## **Two GFC Seniors Named NSCAA/UMBRO NAIA Men's Soccer All-Americans**

Two George Fox senior men's soccer players have been named All-Americans again.

Midfielder **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** and defender **Steve Sterhan (Sr., Milwaukie HS, Ore.)** were named All-Americans by the National Soccer Coaches Association of America (NSCAA) and Umbro. The NSCAA names an All-American team at each level of collegiate soccer.

Reschke was named to the (NAIA) All-American first team and Sterhan made the second team. There were 11 players on each team. Reschke was one of just four U.S. citizens on the first team.

The awards come after both were named NAIA honorable mention All-Americans Friday (Dec. 8). The two are the sixth and seventh NAIA All-Americans to come from George Fox College's men's soccer team since 1990.

Both previously were selected to the Northwest Conference of Independent Colleges first team, the NAIA all-Pacific Northwest Region first team and the NSCAA NAIA Far West Region first team.

Reschke was the second-leading scorer in the Northwest Conference with 11 goals and also collected six assists. Despite an injury-plagued season, Sterhan helped the GFC defense hold its opponents to 1.01 goals per game. GFC shut out nine opponents.

After being upset in the conference tournament championship game, George Fox's 25th-ranked men's soccer team ended its season earlier than hoped. GFC was not selected for one of the two Pacific Northwest Region Tournament at-large berths. The Northwest Conference of Independent Colleges regular season champion Bruins were passed over despite having the best record (16-5) and the highest regional (2nd) and national (25th) ranking among teams eligible for the at-large berths.

Midfielder **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** and defender **Steve Sterhan (Sr., Milwaukie HS, Ore.)** won regional NSCAA first team honors. Reschke was the second-leading scorer in the Northwest Conference with 11 goals and had six assists. Despite an injury-plagued season, Sterhan helped the GFC defense hold its opponents to 1.01 goals per game. GFC shut out nine opponents. George Fox and Westmont College, Calif., were the only two teams with two first-team award winners.

Forward **Mike Nadeau (Sr., Reynolds HS, Portland, Ore.)** was named to the NSCAA regional second team. Nadeau had the third-most points in the Northwest Conference — tallying 10 goals and four assists.

After being upset in the conference tournament championship game, George Fox's 25th-ranked men's soccer team was not selected for one of the two Pacific Northwest Region Tournament at-large berths. The Northwest Conference of Independent Colleges regular season champion Bruins were passed over despite having the best record (16-5) and the highest regional (2nd) and national (25th) ranking among teams eligible for the at-large berths.

## BRUIN SOCCER

Final overall: 16-5, Northwest Conference of Independent Colleges (regular season): 10-2

### 25th-Ranked GFC Passed Over For Regional At-Large Berth, Again

Following an all-too-familiar scenario, George Fox's 25th-ranked men's soccer team was not selected for one of the two Pacific Northwest Region Tournament at-large berths. The Northwest Conference of Independent Colleges champion Bruins were passed over despite having the best record (16-5) and the highest regional (2nd) and national ranking (25th) among teams eligible for the at-large berths.

Automatic berths went to Pacific Northwest Athletic Conference (PNWAC) champion Simon Fraser University and Pacific Lutheran University — which upset GFC 2-1 in the championship game of the Northwest Conference tournament.

The regional soccer committee awarded at-large berths to PNWAC runner-up Seattle University and The Evergreen State College. Evergreen (10-7-2) lost to George Fox 1-0 on Sept. 16 and fell 5-0 in the first round of the PNWAC playoffs to Seattle University.

Although GFC head coach Manfred Tschan had understood that other factors would be included in the decision making this year, the committee based its selections on the Longo power-point rating system.

George Fox protested the Longo system last year when its No. 9 nationally-ranked 15-3 team was passed over for a regional at-large berth in favor of a team it had beaten, Concordia College's unranked 7-11 squad.

### Conference Honors Four From George Fox

George Fox's men's soccer team put three seniors on the Northwest Conference first team and had the only freshman award winner.

Forward Mike Nadeau (Sr., Reynolds HS, Portland, Ore.), midfielder Ian Reschke (Sr., Lindbergh HS, Renton, Wash.), and defender Steve Sterhan (Sr., Milwaukie HS, Ore.) all won first team honors. Reschke was the second-leading scorer in the NCIC with 11 goals and had six assists. Nadeau had the third-most points — tallying 10 goals and four assists. Despite an injury-plagued season, Sterhan helped the GFC defense to a 1.01 goals-allowed-per-game average. GFC shut out nine opponents.

Wade Fleming (Fr., Lakeridge HS, Oregon City, Ore.) earned honorable mention. The skillful 5-foot-8, 120 pound midfielder was the only freshman or sophomore to earn an award. Fleming had one goal and four assists this season. He was a third-team 4A all-state selection at Lakeridge High.

### WHAT'S NOT BRUIN:

George Fox's men's soccer team turns in its uniforms Monday and awaits the 1996 season. The Bruins will lose four starting seniors.

Matt Kinder was red-carded at the 24-minute mark for a handball in the penalty box. With coaches on both teams arguing that the wrong player was ejected, Whitworth was forced to play a man short.

Midfielder **Josh Turpen** (Fr., Sammamish HS, Bellevue, Wash.) converted the penalty kick.

Two minutes later, midfielder **Erik Sorensen** (So., Bothell HS, Wash.) finished after a flick by forward **Mike Nadeau** (Sr., Reynolds HS, Portland).

Seconds later, Nadeau beat the defenders to a long pass from forward **Ian Reschke** (Sr. Lindbergh HS, Renton, Wash.) and one-touched in a 15-yard shot.

With GFC beginning to rest its starters, Whitworth's Rich Wells found the back of the net at 62 minutes.

**Scoring:**

GFC	24 min.	Turpen (penalty kick)	GFC 1-0
GFC	26 min.	Sorensen (Nadeau)	GFC 2-0
GFC	26 min.	Nadeau (Reschke)	GFC 3-0

**GFC 1, PLU 2**

No. 3 seed Pacific Lutheran University won the Northwest Conference of Independent Colleges men's soccer tournament with a 2-1 victory over NCIC regular season champion George Fox Sunday (Nov. 5).

PLU won its second-straight NCIC tournament. George Fox is a first-year member of the NCIC.

PLU wins an automatic berth to the Pacific Northwest Region playoffs Nov. 9 and 11, hosted by the Pacific Northwest Athletic Conference champion.

The Lutes scored a goal in each half to lead 2-0 with five minutes remaining. Midfielder Danny Hagedorn put PLU up 1-0 at 38 minutes and midfielder John Callaway scored the gamewinner at 85 minutes.

George Fox put pressure on the PLU defense late, drawing within one goal with two minutes remaining when forward **Mike Nadeau** (Sr., Reynolds HS, Portland) finished on a corner kick play.

The Bruins had two goals disallowed in the final 10 minutes; one on a handball call and the other on an offside.

PLU advanced to the championship game by downing No. 2 seed Pacific University on a penalty kick.

**Scoring:**

PLU	38 min.	Danny Hagedorn	(Jamie Bloomstine)	PLU 1-0
PLU	85 min.	John Callaway	(Tomas Engstrom)	PLU 2-0

**BRUIN BITS:**

\*\*\* George Fox has an impressive streak of postseason play under head coach Manfred Tschan. Every season since 1990, the Bruins have advanced to the NAIA District 2, Cascade Conference or Northwest Conference championship game.

\*\*\* Typically starting seven underclassmen, it was an exceptionally young George Fox squad that captured the Northwest Conference regular season title this year. The Bruins graduated seven seniors from last season's NAIA ninth-ranked squad, including three All-Americans.

\*\*\* GFC forward **Mike Nadeau (Sr., Reynolds HS, Portland, Ore.)** finishes fourth in GFC career points. In soccer, two points are awarded for a goal and one point for an assist. Nadeau has 108 in his four seasons. Ahead of Nadeau on the GFC career points list are Dan LaVeine (301), Greg Pfleger (191), and Marc Waits (112).

\*\*\* GFC got goals from 15 different players, believed to be a school record.

\*\*\* An eight-year string held by GFC goal-scorers has ended. Between 1987 and 1994, a George Fox player led all NAIA West Coast scorers. Finding the back of the net often were Dan LaVeine: 1987 (29 goals); 1988 (23 goals); 1989 (30 goals); 1990 (43 goals); and Greg Pfleger 1991 (22 goals); 1992 (21 goals); 1993 (22 goals); 1994 (19 goals).

