HIGHLIGHTS:

*** Award Winners Announced for 2001 Season**

11/26 – AWARD WINNERS: Bruins Announce Honors for 2001 Running Season

NEWBERG, Ore. – Four members of the George Fox University men's and women's cross country teams received two honors apiece as coach **Wes Cook**, who has completed 15 seasons directing the George Fox program, announced the 2001 post-season award winners for the Bruins.

On the men's team, **Matt Burg (So., Newberg, Ore.)** received both the Most Valuable Person and Most Improved awards, while **Nathan Paisley (Sr., Salem, Ore.)** won the Exemplify award and shared the Four Year Award with **Forrest Towne (Sr., Springfield, Ore.)** as Bruins who have competed for four years:

Other men's winners were **Michael Owen (Jr., Anchorage, Alaska)**, who was named Most Inspirational, and **Kris Clifton (Fr., Sutherlin, Ore.)**, who received the team's Rookie of the Year award.

For the women, **Beth Moyer (So., Camarillo, Calif.)** captured the Most Valuable Person and Most Improved awards, while **Kirsten Norgaard (Sr., Everett, Wash.)** received the Exemplify and Four Year Awards.

Janelle Goeres (So., Sams Valley, Ore.) was the Most Inspirational female runner, and **Ashley Crisell (Fr., Woodburn, Ore.)** was the team's Rookie of the Year.

With their smallest and least-experienced squad in coach Cook's 15 years with the George Fox program, the Bruins finished 7th in the Northwest Conference women's race and 8th in the men's race. Norgaard and Moyer earned NCAA Division III All-West Region honors by finishing 32nd and 33rd in the regional meet.

The Bruins did not compete in the regionals as a team, but only sent their top runners to race as independents. Both the women's 5K race and the men's 8K event were won by Claremont-Mudd-Scripps Colleges, earning berths in the NCAA Division III National Championships on Nov. 17 at Augustana College in Rock Island, Ill. Willamette's men's team, which finished second, also garnered a bid to the nationals.

Norgaard ran a 19:32.30 to place 32nd in the women's race, while **Moyer** was right behind in 33rd place with a time of 19:34.00. The top 35 in each race were accorded All-Region recognition. Norgaard's time was only 1.7 seconds off her previous personal best of 19:30.6.

LAST WEEK (recap below):

Oct. 27 – at Northwest Conference Championships, Bush's Pasture Park, Salem, Ore.
(Men – 8th of 9 / Women – 7th of 9)

10/27 – NORTHWEST CONFERENCE CHAMPIONSHIPS: Bruin Women 7th, Men 8th

SALEM, Ore. – A 7th-place finish for the women and an 8th-place standing for the men were the results for the **George Fox University Bruins** in the Northwest Conference Cross Country Championships, hosted by Willamette University, on Saturday (Oct. 27) here at Bush's Pasture Park, while the University of Puget Sound and Willamette University took the women's and men's titles respectively.

Women

In the women's 5,000-meter event, Puget Sound returned to the winner's circle after a two-year absence. UPS won NWC championships from 1996-98. The Loggers defeated Willamette by 12 points, 46-58, followed by Pacific Lutheran University with 78, Whitworth College 84, Lewis & Clark College 117, Whitman College 168, **George Fox** 189, Pacific University 211, and Linfield College 249.

Dana Boyle of UPS, who has won every meet she has entered this fall, won the race by almost 50 seconds with a time of 17:32.12. Pacific Lutheran's Lia Ossiander, the defending champion, took second in 18:19.67.

The best George Fox time was 19:16.90 by **Beth Moyer (So., Camarillo, Calif.)**, who finished 17th overall and 17th in placing for team scoring. Other Bruin runners were **Rebecca Rising (Sr., Sanger, Calif.)** at 19:52.79 (29th/27th), **Kirsten Norgaard (Sr., Everett, Wash.)** at 20:05.26 (38th/35th), **Ashley Crisell (Fr., Woodburn, Ore.)** at 20:57.51 (56th/49th), and **Dana Cavaliere (So., Santa Rosa, Calif.)** at 32:06.93 (77th/61st).

Men

Willamette's men, running on their 8,000-meter home course, won their first conference title since 1993 with a decisive 29-60 edge over Lewis & Clark. They were followed by Puget Sound with 72, Pacific Lutheran 76, Whitworth 141, Whitman 170, Pacific 196, **George Fox** 238, and Linfield 254.

Lewis & Clark's Neil Weare won the individual title in a time of 24:55.9, edging Linfield's Ryan Reed at 25:01.14. Weare's individual crown was the first by a Pioneer since current L&C coach David Fix won back-to-back championships in 1967-68.

