PREFACE

This booklet is sent to you to provide a picture of the Quaker campus. Obviously, a college education is comprised of much more than you learn in all of your books. We have outlined many traditions, standards, and privileges of George Fox College for you in such a way that from your first step onto the campus you will be able to feel at home.

We ask you to plan your activities and attitudes in the light of these standards and traditions. As you come to college, aim your ambitions toward the very highest social, spiritual, and academic goals possible.

Best wishes to you as you plan one of life's greatest experiences—going to college!

Message from the President

Dear Students:

A first-seller went under the title of "Life Begins at Forty." But for many who will read these lines, life is taking on a new dimension at seventeen or eighteen. Decisions, travel, responsibility, money, new contacts, questions—all these and more come upon you with the commencement of your college career, or continuation of it. For many of you, your coming to George Fox has added importance in its being a Christian school, with noble traditions, high standards, interest in each student. And, while college is greatly concerned with academic matters, and classes, and laboratories, you will find that it is much more.

The "much more" is considered in this Handbook. What to do and when and where, the rules of living, etiquette, traditions, and rivalry. The close observance of this Handbook will make your college life pleasant and satisfactory.

May I use this opportunity to welcome you to George Fox College. Be free to converse with me when you need, or when you do not!

Cordially yours,

Milo C. Ross, President

Student Body President's Message

The reputation of a college is often based not so much upon its buildings, faculty, or course offerings, but upon the students of which it is composed. For this reason, your enrollment at George Fox College represents both a privilege and a responsibility. You have a very definite obligation to uphold the high standards of those who have gone before and the many who will follow. You also have an obligation to yourself—to make these short years of college worthwhile.

The standards of success in college are different from those known in other circumstances. The student who is respected is the one who demonstrates a depth of purpose both in the way he masters his subject matter and in his careful selection of and enthusiastic participation in the curricular phases of college life. Attitudes are just as important as achievement. The ideal collegian is one who fits into his new surroundings, maintains a positive attitude when not everything agrees with him, and practices consistently the ideals around which his life is centered. He is concerned that he might find satisfying Christian growth and a genuine expression of his faith.

On behalf of the student government, may I extend a sincere welcome to you. May I also urge you to determine to excel academically, spiritually, and socially.

Lonny Fendall
ASGFC President

First Things . . .

George Fox College is a Christian college which has maintained through the years highest standards of Christian principles of living. You are encouraged to be consistent in maintaining these principles. Start your year right by establishing a time for daily Bible reading and prayer, for you will need the help and inspiration of this time, if you are to measure up to the standards of Christ while at college.

You will enjoy the warm spiritual atmosphere in the Newberg churches. All students are warmly welcomed at the Newberg Friends Church. Those who prefer to worship in the church of their own denomination will find a hearty welcome and concern for their spiritual welfare.

At the college church you will find excellent college age Sunday School classes and evening Christian Endeavor services.

The pastor of the Newberg Friends Church is our college pastor. He is most willing to counsel with you concerning your spiritual needs and to be your pastor away from home. You will find a friendly and spiritual atmosphere in the Sunday church services. The informal evening church hour is given to testimonies, live gospel singing, and evangelistic preaching. You will find opportunity for real Christian service in the work of the Sunday School, Christian Endeavor, Boys and Girls Clubs, or by joining our college church choir. Avail yourself of the privilege of being a faithful worshipper in both morning and evening services.

One of the mid-week highlights on our campus is the Student Prayer Meeting which is held each Wednesday evening. Don't miss it!

In line with our emphasis on highest planes of Christian living, attendance at programs inconsistent with Christian

principles is seriously discouraged. The college endeavors to furnish activities which provide for the social development of the students.

Opportunity is provided for participation in the finest cultural programs in the Portland area. Attendance at theater programs which are not consistent with Christian principles is not approved. Social dancing, the use of "playing cards," alcoholic beverages, or tobacco are not permitted by students attending George Fox College.

Information for Arrival . . .

The college administration is responsible for living arrangements for all students who will not be living in their homes. Men and women shall report immediately upon arrival to the Student Union where the student welcoming committee will direct them to their respective residence hall assignments. It is expected that all students will plan to live in campus residence halls insofar as space permits. Any arrangements to live off campus must be approved by the Dean of Students.

Get the Facts . . .

At any time if you have questions to be answered do not accept rumor in place of facts. If in doubt, go to one of the administrative officials and ask! The president, deans, registrar, bursar, or any other faculty or staff member will welcome the opportunity to help you. They know the answers, or can direct you to the one who does know. You are not bothering them when you call at one of their offices; their business is serving you.