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Whitworth:* "It was a game where everything went our way in the first half. We were ready to play and we put pressure on them. When we scored three goals in three minutes it made it pretty hard for them to come back."

*On PLU:* "We came to play one half; the second half. The second half looked like a championship game. It was too bad we were already down one goal. You obviously can't come to playoff games not ready to play."

*On at-large berth situation:* "It's the second time in two years that the team left with the best record and ranking didn't get it. It's hard for the kids that it's happened twice. We beat almost everybody all year, but we had some bad luck in the championship. What we did all year didn't matter, we just came up short in the Longo system. It has nothing to do with how we do. It has everything to do with how our opponents do. (Because opponent records determine value of wins)"

*On season:* "We did a lot better than anybody expected us to do. We had a lot of talented young players. We proved we could win with a young team."

## **Two George Fox Seniors Named NAIA Men's Soccer All-Americans**

Midfielder **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** and defender **Steve Sterhan (Sr., Milwaukie HS, Ore.)** are the sixth and seventh NAIA All-Americans to come from George Fox College's men's soccer team since 1990.

Both were named NAIA honorable mention All-Americans Friday (Dec. 8).

The two previously were selected to the Northwest Conference of Independent Colleges first team, the NAIA all-Pacific Northwest Region first team and the National Soccer Coaches Association of America (NSCAA) NAIA Far West Region first team.

Reschke was the second-leading scorer in the Northwest Conference with 11 goals and also collected six assists. Despite an injury-plagued season, Sterhan helped the GFC defense hold its opponents to 1.01 goals per game. GFC shut out nine opponents.

After being upset in the conference tournament championship game, George Fox's 25th-ranked men's soccer team was not selected for one of the two Pacific Northwest Region Tournament at-large berths. The Northwest Conference of Independent Colleges regular season champion Bruins were passed over despite having the best record (16-5) and the highest regional (2nd) and national (25th) ranking among teams eligible for the at-large berths.

## **COLLEGE MEN'S SOCCER GEORGE FOX VS. LINFIELD**

NEWBERG—George Fox College kept its hope of a Northwest Conference championship alive Friday (Oct. 27), beating visiting Linfield College 8-0. The Bruins remain a half game behind NCIC leader Pacific University, which begins a tough road trip tomorrow in Washington.

Just minutes after the GFC women exploded with five goals in their second period and defeated Linfield 5-0, the George Fox men burst onto the field and scored five goals of their own in the first half.

Triggering the GFC onslaught just 27 seconds into the game, forward **Phil Nelson (Sr., Idaho Falls HS, Kennewick, Wash.)** scored off of an assist by **Josh Turpen (Fr., Sammamish HS, Bellevue, Wash.)**. Three minutes later it was Nelson again, and then at the 15-minute mark he fired in a third solid shot which the Wildcats' keeper deflected and GFC midfielder **Greg Shaffer (Jr., North Medford HS, Ore.)** nudged in.

At 24 minutes, Shaffer set up a successful header for forward **Mike Nadeau (Sr., Reynolds HS, Portland, Ore.)**. Nadeau scored again eight minutes later following a short pass from a crossing **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)**.

While their starters rested for the second half, the Bruin bench took a little time getting into the scoring mode. First to score for GFC in the period was forward **Nick Harmon (So., Battle Ground HS, Wash.)**, heading in a corner kick from Turpen 21 minutes into the half. At 73 minutes GFC defender **Aaron Jaramillo (Jr., Aloha HS, Ore.)** flicked in a header with his back to the keeper. Finishing off for the Bruins with 13 minutes remaining, forward **Justin Rivard (Bonanza HS, Las Vegas, Nev.)** took the ball unassisted down the field, eluded two Linfield defenders and brought the final score to 8-0.

The shutout was credited to GFC goalkeeper **Chris Wood (Bothell HS, Wash.)**, his second in three games played.

The win avenged a 4-3 GFC victory in Forest Grove earlier in the season.

Pacific goes to 8-1 in the NCIC while GFC drops to 7-2.

The Bruins outshot Pacific 10-4 in the first half, and scored on a corner kick taken by midfielder Josh Turpen (Fr., Sammamish HS, Bellevue, Wash.) at 40 minutes. The ball deflected off of Pacific goalkeeper Nick Vorberg.

Pacific's Ean Lensch scored both of Pacific's goals, finding the net at the 74 and 117 minute marks.

## BRUIN SOCCER

Overall: 15-4, Northwest Conference of Independent Colleges: 10-2

### George Fox Claims Northwest Conference Championship

In its first season in the Northwest Conference of Independent Colleges, George Fox College's men's soccer team has claimed the league title. George Fox has won titles in three different groupings in the last three seasons. In 1993, the Bruins won NAIA District 2 (all NAIA schools in Oregon and Idaho) and advanced to the NAIA national tournament. In 1994, they were the Cascade Conference champs and this season they edged Pacific University (9-2-1 NCIC) in the NCIC final standings when the Boxers fell 2-0 at Whitworth on Sunday (Oct. 29).

### NCIC Playoffs Set For Saturday/Sunday in Newberg

George Fox hosts the four-team Northwest Conference playoffs Saturday and Sunday (Nov. 4-5).

The semifinal matchups will pit No. 1 seed George Fox (15-4, 10-2) vs. No. 4 seed Whitworth College (9-7-1, 7-5) at 11 a.m. At 1:15 p.m., No. 2 seed Pacific University (12-4-2, 9-2-1) meets No. 3 seed Pacific Lutheran University (9-8-2, 7-4-1). Tickets are \$5 for adults, 3\$ for students and \$1 for senior citizens.

Semifinal winners advance to the championship game Sunday at 1 p.m.

The NCIC winner advances to the four-team Pacific Northwest Region playoffs Nov. 9 and 11 to meet the champion of the Pacific Northwest Athletic Conference and two other at-large teams from the Pacific Northwest Region, determined by Longo ratings.

### GFC Ranks No. 25 in Final NAIA Poll

George Fox is ranked No. 25 with 12 points in the Oct. 30 final NAIA national poll. No. 9 Simon Fraser University is the only other regional team in the poll. Ironically, GFC head coach Manfred Tschan is pleased to see his team not ranked in the top 20 national poll. Last year, GFC was 15-2 at the end of the regular season and ranked No. 9 in the final poll. After an upset in the Cascade Conference championship, the rating worked against the Bruins. The Longo power-point rating system awarded the regional at-large berth to another conference team, Concordia University — even though it had a losing record. Concordia had earned more points by playing five nationally ranked teams — including a 2-1 loss to the Bruins where GFC had earned fewer points for winning than Concordia did for losing.

### WHAT'S BRUIN:

Saturday, Nov. 4, 11 a.m. ... NCIC semifinal ... vs. Whitworth College ... Newberg ... George Fox defeated the Pirates twice this season, winning 3-1 in Newberg and 1-0 in Spokane, Wash.

### LAST WEEK:

### BRUIN BITS:

\*\*\* Typically starting seven underclassmen, it was an exceptionally young George Fox squad that captured the Northwest Conference title this season. The Bruins graduated seven seniors from last season's NAIA ninth-ranked squad, including three All-Americans.

-more-

\*\*\* GFC forward **Mike Nadeau (Sr., Reynolds HS, Portland, Ore.)** became the just the fifth Bruin ever to surpass the 100-point career mark, breaking the century barrier during last Saturday's (Oct. 28) match with Willamette University. In soccer, two points are awarded for a goal and one point for an assist. Ahead of Nadeau on the GFC career assist list are former Bruins Dan LaVeine (301), Greg Pflieger (191), Marc Waits (112) and Andy LaVeine (106).

\*\*\* Bruin head coach Manfred Tschan is hoping that he didn't teach his players too well when he served as head coach at Concordia College in Portland. When GFC faces Whitworth College Thursday (Nov. 2) in the NCIC semifinal game, he'll face one of his former players, Pirate head coach Steve Simmons.

\*\*\* George Fox has sealed its sixth-consecutive trip to the NAIA playoffs, and will be hosting a playoff game for the fourth time in as many years.

\*\*\* Although **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** leads the GFC offense with 11 goals, it's far from a one-man-show. The Bruins have gotten goals from 15 different players.

\*\*\* An eight-year string held by GFC goal-scorers is unlikely to continue. Since 1987, a George Fox player has led all NAIA West Coast scorers. Finding the back of the net often were Dan LaVeine: 1987 (29 goals); 1988 (23 goals); 1989 (30 goals); 1990 (43 goals); and Greg Pflieger 1991 (22 goals); 1992 (21 goals); 1993 (22 goals); 1994 (19 goals).