Forrest Towne (Sr., Springfield, Ore.) posted the best time for the Bruin men with a 27:30.31, placing 31st overall and 28th for team scoring. Following him were **Matt Burg (So., Newberg, Ore.)** at 27:58.21 (43rd/40th), **Nathan Paisley (Sr., Salem, Ore.)** at 29:43.94

George Fox Cross Country ... Oct. 29, 2001 ... page 2

(66th/54th), **Kris Clifton (Fr., Sutherlin, Ore.)** at 30:40.60 (71st/57th), **Rob Gaslin (Fr., Tualatin, Ore.)** at 31:34.43 (73rd/59th), and **Chris Kelley (So., Newberg, Ore.)** at 34:44.34 (76th/62nd).

All the NWC schools will return to Bush's Pasture Park in two weeks for the NCAA Division III West Region Championships on Saturday, Nov. 10. The women's race begins at 9 a.m., with the men's race to follow at 10 a.m. In last year's regional, the Bruin men finished 9th and the women 6th, with Colleen Forbes becoming the first George Fox runner to compete in the NCAA Division III National Cross Country Championships by placing 8th in the region.

BRUIN BITS:

* Two new personal marks were set by Bruins at the NWC Championships on Oct. 27:

Women's New Personal Record

Beth Moyer 19:16.90 (by 34 seconds)

Ashley Crisell 20:57.51 (by 13 seconds)

Men's New Personal Record

Chris Kelley 34:44:34 (by 50 seconds)

* Both **Rebecca Rising** and **Kirsten Norgaard** set new personal course records at Bush's Pasture Park during the NWC Championships on Oct. 27. **Rising's** time of 19:52.79 was 0.69 better than her previous best in Salem, and **Norgaard's** 20:05.26 was 2.28 seconds better.

* **Beth Moyer's** 17th-place finish in the NWC Championships meant she missed All-Conference honors by three places. The top 14 finishers receive All-Conference honors.

* **Sarah Jertberg (Jr., Klamath Falls, Ore.)** started the women's race for the Bruins but dropped out before the first mile marker. "Sarah's had some health problems that can cause dizziness and fatigue, and the spells sometimes hit at inopportune times, as they did Saturday," said Bruin coach **Wes Cook**.

* **Dana Cavaliere** developed a hip injury during the NWC women's race that caused her to walk a good portion of the 5k course. "Dana's had what they call 'compartment syndrome' in her lower legs for a while, but this was totally unrelated to that," coach **Wes Cook** commented. "It was painful to watch, and I tried to get her to stop, but she was determined to finish the race, and she did. That gave us enough finishers for a team score and we came in ahead of two other teams, so you've got to give her credit for a gritty effort."

* **Cook's Comments:** "I think we ran about to our talent level in Salem. The seniors performed very well, as did Beth Moyer, who just missed out on All-Conference honors. Now we've got two weeks to get ready for the regionals, and we're probably only going to send the top four women and maybe two men. This is the first year in a long time at George Fox that we haven't been able to send a team that could realistically be competitive, so we're just sending the top individuals to see what they can do. And, when that's over, we'll be busy on the recruiting trail and planning to do better next fall."

In the women's 5,000 meter event, the University of Washington "B" team took top honors with 34 points, followed by the University of Puget Sound with 66, Whitworth College 75, Pacific Lutheran 85, Lewis & Clark College 119, Western Washington University 160, Pacific University 210, North Idaho College 219, **George Fox** 246, Linfield College 281, and Bellevue Community College 292.

BRUIN BITS:

* Two new personal marks were set by Bruins at the PLU Invitational on Oct. 13:

Women's New Personal Record

Dana Cavaliere 23:10.1 (by 10 seconds)

* **Beth Moyer's** time of 19:55.8 was a new personal course best at Ft. Steilacoom, bettering her mark there last year by almost a minute.

* **Cook's Comments:** "We'd didn't run as well in Tacoma as we did at the Willamette meet the week before, but then, we haven't run two full-distance back-to-back races very well all season. Ft. Steilacoom is never as fast a race as Salem, anyway; I told the teams not to push too hard, but to back off and get ready for the conference meet. We'll take this week off to rest up and try to make a better showing in the conference race on the 27th."

HIGHLIGHTS:

Bruin Women Finish 33rd, Men 36th in Willamette Invitational
Several Bruins Set Personal Marks in Salem

THIS WEEK:

Sat., Oct 13, 10:00 a.m. - at Pacific Lutheran Invitational,
Ft. Steilacoom Park, Tacoma, Wash.