Registration . . .

ENTRANCE TESTS

A series of entrance tests is given to freshmen and incoming transfer students. These tests are used to aid the counselors in knowing more about you so that they can serve you better. For example, the English Placement Test is used to determine the English composition course that will be best suited to your needs. The Vocational Inventory will be a means of helping you choose your vocation. Results from the Psychological Examination will be used to aid you in meeting college life more effectively.

HOW TO REGISTER

Freshmen will register in the library on Friday, September 20. After completing your booklets there and getting faculty signatures, you will proceed to the bursar's office in Wood-Mar Hall to complete financial arrangements. Sophomores, juniors, and seniors will follow the same procedure on Wednesday and Thursday, September 18 and 19.

HOW TO CHANGE REGISTRATION

Late admission to classes because of registration changes made after the close of the first week of classes must be by petition to the Academic Committee, consent of the professor involved, and payment of a \$3 fee.

HOW TO WITHDRAW

A student who wishes to withdraw from a course must secure a change-of-course form which is to be approved by the instructor involved, the registrar, and the bursar. If a course is dropped without permission, or if after the third

week, a course in which he is not doing passing work is dropped, the student shall receive a "Failure" grade. A student may not withdraw from a course after the close of the tenth week of the semester.

A student should realize that "quitting" does not constitute a withdrawal from college. He is required to inform the registrar of his withdrawal from the college, and to fill out the withdrawal forms furnished by the registrar's office. Unless this is done, the student may forfeit his right to clear transcript of credits and honorable dismissal.

HOW MANY HOURS TO TAKE

Lower division students who are taking PE may register for 17 hours, but other than these take it easy, make good grades with 16 hours, which is the normal load, rather than try to take the entire schedule.

HOW TO PETITION FOR EXTRA HOURS

All students who wish to take extra hours may petition the faculty to do so if they have a grade point average of 3 or above. Petition blanks for this purpose are obtainable in the registrar's office.

THE MEANING OF COURSE NUMBER AND SEMESTER HOURS

A semester hour is the same as one unit of credit, which is a 50-minute class session once each week for 18 weeks. Except for certain science and laboratory courses a 2-hour course meets twice each week, a 3-hour course three times each week, etc.

Courses are numbered in four series—100's, 200's, 300's, and 400's. The 100 series is designated primarily for freshmen, the 200 series for sophomores, the 300's for juniors, and the 400's for seniors. The 100 and 200 series

are lower division, and the 300 and 400 series upper division. Any lower division student will be apt to take courses from both the 100 and 200 series. Students are not permitted to take courses from the series more than one level above his current status. Upper division students should not be taking courses in the 100 and 200 series.

GRADING SYSTEM

You are issued grades each nine weeks during each semester. These are given in order for you to know how well you are doing in your courses. Here is a word about the grades given and what they mean:

"A" grade represents the completion of all assigned work; the student's initiative has been pronounced and additional work, as reading, reports, or investigation, has been accomplished. Active interest has continued throughout the course. Attendance has been excellent. Class participation has been spontaneous and stimulating to other members of the class.

"B" grade represents the completion of all assigned work. Initiative has been shown in much classwork. Interest has been enthusiastic and demonstrated by prompt attendance. Class participation has been active and stimulating.

"C" grade represents the completion of all classwork. Initiative has been excellent at times. Interest and class participation have manifested a sincere desire for a thorough understanding of the course.

"D" grade represents the completion of most classwork. A comprehensive knowledge of the course has been attained, some areas need further study. Interest and attendance have been good throughout the course.

"F" grade represents the inadequate understanding and lack of preparation in some areas of the course work.

"WF" grade indicates that a student withdrew from a class with a failing grade in the class.

"WP" grade indicates that a student withdrew from a class with a passing grade.

GRADES AND SCHOLARSHIPS

Each student who receives a scholarship must maintain a minimum grade point average of 2.5 to receive the benefit of the scholarship for the following semester. Scholarship benefits shall be cancelled at the close of any semester in which the recipient's grade point average falls below 2.5.

FINANCE AND FINALS

No student shall be allowed to receive the results of any of his final semester examinations until he has completed satisfactory financial arrangements for the payment of his college bill, including obligations for the current semester.

CLASS ATTENDANCE

The responsibility rests with the student to maintain good standards involving satisfactory scholarship. Regular class attendance is expected of each student in all courses. Professors set individual standards for achievement in their respective courses, and notify students of these requirements. Students should be present and prepared for daily participation in class discussions and quizzes, and well prepared for all exams. All projects should be completed according to established deadlines.