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final 1994 NAIA poll.

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Linfield:* "It was obvious that the absence of their starting keeper was a problem right of the bat, when we scored 28 seconds into the game. It obviously was not how they wanted it to go. We got to rest a lot of guys and were able to play a lot of guys who don't usually get extended minutes. They all played so well, it will be tough to pick 18 for the playoff roster."

*On Willamette:* "It wasn't quite as good of an effort on our part (as the Linfield game). When we got the two early goals, we lost our focus. We started making bad decisions and we began making the game complicated for ourselves. That's not what you would like to see going into the playoffs — or at any point in the season — but I suppose it's human nature."

*On Semifinal vs. Whitworth:* "They are an excellent team. Both times we played it could very well have gone either way. They have a very solid defense and are tough to score against. They are very dangerous on their set plays."

Manfred Tschan earned his 100th victory as George Fox College's men's soccer head coach Saturday (Oct. 21) as 17th-ranked George Fox held off visiting Pacific Lutheran University 1-0. Tschan's seven-year GFC career record is 100-34-5.

In his career, Tschan is 164-63-14, coaching men's soccer at GFC and Concordia College and women's soccer at University of Oregon.

### GFC Hits No. 24 in NAIA National Poll

George Fox's men's soccer team dropped from No. 17 to No. 24 in the Oct. 23 NAIA national rankings. The Bruins are the second-ranked Pacific Northwest Region team behind No. 8 Simon Fraser University and received 15 votes. Pacific University received two votes.

### WHAT'S BRUIN:

*Friday, Oct. 27, 3 p.m.* ... vs. Linfield College ... Newberg ... Northwest Conference counter ... Linfield is 0-8-2 in the NCIC, 1-14-2 overall ... George Fox defeated the Wildcats 4-0 in McMinnville on October 7.

*Saturday, Oct. 28, 1 p.m.* ... vs. Willamette University ... Newberg ... Final regular season Northwest Conference game ... Willamette is 3-6-1 in the NCIC, 4-9-1 overall ... GFC shut out the Bearcats 5-0 October 6 in Salem.

### LAST WEEK:

#### GFC 1, Pacific 2

In a battle for first place in the Northwest Conference, Pacific University defeated 17th-ranked George Fox 2-1 in overtime in Newberg Thursday (Oct. 19).

The win avenged a 4-3 GFC overtime victory in Forest Grove earlier in the season.

The Bruins outshot Pacific 10-4 in the first half, and scored on a corner kick taken by midfielder **Josh Turpen (Fr., Sammamish HS, Bellevue, Wash.)** at 40 minutes. The ball deflected off of Pacific goalkeeper Nick Vorberg.

Pacific's Ean Lensch scored both of Pacific's goals, finding the net at the 74 and 117 minute marks.

Both teams had one player ejected in the physical contest.

#### Scoring:

GFC	40 min.	Turpen (unassisted)	GFC 1-0
PU	74 min.	Ean Lensch (Mark Hatfield)	Tie 1-1

GFC 1, Pacific Lutheran 0

Manfred Tschan earned his 100th victory as George Fox College's men's soccer head coach Saturday (Oct. 21) as 17th-ranked George Fox held off visiting Pacific Lutheran University 1-0. Tschan's seven-year GFC career record is 100-34-5.

Two days after slipping into second in the Northwest Conference in an overtime loss to Pacific, GFC avenged its only other NCIC loss - a 2-1 overtime defeat at PLU on Sept. 30.

Half an hour into the game, GFC midfielder **Erik Sorensen** (So., Bothel HS, Wash.) scored the game's lone goal, heading in a flick from midfielder **Jeff Wells** (Fr., Evergreen HS, Ridgefield, Wash.). Defender **Steve Sterhan** (Sr., Milwaukie HS, Ore.) started the play with a throw-in.

The shutout was the sixth this season for goalkeeper **Curtis Selby** (Fr., Aloha HS, Ore.).

Scoring:

GFC 32 min. Sorensen (Wells)      GFC 1-0

BRUIN BITS:

\*\*\* George Fox has sealed its sixth-consecutive trip to the NAIA playoffs and still eyes a regular season Northwest Conference championship. The Bruins (8-2) are in second place behind Pacific (8-1-1). While GFC hosts fifth-place Willamette and seventh-place Linfield in its final regular season games, the Boxers are on the road against third-place Whitworth and sixth-place Whitman.

\*\*\* Although **Ian Reschke** (Sr., Lindbergh HS, Renton, Wash.) leads the GFC offense with nine goals, it's far from a one-man-show. The Bruins have gotten goals from 13 different players.

\*\*\* An eight-year string held by GFC goal-scorers is unlikely to continue. Since 1987, a George Fox player has led all NAIA West Coast scorers. Finding the back of the net often were Dan LaVeine: 1987 (29 goals); 1988 (23 goals); 1989 (30 goals); 1990 (43 goals); and Greg Pfleger 1991 (22 goals); 1992 (21 goals); 1993 (22 goals); 1994 (19 goals).

\*\*\* Several former GFC soccer players currently are coaching local high school varsity soccer teams. Jim Maine ('95) and **Jason Meyer** ('93) are coaching Newberg High's boy's team; Darren Dilley ('93) and Jason Koop ('93) are coaching McMinnville High's boy's team; and Greg Pfleger ('95) is coaching the Newberg girl's team.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final 1994 NAIA poll.

CHAT WITH TSCHAN: (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Pacific:* "It was extremely physical, but it was the kind of game you have to expect when playing for first place. We didn't play up to our potential, but a few people did very well. Most notably **Josh Turpen** and **Wade Fleming** in midfield had excellent performances. We didn't finish our chances offensively as well as we should. (Pacific's) Ean Lench is a good player, and we had trouble containing him without (injured) **Steve Sterhan**."

*On Pacific Lutheran:* "We won a tight one; that was important. It was a game that was obviously against a good opponent. In the first half, we had plenty of chances. Some of our corner kicks and free kicks came close. **Justin Rivard** got a start — his first in a while — and he gave us a lift."

*On Linfield:* "They will come to play very hard. We have some beat-up guys that we would like to rest. We also have some guys coming back off of injuries who would like to get some playing time. We need to figure out how everyone is doing heading into the playoffs, so we might try to use the game as a proving ground for some guys."

*On Willamette:* "This could be the last game for them, their last chance to do something of note. They have nothing to lose, but we have to win to keep first or second place (in the NCIC)."

## BRUIN SOCCER

Overall: 12-3, Northwest Conference of Independent Colleges: 7-1

### Reschke Wins Northwest Conference Player of Week Honors

**Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** was named Northwest Conference Player of the Week Oct. 15. He scored two game-winning goals against Whitman College and Whitworth College. Both came on free kicks. Reschke leads George Fox with nine goals this season.

### Tschan One Away From Win No. 100 at GFC

Seventh-year head coach Manfred Tschan is one away from his 100th victory at George Fox. The possible century milestone adds additional interest to Thursday's (Oct. 19) high-stakes home match with Northwest Conference co-leader Pacific University. Tschan is 99-33-5 since becoming head coach in 1989. His overall record is 163-62-14 as men's coach at George Fox and Concordia College (Ore.) and women's coach at University of Oregon.

### Bruins 17th in NAIA National Rankings

George Fox moved up three spots in the Oct. 16 NAIA national poll to No. 17. The Bruins received 58 points and were the second-highest Pacific Northwest Region team ranked. Simon Fraser was No. 4 and Seattle University received five points, ranking 28th.

## WHAT'S BRUIN:

*Thursday, Oct. 19, 4 p.m.* ... vs. Pacific University ... Newberg ... Northwest Conference counter ... Pacific is 10-3-1 overall ... George Fox and Pacific enter the match tied for the NCIC lead with 7-1 conference records ... GFC beat the Boxers 4-3 in overtime Sept. 28 in Forest Grove.

*Saturday, Oct. 21, 1 p.m.* ... vs. Pacific Lutheran University ... Newberg ... Northwest Conference counter ... PLU is 7-7-1 overall and 5-3 in conference ... The Lutes handed George Fox its only conference loss of the season earlier in Tacoma, defeating the Bruins 2-1 in overtime.

## LAST WEEK:

### GFC 1, Whitworth 0

After struggling through a scoreless first half, the 20th-ranked George Fox men's soccer team defeated Whitworth College 1-0 Friday (Oct. 13) in Spokane, Wash.

GFC midfielder **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** broke the tie 10 minutes into the second half on a direct free kick.

