George Fox College

Close beside Chehalem's mountain is the college we
adore;

Like an ever-flowing fountain, she will stand for-
ever more.

Where she stands we'll ne'er forget it, near the old
Willamette's banks,

And in years we'll ne'er regret it that we enter'd in
her ranks.

Comrades, come and raise your voices, let us
praise our college dear.

While with her your heart rejoices, spread her
glory far and near.

Then a rousing cheer we give her, 'tis the least
that we can do.

G. F. C. we'll love forever, her Old Gold and Navy
Blue.

When the four loved years of college shall have long
since slipp'd away,

When with worldly care and knowledge many a head
is turning gray,

Still we'll shout her praise the louder, and our
hearts give echo true,

As we cheer our Alma Mater--our Old Gold and
Navy Blue.

Chorus

'Tis the good old Quaker college, and we'll shout
her worthy name;

Where we gained our store of knowledge in her
halls of honor's fame.

And we'll always in this manner to our mother
school be true,

'Neath the George Fox College banner of Old Gold
and Navy Blue.

PREFACE . . .

This booklet is sent to you to provide a picture of the Quaker campus. Obviously, a college education is comprised of much more than you learn in all of your books. We have outlined many traditions, standards, and privileges of George Fox College for you in such a way that from your first step onto the campus you will be able to feel at home.

We ask you to plan your activities and attitudes in the light of these standards and traditions. As you come to college, aim your ambitions toward the very highest social, spiritual, and academic goals possible.

Best wishes to you as you plan one of life's greatest experiences--going to college!

WELCOME STUDENTS!

With your acquaintance with the HANDBOOK, you are being introduced to a new world; for unless you have attended a boarding school, the dimension of living away from home will be altogether different. This handbook is not concerned with classes and grades and library books as such, but rather the other side of college living--the home away from home, college traditions and spirit, social life, and what to do and when and where. The two sides cannot be separated, however. Your cooperation on date nights will have much to do with grades, and your entire future may depend upon what you hear and how you hear a chapel message!

This is a kind of second "Bible." Especially for your freshman year, it will mean much in your orientation to your college career. Some of your happiest memories will be yours in relation to it.

Miss C. Rose

President of George Fox College

WELCOME STUDENTS!

As president of the Student Body for the coming school year, I extend to each of you a sincere welcome to George Fox College.

We are living in an age when a college education is no longer a luxury; it is a necessity of life and only the best education will do.

Solomon tells us in the Book of Proverbs, that if we incline our ear unto wisdom, and apply our heart to understanding, we shall understand the fear of the Lord, and find the knowledge of God.

I challenge each of you, whether new or returning students, to search for wisdom and to take every opportunity presented here on this campus to obtain the best education possible.

HOWARD R. CROW
ASGFC President

First Things . . .

George Fox College is a Christian college which has maintained through the years highest standards of Christian principles of living. You are encouraged to be consistent in maintaining these principles. Start your year right by establishing a time for daily Bible reading and prayer, for you will need the help and inspiration of this time, if you are to measure up to the standards of Christ while at college.

You will enjoy the warm spiritual atmosphere in the Newberg churches. All students are warmly welcomed at the Newberg Friends Church. Those who prefer to worship in the church of their own denomination will find a hearty welcome and concern for their spiritual welfare.

At the college church you will find excellent college age Sunday School classes and evening Christian Endeavor service.

The pastor of the Newberg Friends Church is our college pastor. He is most willing to counsel with you concerning your spiritual needs and to be your pastor away from home. You will find a friendly and spiritual atmosphere in the Sunday church services. The informal evening church hour is given to testimonies, live gospel singing, and evangelistic preaching. You will find opportunity for real Christian service in the work of the Sunday School, Christian Endeavor, Boys and Girls Clubs, or by joining our college church choir. Avail your-

self of the privilege of being a faithful worshipper in both morning and evening services.

One of the mid-week highlights on our campus is the Student Prayer Meeting which is held each Wednesday evening. Don't miss it!

