Preface

This booklet is sent to you to provide a picture of the Quaker campus. Obviously, a college education is comprised of much more than you learn in all of your books. We have outlined many traditions, standards, and privileges of George Fox College for you in such a way that from your first step onto the campus you will be able to feel at home.

We ask you to plan your activities and attitudes in the light of these standards and traditions. As you come to college, aim your ambitions toward the very highest social, spiritual, and academic goals possible.

Best wishes to you as you plan one of life's greatest experiences—going to college!

Message from the President

Dear Student:

I hate to classify you—but you fall into three groups: returning students, incoming transfers, and new freshmen. To one and all, I extend a hearty welcome to "the good old Quaker college." I reflect in this welcome the goodwill of the Board of Trustees and the Administration, as well as the entire Faculty.

The new year bids fair to be even more rewarding and challenging than any previous one. One reason for this is in your being here. Another reason is in the very proficient additions to the faculty and staff. A third reason is simply in the expanding opportunities for learning with which you will be surrounded. But an important reason to anticipate the impending year is in its being observed as our "Year of Jubilee." Let it be known that we are doing all in our power to bring to our campus exciting lecturers, artists, and Christian missionaries which will make the year the greatest in our history. And, you are a part in it! Again, welcome.

Most cordially,
Milo C. Ross
President

Student Body President's Welcome

Greetings from the A.S.G.F.C.,

It is with a great deal of expectation that I write this welcome. In looking ahead to the new and unique experiences of classes taken, people met, and decisions made, I'm sure that this year will prove to be a training ground in which we will not only prepare ourselves for a life's vocation, but more important that we will learn to face and accept responsibility, gain a deeper understanding, greater appreciation and a genuine concern for the betterment of our society.

This our 75th anniversary promises to be filled with many outstanding activities. With this in mind I challenge you to become personally involved academically and socially.

In the Bible we read, "I press toward the mark for the prize of the high calling of God in Christ Jesus." Set your goals high and realize that it is only through a personal Christian experience and by the adherence to Christ's teachings that each one of us will be able to ultimately attain life's highest ambitions and desires.

Sincerely,
Chuck Smith
A.S.G.F.C. President

The George Fox "Experience"

George Fox College is a Christian college which has maintained through the years highest standards of Christian principles of living. You are encouraged to be consistent in maintaining these principles. Start your year right by establishing a time for daily Bible reading and prayer, for you will need the help and inspiration of this time, if you are to measure up to the standards of Christ while at college.

You will enjoy the warm spiritual atmosphere in the Newberg churches. All students are warmly welcomed at the Newberg Friends Church. Those who prefer to worship in the church of their own denomination will find a hearty welcome and concern for their spiritual welfare.

At the college church you will find excellent college age Sunday School classes and evening Friends Youth services.

The pastor of the Newberg Friends Church is our college pastor. He is most willing to counsel with you concerning your spiritual needs and to be your pastor away from home. You will find a friendly and spiritual atmosphere in the Sunday church services. The informal evening church hour is given to testimonies, live gospel singing, and evangelistic preaching. You will find opportunity for real Christian service in the work of the Sunday School, Friends Youth, Boys and Girls Clubs, or by joining our college church choir. Avail yourself of the privilege of being a faithful worshipper in both morning and evening services. There are also possibilities for service through deputation work in various churches, representing the college as you serve in these places.

One of the mid-week highlights on our campus is the Student Prayer Meeting which is held each Wednesday evening. Don't miss it!

In line with our emphasis on highest planes of Christian living, attendance at programs inconsistent with Christian principles is seriously discouraged. The college endeavors to furnish activities which provide for the social development of the students.

Opportunity is provided for participation in the finest cultural programs in the Portland area. Attendance at theater programs which are not consistent with Christian principles is both disapproved and seriously discouraged. Social dancing, the use of "playing cards," alcoholic beverages, or tobacco are not permitted by students attending George Fox College.

INFORMATION FOR ARRIVAL

The college administration is responsible for living arrangements for all students who will not be living in their homes. Men and women shall report immediately upon arrival to the Student Union where the student welcoming committee will direct them to their respective residence hall assignments. It is expected that all students will plan to live in campus residence halls insofar as space permits. Any arrangements to live off campus must be approved by the Dean of Students.