Permission to be absent from class for participation in co-curricular activities must be granted by the Dean of Students. In order to secure this permission get from the regi-

strar's office an ADVANCED ASSIGNMENT SLIP. He will record the dates you are to be absent from the class with the reason for the absence. Then you record the classes you will be missing and get the assignment for each of those classes from the respective professors. When the work is complete, the professor will sign your Advanced Assignment Slip. After securing the signature of each professor involved, turn the slip to the registrar's office. Such permission must be requested one week in advance of the anticipated activity, and returned to the registrar's office completed one full day prior to departure for the co-curricular event.

Work lost because of any other absences may be made up only in the case of prolonged or confining illness, death of close relatives, or other similar emergency.

EXCUSED ABSENCE PROCEDURE - ILLNESS

In those rare instances in which you may be too ill to attend class, notify your head resident, when you are first aware of illness. He or she will be able to help you make the decision as to your most healthful procedure. Whatever happens, see the school nurse who is on campus at prescribed hours each day. If you are too ill to go to the dispensary, she will call on you in your room. Before returning to classes, be sure to get an excused absence slip signed by the nurse. She is the only one except the Dean of Students who can excuse from a class so that you will have the privilege of making up lost work. Excused absences should be presented to your professors immediately upon your return to their classes. All excused absence slips must be turned to the office of the Dean of Students to receive excused Chapel Permit.

EXAM FEE

An exam fee of \$5 is charged for the privilege of taking a duly announced examination, if one has a valid excuse for absence due to personal reasons other than illness.

LOST AND FOUND

One of our great traditions is the honor of respecting the possessions of others. If you lose an article or if you find a stray article, report to the Dean of Students. Notice of lost and found items will be posted on the bulletin board. All lost articles may be retrieved from the Dean of Students.

HALL CONDUCT

Students should be quiet in the halls during class hours. Any personal property left in the main halls may be retrieved in the general office upon payment of at least 5 cents for each article, books included.

MAIL CALL

Student mail is picked up in the alphabetically listed boxes in the foyer of the dining hall and from the office in Penninghall Hall for students who live there.

TELEPHONES

Students are to use the residence hall telephones provided for their use for all private calls. Only college business is to be handled on college office phones. Business telephones will be in each of the campus residence halls, and students living in the respective halls will be responsible for all outstanding telephone bills. This amount will be pro-rated among the students in each resident hall if individuals fail to make payment for long distance calls placed.

Chapel . . .

Chapel services are held each Tuesday, Wednesday, Thursday, and Friday. Attendance at chapel is a must at George Fox, and you will find the chapels to be worth the time spent in enjoying the performance of other students, excellent speakers, musical programs, occasional comedy programs, worthwhile films, faculty programs, and participation in open chapels. Everyone sits in an assigned place in chapel. Chapel attendance operates somewhat differently from class attendance. A record of each chapel absence is kept by the Dean of Students, and each student will be notified if he misses a chapel. If a student should miss four chapels in one semester, he will be placed on probationary status for the remainder of the semester.

A student may be reinstated to eligibility status provided he has maintained perfect chapel attendance from the time he was declared probational until the end of a 3-week period. If a student should miss chapel without excuse after the 3-week period has passed, he would be declared provisional for the remainder of the current semester. If, after being declared provisional, he should continue to miss chapel excessively, at the close of the second such semester he would be asked to withdraw from college for one semester. Be on time for the beginning of each chapel so that others will not be disturbed because of your tardiness. Three tardies constitute an absence. Your chapel committee proposes to make chapel so very interesting to you that you will want to be present at each chapel.

At Home Away from Home . . .

Certain living standards are expected of you at college. These are given to you that you may know what others ex-

pect of you. Here you must assume responsibility for your successful adjustment to new living conditions. Because college situations differ from those at home in many instances, regulations are established and must be observed if you are to be happy and others around you are to have the happiest living experiences. Some basic principles guide all decisions made in relation to our manner of living on a Christian college campus. Every decision shall be based upon those principles which enhance our testimony as consistent Christians.

BASIC PRINCIPLES

Students shall govern their activities in matters of residence hall living, adherence to established college regulations, obedience to those in authority, relations with those of the opposite sex in peer groups, choices of amusements and entertainment in accordance with college authorities' interpretation of Christian standards as they relate to our social setting.

The pledge each student signs stating that he will abide by college regulations shall be given as a serious commitment to a policy of willingness to relegate personal feelings and rights to a standard of submission to college regulations which will benefit the entire college community.

