Bruins Win District Championship

The George Fox College Bruins captured the 1991 NAIA District 2 Championship with a 3-2 victory over the Linfield College Wildcats. The Bruins went 4-0 in the tournament to grab their first district title in school history. Bruin outfielder Sean Bahrt hit a home run in the bottom of the eighth inning to give GFC the crown. Pitchers Rob Oliver and J.R. Cock and outstanding defense held the Wildcats in check until relief man Vinnie Dejoia came on in the last inning to strike out Wildcat catcher Mike Cavanaugh for the

final out to preserve the victory. The win assured the Bruins a berth in the regional tournament in Azusa, California with Azusa Pacific University, Whitworth College and Hawaii Pacific College. The district title was garnered by the Bruins because of Coach Pat Casey's club's outstanding team effort on offense, defense, and pitching. The Bruins reached the finals with wins of 15-5 over Pacific University, 11-2 over Concordia College, and 7-1 over College of Idaho.

Curtis and Margaret Morse Complex: Home of the Bruins

All Bruin home games are played at the Morse Athletic Complex located on Fulton Street across from Wheeler Sports Center in Newberg, Ore. A donation from Curtis and Margaret Morse in February, 1989, provided a complete renovation of the baseball field. New dugouts and a press box were completed in the summer of 1989. The new concrete dugouts were built by VOW (Volunteers on Wheels). The Morse donation also provided for total renovation of the women's softball field and a new playing surface for the men's soccer team. The facility continues to improve yearly and Smurfit Newsprint donated all lumber for a new indoor hitting facility located in the northwest area of the complex. The field dimensions are 335 feet down the left field line, 375 feet in the left center field alley, 400 to straight away center, 370 in right center and 330 down the right field line.

Athletic Director Craig Taylor

Craig Taylor is in his fourth year as George Fox College Athletic Director, but he has been associated with the Bruins for 18 years as player, coach, and professor.

The AD has been coach of GFC's women's basketball teams since 1981 when he rejoined the coaching and PE staff after two years with a sporting goods retailing firm. From 1976 through 1979 Taylor was the Bruin baseball coach while also serving as assistant basketball coach.

Taylor, associate professor of physical education, coached Lady Bruin softball from 1981 to 1988, then resumed in 1990 with a 8-17-1 season.

Taylor, 40, came to George Fox in 1971 as a junior forward for the men's basketball team. In 1972-73 he helped the Bruins to the NAIA District 2 basketball title, the only GFC team to represent the district in the NAIA national basketball tournament in Kansas City until 1990.

Taylor graduated from George Fox in 1974, named both Outstanding Man in Teacher Education and Outstanding PE Major. He received a master of science degree in education from Linfield College in 1975. While enrolled in graduate courses he was a residence hall director at GFC, in that position for three years. Currently he is in a doctoral degree program at Oregon State University.

As softball coach he directed his teams to a 91-86-1 record and in 1985 he was named NAIA District 2 Coach of the Year for softball. He has coached the Lady Bruins in basketball to a 136-121 record.

Taylor is a member of the NAIA District 2's Executive Committee, serving since 1985.

At George Fox the athletic director is responsible for athletic department functions, including eligibility and compliance with GFC and NAIA regulations, budgeting, and department and sports center management.

About George Fox College

George Fox College, beginning its second century, is one of America's best colleges. Three times it has been given that designation by U.S. News & World Report magazine. In 1991 GFC was ranked third in academic reputation among Western Regional Liberal Arts Colleges, including colleges and universities from Oklahoma to Hawaii.

This year, for the third time, the College was named to the Templeton Foundation Honor Roll of Character Building Colleges, the only Oregon college selected and one of 108 in the United States.

The 60-acre rural, tree-shaded campus a half-hour drive from Portland has undergone major expansion in the last few years with 12 new buildings constructed. The latest of the major new facilities is the M.J. Murdock Learning Resource Center, dedicated in 1989. The other new buildings include the home of the Bruins, the 55,000-square-foot Coleman Wheeler Sports Center, the Herbert Hoover Academic Building and two residence halls, all opened in 1977; the Ross Fine Arts Center opened in 1978; a new television center; an expanded Heacock Commons/Student Union building; and the William and Mary Bauman Chapel Auditorium, opened in 1982. In 1990 the College opened the Curtis and Margaret Morse Athletic Fields, containing a baseball field, softball field, and soccer field.

George Fox students come from 21 states and 16 foreign countries. College enrollment is a record 1,222.

GFC Athletics

Intercollegiate athletics is an integral part of the overall education program at George Fox. Men's varsity athletic teams represent the College in baseball, basketball, track, cross country, and soccer. Women students compete in volleyball, basketball, track, softball, soccer, and cross country.

George Fox College competes as an independent on the varsity level. Its schedules are coordinated with the Northwest Conference and with other independents in the Northwest. George Fox is a member of the National Association of Intercollegiate Athletics (NAIA), District 2, and in some sports, the National Christian College Athletic Association, Region 8. For students not participating in the varsity program, GFC has a complete intramural program including flag football, basketball, volleyball, softball, racquetball, and tennis.

Athletic facilities include the Coleman H. Wheeler Center for Sports and Physical Education; Colcord Field, which includes an all-weather rubberized track; tennis courts; and the Curtis and Margaret Morse Athletic Fields complex containing baseball diamond, softball field, soccer field, and archery range. The Morse complex dedication was in February 1989.

Wheeler Center, completed in 1977 in a \$2.7 million project, includes the James and Lila Miller Gymnasium with three basketball courts and seating for up to 2,500; multipurpose, class, and weight rooms; faculty and administrative offices; handball courts; dressing and therapy rooms.

Pat Casey
Head Baseball Coach
(University of Portland)
George Fox College, 5th year

Since Pat Casey arrived at George Fox College, the Bruins have done nothing but win, something they had never experienced before in their NAIA baseball program. Casey gave the school its first winning season during his first year as head coach, along with a division championship. The Bruins have won four straight Metro-Valley championships and have an impressive 81-31 NAIA record during those 4 seasons. The Bruins have taken on a major college schedule, playing nearly every Pac-10 school and spending the spring break in California playing NCAA schools. Hard work and discipline are the ingredients Casey hopes will make the players winners on and off the field. That same hard work has earned Casey three consecu-

tive Coach of the Year honors in the Metro-Valley conference, and NAIA District 2 Coach of the Year.

Casey starred in football, basketball and baseball at Newberg HS. He then went on to the University of Portland, playing three seasons with the Pilots, breaking several school records. He was an All-Conference player each of his three seasons. As a junior he was drafted by the San Diego Padres and played five seasons in that organization before being traded to the Seattle Mariners where he spent two seasons in the Pacific Coast League in Calgary and later with the Portland Beavers. Pat and his wife Susan have two sons, Jonathan and Brett, and a daughter, Elie.