Despite defender **Steve Sterhan's (Sr., Milwaukie HS, Ore.)** sprained ankle and sweeper **Tommy Kolodge's (Fr., Aloha HS, Beaverton, Ore.)** case of the flu, the ailing Bruin defense still managed a shutout, their third in as many games.

Scoring:

GFC 70 min. Reschke (unassisted) GFC 1-0

### GFC 2, Whitman 0

Jumping out to an early lead, George Fox held on to defeat Whitman College 2-0 in Walla Walla, Wash., Saturday (Oct. 14).

-more-

Taking control of the game almost from the first whistle, GFC waited less than 15 minutes before punching in their first goal. Midfielder and free kick specialist **Ian Reschke** slammed in the Bruins' first goal following a tap from midfielder **Wade Fleming** (Fr., Lakeridge HS, Oregon City, Ore.) on an indirect free kick.

Fifteen minutes later forward **Mike Nadeau** (Sr., Reynolds HS, Portland, Ore.) put the slip on the triple-teaming Pirate defenders, collected a crossing pass from forward **Nick Harmon** (So., Battle Ground HS, Wash.) and scored again for the Bruins. Enroute to his assist, fleet-footed **Harmon** beat several Whitworth defenders down the wing in a great individual effort.

Throughout the second half, Whitworth battled to get back into the game. Despite placing increasing offensive pressure on the road-weary Bruins, however, the Pirates were unable to convert any of their second-half attempts.

The shutout was the fourth in a row for the Bruin defense, and three straight for goalkeeper **Curtis Selby** (Fr., Aloha HS, Beaverton, Ore.).

Scoring:

GFC	14 min.	Reschke (Fleming)	GFC 1-0
GFC	29 min.	Nadeau (Harmon)	GFC 2-0

**BRUIN BITS:**

\*\*\* Road warriors. George Fox came through its six-game road series with flying colors, going 5-1 against NCIC opponents. GFC now plays its four remaining Northwest Conference games at home.

\*\*\* GFC's 12-3 start is just a bit off pace from last year. In 1994, the Bruins 13-2 after 15 games.

\*\*\* If they believe in magic, then the Bruins have found their lucky charm. Ever since injuries forced midfielder **Ryan Gwaltney** (So., Roseburg HS, Ore.) into a defensive man-marking position four games ago, GFC has not been scored upon. The Bruins have seven shutouts this season.

\*\*\* Bruin goalkeeper **Curtis Selby** is on a roll, earning shutouts in his last three games and allowing just 0.91 goals per game this season. The school record for season goals allowed per game is .71, set by **Jeff Nelson** in 1993.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final 1994 NAIA poll.

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Whitworth:* "They are not an easy opponent, especially in the Pine Bowl. We didn't play particularly well, but that had to do with the fact that they played particularly hard. Our defense played well enough to deserve a shutout."

*On Whitman:* "We played much better, like night and day when compared to (the game with) Whitworth. We dominated early and often. That was good to see. **Mike Nadeau** was a man up there. We just kept pumping balls in to him while he was triple- and quadruple-teamed. His was a well-deserved goal."

*On Pacific:* "They play with a lot of confidence. It was a great battle last time we played. I think it will be a very predictable game. They play a counterattacking type of game. They will have nine guys back and two up front. Our defense will handle their strikers, the question will be if they get some midfielders or defenders through unmarked. With us playing attacking soccer and them playing defensive soccer, we'll be in their half of the field. Hopefully, we'll find a crack in their massive defensive wall. We'll see what happens."

*On Pacific Lutheran:* "PLU is a very talented team. They are the only conference team that has beaten us. They have a bunch of good, crafty European players. We'll have to play just as hard (as we do against Pacific) if we want to have a chance. Regardless of Pacific, PLU will tough."

-more-

*On the Season:* "I think I said in the preseason that it would be hard to keep our playoff streak alive. I don't think missing the playoffs is even possible now. More important than our record, though, is how quickly we've come together and how well the young guys have played. We were performing and competing with the experienced teams right off the bat.

"I'm also surprised at the versatility we've had: guys playing two or three positions if needed. I didn't know we could count on as many players as we could. We have a had a lot of guys playing sick or with injuries, yet the guys have gotten it done and a lot of credit needs to go to them for that."

## BRUIN SOCCER

Overall: 10-3, Northwest Conference of Independent Colleges: 5-1

### 10-3 Bruins Break into NAIA Top 20

For the first time this season, George Fox's men's soccer team is ranked in the NAIA national top 20. The Bruins earned 35 points in the Oct. 9 poll and ranked No. 20. No. 5 Simon Fraser University is the only other Pacific Northwest Region team in the top 20. Seattle University also is receiving votes.

### George Fox Reaches Halfway Point With NCIC Lead

Halfway through the Northwest Conference season, George Fox and Pacific University (8-2-1) share the conference lead with 5-1 records. The schedule now is in George Fox's favor. Four of the Bruins' six remaining conference games are at home. For GFC it's been a surprisingly successful season. The Bruins lost seven seniors, including three All-Americans off of last year's 15-3 squad.

### WHAT'S BRUIN:

*Friday, Oct. 13, 4 p.m.* ... at Whitworth College ... Spokane, Wash. ... Northwest Conference counter ... George Fox downed the Pirates 3-1 earlier this season in Newberg ... Last year the Pirates handed GFC one of its three losses of the season, a 3-1 overtime defeat in Spokane ... Whitworth leads the overall series 2-1.

*Saturday, Oct. 14, 1 p.m.* ... at Whitman College ... Walla Walla, Wash. ... Northwest Conference counter ... The Bruins defeated Whitman 2-0 earlier this season in Newberg ... The overall series is tied 1-1.

### LAST WEEK:

#### GFC 5, Willamette 0

George Fox came alive in the second half Friday (Oct. 6) in Salem, rolling past Willamette University 5-0 in their first NCIC meeting of the season.

The Bruins scored just once in the first half, but put together a four-goal flurry in the final 30 minutes. The first half's lone goal was a one-man show by midfielder **Wade Fleming (Fr., Lakeridge HS, Oregon City, Ore.)**. Carving his way through four Willamette defenders, Fleming punched in the goal unassisted at the 38-minute mark.

Entering the second half, the Bruins' goal-scoring machine was started up at the 64-minute mark by forward **Mike Nadeau (Reynolds HS, Portland, Ore.)** off a pass from Fleming. Following Nadeau to the back of the net at 10 minute intervals were forward **Joe Crown (Fr., Kent-Meridian HS, Kent, Wash.)** and defender **Aaron Jaramillo (Jr., Aloha HS, Ore.)**. With one minute remaining to play, forward **Greg Shaffer (Jr., North Medford HS, Ore.)** knocked in GFC's final goal off an assist by Jaramillo.

George Fox held the Bearcats to just one shot, while taking 24 of their own.

Scoring:

GFC	38 min.	Fleming (unassisted)	GFC 1-0
GFC	64 min.	Nadeau (Fleming)	GFC 2-0
GFC	74 min.	Crown (Nelson)	GFC 3-0
GFC	84 min.	Jaramillo (Gates)	GFC 4-0
GFC	89 min.	Shaffer (Jaramillo)	GFC 5-0

GFC 4, Linfield 0

Playing without their entire starting defense, George Fox shut out Linfield College 4-0 in McMinnville Saturday (Oct. 7), completing the first half of Northwest Conference play.

Injuries and a red card the day before, forced GFC into a new defensive lineup. Backup goalkeeper **Chris Wood (Fr., Bothell HS, Wash.)** replaced injured **Curtis Selby (Fr., Aloha HS, Ore.)** and earned his first collegiate shutout.

Mirroring Friday's storyline, the Bruins scored only once in the first half. Midfielder **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** recorded the goal for the Bruins. Forward **Mike Nadeau (Reynolds HS, Portland, Ore.)** headed a ball backwards into the goal at the 55-minute mark. The assist came from **Josh Turpen (Fr., Sammamish HS, Bellevue, Wash.)**. At the 80-minute mark, Nadeau took a pass from Reschke and scored his third goal of the weekend. Finishing up for the Bruins was backup midfielder **Sean Gates (Fr., West Linn HS, Ore.)** who scored unassisted with five minutes remaining.

Scoring:

GFC	25 min.	Reschke	GFC 1-0
GFC	55 min.	Nadeau (Turpen)	GFC 2-0
GFC	80 min.	Nadeau (Reschke)	GFC 3-0
GFC	85 min.	Gates (unassisted)	GFC 4-0

**BRUIN BITS:**

\*\*\* GFC's 10-3 start is just a bit off pace from last year. In 1994, GFC launched its season 12-1, its best ever.