In line with our emphasis on highest planes of Christian living, attendance at programs inconsistent with Christian principles is seriously discouraged. The college endeavors to furnish activities which provide for the social development of the students.

Opportunity is provided for participation in the finest cultural programs in the Portland area. Attendance at theater programs which are not consistent with Christian principles is not approved. Social dancing, the use of "playing cards," alcoholic beverages, or tobacco are not permitted by students attending George Fox College.

Information for Arrival . . .

The college administration is responsible for living arrangements for all students who will not be living in their homes. Women upon arrival shall report immediately to the Dean of Women at Canyon Hall for assignments of living accommodations. Men shall report to the Dean of Men at Edwards Hall for assignments. Any students desiring to live off campus

must make such arrangements through the office of the President or Dean of Students. All unmarried minor freshmen are expected to room in the dormitories.

Get the Facts . . .

At any time if you have questions to be answered do not accept rumor in place of facts. If in doubt, go to one of the administrative officials and ask! The president, dean, registrar, bursar, or any other faculty or staff member will welcome the opportunity to help you. They know the answers, or can direct you to the one who does know. You are not bothering them when you call at one of their offices; their business is serving you.

Registration . . .

Entrance Tests

A series of entrance tests is given to freshmen and incoming transfer students. These tests are used to aid the counselors in knowing more about you so that they can serve you better. For example, the English Placement Test is used to determine the English composition course that will be best suited to your needs. The Vocational Inventory will be a means of helping you choose your vocation. Results

from the Psychological Examination will be used to aid you in meeting college life more effectively.

How to Register

Freshmen will register in the library on Saturday, September 17. After completing your booklets there and getting faculty signatures, you will proceed to the bursar's office in Wood-Mar Hall to complete financial arrangements. Sophomores, juniors, and seniors will follow the same procedure on Friday, September 16.

How to Change Registration

Late admission to classes because of registration changes made after the close of the first week of classes must be by petition to the Academic Committee, consent of the professor involved, and payment of a \$3 fee.

How to Withdraw

A student who wishes to withdraw from a course must secure a change-of-course form which is to be approved by the instructor involved, the dean, registrar, and the bursar. If a course is dropped without permission, or if after the third week, a course in which he is not doing passing work is dropped, the student shall receive a "Failure" grade.

A student should realize that "quitting" does not constitute a withdrawal from college. He is required to inform the registrar of his withdrawal from the

college, and to fill out the withdrawal forms furnished by the registrar's office. Unless this is done, the student may forfeit his right to clear transcript of credits and honorable dismissal.

How Many Hours to Take

Lower division students who are taking PE may register for 17 hours, but other than these take it easy, make good grades with 16 hours, which is the normal load, rather than try to take the entire schedule.

How to Petition for Extra Hours

All students who wish to take extra hours may petition the faculty to do so if they have a grade point average of 3 or above. Petition blanks for this purpose are obtainable in the registrar's office.

The Meaning of Course Number and Semester Hours

A semester hour is the same as one unit of credit, which is a 50-minute class session once each week for 18 weeks. Except for certain science and laboratory courses a 2-hour course meets twice each week, a 3-hour course three times each week, etc.

Courses are numbered in four series--100's, 200's, 300's, and 400's. The 100 series is designated primarily for freshmen, the 200 series for sophomores, the 300's for juniors, and the 400's for seniors. The 100 and 200 series are lower division, and the 300 and 400 series upper division. Any lower division student will be apt to take courses from both the

100 and 200 series, but he is not permitted to take the 300 and 400 series courses. Upper division students should not be taking courses in the 100 and 200 series.

Grading System

You are issued grades each nine weeks during each semester. These are given in order for you to know how well you are doing in your courses. Here is a word about the grades given and what they mean:

"A" grade represents the completion of all assigned work; the student's initiative has been pronounced and additional work, as reading, reports, or investigation, has been accomplished. Active interest has continued throughout the course. Attendance has been excellent. Class participation has been spontaneous and stimulating to other members of the class.