Observance of all college regulations shall be given in a spirit of Christian cooperation.

Expressions of complaint or concern about any regulation shall be presented to the Campus Relations Committee as constructive criticism. This shall be the proper procedure for action on matters about which there is disagreement or concern for changes which are being made.

At all times students shall strive to maintain attitudes and standards of conduct which will be consistent with highest ideals of Christian living.

CAMPUS RELATIONS COMMITTEE

College students feel the responsibility for making decisions, and yet realize the need for careful guidance in governing themselves. In order to help meet these needs the Campus Relations Committee has been organized. This committee is responsible for its actions to the college administration through the Dean of Students, Dean of Women, and various head residents.

The committee shall be composed of students chosen as follows: three students from the senior class, two from the junior class, two from the sophomore class, and one from the freshman class. At least one of the senior students chosen must be an off-campus resident to represent the commuting students. Faculty representation on the committee shall consist of the Dean of Students, Dean of Women, Dean of Men, and a faculty representative.

The chairman of the committee shall be a student chosen by members of the committee.

The functions of the committee shall consist of hearing suggestions, complaints, recommendations; making recommendations to the administration, faculty or student government; establishing campus regulations in those matters which fall within its jurisdiction; administering disciplinary action, with the exception of cases which require probation or suspension from college, or cases of such nature that they should be handled by the Dean of Students or other administrators.

The committee shall meet on the second and fourth Tuesdays of each month between 7 and 8 p. m.

RESIDENCE HALL COUNCILS

In each residence hall there shall be a council to aid in the administration of each of the residence halls. Each council shall consist of the head resident, proctors, and

elected representatives from each living area within the hall. The representatives shall be elected by the students in the residence hall and shall outnumber by at least two the number of proctors and head residents on the council.

Each council shall aid in establishing residence hall regulations for their own hall in accordance with general regulations.

Each council shall administer disciplinary actions, consider suggestions and complaints, and make recommendations to the proper authorities.

Guideposts . . .

QUIET TIME

Set aside time each day for Bible study, prayer, and meditation. You will need this, and dividends result spiritually, socially, and mentally.

SPACE LIMITS

Resist the temptation to bring non-essential things with you to college. Bring only the items of clothing as designated in the clothing charts on pages 24 and 25. Only the following electrical appliances are permitted in residence hall rooms: personal clock, radio, record player, electric blankets, shaver, hair dryer. Heating appliances, cooking appliances, and irons are not to be used in the rooms. Extension cords constitute fire hazards and are forbidden by fire regulations. Firearms are not to be brought to college.

IN AND OUT

Students are expected to observe the following schedule of residence hall hours:

Sunday through Thursday:	10:30 p. m.
doors are closed	
Friday and Saturday:	12:00 midnight
doors are closed	

Students must sign out as to destination and the time of return before going out of town at any time. Any student planning to stay away from the dorm overnight must receive permission from the head resident of his dormitory before making any final arrangements.

Freshmen and sophomores have one late leave privilege each month. This means that those taking late leaves may have the privilege of coming into the dorm one hour later than the prescribed arrival time.

Juniors and seniors are allowed two such late leave privileges each month. All requests for late leave must be cleared in advance with the head resident of the dormitory in which you live.

STUDY AND QUIET HOURS

Residence halls are to be quiet for study after 7:00 p. m. until 8:00 a. m. Monday through Thursday. The hours from 7:00 p. m. to 9:00 a. m., Monday through Thursday are reserved for study, with the exception of the Wednesday night student prayer meeting.

MEETINGS AND PROGRAMS

In cases where it is felt that there is a beneficial program occurring during the interval between Monday and Thursday nights, clearance for attendance at such programs must be cleared through the office of Dean of Students. No meetings shall be scheduled during this time without express permission from the Dean of Students.

VISITS AND VISITORS

Students are welcome in residence hall parlors between 4:00 and 7:00 p. m. on class days and afternoons and evenings on weekends. On Wednesday evenings men may remain in the ladies' parlors until the time for prayer meeting to begin.

Students living in off-campus housing shall not entertain those of the opposite sex in their parlors without the presence of the designated head resident.

Men students planning to visit in the home of women students, or women planning to visit in the home of men students must have a written invitation from the host parents, written approval from one's own parents, and approval from the head residents of the students involved before any arrangements are completed for such visits. The respective deans may grant permission for men to visit men, or women to visit other women students in the Newberg area.

The college does not assume obligation for any students during the vacation periods; therefore, students will not be permitted to remain on campus during a vacation without express permission from the Administration.

