which has maintained through the years highest standards of Christian principles of living. You are encouraged to be consistent in maintaining these principles. Start your year right by establishing a time for daily Bible reading and prayer, for you will need the help and inspiration of this time if you are to measure up to the standards of Christ while at college.

You will enjoy the warm spiritual atmosphere in the Newberg churches. All students are warmly welcomed at the Newberg Friends Church. Those who prefer to worship in the church of their own denomination will find a hearty welcome and concern for their spiritual welfare.

At the college church you will find an excellent college age Sunday School class and evening Christian Endeavor service.

The pastor of the Newberg Friends Church is our college pastor. He is most willing to counsel with you concerning your spiritual needs and be your pastor away from home. You will find a friendly, spiritual atmosphere in the Sunday church services. The informal evening church hour is given to testimonies, live gospel singing, and evangelistic preaching. You will find opportunity for real Christian service in the work of the Sunday School, Christian Endeavor, Boys and Girls Clubs, or by joining our college church choir. Avail yourself of the privilege of being a faithful worshipper in both morning and evening services.

In line with our emphasis on highest planes of Christian living, attendance at programs inconsistent with Christian principles is seriously discouraged. The college endeavors to furnish activities which provide for the social development of the students.

Opportunity is provided for participation in the finest cultural programs in the Portland area. Attendance at theater programs which are not consistent with Christian principles is not approved. Social dancing, card playing, the use of alcoholic beverages or tobacco are not permitted by students attending George Fox.

One of the mid-week highlights on our campus is the Student Prayer Meeting which is held each Wednesday evening. Don't miss it!

Information for Arrival . . .

The College administration is responsible for living arrangements for all students who will not be living in their own homes. Girls upon arrival shall report immediately to the Dean of Women at Canyon Hall for assignments of living accommodations. Boys shall report to the Dean of Men at Edwards Hall for assignments. Any students desiring to live off campus must make such arrangements through the office of the President or Dean of the College. All Freshmen are expected to room in the dormitories.

Get the Facts . . .

At any time if you have questions to be answered do not accept rumor in place of facts. If in doubt, go to one of the administrative officials and ask! The president, dean-registrar, bursar, or any other faculty or staff member will welcome the opportunity to help you. They know the answers, or can direct you to the one who does know. You are not bothering them when you call at one of their offices; their business is serving you.

Regi-Strain . . .

Entrance Tests

A series of entrance tests is given to freshmen and incoming transfer students. These tests are used to aid the counselors in knowing more about you so that they can serve you better. For example, the English Placement Test is used to determine what English composition course will be best suited to your needs. The Vocational Inventory will be a means of helping you choose your vocation. Results from the Psychological Examination will be used to aid you in meeting college life more effectively.

How to Register

Freshmen will register in the library on Thursday, September 17. After completing your booklets there and getting faculty signatures you will proceed to the Bursar's office in Wood-Mar Hall to complete financial arrangements. Sophomores, juniors and seniors will follow the same procedure on Friday, September 18.

How to Change Registration

Late admission to classes because of registration changes made after the close of the first week of classes must be by petition to the Academic Committee, consent of the professor involved, and payment of a \$3.00 fee.

How to Withdraw

1. Withdrawal from class. A student who wishes to withdraw from a course must secure a change of course form which is to be approved by the instructor involved, Dean-Registrar, and Bursar. If a course is dropped without permission, or if after the third week a course in which he is not doing passing work is dropped, the student shall receive a "Failure" grade.

2. Withdrawal from College. A student should realize that "quitting" does not constitute a withdrawal. He is required to inform the Dean upon his absence of withdrawal from the college, and to fill out the withdrawal forms furnished by the registrar's office. Unless this is done, the student may forfeit his right to clear transcript of credits and honorable dismissal.

How Many Hours to Take

Lower division students who are taking PE can register for 17 hours, but other than these take it easy, make good grades with 16 hours rather than try to take the entire schedule.

How to Petition for Extra Hours

First semester freshmen are not permitted to take more than 17 hours including PE. All other students who wish to take extra hours may petition the faculty to do so if they have a grade point average of 'B' or above. Petition blanks for this purpose are obtainable in the Dean's office.

The Meaning of Course Number and Semester Hours

A semester hour is the same as one unit of credit, which is a 50-minute class session once each week for 18 weeks. Except for certain science and laboratory courses a 2-hour course means it meets twice each week, a 3-hour course three times each week, etc.