"B" grade represents the completion of all assigned work. Initiative has been shown in much classwork. Interest has been enthusiastic and demonstrated by prompt attendance. Class participation has been active and stimulating.

"C" grade represents the completion of all classwork. Initiative has been excellent at times. Interest and class participation have manifested a sincere desire for a thorough understanding of the course.

"D" grade represents the completion of most classwork. A comprehensive knowledge of the course has been attained, some areas need further study. Interest and attendance have been good through-

out the course.

"F" grade represents the inadequate understanding and lack of preparation in some areas of the course work.

"WF" grade indicates that a student withdrew from a class with a failing grade in the class.

"WP" grade indicates that a student withdrew from a class with a passing grade.

Grades and Scholarships

Each student who receives a scholarship must maintain a minimum grade point average of 2.5 to receive the benefit of the scholarship for the following semester. Scholarship benefits shall be cancelled at the close of any semester in which the recipient's grade point average falls below 2.5.

Finance and Finals

No student shall be allowed to begin any of his final semester examinations until he has completed satisfactory financial arrangements for the payment of his college bill, including obligations for the current semester.

Class Attendance

The responsibility rests with the student to maintain good standards involving satisfactory scholarship. Regular class attendance is expected of each student in all courses. Classes are conducted in such a manner that regular attendance is necessary if one is to maintain scholastic achievement. Students

should be present and prepared for daily participation in class discussion and quizzes, and well prepared for all exams. All projects should be completed according to deadlines for satisfactory class attendance.

Permission to be absent from class for participation in co-curricular activities must be granted by the Dean of Students. In order to secure this permission get from the registrar's office an ADVANCED ASSIGNMENT SLIP. He will record the dates you are to be absent from the class with the reason for the absence. Then you record the classes you will be missing and get the assignment for each of those classes from the respective professors. When the work is complete, the professor will sign your Advanced Assignment Slip. After securing the signature of each professor involved, turn the slip to the registrar's office. Such permission must be requested one week in advance of the anticipated activity, and returned to the registrar's office completed one full day prior to departure for the co-curricular event.

Work lost because of any other absences may be made up only in the case of prolonged or confining illness, death of close relatives, or other similar emergency.

Excused Absence Procedure

In those rare instances in which you may be too ill to attend class, notify your head resident when

you are first aware of illness. He or she will be able to help you make the decision as to your most healthful procedure in case of illness. Whatever happens, see the school nurse who is on campus at prescribed hours each day. If you are too ill to go to the dispensary, she will call on you in your room. When you have sufficiently recovered from a severe illness to return to classes, be sure to get an excused absence slip signed by the nurse. She is the only one except the Dean of Students who can excuse from a class so that you will have the privilege of making up lost work. Excused absences should be presented to your professors immediately upon your return to their classes. All excused absence slips must be turned to the office of the dean of students.

Exam Fee

An exam fee of \$2 is charged for the privilege of taking a duly announced examination if one has a valid excuse for absence due to personal reasons other than illness.

Lost and Found

One of our great traditions is the honor of respecting the possessions of others. If you lose an article, or if you find a stray article, report to the general office. Notice of lost and found items will be posted on the bulletin board. All lost articles may be retrieved from the general office.

Hall Conduct

Students should be quiet in the halls during class hours. Any personal property left in the main halls may be retrieved in the general office upon payment of at least 5 cents for each article, books included.

Mail Call

Student mail is picked up in the alphabetically listed boxes in the foyer of the dining hall. The mail usually is distributed by 12:30 p.m. Please do not go to the office for your mail.

Telephones

Students are asked to use the dormitory telephones provided for their use for all private calls. Only college business is to be handled on college office telephones. Students shall be responsible to pay for all long distance calls which they place.

Chapel . . .