We Eat . . .

Meals are served:

Breakfast—Monday through Friday,	7:00-7:15 a. m.
Saturday and Sunday	7:30-7:45 a. m.
Lunch—Cafeteria	
Monday through Friday,	11:30-11:45

Dinner—6:00 p. m. except Friday and Saturday when dinner is at 5:30 p. m. and Sunday when the evening meal is served at 5 p. m.

Form the ON TIME habit, for tardiness is not permitted except for emergencies. If it is necessary to be excused early from a meal, please make advance arrangements with the dining hall hostess. If it is necessary to eat early at any time, permission must be secured from the Dean of Students.

TRAY SERVICE

If a student is ill, his or her roommate should secure a trap slip signed by the head resident of the residence hall. This must be presented to the head cook before the beginning of the dining hall meal so a tray may be brought to the ill student.

LUNCHESES

The ordering of lunches, when it is necessary to be absent from the dining hall meals on authorized college affairs, must be cleared through the Dean of Students' office before 4 p. m. the day before the lunch is desired.

GUESTS

Two guest tickets each semester will be available to students who regularly eat three meals daily in the dining hall, and whose board bill is paid to date. These may be used for friends or relatives who are not enrolled at George Fox College. The tickets may be obtained from the dining hall hostess at least one half day in advance of the meal for which they are to be used. Students living off campus who desire to eat only certain meals in the dining hall must purchase meal tickets in advance in the business office.

DINING HALL DRESS

Wednesday evenings and Sunday noons are designated as Guest Meals at which you are expected to dress according to the clothing charts for these occasions. Approved campus attire is expected for all other meals.

Clothing Clues . . .

Students are expected to cooperate in maintaining highest standards of propriety and modesty in attire worn for all occasions. Collegiate standards of dress shall be given consideration in all choices of attire to be worn.

Formal gowns shall be of modest cut and design approved by the Dean of Women. Dinner dresses, classroom dresses, skirts and blouses shall meet those standards of collegiate attire as approved by the Dean of Women. Suits, slacks and shirts, and all classroom apparel for men shall meet established standards as approved by the Dean of Men. Casual wear, such as capris, peddle pushers, slacks, T-shirts, Bermuda shorts, and blue denim levis shall be reserved for appropriate occasions as outlined in a later paragraph.

All attire at all times should guarantee neat appearance. Hem lines shall not be above knee length. Clothes shall be sufficiently loose in fit and so designed to conform to the standards of modesty desired on the George Fox College campus. Bermuda shorts, or any other kind of shorts, shall be of a length approaching the knee.

Casual sport clothes dubbed "grubbies" denote such apparel as blue denim levis, Bermuda shorts, capri trousers, T-shirts, slacks, etc. Such clothes worn by George Fox students must meet acceptable standards of modesty, propriety, and neatness. Grubbies may be worn on Fri-

days from 1:00 p. m. through Saturday with the following restrictions:

No grubbies may be worn in classrooms, laboratories, library, administration building, or dining hall. (Exception: Grubbies may be worn to meals on Friday evenings and to meals on Saturdays.) No grubbies are to be worn on weekends when pre-announced guests are on campus. Classroom attire is proper for weekends when guests are on campus.

The deans and/or head residents shall advise as to the propriety of all clothes and shall have jurisdiction to govern the decisions as to the suitability of clothes to be worn. They shall insist that inappropriate clothes not be worn under any circumstances.

(See pages 24 and 25 for "Clothing Clues" charts)

Dating "Do's" . . .

To insure the happiest and most exciting experiences in dating, it is suggested that men and women plan to meet each other primarily only on special occasions and make each date an interesting and somewhat different experience. It is said that familiarity breeds contempt! Students shall at all times conduct themselves in relation to members of the opposite sex in a manner conducive to the development of finest Christian relationships. Students shall refrain from embracing members of the opposite sex in any public place on or off campus. In their courtship behavior in private, students shall refrain from actions which would lead to temptation, or which would be a hindrance to the Christian experience or testimony of either person. Remember: The person you date may become your spouse!

Curriculum . . .

ACADEMIC STANDING

Sophomore class standing is achieved with a credit hour rating of 30. Junior class standing is achieved with a credit hour rating of 62, provided the grade point average is 2.00. Senior class standing is achieved with a credit hour rating of 94. A grade point average of 2.00 is necessary to attain upper division and graduate standing.