Courses are numbered in four series—100's, 200's, 300's, and 400's. The 100 series is designated primarily for freshmen, the 200 series for sophomores, the 300's for juniors, and the 400's for seniors. Now there is another confusing element which enters into course numbering which is that the 100 and 200 series are lower division and the 300 and 400 series upper division. Any lower division student will be apt to take courses from both the 100 and 200 series, but he is not permitted to take the 300 and 400 series courses. Juniors and seniors, or upper division, should not be taking courses in the 100 and 200 series.

Grading System

You are issued grades each nine weeks during each semester. These are given in order for you to know how well you are doing in your courses. Here is a word about the grades given and what they mean:

"A" grade represents the completion of all assigned work. The student's initiative has been pronounced and additional work, as reading, reports, or investigation, has been accomplished. Active interest has continued throughout the course. Attendance has been excellent. Class participation has been spontaneous and stimulating to other members of the class.

"B" grade represents the completion of all assigned work. Initiative has been shown in much classwork. Interest has been enthusiastic and demonstrated by prompt attendance. Class participation has been active and stimulating.

"C" grade represents the completion of all classwork. Initiative has been excellent at times. Interest and class participation have manifested a sincere desire for a thorough understanding of the course.

"D" grade represents the completion of most classwork. A comprehensive knowledge of the course has been attained, some areas need further study. Interest and attendance have been good throughout the course.

"F" grade represents the inadequate understanding and lack of preparation in some areas of the course work.

Grades and Scholarships

Each student who receives a scholarship must maintain a minimum grade point average of 2.5 to receive the benefit of the scholarship for the following semester. Scholarship benefits shall be cancelled at the close of any semester in which the recipient's grade point average falls below 2.5.

Finance and Finals

No student shall be allowed to begin any of his final semester examinations until he has completed satisfactory financial arrangements for the payment of his college bill, including obligations for the current semester.

Class Attendance

The responsibility rests with the student to maintain good standards involving satisfactory scholarship. Regular class attendance is expected of each student in all courses. Classes are conducted in such a manner that regular attendance is necessary if one is to maintain scholastic achievement. Students should be prepared and present for daily participation in class discussion and quizzes, and well prepared for all exams. All projects should be completed according to deadlines for satisfactory class attendance.

Permission to be absent from class for participation in co-curricular activities must be granted by the Dean. In order to secure this permission get from the Dean's office an **ADVANCED ASSIGNMENT SLIP**. He will record the dates you are to be absent from the class with the reason for the absence. Then you record the classes you will be missing and get the **assignment** for each of those classes from the respective professors. **When the work is complete** the professor will sign your Advanced Assignment Slip. After securing the signature of each professor involved, signifying that all of your work is made up in advance, return the slip to the Dean's office. Such permission must be requested **one week** in advance of the anticipated activity and returned to the Dean's office completed **one full day** prior to departure for the co-curricular event.

Work lost because of any other absences may be made up only in the case of prolonged or confining illness, death of close relatives, or other similar emergency.

Excused Absence Procedure

In those rare instances in which you may be too ill to attend class, notify your head resident when you are first aware of illness. He or she will be able to help you make the decision as to your most healthful procedure in case of illness. Whatever happens, see the school nurse who is on campus at prescribed hours each day. If you are too ill to go to the dispensary, she will call on you in your room. When you have sufficiently recovered from a severe illness to return to classes be sure to get an excused absence slip signed by the nurse. She is the only one except the Dean who can excuse from a class so that you will have the privilege of making up lost work. Excused absences should be presented to your professors immediately upon your return to their classes. All excused absence slips must be returned to the Dean's office.

Exam Fee

An exam fee of \$2.00 is charged for the privilege of taking a duly announced examination if one has a valid excuse for absence due to personal reasons other than illness.

Lost and Found

One of our great traditions is the honor of respecting the possessions of others. If you lose an article, or if you find a stray article, report to the general office. Notice of lost and found items will be posted on the bulletin board. All lost articles may be retrieved from the General Office.

Hall Conduct

Students should be quiet in the halls during class hours. Any personal property left in the main halls may be retrieved in the general office upon payment of at least 5c for each article, books included.

Mail Call

Student mail is picked up in the alphabetically listed boxes in the foyer of the dining hall. The mail usually is distributed by 12:30 p. m. Please do not go to the office for your mail; those who work there have enough to do

without telling you a dozen times that the mail still is not in.
Telephones

Students are asked to use the pay telephones provided for your use for all private calls. Only college business is to be handled on college office telephones.