Chapel services are held each Tuesday, Wednesday, Thursday, and Friday. Attendance at chapel is a must at George Fox, and you will find the chapels to be worth the time spent in enjoying the performance of other students, excellent speakers, musical programs, occasional comedy programs, worthwhile movies, faculty programs, and participation in open chapels. Everyone sits in an as-

signed place in chapel. Chapel attendance operates somewhat differently from class attendance. A record of each chapel absence is kept by the Dean of Students and each student will be notified if he misses a chapel. If a student should miss four chapels in one semester, he will be placed on provisional status for the remainder of the semester.

A student may be reinstated to regular status provided he has maintained perfect chapel attendance from the time he was declared provisional until the end of a 3-week period. If a student should miss chapel without excuse after the 3-week period has passed, he would be declared provisional for the remainder of the current semester. If, after being declared provisional, he should continue to miss chapel excessively, at the close of the second such semester he would be asked to withdraw from college for one semester. Any student who is tardy to chapel is asked to sit in the balcony so he will not disturb other students in getting to his place. Three such tardies constitute an absence. Your chapel committee proposes to make chapel so very interesting to you that these will be known as the "great unused rules"!

We Eat . . .

Meals are served:

Breakfast

7:00-7:15 a.m.

Lunch--Cafeteria

11:30-12:30

Dinner--6:30 p.m. except Friday and Saturday when dinner is at 5:30 p.m. unless duly announced to be otherwise.

Form the ON TIME habit, for tardiness is not permitted except for emergencies. If it is necessary to be excused early from a meal, please make advance arrangements with the dining hall hostess. If it is necessary to eat early at any time, permission must be secured from the dining hall hostess.

Always introduce guests to the dining hall hostess.

Tray Service

If illness which has been reported to your head resident keeps you from the dining room for meals you may have a tray brought to your room. A tray slip signed by the head resident of your dormitory must be presented to the head cook before the beginning of the dining hall meal.

Lunches

The ordering of lunches, when it is necessary to be absent from the dining hall meals on authorized college affairs, must be cleared through the Dean of Students' office before 4 p.m. the day before the lunch is desired.

Guests

Two guest tickets each semester will be avail-

able to students who regularly eat three meals daily in the dining hall. These may be used for friends or relatives who are not enrolled at George Fox College. The tickets may be obtained from the dining hall hostess at least one half day in advance of the meal for which they are to be used. Students living off campus who desire to eat only certain meals in the dining hall must purchase meal tickets in advance in the business office.

Dining Hall Dress

Wednesday evenings and Sunday noons are designated as Guest Meals at which you are expected to dress according to the clothing charts for these occasions. T-shirts, pin curls, bandanas, slacks or jeans are not permitted at meals, except on Saturdays, and then not when guests are expected.

At Home Away from Home . . .

Certain living standards are expected of you at college. These are given to you that you may know what others expect of you. Here you must assume responsibility for your successful adjustment to new living conditions. Because college conditions differ from home situations in many instances, regulations are established and must be observed if you are to be happy and others around you are to have the happiest living experiences.

Quiet Time

Quiet time--from 7:30 to 8:00 a.m. each day is reserved for quiet meditation and devotions.

Guideposts

Below are listed general guides which will help to show you how we live in college:

If you become ill, notify your head resident. Be sure to send word to the school nurse, who is a qualified R. N.

What time should you be in the dorm?

	Girls	Boys
Week nights	10:00	10:30
Friday and Saturday nights	12:00	12:30
Sunday nights	11:00	11:30

Men students are welcome in the ladies' parlors between 4:00 and 7:30 p.m. on school days, and afternoon and evenings on weekends. On Wednesday evenings men may remain in the ladies' parlors until the time prayer meeting is to begin.

Women students living off campus will not have the privilege of entertaining men in their parlors without the presence of the designated housemother.

Dormitories should be quiet after 7:30 p.m. until 8 a.m. Monday through Thursday nights. The hours from 7:30 to 9:30 p.m. Monday through Thursday are reserved for study, with the exception of the Wednesday night student prayer meeting. No meetings should be scheduled during this time without express permission from the Dean of Students.