PROVISIONAL STATUS

Applicants for admission to the freshman class whose grade point average for their high school work is less than a "C" or its equivalent will be admitted with provisional standing and encouraged to demonstrate their ability to do collegiate work. The provisional status will be granted for one semester, during which time a student will demonstrate whether he is capable of remaining in college. At the end of the semester, the cumulative g.p.a. must be raised to the minimum requirement, or the student must show sufficient progress that his counselor and the Academic Standing Committee will be justified in granting an extension of the provisional period. If the grade point average for the first semester falls below 1.75, the case will be reviewed by the Academic Committee with recommendations to the faculty for continued provisional status or other appropriate action. Sophomores whose g.p.a. falls below 1.75 at the close of a semester will be placed on provisional status. Juniors and seniors whose g.p.a. falls below 2.00 lose upper division standing and will be classed no higher than a sophomore with provisional status until the g.p.a. is raised to the required level. Provisional status extends in all cases for one full semester.

GEORGE FOX COLLEGE—Concluded.

Where we gained our store of knowl-edge, In her halls of hon-or's fame.

And we'll al-ways in this man-ner To our moth-er school be true,

A rousing effect can be obtained in the chorus by having all voices sing the melody.

Co-Curriculum . . .

We like to think of the activities which are carried on in addition to academic studies as being a vital part of our curriculum. Thus, an eligibility system has been devised whereby students count it an honor to participate in the various "extra" phases of college life. Freshmen and sophomores who maintain a grade point average 1.75, and juniors and seniors who maintain a grade point average of 2.00 are those who are privileged to take part in co-curricular functions.

Eligibility . . .

REGULAR STUDENT

Students must be enrolled in at least 12 semester hours to be eligible for participation in any co-curricular activity.

Eligibility status will be checked at the close of each 9-week grade period. Lower division students who fail to maintain a 1.75 GPA shall be classified as ineligible to participate in co-curricular activities for the following 9-week grade period, or until a satisfactory GPA is attained. Upper division students must maintain a 2.00 GPA to remain eligible for co-curricular participation based on 9-weeks grades.

PROVISIONAL STUDENT

Students who enter a semester on provisional status are not eligible for co-curricular participation until they have attained the necessary GPA at the close of a 9-week grading period. However, change from provisional to regular status is based only on semester grades and is in force for the duration of a semester.

Scheduling Activities . . .

Most school activities should be placed on the calendar at the close of each school year. No extra-class activity is held without proper scheduling. This is the way it is done: The Student Director of Activities or the Dean of Students has an official calendar of events. Discuss your proposed event with either person; fill out a co-curricular slip for reserving dates. Be sure the slip is signed by all required authorities. Your date is reserved when it is officially recorded on the Dean of Students' calendar of events.

Motor Vehicles . . .

The operation of a car by a college student should be a carefully guarded privilege. Therefore, each student bringing a car to the campus must register the car and secure a permit for the privilege of using it. Unmarried minor freshmen will not be allowed to bring cars to college and will not operate cars while enrolled as freshmen in college.

If being deprived of having a car at college causes a severe hardship in the case of a student, he may write to the president of the college stating his case. The president will make the final decision concerning his car.

Registering and securing of permits to operate cars shall be cared for with the Dean of Students at the time students register for classes. Every student enrolled in the college must comply with the following if he wishes to operate a car:

- a. A valid driver's license is required.
- b. An adequate insurance, preferably 20/40, and \$5,000 property damage, must be in force.
- c. The car must be in acceptable running condition.

d. Payment of an operating permit.

Upon proof of these conditions being acceptable each student will be issued a permit and sticker for his car.

Faculty and visitors are those who are privileged to drive cars through the crescent drive to Wood-Mar Hall. Students are provided ample parking space in Pennington Hall parking area and on streets adjacent to the campus. It is urgently requested that students not park in front of homes facing streets surrounding the campus.

No extensive repair work will be done by students on cars without permission from proper college authorities.

Students who find it impossible to abide by these regulations will suffer the payment of a fine. If a case of repeated violations occurs, the student will be asked to turn in his automobile keys; his car will be parked and not be driven under any circumstance for the extent of the disciplinary action.

Any self-propelled vehicle such as motor cycles and motor scooters must also come under the same regulation as cars. Freshmen should not plan to bring any motor driven vehicle to college.

Want to Join . . . ?

Here are the organizations with some word regarding them:

The constitutions of all student organizations are filed in the Dean of Students' office and can be secured by any student for reference.

No student organization can be formed without permission of the student council and the faculty.