Chapel . . .

Chapel services are held each Tuesday, Wednesday, Thursday, and Friday. Attendance at chapel is a must at George Fox, and you will find the chapels to be worth the time spent in enjoying the performance of other students, excellent speakers, musical programs, occasional comedy programs, worthwhile movies, faculty programs, and participation in open chapels. Everyone sits in assigned places in chapel. Chapel attendance operates somewhat differently from class attendance. A record of each chapel absence is kept by the Dean's office and each student will be notified if he misses a chapel. If a student should miss as many as four chapels in one semester he will be placed on provisional status for the remainder of the semester.

A student may be reinstated to regular status at the close of the semester, provided he has maintained perfect chapel attendance from the time he was declared provisional until the end of the semester in which his status changed. If a student should continue to miss chapel for the semester following he would be asked at the close of that semester to remain out of college for a semester. Any student who is tardy to chapel is asked to sit in the balcony so he will not disturb other students in getting to his place. Three such tardies constitute an absence. Your chapel committee proposes to make chapel so very interesting to you that these will be known as the "great unused rules!"

We Eat . . .

Meals are served:

Breakfast	7:00-7:15 a m.
Lunch—Cafeteria	12:00-12:30

Dinner—6:30 p. m., except Friday and Saturday when dinner is at 5:00 p m., unless duly announced to be later.

Form the ON TIME habit, for tardiness is not permitted except for emergencies. If it is necessary to be excused early from a meal, please make advance arrangements with the dining hall hostess.

If it is necessary to eat early at any time, permission must be secured from the dining hall hostess.

Always introduce guests to the dining hall hostess.

Tray Service

If illness keeps you from the dining room for meals you may have a tray brought to your room. A tray slip signed by the head resident of your dormitory must be presented to the head cook before the beginning of the dining hall meal.

Lunches

The ordering of lunches, when it is necessary to be absent from the dining hall meals on authorized college affairs, must be cleared through the Dean's office before 4:00 p. m. the day before the lunch is desired.

Guests

Two guest tickets each semester will be available to students who have paid full board. These may be used for friends or relatives who are not enrolled at George Fox College. The tickets may be obtained from the dining hall hostess at least one half day in advance of the meal for which they are to be used.

Dining Hall Dress

Wednesday evening and Sunday noons are designated as Guest Meals, at which you are expected to dress according to the clothing charts for these occasions. T-shirts, pin curls, bandanas, slacks or jeans are not permitted at meals, except on Saturdays, and then not when guests are expected.

At Home Away from Home . . .

Certain living standards are expected of you at college. These are given to you that you may know what others expect of you. Here you must assume responsibility for your successful adjustment to new living conditions. Because college conditions differ from home situations in many instances, regulations are established and must be observed if you are to be happy and others around you are to have the happiest living experiences.

Quiet Time

Quiet Time—From 7:30 a. m. until 8:00 a. m. each day is reserved for quiet meditation and devotions.

Guideposts

Below are listed general guides which will help to show you how we live in college:

If you become ill notify your head resident. Be sure to send word to the school nurse, who is a qualified R.N.

What time should you be in the dorm?

	Girls	Boys
Week nights	10:00	10:30
Friday and Saturday nights	12:00	12:30
Sunday nights	11:00	11:30

Men students are welcome in the ladies' parlors between 4:00 and 7:30 p. m. on school days, and afternoon and evenings on weekends. On Wednesday evenings men may remain in the ladies' parlors until the time prayer meeting is to begin.

Women students living off campus will not have the privilege of entertaining men in their parlors without the presence of the designated house mother.

Dormitories should be quiet after 7:00 p. m. until 8:00 a. m. Monday through Thursday nights. The hours from 7:00 until 9:00 p. m. Monday through Thursday are reserved for study, with the exception of the Wednesday night student prayer meeting. No meetings should be scheduled during this time without express permission from the Dean of the College.

In cases where it is felt there is a beneficial program occurring during the interval of Monday through Thursday nights, clearance for attendance at such programs must be cleared through the Dean's office.

Dormitory Departure

Students must make adequate arrangements with the head resident of their dormitory before going out of town at any time. Any student planning to stay away from the dorm overnight must receive permission from the head resident of his dormitory before making any final arrangements.

Class Privileges

Freshmen and sophomores have one late leave privilege each month. This means that those taking late leaves may have the privilege of coming into the dorm one hour later than the prescribed arrival time.