GET THE FACTS

If at any time you have questions to be answered do not accept rumor in place of facts. If in doubt, go to one of the administrative officials or a Student Council member and ask! The president, deans, faculty, staff, and student leaders will welcome the opportunity to help you. They know the answers, or can direct you to the one who does know. You are not bothering them when you call at one of their offices; their business is serving you. Page 20, entitled "Whom to See for What You Want", will help you to know what people you might contact about questions you may have.

Tips on Academic Matters

ENTRANCE TESTS

A series of entrance tests is given to freshmen and incoming transfer students. These tests are used to aid the counselors in knowing more about you so that they can serve you better. The results are useful in helping you decide on a major field of study; whether or not you should plan on graduate school; and, they help the college adjust the curriculum to meet the changing needs of students. The Dean of Faculty, Dean of Students, or the Chairman of the Division of Education and Psychology will be glad to go over your results with you after they are given to you.

HOW TO REGISTER

All students above the Freshman level will validate their registration in the library on Monday, September 26. Freshmen and new students will register in the library on Tuesday, September 27. Every student is assigned to a faculty advisor who will assist them in selecting their class schedule. A more detailed instruction sheet will be given you at the time of registration.

HOW TO CHANGE REGISTRATION

Late admission to classes because of registration changes made after the close of the first week of classes must be by petition to the Academic Committee, consent of the professor involved, and payment of a \$3 fee.

HOW TO WITHDRAW

A student who wishes to *withdraw from a course* must secure a change-of-course form from the registrar which is to be approved by the instructor involved, the registrar, and the bursar. If a course is dropped without permission, or if after the third week, a course in which he is not doing passing work is dropped, the student shall receive a "Failure" grade. A student may not withdraw from a course after the close of the sixth week of the term.

A student should realize that "quitting" does not constitute a *withdrawal from college*. He is required to inform the registrar of his intention to withdraw, and to fill out the withdrawal forms furnished by the registrar's office. Unless this is done the student may forfeit his right to clear transcript of credits and honorable dismissal.

HOW TO PETITION FOR EXTRA HOURS

The proper balance of class work, co-curricular involvements and part-time work is extremely important. Your advisor will want to talk with you about any plans you have to take more than the 17½ units allowed normally. If G.P.A. is over 3.00, 18½ units may be allowed. Please note page 17 in the catalog for the policies covering this.

GENERAL ACADEMIC REGULATIONS

Please read carefully pages 15 to 19 in the college catalog for other academic policies not mentioned here.

FINANCE AND FINALS

No student shall be allowed to receive the results of any of his final examinations or his grades until he has completed satisfactory financial arrange-

ments for the payment of fines and fees assessed following registration. All registration costs are due and payable under policies on page 12 of the catalog or as revised by the administration and board of trustees.

CLASS ATTENDANCE

The responsibility rests with the student to maintain good standards involving satisfactory scholarship. Regular class attendance is expected of each student in all courses. Professors set individual standards for achievement in their respective courses, and notify students of these requirements. Students should be present and prepared for daily participation in class discussions and quizzes, and well prepared for all exams. All projects should be completed according to established deadlines.

Permission to be absent from class for participation in co-curricular activities must be granted by the Dean of Faculty. In order to secure this permission get from the Dean of Faculty an ADVANCED ASSIGNMENT SLIP. He will record the dates you are to be absent from the class with the reason for the absence. You then record the classes you will be missing and get the assignment from each of these classes from the respective professors. When the work is complete, the professor will sign your Advanced Assignment Slip. After securing the signature of each professor involved, turn your slip to the Dean of Students office to cover chapel absences. Such permission must be requested one week in advance of the anticipated activity, and turned to the Dean of Student's office completed one full day prior to departure for the co-curricular event.

Work lost because of any other absences may be made up only in the case of prolonged or confining illness, death of close relatives, or other similar emergency. See the Dean of Students for excuses for these kinds of absences.

EXCUSED ABSENCE PROCEDURE - ILLNESS

On-campus students:

In those rare cases when you believe you are too ill to attend classes, please follow this procedure. If at all possible, get up and go to breakfast, then see the nurse. See nurse's hours on Hall Policy Card. She will then help you make the decision regarding the health procedure best for you. If the nurse is unavailable, see the Dean of Women. For absence because of illness, the head residents, the Dean of Women, and the Dean of Students are the only ones who can excuse you from class with the privilege of making up any work missed. So, be sure and get the excuse slip signed by one of them before you return to class. After presenting the slip to each of your professors, leave the slip at the Dean of Students office to be excused from chapel absence.