Only the following electrical appliances are permitted in dormitory rooms: radio, clock, record player, personal lamp, and shaver. Heating appliances, cooking appliances, and irons may not be used in rooms. Extension cords must not be used as these constitute fire hazards and are forbidden by fire regulations.

No firearms are to be brought to college or kept in dormitory rooms.

In cases where it is felt there is a beneficial program occurring during the interval of Monday through Thursday nights, clearance for attendance at such programs must be cleared through the office of Dean of Students.

Dormitory Departure

Students must receive approval from the head resident of their dormitory before going out of town at any time. Any student planning to stay away from the dorm overnight must receive permission from the head resident of his dormitory before making any final arrangements.

Men students planning to visit in the home of women students, or women planning to visit in the home of men students must have a written invitation from the host parents, written approval from one's own parents, and approval from the head residents of the students involved before any arrangements are completed for such visits. The respective deans may

grant permission for men to visit men, or women to visit other women students in the Newberg area.

Class Privileges

Freshmen and sophomores have one late leave privilege each month. This means that those taking late leaves may have the privilege of coming into the dorm one hour later than the prescribed arrival time.

Juniors and seniors are allowed two such late leave privileges each month. All requests for late leave must be cleared in advance with the head resident of the dormitory in which you live.

The Meaning of a Campus Restriction

If violation of dormitory living conditions should occur, restrictions of privileges will be imposed on those concerned. These restrictions may consist of the forfeiture of late leave privileges, or in case of severe violations, the imposition of a "campus" restriction. "Campus" restriction may be as follows:

"One day campus"--a student would remain in his dormitory on Friday night, except for the dinner hour, without any social privileges Friday from 4:00 p.m. until 4:00 p.m. Saturday. "Weekend campus"--a student would forfeit social privileges for an entire weekend extending from Friday at 4:00 p.m. through Monday morning at 8:00. All campus restrictions would be imposed the weekend following the occurrence of the infraction of dormitory regulations at the direction of the dorm head. A student who is cam-

posed over a Sunday shall be allowed to attend church services which he regularly attends.

Vacation Periods

Students must vacate all dormitories the morning immediately following the official beginning of a vacation period. On return from vacations, dormitories will be opened at 5:00 p.m. the evening preceding the morning on which classes begin. The college assumes responsibility for students immediately upon their return to the campus. The college does not assume obligation for any students during the vacation periods, therefore students will not be permitted to remain on campus during a vacation without express permission from the Administration.

Curriculum . . .

Academic Standing

Sophomore class standing is achieved with a credit hour rating of 30. Junior class standing is achieved with a credit hour rating of 62, provided the grade point average is 2.00. Senior class standing is achieved with a credit hour rating of 94. A grade point average of 2.00 is necessary to attain upper division and graduate standing.

Provisional Status

Applicants for admission to the freshman class

whose grade point average for their high school work is less than a "C" or its equivalent will be admitted with provisional standing and encouraged to demonstrate their ability to do collegiate work. The provisional status will be granted for one semester, during which time a student will demonstrate whether he is capable of remaining in college. At the end of the semester, the cumulative g.p.a. must be raised to the minimum requirement, or the student must show sufficient progress that his counselor and the Academic Standing Committee will be justified in granting an extension of the provisional period. If the grade point average for the first semester falls below 1.75, the case will be reviewed by the academic committee with recommendations to the faculty for continued provisional status or other appropriate action. Sophomores whose g.p.a. falls below 1.75 at the close of a semester will be placed on provisional status. Juniors and seniors whose g.p.a. falls below 2.00 lose upper division standing and will be classed no higher than a sophomore with provisional status until the g.p.a. is raised to the required level. Provisional status extends in all cases for one full semester.

Co-Curriculum . . .