\*\*\* For the first time in their history, the George Fox soccer teams are flying to a regular season game. By flying to the Whitman and Whitworth games, the teams avoid an extra day of missed classes, save money and miss out on seven hours cramped in a bus.

\*\*\* Former Aloha High School teammates **Curtis Selby** and **Tommy Kolodge** have made the jump to college athletics together. The two Oregon 4A all-state selections have started almost every game for the Bruins thus far, Selby in the goalkeeper's box and Kolodge at sweeper.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final 1994 NAIA poll.

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Willamette:* "We played a very good second half both games. The best thing about it was the finishing. We didn't just create shots, we actually put them away. We looked like the Bruins of old."

*On Linfield:* "We ended up playing with a whole new defense, including the goalkeeper. It is very helpful to have that kind of depth at this time of the year when every team is dealing with injuries. It's a luxury to put in guys that can be 100 percent and get the job done."

*On Whitworth:* "Spokane is a very tough place to play."

-more-

*On Whitman:* "I think we are playing better now than when we faced them before. The main concern is finding enough healthy people to take with us."

## **BRUIN SOCCER**

Overall: 8-3, Northwest Conference of Independent Colleges: 3-1

### **George Fox in Northwest Conference First-Place Tie**

Four games into league play, George Fox is in a three-way tie with Pacific University (5-2-1) and Whitworth College (4-3-1) for the Northwest Conference lead. All three have 3-1 conference records, but the Bruins gave both teams their only conference loss.

### **WHAT'S BRUIN:**

*Friday, Oct. 6, 3 p.m.* ... at Willamette University ... Salem, Ore. ... Northwest Conference counter ... Willamette is 2-6 overall and 1-3 in conference ... George Fox downed the Bearcats 5-0 last year in Newberg.

*Saturday, Oct. 7, 1 p.m.* ... at Linfield College ... McMinnville, Ore. ... Northwest Conference counter ... Linfield is 1-8-1 overall and 0-3-1 in the NCIC ... The Bruins defeated Linfield 2-0 in McMinnville last season.

### **LAST WEEK:**

#### **GFC 4, Pacific 3 (OT)**

Rallying from a 3-1 second half deficit, 25th-ranked George Fox rallied to tie in the final 10 seconds and used overtime to defeat defending NCIC champion Pacific 4-3 in Forest Grove Thursday (Sept. 28).

Both teams came into the game leading the conference with 2-0 records. George Fox scored less than one minute after play began. Following a GFC throw in, forward **Mike Nadeau (Sr., Reynolds HS, Portland, Ore.)** flicked the ball on to teammate **Phil Nelson (Sr., Idaho Falls HS, Idaho)** for the goal.

The Bruins' 1-0 lead lasted only five minutes as Pacific answered in the sixth minute of play, and then took the lead just two minutes later. Starting the second half with a 2-1 lead, the sharp shooting Boxers extended their lead even further to 3-1 seven minutes into the period.

GFC put in another goal at the one-hour mark. Following a **Wade Fleming (Fr., Lakeridge HS, Oregon City, Ore.)** corner kick, Nadeau headed the ball in, bringing the deficit to one goal.

GFC's final scoring opportunity came on a throw in. Defender **Steve Sterhan (Sr., Milwaukie HS, Ore.)** threw the ball in to Nadeau, who flicked it to forward **Greg Shaffer (Jr., North Medford HS, Ore.)** for the shot. The Boxer defense denied Shaffer's attempt, but midfielder **Ian Reschke's (Sr., Lindbergh HS, Renton, Wash.)** followed up off the deflection to send the game to overtime.

GFC got the game winner with 10 minutes left to play. After dribbling through traffic down the Boxer sideline, Shaffer passed to midfielder **Erik Sorensen (So., Bothell HS, Wash.)** who curled the ball over the goalkeeper's head and into the far side of the net.

#### **Scoring:**

GFC	1 min.	Nelson (Nadeau)	GFC 1-0
PU	6 min.	Eagler	Tied 1-1
PU	8 min.	Chown	PU 2-1
PU	52 min.	Lensch	PU 3-1

-more-

GFC	60 min.	Nadeau (Fleming)	PU 3-2
GFC	89 min.	Reschke (Nadeau/Shaffer)	Tied 3-3
GFC	110 min.	Sorensen (Shaffer)	GFC 4-3

#### GFC 1, Pacific Lutheran 2 (OT)

George Fox fell 2-1 to defending NCIC playoff champion Pacific Lutheran University in Tacoma Saturday (Sept. 30).

Competing without the services of playmaker Mike Nadeau, the Bruins battled through a scoreless first half, then punched in the game's first goal 20 minutes into the second half. Following a cross from Ian Reschke, midfielder **Ryan Gwaltney (So., Roseburg HS, Ore.)** slammed in a header at point blank range.

PLU scored only one minute later to tie the game 1-1 and set up GFC's second overtime contest in three days.

The Lutes scored first in overtime, but with two minutes left to play Bruin forward Greg Shaffer collected a ball from Reschke and scored an apparent game-tying goal. The goal was disallowed by the referee on an illegal push and GFC failed to score again.

The loss was GFC's first in conference play.

#### Scoring:

GFC	65 min.	Gwaltney (Reschke)	GFC 1-0
PLU	66 min.		Tied 1-1
PLU	110 min.		PLU 2-1

#### BRUIN BITS:

\*\*\* George Fox College is ranked 25th in the Sept. 25 NAIA poll.

\*\*\* Saturday (Sept. 30) — for the first time this season — George Fox scored and didn't win. Before the 2-1 overtime loss to PLU, the Bruins' two losses had come on shutouts.

\*\*\* Former Aloha High School teammates Curtis Selby and Tommy Kolodge have made the jump to college athletics together. The two Oregon 4A all-state selections have started all eleven games for the Bruins thus far, Selby in the goal keeper's box and Kolodge at sweeper.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final 1994 NAIA poll.

#### CHAT WITH TSCHAN: (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Pacific:* "It was a game to watch. We outshot them 32-9, but all nine of their shots were of really high quality. We didn't seem to finish as well as we should have. They felt that they let one get away, but in the final analysis we probably deserved to win."

*On Pacific Lutheran:* "We went to overtime again, but this time we came up on the short end. They came out of the chute pretty hard and we looked a little sluggish for the first 15 minutes, but then we figured them out and we pressured."

*On Willamette:* "Our games with Willamette have always been classics. We usually end up going to overtime, somebody wins by one, or we tie. It's always a tough, tight game, and that's what we fully expect to get on Friday."

*On Linfield:* "We have to be very alert. They will be fresh and we will just have had a barn-burner with Willamette. They have played well and have had some good results. We are ready to deal with them, but it will be hard."

## BRUIN SOCCER

Overall: 7-2, Northwest Conference of Independent Colleges: 2-0

### George Fox Shares NCIC Lead

Two games into the 12-game Northwest Conference schedule, George Fox and Pacific University are tied for the NCIC lead at 2-0. GFC was perfect in last weekend's homestand with Whitman and Whitworth, while Pacific chalked up victories against Linfield and Willamette.

The two teams meet this Thursday (Sept. 28) in Forest Grove.

### WHAT'S BRUIN:

*Thursday, Sept. 28, 4 p.m.* ... at Pacific University ... Forest Grove, Ore. ... Conference counter ... The Boxers are the defending NCIC champions, 4-1 in conference play last season ... GFC defeated Pacific 3-0 last season in Newberg ... GFC begins a six-game conference road string.

*Saturday, Sept. 30, 1 p.m.* ... at Pacific Lutheran University ... Tacoma, Wash. ... Conference counter ... PLU won the NCIC playoffs last season, defeating Pacific 2-1 in the title game and advanced to regional play ... PLU graduated two All-American defenders ... The Lutes were ranked No. 16 in the 1995 NAIA preseason poll ... George Fox won the last meeting 1-0 in 1993.

### LAST WEEK:

#### GFC 2, Whitman 0

George Fox College's men's soccer team opened Northwest Conference play with a 2-0 win over Whitman College Friday (Sept. 22).

The Bruins scored twice in the first half, outshooting Whitman 13-0. GFC's first goal came at 21 minutes on a corner kick. Forward **Phil Nelson (Sr., Idaho Falls HS, Idaho)** headed in the kick by midfielder **Josh Turpen (Fr., Sammamish HS, Bellevue, Wash.)**.

Four minutes later on a throw-in play, forward **Nick Harmon (So., Battle Ground HS, Wash.)** punched in a second goal following a flick by Nelson.