Off-campus students:

If you are too ill to attend classes and need to make up the work missed, have your mother (or your wife or husband, or roommate, which ever one applies in your case) call the Dean of Students office and inform them before the absence is incurred. Then stop at the office later for the excuse slip and follow the same procedure listed above for on-campus students.

EXAM FEE

For taking duly announced examination at other than the announced time for reasons approved by the Dean of Faculty (illness not included) a fee of \$5 is charged for each such examination.

LOST AND FOUND

One of our finest traditions is the honor of respecting the possessions of others. If you lose an article or if you find a stray article, report to the Dean of Students. Notice of lost and found items will appear in the Student Bulletin. All lost articles which are found may be retrieved from the Dean of Students office.

MAIL CALL

Those students living in Pennington and Edwards Halls may pick up their mail at the office in the lounge of each hall. All other students mail will be handled in the mail room in the basement of Wood-Mar Hall. For a fee of \$.50 a year a student may rent a self-service box which is usually shared by two or three people. Arrangements to rent a box are made at the mail room.

TELEPHONES

The college telephone system operated through the switchboard in Pennington Hall may be used by students for local calls provided they use those instruments provided for general use. This does not include the use of phones in faculty and administrative offices without the express permission of the one in charge of the office. All long distance calls placed by students must be placed from the pay phones provided in several locations on the campus.

CO-CURRICULUM AND ELIGIBILITY

Those activities which are carried on in addition to academic studies are still considered a vital part of the GFC "experience". Because it is very important that a student not jeopardize his academic achievement by becoming too heavily involved in other activities, an eligibility standard is adhered to as follows:

1. Co-curricular activities as defined include all organized activities not directly connected with the requirements of a specific course of study. This includes inter-collegiate athletics, student government and club offices, acting in plays, inter-collegiate debate (for those not enrolled in a debate course), deputation work (except for that involving a single Sunday activity, e.g., teaching a Sunday School class), intra-murals, and other organized activities that may be formed.
2. A student must be enrolled in a minimum of 12 term hours to be eligible for participation in co-curricular activities.
3. Students who enter college provisionally may participate in co-curricular activities. (Note policy on page 15 of catalog.)
4. Regular students who drop below the performance level in any particular term (1.75 for lower classmen, 2.00 for upper classmen), will have their programs reviewed by the Academic Committee which is empowered to require curtailment of curricular, co-curricular or work activities, which, in consultation with the students, appears suitable in each case.

LIBRARY PROCEDURES

1. The Librarians are here to assist you. Please do not hesitate to consult with them at any time. An awareness of the library hours will enable you to schedule your time more effectively. Please note these hours as posted in the library.

2. "Cross my palm with silver" if you happen to bring a Reserve Book in late, plan on bringing *five cents* for each hour overdue. If you are returning a two-weeks book, please bring *two cents* for each day overdue.
 3. Reference Books (call number is preceded with "R") and early Quaker books, and a few other books published before 1850 *do not circulate*.
 4. Typing is permitted in the typing room on the second floor.
 5. Current periodicals do not circulate, unbound may be taken for three days; bound volumes must remain in the library. Fines are the same as the books.
 6. Pamphlets may circulate for two weeks.
 7. *Records may not be taken home*. They are played in the library or in the classroom (assignments vary). Any resulting damage will be charged to the student whose name appears on the book card.
 8. All traffic flows past the main desk. Side and rear exits are for emergency use only.
 9. Art prints may be checked out for *four* weeks. Filmstrips do not circulate.
 10. You may sit any place to study in the library that is comfortable for you. When it is necessary for you to leave, please take your books along, or leave them in the shelves above the coat rack. *One only* at each carrel, (single study desk), please.
 11. Telephone calls are not received for students, except in emergencies, a message can be left at the main desk.
 12. A shelf is available at the entrance for personal books and belongings.
 13. A music listening room is provided for records and radio, but class assignments take precedence.
- SAVE YOURSELF MONEY! RETURN YOUR BOOKS ON TIME!
NOTICE THE DATE DUE!

Chapel

Chapel services are held each Tuesday, Wednesday, Thursday, and Friday. Attendance at chapel is a must at George Fox, and you will find the chapels to be worth the time spent in enjoying the performance of other students, excellent speakers, musical programs, occasional comedy programs, worthwhile films, faculty programs, and participation in open chapels.

Chapel attendance operates somewhat differently from class attendance. A record of each chapel absence is kept by the Dean of Students. If a student should miss four chapels in one term without excuse he will be placed on disciplinary warning for the remainder of the term. Continued unexcused absence from chapel will result in the student being placed on *disciplinary* probation. The student will then be, and his parents may be, notified in writing that further chapel cuts will result in the student being asked to withdraw from college for one term. Disciplinary warning and disciplinary probations are used differently in other areas of student conduct control.