LAST WEEK (recap below):

Oct. 6 – at Willamette University Invitational, Bush's Pasture Park, Salem, Ore.
(Men – 36th of 39 / Women – 33rd of 36)

10/6 – WILLAMETTE INVITATIONAL:

Bruin Women Finish 33rd, Men 36th in Willamette Invitational

SALEM, Ore. --- In "the largest meet on the West Coast" – a claim certainly substantiated by 788 runners in the event – the **George Fox University Bruins** finished 33rd in the women's 5K race and 36th in the men's 8K race at the Willamette University Invitational Cross Country Meet Saturday here at Bush's Pasture Park.

In team scoring for the NCAA Division I schools, the University of Hawaii edged the University of Oregon 42-43 in the women's race, while the University of Portland defeated Portland State University 19-38. In the College/Open division, the University of Victoria finished first with 68 points to 121 for Claremont-Mudd-Scripps Colleges in the women's race, and the Seacows track club edged Eastern Oregon University 99-103 in the men's race. **George Fox** was 33rd of 36 teams with 883 points in the women's division, while the men collected 979 points to wind up 36th of 39 teams.

Running for the George Fox women were **Rebecca Rising (Sr., Sanger, Calif.)**, who ran a 19:53.48 (167th overall/143rd in scoring), **Kirsten Norgaard (Sr., Everett, Wash.)** at 20:07.54 (192nd/153rd), **Ashley Crisell (Fr., Woodburn, Ore.)** at 21:10.36 (280th/206th), **Sarah Jertberg (Jr., Klamath Falls, Ore.)** at 23:20.41 (362nd/248th), and **Dana Cavaliere (So., Santa Rosa, Calif.)** at 23:20.81 (363rd/249th).

For the men, **Matt Burg (So., Newberg, Ore.)** had the top time at 26:45.80 (165th overall/135th in scoring), followed by **Forrest Towne (Sr., Springfield, Ore.)** at 27:16.80 (209th/169th), **Kris Clifton (Fr., Sutherlin, Ore.)** at 29:44.40 (342nd/239th), **Nathan Paisley (Sr., Salem, Ore.)** at 29:46.30 (346th/242nd), **Rob Gaslin (Fr., Tualatin, Ore.)** at 31:05.50 (370th/253rd), and **Chris Kelley (So., Newberg, Ore.)** at 35:34.20 (399th/268th).

Next up for the Bruins is the Pacific Lutheran University Invitational at Ft. Steilacoom Park in Tacoma, Wash., on Saturday, Oct. 13. That is the Bruins' last event before the Northwest Conference championships on Oct. 27 back in Salem.

BRUIN BITS:

* Several Bruins set new personal records Oct. 6 in the Willamette Invitational:

Men's New Personal Records

Matt Burg	26:45.80 (by 56 seconds)
Forrest Towne	27:16.80 (by 12 seconds)
Kris Clifton	29:44.40 (by 42 seconds)
Rob Gaslin	31:05.50 (by 29 seconds)
Chris Kelley	35:34.20 (by 17 seconds)

Women's New Personal Records

Ashley Crisell	21:10.36 (by 44 seconds)
Dana Cavaliere	23:20.81 (by 48 seconds)

* **Ashley Crisell** set a new personal record at the Willamette Invitational despite running most of the race with a shoe untied. "I talked to her high school coach ... I told him they were supposed to take care of that before they sent her to me!" laughed Bruin coach **Wes Cook**.

* **Rebecca Rising** (19:53.48) and **Kirsten Norgaard** (20:07.54) set new personal course records at Bush's Pasture Park.

* While official race results showed **Nathan Paisley** with a time of 29:46.30 and finishes of 346th and 242nd for team scoring, Coach Cook believes Paisley actually ran closer to 29:13, which would have moved him up to 327th overall and 233rd in scoring. "That would have altered the team scoring a bit, although I'm not sure it would have affected our place or not," Cook pointed out. "They had a major mix-up in the men's finish chute, which didn't make a ton of difference to us, but it meant a lot of extra time reviewing video and trying to get it right – and they may have missed one or two. But it is nothing to worry about now."

* Only three men have run faster times in the last two years than **Matt Burg** did in the Willamette Invitational – Brandon Workman in 1999, Steve Willmer and Will Vollstedt in 2000 – and all three were NCAA All-West Region performers. His time was only 14 seconds off the top 15 list for Bruin sophomores.

* **Forrest Towne** set a new personal mark in his first race since rejoining the Bruins for the fall season.