The shutout was the third of the season for Bruin goalkeeper **Curtis Selby (Fr., Aloha HS, Ore.)**. George Fox outshot Whitman 17-1 in the game.

#### Scoring:

21 min. GFC	Nelson (Turpen)	GFC 1-0
25 min. GFC	Harmon (Nelson)	GFC 2-0

#### GFC 3, Whitworth 1

George Fox College's men's soccer team improved to 2-0 in Northwest Conference play with a 3-1 win over visiting Whitworth College.

Senior forward **Mike Nadeau (Sr., Reynolds HS, Portland)** was involved in all three GFC scoring plays. A Baltimore Orioles 1994 baseball draft pick, Nadeau joined his George Fox teammates after playing minor league ball this summer in Bend, Ore.

The Bruins scored first 11 minutes in when Nadeau outran three defenders and beat the goal keeper with a low shot that ricocheted off the right goal post. Midfielder **Wade Fleming (Fr., Lakeridge HS, Oregon City, Ore.)** had the assist.

-more-

Nadeau drew a foul in the box to set up GFC's second goal. Sweeper **Tommy Kolodge (Fr., Aloha HS, Beaverton, Ore.)** converted the penalty kick at 26 minutes.

Whitworth scored its lone goal at 35 minutes on a free kick. Rio Three Stars chipped in a 20-yard shot.

Nadeau set up the final goal with a fast break pass that the goal keeper deflected. Forward **Joe Crown (Fr., Kent-Meridian HS, Kent, Wash.)** finished, putting the ball in the empty net.

**Scoring:**

GFC	11 min.	Nadeau (Fleming)	GFC 1-0
GFC	26 min.	Kolodge (penalty kick)	GFC 2-0
WC	35 min.	Three Stars (Kang)	GFC 2-1
GFC	79 min.	Crown (Nadeau)	GFC 3-1

**BRUIN BITS:**

\*\*\* So far it's been simple. If the Bruins score, the Bruins win. Nine games in, every time George Fox has found the back of an opponent's net, the team has found a way to win. GFC's only two losses thus far came when the Bruins were shut out.

\*\*\* Former Aloha High School teammates Curtis Selby and Tommy Kolodge have made the jump to college athletics together. The two Oregon 4A all-state selections have started all nine games for the Bruins thus far, Selby in the goal keeper's box and Kolodge at sweeper.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final 1994 NAIA poll.

\*\*\* Fresh off his second season of minor league baseball, fifth-year senior Mike Nadeau brings his aggressive style of play back to GFC's offense for one last season of eligibility. Nadeau skipped the 1993 soccer season to concentrate on baseball, an investment that paid off when Nadeau was drafted by the Baltimore Orioles in the 17th round of the 1994 major league amateur draft.

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Whitman:* "We won at home. That's what you need to do in conference. We tried to save some energy in the second half. They are a skillful team. They had a good keeper who made a lot of nice saves."

*On Whitworth:* "This is the first time we've played them at home. Playing them definitely pointed out just how hard it will be to play a tough team on Saturday coming off a Friday game. We got some goals, but with a little luck they could have had a little more. With all the sick kids, I'm just glad we got out with two wins (this weekend)."

*On Pacific:* "Forest Grove has always been a tough place to play. Pacific has been on the upswing lately. They lost hardly anyone off of their championship team from last year. It will be a tough game."

*On Pacific Lutheran:* "They have five or six foreigners who may be older and more experienced, but that hasn't always bothered us in the past. We're going to have to come up with two excellent efforts to get through these two games and come up victorious."

*On Mike Nadeau's return:* "It's great having Nadeau back. He's so quick, so strong, so competitive. Against Whitworth he had a part in all three goals. Even though he is not quite in soccer shape yet, he has made us a different team."

## BRUIN SOCCER

Overall: 5-2, Northwest Conference of Independent Colleges: 0-0

### WHAT'S BRUIN:

*Friday, Sept. 22, 4 p.m.* ... Whitman College ... Newberg ... GFC's first Northwest Conference of Independent Colleges counter ... George Fox and Whitman last met in 1984, with Whitman prevailing over the first-year Bruin program 5-0.

*Saturday, Sept. 23, 1 p.m.* ... Whitworth College ... Newberg ... Last year the Pirates handed GFC one of just three losses of the season, a 3-1 overtime defeat in Spokane ... Whitworth leads the overall series 2-0, both of which went into overtime.

### LAST WEEK:

#### GFC 0, Concordia 4

Concordia University scored three times in an 11-minute span and took a 4-0 non-conference men's soccer victory over George Fox College Thursday (Sept. 14) in Newberg.

The two former Cascade Conference teams renewed their rivalry in 90-plus degree heat. GFC had won the previous three meetings by one-goal margins. George Fox joined the Northwest Conference of Independent Colleges this season.

Senior Doug Wolverter recorded a hat trick and senior Eric Desenberg picked up a goal and an assist.

Concordia is the 27th-ranked team in the Sept. 11 NAIA national poll.

The defeat was GFC's first home regular season loss since Oct. 6, 1993.

#### Scoring:

30 min. Wolverter (Desenberg) CU 1-0

32 min. Wolverter (Quashie) CU 2-0

41 min. Desenberg (Willoughby) CU 3-0

84 min. Wolverter (Quashie) CU 4-0

#### GFC 1, Evergreen State 0

In its final game before beginning conference play, George Fox shut out visiting Evergreen State College 1-0 in Newberg Saturday (Sept. 16).

After an uneventful first half, both teams came alive five minutes into the second half when Evergreen State was awarded a direct free kick. After Bruin keeper Curtis Selby (Fr., Aloha HS, Ore.), deflected the ball once, Evergreen's David Zumwalt punched in the rebounding ball for an apparent goal. As both sides erupted in emotion, an offside call against the Geoducks negated the goal.

Bruin forward Nick Harmon (So., Battle Ground HS, Wash.) finally broke the scoreless tie following a GFC throw-in late in the second half. Assisting Harmon amidst the heavy goal-mouth traffic was forward Greg Shaffer (Jr., North Medford HS, Ore.).

Apparently inspired by Harmon's goal, GFC dominated play for the final eight minutes, narrowly missing several shots on goal in the closing minutes of the game. By the final whistle, George Fox had outshot Evergreen State 19-7.

-more-

Selby recorded three saves for the shutout, his second of the season.

Scoring:

GFC 82 min. Harmon (Shaffer) GFC 1-0

**BRUIN BITS:**

\*\*\* Fresh off his second season of minor league baseball, fifth-year senior Mike Nadeau brought his aggressive style of play back to George Fox's offense last week, starting for the Bruins against Evergreen State. Nadeau skipped the 1993 soccer season to concentrate on baseball, an investment that paid off when Nadeau was drafted by the Baltimore Orioles in the 17th round of the 1994 major league amateur draft. Last year, Nadeau led GFC in assists.

\*\*\* GFC's loss Thursday to Concordia was the first regular season loss for the Bruins at home since Oct. 6, 1993.

\*\*\* Former Aloha High School teammates Curtis Selby and Tommy Kolodge have made the jump to college athletics together. The two Oregon 4A all-state selections have started all seven games for the Bruins thus far, Selby in the goalkeeper's box and Kolodge at sweeper. The Bruin defense has given up an average of 1.28 goals per game this season.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final NAIA poll.

\*\*\* Fresh off his second season of minor league baseball, fifth-year senior Mike Nadeau brought his aggressive style of play back to George Fox's offense last week, starting for the Bruins against Evergreen State. Nadeau skipped the 1993 soccer season to concentrate on baseball, an investment that paid off when Nadeau was drafted by the Baltimore Orioles in the 17th round of the 1994 major league amateur draft. Last year, Nadeau led GFC in assists.

\*\*\* Former Bruin goalkeeper standout Jeff Nelson returns to his alma mater this season as assistant coach for goalkeepers. A 1995 graduate of George Fox, Nelson won a total of six All-American awards and was named 1994 NAIA Goalkeeper of the Year by the Intercollegiate Soccer Association of America. This summer, Nelson played professional soccer for the Cascade Surge, the USISL team in Salem, Ore.

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Concordia:* "We basically got spanked. In terms of how little resistance we offered, it was definitely the worst loss since I've been at GFC. Clearly disappointing. After a while we looked downright scared."

*On Evergreen State:* "We played a lot better. I had to make sure our players were more scared of me than they were of Evergreen. We came out and played Bruin ball. If we continue to do that we are going to be successful."

*On Whitman:* "This will be our first game ever in the NCIC. Whitman is usually a quality team. I know that they are a young team, similar to ours. They should be a good test for us."