Juniors and seniors are allowed two such late leave privileges each month. All requests for late leave must be cleared in advance with the head resident of the dormitory in which you live.

The Meaning of a Campus Restriction

If violation of dormitory living conditions should occur, restrictions of privileges will be imposed on those concerned. These restrictions may consist of the forfeiture of late leave privileges, or in case of severe violations the imposition of a "campus" restriction.

A "campus" restriction may be as follows:

"One day campus"—a student would remain in his dormitory on Friday night, except for the dinner hour, without any social privileges Friday from 4:00 p. m. until 4:00 p. m. Saturday. "Week-end campus"—a student would forfeit social privileges for an entire week-end extending from Friday at 4:00 p. m. through Monday morning 8:00 a. m. All campus restrictions would be imposed the week-end following the occurrence of the infraction of dormitory regulations at the direction of the dorm head. A student who is campused over a Sunday shall be allowed to attend church services which he regularly attends.

Vacation Periods

Students must vacate all dormitories the morning immediately following the official beginning of a vacation period. On return from vacations, dormitories will be opened at 5:00 p. m. the evening preceding the morning on which classes begin. The college assumes responsibility for students immediately upon their return to the campus. The college does not assume obligation for any students during vacation period, therefore students will not be permitted to remain on the campus during a vacation without express permission from the Administration.

Curriculum . . .

Academic Standing

Sophomore class standing is achieved with a credit hour rating of 30. Junior class standing is achieved with a credit hour rating of 62, provided the grade point average is 2.00. Senior class standing is achieved with a credit hour rating of 94. A grade point average of 2.00 is necessary to attain upper division and graduate standing.

Provisional Status

Applicants for admission to the freshman class whose grade point average for their high school work is less than a "C" or its equivalent will be admitted with provisional standing and encouraged to demonstrate their ability to do collegiate work. The provisional status will be granted for one semester, during which time a student will demonstrate whether he is capable of remaining in college. At the end of the semester, the cumulative GPA must be raised to the minimum requirement, or the student must show sufficient progress that his counselor and the Academic Standing Committee will be justified in granting an extension of the provisional period. If the grade point average for the first semester falls below 1.75 the case will be reviewed by the Academic Committee with recommendations to the faculty for continued provisional status or other appropriate action. Sophomores whose GPA falls below 1.75 at

the close of a semester will be placed on provisional status. Juniors and Seniors whose GPA falls below 2.00 lose upper division standing and will be classed no higher than a sophomore with provisional status until the GPA is raised to the required level. Provisional status extends in all cases for one full semester. Students on provisional status are ineligible for co-curricular activities.

Co-Curriculum . . .

We like to think of the activities which are carried on in addition to academic studies as being a vital part of our curriculum. Thus an eligibility system has been devised whereby students count it an honor to participate in the various "extra" phase of college life. Freshmen and sophomores who maintain a grade point average of 1.75 and juniors and seniors who maintain a grade point average of 2.00 are those who are privileged to take part in co-curricular functions.

Specific eligibility regulations are being revised and will be presented at the beginning of the 1959-60 college year.

Scheduling Activities . . .

Most school activities should be placed on the calendar at the close of each school year. No extra-class activity is held without properly scheduling it. This is the way it is done: The Student Director of Activities or the Dean has an official calendar of events. Discuss your proposed event with either person; fill out a co-curricular slip for reserving dates. Be sure the slip is signed by all required authorities. Your date is reserved when it is officially recorded on the Deans' calendar of events.

Suits and sport outfits should always be neatly pressed, and appropriate shoes for all occasions should sparkle with a bright shine at all times.

Automobiles . . .

The operation of a car by a college student should be a carefully guarded privilege. Therefore, each student bringing a car to the campus must register his car and secure a permit for the privilege of using it. Unmarried minor freshmen will not be allowed to bring cars to college and will not operate cars while enrolled as freshmen in college.

If being deprived of having a car at college causes a severe hardship in the case of a student, he may write to the President of the College stating his case. The president will make the final decision concerning his car.

If special permission should be granted, such freshmen will be expected to leave their keys with the Dean, who will issue them to the student only for approved use of the car, such as returning home during vacation periods.

Registering and securing of permits to operate cars shall be cared for with the college Dean at the time students register for classes.

Every student enrolled in the college must comply with the following if he wishes to operate a car:

- a. A valid driver's license is required.
- b. An adequate insurance, preferably 20/40 and \$5,000 property damage, must be in force.
- c. The car must be in acceptable running condition.
- d. Payment of an operating permit.