We like to think of the activities which are carried on in addition to academic studies as being a

vital part of our curriculum. Thus an eligibility system has been devised whereby students count it an honor to participate in the various "extra" phase of college life. Freshmen and sophomores who maintain a grade point average of 1.75 and juniors and seniors who maintain a grade point average of 2.00 are those who are privileged to take part in co-curricular functions.

Eligibility...

Regular Student

Eligibility status will be checked at the close of each semester. Lower division students who fail to maintain a 1.75 g.p.a. shall be classified as provisional and automatically become ineligible to participate in co-curricular activities for the following semester, with this provision:

At the close of the first nine-week grade period of the semester for which students have been classified as provisional, they may be reinstated to eligibility status if they have maintained the required g.p.a. for the past nine-week grade period. The provisional status remains until the close of the semester.

Provisional Student

Any freshman or transfer student who enters col-

lege with a provisional status may participate in co-curricular activities for the first nine-week grade period of the semester. If he fails to attain the required g.p.a. during that grading period, he loses his eligibility status and is not allowed to participate in co-curricular activities for the remainder of the semester, or until he is classified as a regular student.

Scheduling Activities...

Most school activities should be placed on the calendar at the close of each school year. No extra-class activity is held without proper scheduling. This is the way it is done: The Student Director of Activities or the Dean of Students has an official calendar of events. Discuss your proposed event with either person; fill out a co-curricular slip for reserving dates. Be sure the slip is signed by all required authorities. Your date is reserved when it is officially recorded on the Dean of Students' calendar of events.

For formal affairs shoulderless or otherwise inappropriate evening attire is not to be worn. Your head resident or the Dean of Women will be glad to give sensible advice and help regarding the propriety of your attire.

Men should not wear T-shirts as substitutes for shirts on the campus and downtown. Levis or jeans are permissible for work, Saturdays, and outings, but not for classes, dining hall, downtown, or when visiting the ladies' parlors. Sport outfits and suits should always be neatly pressed, and appropriate shoes for all occasions should sparkle with a bright shine at all times.

Motor Vehicles...

The operation of a car by a college student should be a carefully guarded privilege. Therefore, each student bringing a car to the campus must register the car and secure a permit for the privilege of using it. Unmarried minor freshmen will not be allowed to bring cars to college and will not operate cars while enrolled as freshmen in college.

If being deprived of having a car at college causes a severe hardship in the case of a student, he may write to the president of the college stating his case. The president will make the final decision concerning his car.

If special permission should be granted, such freshmen will be expected to leave their keys with the Dean of Students, who will issue them to the student only for approved use of the car, such as returning home during vacation periods.

Registering and securing of permits to operate cars shall be cared for with the Dean of Students at the time students register for classes. Every student enrolled in the college must comply with the following if he wishes to operate a car:

- a. A valid driver's license is required.
- b. An adequate insurance, preferably 20/40, and \$5,000 property damage, must be in force.
- c. The car must be in acceptable running condition.
- d. Payment of an operating permit.

Upon proof of these conditions being acceptable each student will be issued a permit and sticker for his car.

Cars will be operated on the campus during school hours--8:00 a.m. to 7:00 p.m.--by seniors, faculty and visitors, and by sophomores and juniors only when operated in an authorized college activity.

No extensive repair work will be done by students on cars without permission from proper college authorities.

Students who find it impossible to abide by these regulations will suffer the payment of a fine. If a case of repeated violations occurs, the student will be asked to turn in his automobile keys; his car will be parked and not be driven under any circumstances for the extent of the disciplinary action.

Any self-propelled vehicle such as motor cycles and motor scooters must also come under the same regulation as cars. Freshmen should not plan to bring any motor driven vehicle to college unless permission from the president of the college is granted for you to do so.

Want to Join . . . ?

Here are the organizations with some word regarding them:

The constitutions of all student organizations are filed in the Dean of Students' office and can be secured by any student for reference.

No student organization can be formed without permission of the student council and the faculty.