*On Whitworth:* "They are one of the traditional powers in the league, but they are rebuilding a little bit. They have a new coach and a bunch of new players. They struggled a little bit at the Evergreen State tournament. We'll have to see how much they've progressed."

## BRUIN SOCCER

Overall: 4-1, Northwest Conference of Independent Colleges: 0-0

### WHAT'S BRUIN:

*Thursday, Sept. 14, 4 p.m.* ... vs. Concordia College ... Newberg ... George Fox beat Concordia 2-1 last year in Portland ... Meeting of former NAIA District 2 and Cascade Conference rivals ... GFC and Concordia played for the 1992 and 1993 NAIA District 2 Championships, each winning one ... George Fox has won the last three meetings — all by one goal ... GFC head coach Manfred Tschan is a former head coach at Concordia.

*Saturday, Sept. 16, 2 p.m.* ... vs. Evergreen State College ... Newberg ... Non-conference match up ... GFC did not meet Evergreen State's team at the Sept. 2-4 Evergreen Invitational ... Last game before Northwest Conference schedule begins ... George Fox shut out Evergreen the last two seasons and tied them 3-3 in 1992.

### LAST WEEK:

#### GFC 1, Central Washington 0

George Fox College's 26th-ranked men's soccer team won its home opener 1-0 over Central Washington University, Friday (Sept. 8).

Three minutes in, forward **Phil Nelson (Sr., Idaho Falls HS, Idaho)** scored GFC's lone goal on the rebound after midfielder **Erik Sorensen (So., Bothell HS, Wash.)** rattled a shot off the crossbar.

George Fox outshot CWU 18-10.

Goalkeeper **Curtis Selby (Fr., Aloha HS, Beaverton, Ore.)** earned the shutout, GFC's first of the year. He had eight saves.

The game was the third meeting between the two teams in a week. Last weekend, GFC and Central Washington split at the Evergreen State Invitational.

Scoring:

GFC 3 min. Nelson (Sorensen) GFC 1-0

#### GFC 3, Western Baptist 2

A flat George Fox men's soccer team defeated Western Baptist 3-2 in Newberg on Saturday (Sept. 9).

Holding GFC scoreless for the initial half hour of play, the much-improved Warriors finally gave up a goal late in the first half. Bruin forward **Ian Reschke (Sr., Lindbergh HS, Renton, Wash.)** blasted down Western Baptist's sideline, turned sharply toward the goal and placed the ball just over the goalkeeper's hands and into the far corner of the net.

Entering the second half with a slim one-goal advantage, the Bruins turned up the pressure in the opening minutes. Forward **Greg Shaffer (Jr., North Medford HS, Ore.)** immediately put the

-more-

Bruins up 2-0, punching in a shot at nearly point-blank range in front of Western Baptist's congested goal only two minutes into the period. Assisting Shaffer was **Chad Pohlman** (Fr., Shorecrest HS, Seattle, Wash.).

The Warriors' Brent Anderson answered with a goal in the 63rd minute.

Chalking up his fifth goal in as many games, and his second of the day, **Reschke** fired back later with a direct free kick that deflected off Western Baptist's post, then off their keeper and into their net. Ten minutes remained.

The game ended 3-2, as Western Baptist's Aaron Clippard popped a shot in with 42 seconds remaining.

George Fox led in shots attempted, 17-13. Both teams recorded nine saves.

**Scoring:**

GFC	32 min.	Reschke (unassisted)	GFC 1-0
GFC	47 min.	Shaffer (assist Pohlman)	GFC 2-0
WB	63 min.	Anderson	GFC 2-1
GFC	80 min.	Reschke (unassisted)	GFC 3-1
WB	89 min.	Clippard	GFC 3-2

**BRUIN BITS:**

\*\*\* Former Aloha High School teammates Curtis Selby and Tommy Kolodge have made the jump to college athletics together. The two Oregon 4A all-state selections have started all five games for the Bruins thus far, Selby in the goalkeeper's box and Kolodge at sweeper. The Bruin defense has given up an average of just one goal per game this season.

\*\*\* The Bruins are coming off a 15-3 season and ranked No. 9 in the final NAIA poll.

\*\*\* Since 1993, the Bruins have lost just one game on their home field, a 3-2 loss to Westminster College in last season's Cascade Conference championship that broke the Bruins' 16-game home win streak.

\*\*\* Former Bruin goalkeeper standout Jeff Nelson returns to his alma mater this season as assistant coach for goalkeepers. A 1995 graduate of George Fox, Nelson won a total of six All-American awards and was named 1994 NAIA Goalkeeper of the Year by the Intercollegiate Soccer Association of America. This summer, Nelson played professional soccer for the Cascade Surge, the USISL team in Salem, Ore.

**CHAT WITH TSCHAN:** (Comments from seventh-year head coach Manfred Tschan, 1993 NAIA District 2 and Area 1 Coach of the Year)

*On Central Washington:* "It was a good game for us. We played a low-pressure defense, which is something we haven't done in a while. We basically tried to sit back and then counterattack. It could have easily backfired if our players didn't play like they did."

*On Western Baptist:* "They have improved and they showed it. If it had been a conference game I could say, 'We played ugly but we won,' but since it was a preseason game it didn't matter that we won: we just played ugly. Curtis Selby and Justin Rivard played very well, but in most cases we expected more."

*On Concordia:* "We have always had a good rivalry. This game will have a very different feeling since we are not in the same conference this year. The only way we can get back to them is if we get to nationals."

-more-

*On Evergreen State:* "We saw them play at the Evergreen State Invitational. They are a good team this year. They always play a good game of soccer. They play intelligently and are well-schooled. (Against us) it is always two teams trying to play their own brand of soccer. We'll see who comes out on top."

## George Fox College Men's Soccer Outlook 1995

Seven seniors, including three All-Americans are gone from the 15-3 squad that finished No. 9 in the final national NAIA poll, but a talented young George Fox College's men's soccer team will be shooting for a sixth-consecutive NAIA playoff berth.

To achieve its goal, George Fox will need a top-three finish in its first year in the tough Northwest Conference of Independent Colleges. The 26th-ranked Bruins are one of four Northwest Conference teams receiving votes in the NAIA preseason poll.

"It'll be tough to keep the playoff streak alive," says seventh-year coach Manfred Tschan. "We're a young team in a strong conference."

Success in the face of long odds would not be uncharacteristic of recent GFC teams. The last time the Bruins graduated half its starters they advanced to the 1993 national tournament.

Five starters return and a crop of 19 freshmen are on the roster. The makeup of the 1995 team is different, but George Fox likely will stick with its aggressive, attacking style of play that averaged 3.5 goals a game last year, 11th-best in the NAIA.

"I think most of the time we'll use three forwards," says Tschan. "We're not as athletic as last year, but probably we're more skillful."

Tschan has some options up front. Returning are two Cascade Conference first team forwards. Ian Reschke (Sr., Lindbergh HS, Renton, Wash.) gives George Fox slick moves and 1993 pro baseball draft pick Mike Nadeau (Sr., Reynolds HS, Portland, Ore.) possesses blazing speed and is fourth on the GFC career assist list with 26. Reschke scored eight goals last season as did Phil Nelson (Sr., Idaho Falls HS, Idaho), who ranks sixth in GFC career assists.

In the 1994 season opener against Evergreen State, the Bruins got a taste of Nick Harmon's (So., Battle Ground, Wash.) capabilities. The freshman scored once and assisted twice in his debut, but was lost for a month when he broke his collar bone in the next scrimmage.

Tschan expects to move one of those four back into the midfield where he has two small but skillful additions.

Oregon 4A third team all-state midfielder **Wade Fleming (Fr., Lakeridge HS, Oregon City, Ore.)** and first team all-Kingco center midfielder **Josh Turpen (Fr., Sammamish HS, Bellevue, Wash.)** give GFC what may be its most talented midfield ever. Neither weighs more than 150 pounds.

"They may need some bodyguards with experience," says Tschan. He can call on returning starters **Greg Shaffer (Jr., North Medford HS, Medford, Ore.)** or **Ryan Gwaltney (So., Roseburg HS, Ore.)**.

The offense doesn't worry Tschan as much as the backfield. "We're still going to be tough to stop," predicts Tschan. "We've added a lot of players with good touch, but the preseason hasn't shown me we're ready to repeat our defensive achievements of the last couple of years."