Upon proof of these conditions being acceptable each student will be issued a permit and sticker for his car.

Cars will be operated on the campus during school hours—8:00 a. m.—7:00 p. m.—by seniors, faculty and visitors, and by sophomores and juniors only when operated in an authorized college activity.

No extensive repair work will be done by students on cars without permission from proper college authorities.

Students who find it impossible to abide by these regulations will suffer the payment of a fine. If a case of repeated violations occurs the student will be asked to turn in his automobile keys; his car will be parked and not be driven under any circumstances for the extent of the disciplinary action.

Want to Join . . . ?

Here are the organizations with some word regarding them:

The constitutions of all student organizations are filed in the Dean's office and can be secured by any student for reference.

No student organization can be formed without permission of the student council and the faculty.

Students are warned against becoming involved in too many co-curricular activities. Therefore it is recommended that students limit themselves to the number of offices in student organizations they accept. No student should accept more than one major office, although he may participate in other minor offices while holding a major office. Membership in various clubs should also be held to a minimum.

STUDENT CHRISTIAN UNION: for furthering Christian interests, membership open to all students.

FOREIGN MISSIONS FELLOWSHIP is the George Fox College chapter of the Inter-Varsity Christian Fellowship and is open to all students interested in missionary work.

The **GF CLUB** is composed of those men students who have earned a letter in a major sport and have been voted into membership.

The **GOLD "Q"** is open to women who have won two letters in major sports and have been voted into membership.

OPUS VI is a music club open to students interested particularly in musical activities.

Be sure to get acquainted with your adviser and let him help you. For academic information regarding your major, feel free to talk to the Dean and the department head in which you propose to major.

Health Service

The college maintains a full-time health officer who is a registered nurse. She is Mrs. Alice Ross. In the event of illness you are required to report to her at the dispensary located in Vet House No. 5. This is a requirement which must be observed. Physical examinations for all entering students are arranged by her. If you are too ill to go to the infirmary your dormitory head will arrange for the nurse to visit you in your room.

Requisitions for Purchases

All purchases for any clubs or college student body organizations must be made through the use of requisition slips which may be obtained from the vice-president of ASGFC or from the Recorder in the Public Relations office.

College Equipment . . .

The use of college equipment must always be under the direct supervision of authorized faculty sponsors. Any organization wishing to use the panel car, the college truck, or any other mechanized equipment should secure from the Dean's office a permit for the use of such. This permit must be filled out and signed by the activity sponsor, and returned to the Dean two days in advance of the anticipated time of use.

Drivers for the panel and truck will be chosen by the faculty from the best qualified students within the group using the equipment. Drivers thus chosen must drive the vehicles during the full time they are so assigned.

Organizations using the panel car pay at the rate of 7c per mile; any organization using the college truck will pay at the rate of 20c per mile. The college furnishes the gas and oil under these conditions. Persons using any college equipment for their own use are liable for damages which may be incurred.

Equipment other than the panel and truck is rented on an hourly basis.

Student Employment . . .

Requests for employment outside the college are handled through the office of the Business Manager. Students desiring off campus jobs should contact the business manager.

The college helps worthy students to the extent possible within a limited budget of \$900-\$1,000 per month. Priority is given to upper division students, those in greatest financial need, those who take full courses, those who owe the college more, via board, room, etc., and those whose former record demonstrates their ambition faithfulness to duty, and cooperation. Those with highest scholarship grants may receive less than others. Final decision on the distribution of labor will be made by Mr. Winters.

Certain persons on the faculty or staff will be assigned the oversight of each building. Students are responsible to these assigned persons.

QUAKER FIGHT SONG

Mrs. Connie Larson

Ross Stover

*George Fox Quakers!
Give 'em a mighty yell
After each game
We head for the victory bell.
One, two, three, four—
Count out the points we have won
Newberg will ring from the sound
As we sing of the deed we've done!*

*Men cheer the team: "Yea, team!"
We'll be the victors forevermore.
Coeds will scream: "Yea, team!"
Watch how we roll up the score!*

*George Fox Quakers
Foes will regret this day!
Play is hard, boys:
Enter right into the fray!
Show all peoples—
Show' em our spirit and might:
Forward we drive!
Let us show we're alive
With a FIGHT! FIGHT! FIGHT!*

REMEMBER—wherever you are, on other campuses, downtown, other cities, churches—you are a college representative:

1. Dress neatly
2. Drive safely
3. Be pleasant
4. Be courteous