* **Janelle Goeres** (So., Sams Valley, Ore.) and **Beth Moyer** (So., Camarillo, Calif.), two of the Bruin women's top runners, missed the Willamette meet, Goeres due to lingering injuries and Moyer because of a visit home for her father's retirement ceremony from military service.

* **Cook's Comments:** "Overall, it (the Willamette Invitational) was a significant improvement for us ... but our obvious lack of depth and experience is costing us big time. It is encouraging to see how hard our youngsters are working, that they are making progress, and remaining pretty upbeat about what they're doing. Hopefully, a smaller field in Tacoma will encourage further improvement."

PACIFIC INVITATIONAL: Bruin Women Tie for 2nd, Men are 4th in Pacific Invitational

FOREST GROVE, Ore. --- In a "replacement" meet for the cancelled Bear Fete Invitational, the George Fox University women's team finished in a tie for second while the men's team finished fourth in the Pacific University Invitational Saturday (Sept. 22) here at Lincoln Park.

With the Bear Fete races, normally the George Fox "homecoming" event, cancelled due to veteran Bruin coach **Wes Cook**'s brief stay in the hospital (the coach is back at work and feeling fine now), the Pacific Invitational was arranged quickly by Pacific coach Ron Tabb. The women's race was a two-mile event, the men's a five-kilometer race.

Host Pacific captured the women's race with 35 points, while **George Fox** and Warner Pacific College tied for second with 43 points. Team Oregon, a club team, was not counted in the scores, while Clark College, a community college in Vancouver, Wash., took an incomplete.

Beth Moyer (So., Camarillo, Calif.) finished fifth overall and third among college runners in the race with a time of 12:26, the best showing by a Bruin. **Rebecca Rising** (Sr., Sanger, Calif.) was next for George Fox at 12:34 (7th/5th), followed by **Ashley Crisell** (Fr., Woodburn, Ore.) at 13:21 (13th/9th), **Dana Cavaliere** (So., Santa Rosa, Calif.) at 14:12 (24th/12th), and **Sarah Jertberg** (Jr., Klamath Falls, Ore.) at 14:38 (27th/14th).

Clark College took the men's race with 33 points, followed by Pacific with 53, Warner Pacific with 62, and **George Fox** with 63. Leading the Bruins was **Matt Burg** (So., Newberg, Ore.) with a time of 16:14, good for third place overall and second among college runners. Other Bruins in the race were **Nathan Paisley** (Sr., Salem, Ore.) at 17:37 (15th/11th), **Kris Clifton** (Fr., Sutherlin, Ore.) at 18:12 (18th/14th), **Rob Gaslin** (Fr., Tualatin, Ore.) at 18:51 (20th/15th), and **Chris Kelley** (So., Newberg, Ore.) at 21:18 (26th/21st).

The Bruins are off next week, but hit the racecourses again Saturday, Oct. 6, in the Willamette Invitational. The day's events begin at 10:00 a.m. at Bush's Pasture Park in Salem, Ore.

Bruin Women 6th, Men Take Incomplete in Clackamas Invitational

OREGON CITY, Ore. --- Janelle Goeres (So., Sams Valley, Ore.) captured seventh place, the best individual showing for a George Fox University women's team that finished sixth, while the Bruin men, with only four runners, took an incomplete in the Clackamas Community College Invitational Cross Country Meet here Saturday morning (Sept. 15).

Willamette University took the women's race, which was actually a distance of 4,100 meters instead of the standard 4,000, with 44 points, followed by the University of Portland with 71, Western Oregon University 79, Mt. Hood Community College 112, Clackamas CC 119, **George Fox** 128, North Idaho College 158, and Lane Community College incomplete.

Goeres posted a time of 15:46 for seventh, and she was joined in scoring for the Bruins by **Kirsten Norgaard (Sr., Everett, Wash.)**, 21st at 16:15; **Beth Moyer (So., Camarillo, Calif.)**, 30th at 16:36; **Rebecca Rising (Sr., Sanger, Calif.)**, 31st at 16:37; and **Ashley Crisell (Fr., Wodburn, Ore.)**, 60th at 17:46. Also running for the Bruins were **Dana Cavaliere (So., Santa Rosa, Calif.)**, 72nd at 19:20, and **Sarah Jertberg (Jr., Klamath Falls, Ore.)**, 73rd at 19:29.

The men's race, at 6,100 meters instead of 6,000, was also won by Willamette with 26 points, followed by North Idaho with 71, Mt. Hood CC 77, Clackamas CC 107, Western Oregon 108, Lane 131, and **George Fox** incomplete.