Students are warned against becoming involved in too many co-curricular activities. Therefore, it is recommended that students limit themselves to the number of offices in

student organizations they accept. No student should accept more than one major office, although he may participate in other minor offices while holding a major office. Membership in various clubs should also be held to a minimum.

STUDENT CHRISTIAN UNION: for furthering Christian interests; membership open to all students.

FOREIGN MISSIONS FELLOWSHIP: the George Fox College chapter of the Inter-Varsity Christian Fellowship, and open to all students interested in missionary work.

The **FOX MEN** is composed of those men students who have earned a letter in a major sport and have been voted into membership.

The **GOLD "Q"** is open to women who have won two letters in major sports and have been voted into membership.

PI GAMMA SIGMA HONOR SOCIETY is composed of those students who have earned a GPA of 3.4 or more and are selected for membership.

DELTA PSI OMEGA functions with the dramatics department and is open to those who participate in dramatic productions, either acting in major roles, staff or stage work, writing plays, or performing sufficiently in minor roles.

STUDENT EDUCATION ASSOCIATION is open to all those who are preparing to be teachers.

SCRIBBLERS CLUB: for the purpose of stimulating creative writing and literature appreciation, is open to upper division English majors.

THE MUSIC GUILD is the newly formed music organization which proposes to further an interest in the knowledge of music on the campus. Membership is open to those students who are seriously interested in participating in musical functions.

THE CIRCLE K CLUB is the college chapter of the local Kiwanis service club and is affiliated with Kiwanis nation-

ally. The purpose of the organization is to develop responsibility in service on the campus and in the community. Membership is by invitation.

ATHENIANS is open to membership from among past and present members of the philosophy classes. They meet for philosophical discussions.

STUDENT MINISTERIAL ASSOCIATION is composed of all students planning to enter the ministry or other full time service in the church.

Student Government . . .

The Associated Students of George Fox College handle all matters of student government and finances. A great deal of work is done by the Student Council and its committees.

Meetings of the Council, which is composed of student officers and elected class representatives, are held each week with the faculty advisor.

This year's officers:

President	Lonny Fendall
Vice President	Don Chitwood
Secretary	Karen Flickenger
Treasurer	Brian Beals
Crescent Editor	Ron Stansell
L'Ami Editor	Alice Hampton
Director of Student Activities	Dick Foster
Director of Publicity	Charlene Schlottman
Chief Justice of the Supreme Court	Alvin Wilkins

Counseling and Guidance . . .

A student guidance committee is in charge of all counseling and guidance. Arrangements will be made for each

student to have opportunity for discussing test results or any other matters with the members of the guidance committee.

All students are assigned a faculty advisor at the beginning of the school year. These staff members are charged with the special responsibility of helping to make your college years easier. Be sure to get acquainted with your advisor and let him help you. For academic information regarding your major, feel free to talk to the department head in which you propose to major.

HEALTH SERVICE

The college maintains a health officer who is a registered nurse. In the event of illness you are required to report to her at the dispensary located in the infirmary area of Pennington Hall. If you are too ill to go to the dispensary, your head resident will arrange for the nurse to visit you in your room.

REQUISITIONS FOR PURCHASES

All purchases for any clubs or college student body organizations must be made through the use of requisition slips which may be obtained from the vice-president of ASGFC or from the recorder in the registrar's office.

College Equipment . . .

The use of college equipment must always be under the direct supervision of authorized faculty sponsors. Any organization wishing to use the college truck, the panel car, or any other mechanized equipment should secure from the Dean of Students' office a permit for the use of such. This permit must be filled out and signed by the activity spon-

sor, and returned to the Dean of Students 2 days in advance of the anticipated time of use.

Drivers for the panel and truck must be faculty personnel, due to insurance regulations.

Organizations using the panel car pay at the rate of 7 cents per mile; any organization using the college truck will pay at the rate of 20 cents a mile. The college furnishes the gas and oil under these conditions. Persons using any college equipment for their own use are liable for damages which may be incurred.

Equipment other than the panel and truck is rented on an hourly basis.

Student Employment . . .

Requests for employment outside the college are handled through the office of the Dean of Students. Students desiring off-campus jobs should contact him.

The college helps worthy students to the extent possible within a limited budget of \$900-\$1,000 per month. Priority is given to upper division students, those in greatest financial need, those who take full courses, those who owe the college more via board, room, etc., and those whose former record demonstrates their ambition, faithfulness to duty, and cooperation. Those with highest scholarship grants may receive less than others. Final decision on the distribution of labor will be made by the business manager.

Certain persons on the faculty or staff will be assigned the oversight of each building. Students are responsible to these assigned persons.