Students are warned against becoming involved in too many co-curricular activities. Therefore, it is recommended that students limit themselves to the number of offices in student organizations they accept. No student should accept more than one major office, although he may participate in other minor offices while holding a major office. Membership in various clubs should also be held to a minimum.

STUDENT CHRISTIAN UNION: for furthering Christian interests; membership open to all students.

FOREIGN MISSIONS FELLOWSHIP: the George Fox College chapter of the Inter-Varsity Christian Fellowship, and open to all students interested in missionary work.

All students are assigned a faculty advisor at the beginning of the school year. These staff members are charged with the special responsibility of helping to make your college years easier. Be sure to get acquainted with your advisor and let him help you. For academic information regarding your major, feel free to talk to the department head in which you propose to major.

Health Service

The college maintains a full-time health offi-

cer who is a registered nurse. She is Mrs. Alice Ross. In the event of illness you are required to report to her at the dispensary located in Room 3 or Wood-Mar Hall. If you are too ill to go to the dispensary, your dormitory head will arrange for the nurse to visit you in your room.

Requisitions for Purchases

All purchases for any clubs or college student body organizations must be made through the use of requisition slips which may be obtained from the vice-president of ASGFC or from the recorder in the public relations office.

College Equipment . . .

The use of college equipment must always be under the direct supervision of authorized faculty sponsors. Any organization wishing to use the college truck, the panel car, or any other mechanized equipment should secure from the Dean of Students' office a permit for the use of such. This permit must be filled out and signed by the activity sponsor, and returned to the Dean of Students 2 days in advance of the anticipated time of use.

Drivers for the panel and truck must be faculty personnel, due to insurance regulations.

Organizations using the panel car pay at the rate of 7 cents per mile; any organization using the col-

lege truck will pay at the rate of 20 cents a mile. The college furnishes the gas and oil under these conditions. Persons using any college equipment for their own use are liable for damages which may be incurred.

Equipment other than the panel and truck is rented on an hourly basis.

Student Employment . . .

Requests for employment outside the college are handled through the office of the business manager. Students desiring off-campus jobs should contact him

The college helps worthy students to the extent possible within a limited budget of \$900-\$1,000 per month. Priority is given to upper division students those in greatest financial need, those who take full courses, those who owe the college more via board, room, etc., and those whose former record demonstrates their ambition, faithfulness to duty, and cooperation. Those with highest scholarship grants may receive less than others. Final decision on the distribution of labor will be made by the business manager.

Certain persons on the faculty or staff will be assigned the oversight of each building. Students are responsible to these assigned persons.

Traditions . . .

A college becomes known for the body of traditions that give it a distinct personality. These traditions are a part of the college; live up to them and enjoy a fuller college life.

4. The main dining hall is not to be used except during meal times.
5. Organizations may hold their meetings in the lounge.

Student Union . . .

The Student Union Building provides opportunity for a more central meeting place for all students. The building houses the bookstore, student council office, and publications office. The Paul Oppenlander Memorial Prayer Room is a quiet place for individuals or a group to gather for meditation and prayer. The lounge room is beautifully furnished with davenos, chairs, TV, a high fidelity record player, a baby grand piano, and magazines available for all who want to use the room for relaxation.

The junior class provides soft drink and candy dispensing machines in the concession room.

The Student Union is under the management of the Student Union Board, a group of students appointed by the student body.

QUAKER FIGHT SONG

Mrs. Connie Larson

Ross Stover

George Fox Quakers!
Give 'em a mighty yell.
After each game
We head for the victory bell.
One, two, three, four--
Count out the points we have won
Newberg will ring from the sound
As we sing of the deed we've done!

Men cheer the team: "Yea, team!"
We'll be the victors forevermore.
Coeds will scream: "Yea, team!"
Watch how we roll up the score!

George Fox Quakers
Foes will regret this day!
Play is hard, boys!
Enter right into the fray!
Show all peoples--
Show 'em our spirit and might;
Forward we drive!
Let us show we're alive
With a FIGHT! FIGHT! FIGHT!