The lone returner off the GFC defense that gave up .88 goals a game and ranked third nationally is **Steve Sterhan (Sr., Milwaukie HS, Ore.)**. He's joined by Oregon 4A third-team all-state sweeper **Tommy Kolodge (Fr., Aloha HS, Beaverton, Ore.)**, first team all-Wesco League defender **Chad Pohlman (Fr., Shorecrest HS, Seattle, Wash.)**, and **Jeff Wells (Fr., Evergreen HS, Ridgefield, Wash.)**.

The Bruins have four goalkeeper candidates attempting to replace Jeff Nelson, who the Intercollegiate Soccer Association of America named NAIA National Goalkeeper of the Year.

Oregon 4A first team all-state selection **Curtis Selby (Fr., Aloha HS, Beaverton, Ore.)** has the top credentials. If the Bruins need size, they can go to **Tim Fimbres (Fr., Klamath Union HS, Ore.)**, who at 6-4 would be the tallest keeper in GFC history. **Chris Wood (Fr., Bothell HS, Wash.)** is another big keeper at 6-1, and **Jeff Gillespie (Jr., Sam Barlow HS, Boring, Ore.)** is coming off two seasons on the junior varsity squad.

The early season schedule is weighted in the Bruins' favor with four of their six non-conference games at home. The conference schedule will be rugged. Pacific Lutheran University is ranked 16th in the preseason poll; Whitworth College is a regional power; Pacific University is the defending conference champion; and in recent years, Willamette University has been a District 2

champion. Tschan says his team has depth, which will be needed during the double round-robin conference season.

"It'll be easy to play 18 players without losing much," says Tschan. "There will be plenty of time for everyone to contribute."

### **Soccer Recruits Strengthen Bruin Midfield and Defense**

George Fox men's soccer coach Manfred Tschan might have found his midfield of the future.

Wade Fleming, an Oregon class 4A third team selection from Lakeridge High School, and Joshua Turpen, an all-KingCo League first team member from Sammamish High School in Bellevue, Wash., will join the George Fox College men's soccer team next season.

"They are both tremendous center midfielders," says Tschan. "Those two guys fill an area where we've gotten quality play, but not at that level of soccer. We haven't had this much talent in those positions since Craig Walker (who set the GFC season assist record in 1988). Those guys could break some assist records if the guys up front keep scoring. It looks great for the future."

Fleming, who played for Three Rivers League champion Lakeridge High School during the 1993-94 season, was a club soccer member of FC Portland Academy this year. His U-18 team won the Oregon state cup and advanced to regional play.

"Wade is a very, very skillful player," says Tschan. "He may have some of the best skills any player at George Fox has ever had. He reads the game really well. Obviously, he's not a huge guy, but it doesn't matter. He always seems to come up with the ball."

Fleming is 5-9, 125 pounds.

"Wade's got the vision and skill to get it where he wants it," says Tschan. "He's got that extra dimension for opening up defenses."

A midfielder at Lakeridge, Fleming scored four goals and had eight assists in 1993, when he won all-state honors. In 1992, he totalled three goals and seven assists.

His parents are Robert and June Fleming. Wade already has a George Fox connection. His uncle, Jim Fleming, works in the George Fox student life office.

At Sammamish, the 5-8, 145 pound Turpen had five goals and five assists as a senior. A three-year starter, he was named his team's outstanding senior.

"The best way to describe his play is crafty," says Tschan. "He has the knack for popping up and being wide open all of a sudden. Things run through him."

Turpen played club soccer for the U-19 Premier II Whidbey Islanders.

Tschan also has two other freshman recruits to announce. Jeffery Wells, a 5-8, 150-pound sweeper from Evergreen High School in Vancouver, Wash., and Tim Fimbres, a 6-3 goalkeeper from Klamath Union High School in Klamath Falls, Ore., have both committed to the Bruins.

Wells is a four-year varsity starter and was the defensive mainstay of a team that finished third in the Washington Class 3A tournament. He scored three goals and assisted twice as a senior.

He was named team MVP and first team all-Greater St. Helens League.

He played club soccer for Three Rivers U-17 and U-19 teams.

"Like most defenders, he's scrappy," says Tschan. "We're certainly glad to have him. I've heard glowing reports from other Vancouver high school coaches about him.

Fimbres played three seasons at Klamath Union.

"He's a 6-3 goalkeeper and we need a goalkeeper," says Tschan. "He's got a good shot at being the guy."

GFC's Jeff Nelson, who was named NAIA National Goalkeeper of the Year by the Intercollegiate Soccer Association of America, graduated this spring.

On the verge of joining the Northwest Conference of Independent Colleges and NCAA Division III, Tschan has a bumper crop of just under 20 recruits this season. He loses seven seniors from his 1994 team that finished 15-3, No. 9 in the final NAIA national poll.

## **GFC Men's Soccer Lands Scholar-Athlete Pair from Bothell, Wash.**

Two straight-A students from rival high schools in the same town have committed to play men's soccer at George Fox College.

Michael Moody and Chris Wood of Bothell, Wash., will join the nationally-ranked Bruins next season. They currently are finishing their senior seasons. Unlike Oregon, Washington high school soccer is played in the spring.

Both are No. 1 in their academic class and both play brass instruments in their high school jazz and wind ensembles.

Moody, from Inglemoor High School, is a 5-10, 140 pound midfielder who as a junior scored two goals and assisted five times. So far this season, he has a goal and four assists.

"Michael will fit in very well with our style of play because of his speed," says head coach Manfred Tschan. "He can fly. He'll be a flank player for us as an outside midfielder or a wing up front. Michael can play both sides equally well and he can defend and attack. He hits great crosses and takes corner kicks with either foot. We expect tons of goals and assists out of him."

Moody has played club soccer for the Northshore Spectre with Wood and joined the Lake Washington Storm for the last two seasons. The Storm won the Washington State Commissioners Cup Championship earlier this year.

Wood, a two-sport athlete from Bothell High School, joins a group of candidates to replace Jeff Nelson who graduated as the Intercollegiate Soccer Association of America NAIA National Goalkeeper of the Year.

"Chris will be the biggest keeper we've ever had," says Tschan. "As a varsity basketball player, obviously he can catch the ball. We'll have a lot to work with. He's big, has good hands and he's smart."

Wood played goalkeeper and defense as a junior. In front of the net, the 6-4, 190-pounder earned four shutouts. He assisted and scored once in the field.

So far this season, Wood has played goalkeeper, defense and midfielder. He scored three goals and assisted once.

Wood was honored on the all-KingCo League second team as a sophomore and won league honorable mention as a junior.

Wood also has lettered two years in basketball.

George Fox graduated seven starting seniors off the 1994 team that finished 15-3, ranking No. 9 in the final NAIA national poll.

## Rebuilding Begins For George Fox Men's Soccer

The George Fox College men's soccer team took a solid rebuilding step by signing 4A first team all-state forward Michael Roth of Centennial High School in Portland.

The Bruins lose seven starting seniors from a team that finished 15-3, ranking ninth in the final NAIA poll.

Roth, a 5-11, 160 pound goal-scorer, took Centennial to the 4A state championship game, leading his team and the Mt. Hood Conference in scoring.

George Fox head coach Manfred Tschan hopes he'll be able to fill the void left by the graduation of three-time NAIA All-American forward Greg Pflieger. Pflieger led all NAIA West Coast soccer players in scoring all four years at George Fox.

"Coming out of high school, Michael may be ahead of where Pflieger was at the same time," says Tschan. "He's got great speed and excellent striker skills. He can post up, is very quick on the turn and finishes well with both feet."

This year, Roth won team MVP honors. He scored 12 goals and four assists as a senior and 17 goals and four assists as a junior. He was named his high school's top offensive player in 1991, 1992 and 1993.

Roth has played in the Olympic Development Program and his club team won the state championship in 1993 and 1994.

Also joining the Bruin squad are Sean Gates of West Linn High School and Joe Crown of Kent-Meridian High School in Washington.

-more-

Gates, a 5-7, 135-pound midfielder, scored seven goals and assisted 13 times this past season. As a junior he collected six goals and 10 assists. He played varsity for West Linn for four years and won second team all-Three Rivers League honors as a senior and league honorable mention as a junior.

"Sean is extremely fast and is a good flank player," says Tschan. "If he can get isolated one-on-one, we will get a lot of quality crosses from him. He's one of those kids who I expect to do better in college than in high school. He'll really fit well into our style of play."

Tschan expects Crown will play up front or in the center of the midfield. A 5-10, 155-pound high school midfielder, Crown captained his high school team and also played for the Federal Way Bullets, an under-18 club soccer team that won the Washington state championship.

"Joe is very skillful," says Tschan. "He's very solid technically and is a versatile player who has played several positions for his club team."