Traditions . . .

A college becomes known for the body of traditions that give it a distinct personality. These traditions are a part of the college; live up to them and enjoy a fuller college life.

SENIOR PRIVILEGES

1. Only seniors may pick flowers or shrubs; they are also responsible for the proper care of the rose garden.
2. Applause in chapel is to originate with the seniors; and classes are to leave chapel according to class, beginning with the seniors.
3. The seniors are to have first choice in the election of a faculty sponsor; then juniors, sophomores, and freshmen.
4. Only senior men may appear on the campus with a mustache or beard.
5. Seniors are permitted a "Sneak" day under the guidance of their advisor.
6. Seniors are the only students who are permitted to drive or park in the "crescent drive."

JUNIORS

1. Juniors are responsible for all money concessions.
2. Any fund-raising projects must have junior class approval.
3. They also decorate for baccalaureate and commencement and designate one man and one woman from their class to lead the procession on these two occasions.

SOPHOMORES

take the initiative in welcoming the freshmen in cooperation with the Foxmen and the Gold Q clubs.

FRESHMEN

are responsible for campus clean-up preceding Homecoming Day.

INTER-CLASS RIVALRY

An intra-mural program will be carried out with competition between the classes in various activities. This program is climaxed with an OLD GOLD AND NAVY BLUE DAY, at which time all classes compete in a field day.

PUBLICATIONS

CRESCENT is the official newspaper issued every other Friday. One copy to a student.

L'AMI yearbook is issued during the summer, giving the story of the school year through pictures and brief writeups.

TRADITIONAL DAYS

All planning for traditional days is carried out by students and faculty.

HOME COMING is observed on Saturday, November 9. It is a special day for welcoming home the grads and friends of the college. A special program is held in the morning, and a football game in the afternoon. A banquet in the evening is followed by a dramatic presentation.

VALENTINE'S DAY is remembered by a formal party in the dining hall, climaxed by the crowning of the King and Queen of Hearts.

CHRISTMAS is commemorated with a formal banquet and appropriate program.

MAY DAY, celebrated on Saturday, May 2, is one of the great traditions of the campus. Breakfast is served to the public. Parade, luncheon, crowning

of the Queen, winding of the Maypole, baseball game, an evening meal, and a musical program constitute the events of the day.

TRADITIONAL EVENTS

The Faculty Reception is held on the first Friday night of the school year. This informal evening is in honor of the new students.

THE STUDENT CHRISTIAN UNION sponsors big and little brother and sister activities and party in welcoming new students to the campus.

A SPORT BANQUET is given in honor of the athletic teams.

THE A CAPPELLA CHOIR has a spring banquet. All students are honored at the BIRTHDAY DINNER each spring, with recognition of each calendar month. CLASS PARTIES are held infrequently during the year which, combined with the special events, games and organization meetings, offer a variety of situations for development of social experience and relaxation from classes.

Remember--Get Facts . . .

If you have questions to be answered at any time, do not accept rumor in place of facts. If in doubt, go to one of the administrative officials and ask! The president, dean, registrar, bursar, or any other faculty or staff member will welcome the opportunity to help you. They know the answers, or can direct you to the one who does know. You are not bothering them when you call at one of their offices; their business is serving you.

Student Union . . .

The Student Union Building provides opportunity for a more central meeting place for all students. The building houses the bookstore, student council office, and publications office. The Paul Oppenlander Memorial Prayer Room is a quiet place for individuals or a group to gather for meditation and prayer. The lounge room is beautifully furnished with davenos, chairs, TV, a high fidelity record player, a baby grand piano, and magazines available for all who want to use the room for relaxation.

Soft drinks, ice cream, candy and some school supplies are provided in the concession room.

The Student Union is under the management of the Student Union Board, a group of students appointed by the student body.

The responsibility rests on each student to observe all regulations concerning the building to see that it is kept as a beautiful campus center.

Quaker Fight Song

Mrs. Connie Larson

Ross Stover

George Fox Quakers!
Give 'em a mighty yell.
After each game
We head for the victory bell.
One, two, three, four—
Count out the points we have won
Newberg will ring from the sound
As we sing of the deed we've done!

Men cheer the team: "Yea, team!"
We'll be the victors forevermore.
Coeds will scream: "Yea, team!"
Watch how we roll up the score!

George Fox Quakers
Foes will regret this day!
Play is hard, boys;
Enter right into the fray!
Show all peoples—
Show 'em our spirit and might;
Forward we drive!
Let us show we're alive
with a FIGHT! FIGHT! FIGHT!