Be on time for the beginning of each chapel so that others will not be disturbed because of your tardiness. Three tardies constitute an absence. Your chapel committee proposes to make chapel so very interesting to you that you will want to be present at each chapel.

Campus Controls— A Shared Responsibility

Certain living standards are expected of you at college. These are given to you that you may know what others expect of you. Here you must assume

responsibility for your successful adjustment to new living conditions. Because college situations differ from those at home in many instances, regulations are established and must be observed if you and those around you are to gain the most from their college life. Some basic principles guide all decisions made in relation to our manner of living on a Christian college campus. Every decision shall be based upon those principles which enhance our testimonies as consistent Christians. Parts of our system of Campus Controls are being developed and refined as needed, and officially announced whenever such changes are made.

BASIC PRINCIPLES

Students shall govern their activities in matters of residence hall living, adherence to established college regulations, obedience to those in authority, relations with those of the opposite sex in peer groups, choices of amusements and entertainment in accordance with college authorities' interpretation of Christian standards as they relate to our social setting.

The pledge each student signs stating that he will abide by college regulations shall be given as a serious commitment to a policy of willingness to relegate personal feelings and rights to a standard of submission to college regulations which will benefit the entire college community.

Observance to all college regulations shall be given in a spirit of Christian cooperation.

Expressions of complaint or concern about any general campus regulations shall be presented to the Campus Relations Committee as constructive criticism. Residence hall problems should be presented to the Hall Councils or the Inter-hall Council. This shall be the proper procedure for action on matters about which there is disagreement or concern for changes which are being made.

At all times students shall strive to maintain attitudes and standards of conduct which will be consistent with highest ideals of Christian living.

CAMPUS RELATIONS COMMITTEE

College students feel a desire for the responsibility for making decisions, and yet realize the need for careful guidance in governing themselves. In order to help meet these needs the Campus Relations Committee has been organized. This committee is responsible for its actions to the college administration through the Dean of Students, Dean of Women, and various head residents.

The committee shall be composed of students chosen as follows: three students from the senior class, two from the junior class, two from the sophomore class, and one from the freshman class. At least one of the senior students chosen must be an off-campus resident to represent the commuting students. Faculty representation on the committee shall consist of the Dean of Students, Dean of Women, Dean of Men, and a faculty representative.

The chairman of the committee shall be a student chosen by the members of the committee. The committee shall meet twice monthly.

The functions of the committee shall consist of hearing suggestions, complaints, recommendations; making recommendations to the administration, faculty or student government; establishing campus regulations in those matters which fall within its jurisdiction; recommending disciplinary action, with the exception of cases which require probation or suspension from college, or cases of such nature that they should be handled by the Dean of Students or other administrators.

Any student may appeal action to suspend or dismiss to the President within 5 days of the action.

RESIDENCE HALL COUNCILS

In each residence hall there shall be a council to aid in the administration of each of the residence halls. Each council shall consist of the head resident, assistants, and elected representatives from each living area within the hall. The representative shall be elected by the students in the residence hall and shall outnumber by at least two the number of assistants and head residents on the council.

Each council shall aid in establishing residence hall regulations for their own hall in accordance with general regulations.

Each council shall recommend disciplinary actions, consider suggestions and complaints, and make recommendations to the proper authorities.

INTER-HALL COUNCIL

The President and one other elected representative from each hall council and the Head Resident of each hall shall make up the Inter-Hall Council.

This Council works to coordinate the activities and help find solutions for problems of the total resident campus. They shall meet monthly or on call by the chairman, a student member of the group elected by the group at its first meeting.

DISCIPLINARY ACTIONS

Disciplinary Warning

A student may be placed on this probationary status and privileges forfeited and/or work assigned as a result of poor citizenship in the Dining Hall, Residence Hall and/or other areas.

Functional Authority may be exercised by Head Residents, Dining Room Host or Hostess, Dean of Men and Dean of Women after conferring.

Disciplinary Probation

For more serious situations a student may be placed on probationary status. Privileges are not usually forfeited, but any recurrence of the original misdemeanor or any other serious infraction of the regulations or ideals of the college will be grounds for an automatic recommendation of suspension or dismissal by the Dean of Students to the Administrative Committee. The student shall be and his parents may be informed in writing of this action and may appeal within five days to the campus relations committee or administration. Additional stipulations may or may not be a part of this action and is left to the Dean of Students to determine in consultation with the President and/or the committee involved.

Functional Authority may be exercised by the Dean of Students after conferring with the President.

Residence Hall Communities

Only the following electrical appliances are permitted in residence hall rooms: personal clock, radio, record player, electric blankets, shaver, hair dryer, sewing machines. Heating appliances, cooking appliances, and irons are not to be used in the rooms. Extension cords constitute fire hazards and are forbidden by fire regulations. Friday and Saturday:

Except for cases involving an approved group activity, e.g. overnight choir trip, any student planning to stay away from the dorm overnight must receive permission from the Head Resident of his hall before making any final arrangements. Students must also arrange with their Head Resident and sign out as to destination and time of return before going out of town at a greater distance than 15 miles.

Freshmen have three late privileges each term. Sophomores, Juniors and Seniors are allowed six late privileges each term. These may be taken any time within a given term. This means that those taking late leaves may come into the hall one hour later than the prescribed arrival time. All requests for late leaves must be cleared with the Head Resident involved in advance of your planned late leave.

STUDY AND QUIET HOURS

Residence hall floors are to be quiet from 7:00 p.m. to 8:00 a.m. Monday through Thursday. The hours from 7:30 to 9:30 p.m. Monday through Thursday are reserved for study, with the exception of the Wednesday night student prayer meeting. No organized meetings shall be scheduled during this time without express permission from the Dean of Students. Hall lights will be turned off during study hours to assist in setting an atmosphere for quiet. All students are expected to be in their hall or in the library studying during study hours. Permission to attend a non-campus program occurring on a night Monday through Thursday must be secured from your Head Resident.

VISITS AND VISITORS

Men students planning to visit in the home of women students on weekends, or vice versa, must have a written invitation from the host parents, received via U.S. Mail, a written approval from one's own parents and approval from the Head Resident before any arrangements are completed for such a visit, except when the students are home on vacation. The respective Deans may grant permission for men to visit men and women to visit women students, or where students visit in the homes of non-students.

VACATIONS

The college does not assume any obligation for any student during the vacation periods; therefore, students will not be permitted to remain on campus during a vacation without express permission from the administration.

LOUNGES AND LAUNDRY REGULATIONS

The residence hall lounges are provided for visiting, waiting for your date, small group meetings and bull sessions, listening to records, viewing TV at stated hours, and as a meeting place for a class on special occasions. The lounge is *not* for use as a place to sleep, slouch, or smooch.

Students should dress in a manner appropriate to public areas. Sports clothes can be worn after 5:00 p.m. except for Wednesdays and Sundays.

Laundry facilities shall not be used after 11:00 p.m. or on Sundays.

Off-Campus Living Arrangements

All unmarried students under 21 must live in on-campus housing except by special permission of the Dean of Students. Petitions are granted for living with close relatives, for proven financial need, or for physical disabilities requiring care. At the beginning of each year those over 21 and others seeking permission to live off-campus must fill out the Request Form from the Dean of Students Office.

College policy further requires that those men under 21, living off-campus take one meal a day in the college dining commons, except by special arrangement with the Administrative Committee.

Dining Services

Our food service is contracted to SAGA, a well-known firm on college campuses. All meals are cafeteria style, with the exception of Wednesday evening and Sunday noon which will be served family style.

We take our meals at the hours posted in the dining hall. Form the ON TIME habit, for tardiness is not permitted except for emergencies. If it is necessary to be excused early from a meal served family style, please make advance arrangements with the dining hall hostess. If it is necessary to eat early at any time, permission must be secured from the Dean of Students or head resident. Constructive criticisms and suggestions should be made to the Student Host, the Host or Hostess or to a member of the Dining Services Advisory Committee.

Bermuda shorts, or any other kind of shorts, shall be of a length approaching the knee. Dark blue denims shall not be worn on campus except for work.

Dress sports clothes, long slacks, tailored Bermuda shorts with good looking blouses or sweaters may be worn on campus when not in class, except in the main buildings such as the Library, Wood-Mar Hall, etc. Dress sports clothes may be worn to spectator athletic events, except basketball.

Casual sports clothes dubbed "grubbies" denote such apparel as Bermuda shorts, Capri trousers, T-shirts, slacks. Such clothes worn by GFC students must meet acceptable standards of modesty, propriety, and neatness. Grubbies may be worn on Friday evenings from 1:00 p.m. through Saturday with the following restrictions:

No grubbies may be worn in classrooms, laboratories, library, administration building, or dining hall. (Exception: Grubbies may be worn to meals on Friday evenings and to meals on Saturdays.) No grubbies are to be worn on weekends when pre-announced guests are on campus. Classroom attire is proper when guests are on campus.

The deans and/or head residents shall advise as to the propriety of all clothes and shall have jurisdiction to govern the decisions as to the suitability of clothes to be worn. They shall insist that inappropriate clothes not be worn under any circumstances.

Dating "Do's"

To insure the mutual benefit of couples, it is suggested that men and women meet primarily on special occasions and try to make each date an interesting and somewhat different experience. Student conduct shall at all times bear in mind their relations with the opposite sex, and conduct themselves in the finest of Christian relationships. Students shall refrain from embracing in public places, either on or off campus. In private courtship the students should keep Christian standards and ideals (in mind) at all times. An important thing to remember here: The person you date may become your spouse. Plans to marry within the year are all subject to regulations on page 14 of the college catalog.

Motor Vehicles

The operation of a car by a college student should be a carefully guarded privilege. Therefore, each student bringing a car to the campus must register the car and secure a permit for the privilege of using it. Unmarried minor freshmen will not be allowed to bring cars to college and will not operate cars while enrolled as freshmen in college except as follows:

1. If an unmarried minor freshman has a 2.5 GPA or above for the first term, he will be allowed to bring his car the second (& third term if 2.5 GPA is maintained) for use on weekends only or by special permission of his Head Resident. (Weekend being 4 p.m. Friday to 10:30 p.m. Sunday).
2. If being deprived of having a car at college causes a severe hardship in the case of a student, he may write to the Dean of Students stating his case. The Administrative Committee will make the final decision concerning his car.

Registering and securing of permits to operate cars shall be cared for with the Dean of students at the time students register for classes. Every student enrolled in the college must comply with the following if he wishes to operate a car:

1. A valid driver's license in his possession,
2. Oregon state minimum liability insurance must be in force,
3. The car must be in acceptable running condition, and
4. Payment of the campus operating permit fee of \$2.

Upon proof of these conditions being acceptable each student will be issued a permit and sticker for his car.

Faculty, seniors and visitors are those who are privileged to drive cars through the crescent drive to Wood-Mar Hall. Students are provided ample parking space in Pennington Hall parking area and on streets adjacent to the campus. It is urgently requested that students not park in front of homes facing streets surrounding the campus.

No extensive repair work will be done by students on cars on campus without permission from the Dean of Students. All minor repair work and washing and waxing of cars must be done at the east end of the Pennington parking lot except as otherwise designated.

Any self-propelled vehicle such as motor cycles and motor scooters must also come under the same regulations as cars. Freshmen should not plan to bring any motor driven vehicle to college.

Students who find it impossible to abide by these regulations will suffer the payment of a fine. If a case of repeated violations occurs, the student will be asked to face the Campus Relations Committee. He may be asked to surrender his keys for a stated period of time or face other disciplinary action.

Student Employment

Requests for employment outside the college are handled through the office of the Dean of Students. Students desiring off-campus jobs should contact him.

The college helps worthy students to the extent possible within a limited budget of \$2000 per month. Priority is given to upper division students, those in greatest financial need, those who take full courses, those who owe the college more via board, room, etc., and those whose former record demonstrates their ambition, faithfulness to duty, and cooperation. Those with highest scholarship grants may receive less than others. Final decision on the distribution of labor will be made by the business manager.

Certain persons on the faculty or staff will be assigned to the oversight of each building. Students are responsible to these assigned persons.

WHAT IS IT?

Intramurals is a recreation program provided by the students for the students. The program is operated by the students under the supervision of the Physical Education Department. Activities in individual and team sports are provided.

WHO CAN PARTICIPATE?

All students that attend GFC with the exception of varsity athletes. That is, varsity athletes cannot participate in the sport of which they are varsity members. It is the hope of the intramural staff that all students will participate and make creative suggestions.

WHY INTRAMURALS?

It is the purpose of education to produce the "integrated personality." That is, to produce a person mentally, spiritually, socially and physically able to handle life's problems. Intramurals is an educational process.

"It makes no difference what his eventual destiny, for so long as he lives, his highest achievements, mentally, spiritually, culturally, and artistically, must be expressed through the medium of his physical being."

ASGFC officers bow for a moment of prayer before a student body meeting.