Matt Burg (So., Newberg, Ore.) posted the Bruins' top time, finishing 56th with a 21:56.5. Others who ran for the Bruins were **Nathan Paisley (Sr., Salem, Ore.)**, 70th at 23:04; **Rob Gaslin (Fr., Tualatin, Ore.)**, 79th at 24:49; and **Chris Kelley (So., Newberg, Ore.)**, 83rd at 28:07.

"Obviously, having three of our seven runners out nursing nagging injuries didn't help, since you've got to have five to score as a team," said Bruin coach **Wes Cook**, who was back in attendance after missing last week's Boxer Rebellion races due to being hospitalized with an irregular heartbeat and high blood pressure.

BRUIN BITS:

* Bruin coach **Wes Cook**, who missed a George Fox event for the first time in his 15 years at the school last Saturday, was cleared by doctors to return to normal duties Wednesday, but encouraged to take it easy for a couple of weeks. Cook had been sent to Newberg Providence Hospital over the weekend by Bruin athletic trainer Karen Hostetter after an examination uncovered an irregular heartbeat and high blood pressure on Friday. A stress test on Monday at Newberg Providence, and an angiogram on Tuesday at Good Samaritan Hospital in Portland, revealed nothing out of the ordinary, and Cook was back in his office ready and rarin' to go on Wednesday.

George Fox Cross Country ... Sept. 17, 2001 ... page 2

* With Cook absent for a few days, the logistics of pulling together the annual Bear Fete Invitational / Bru-Running Homecoming event, set for Saturday, Sept. 22, at Champoege State Park, were crushed by time constraints. As a result, the event has been cancelled. The weekend will not be a total loss, however, as many of the Bruin cross country alumni who usually come back for the Bear Fete races are going to come anyway and have a cookout in their former coach's backyard.

* Instead of the Bear Fete this weekend, the Bruins will run in the an event Pacific University coach Ron Tabb has arranged to replace the George Fox race. The meet will begin and end at Lincoln Park just north of the Pacific Athletic Center and will circle the campus. The women's two-mile race begins at 10:00 a.m., while the men's 5K race starts at 11:00 a.m.

Bruins Open Cross Country Season Without Veteran Coach Cook

FOREST GROVE, Ore. --- With veteran coach **Wes Cook** hospitalized for observation, the George Fox University Bruins opened their 2001 cross country season with a second-place finish in the women's 5K race and a sixth-place finish in the men's 8K race in the Boxer Rebellion Saturday morning here at Lincoln Park.

The Boxer Rebellion was hosted by Pacific University. Lewis & Clark College captured the women's title with 50 points, followed by **George Fox** with 54, Pacific 104, Linfield College 112, Warner Pacific College 114, and Clark College 116. The men's race also went to Lewis & Clark with 29 points, then it was Cascade College with 87, Pacific 100, Warner Pacific 119, Linfield 131, and **George Fox** 155.

Janelle Goeres (So., Sams Valley, Ore.) led the Bruin women with a time of 19:14.20, good for second to Sheila Perletti of Clark, who ran a 19:01.15. Other scorers for the Bruins were **Rebecca Rising (Sr., Sanger, Calif.)**, 6th in scoring and 8th overall at 19:29.80; **Kirsten Norgaard (Sr., Everett, Wash.)**, 8th and 10th at 19:42.23; **Beth Moyer (So., Camarillo, Calif.)**, 11th and 13th at 19:50.41; and **Ashley Crisell (Fr., Woodburn, Ore.)**, 27th and 41st at 21:54.44. Other Bruins in the race included **Sarah Jertberg (Jr., Klamath Falls, Ore.)**, 32nd and 48th at 22:53.50; and **Dana Cavaliere (Fr., Santa Rosa, Calif.)**, 36th and 58th at 24:08.17.

For the Bruin men, the best time was posted by **Matt Burg (So., Newberg, Ore.)**, who was 19th in scoring and 27th overall with a time of 28:56.65; **Nathan Paisley (Sr., Salem, Ore.)**, 26th and 34th at 29:57.46; **Kris Clifton (Fr., Sutherlin, Ore.)**, 33rd and 41st at 30:26.01; **Rob Gaslin (Fr., Tualatin, Ore.)**, 37th and 47th at 31:26.66; and **Chris Kelley (So., Newberg, Ore.)**, 49th and 61st at 35:19.92. The men's winner was Chris Clancey of Warner Pacific at 25:37.02.

George Fox returns to the races Saturday (Sept. 15) in the Clackamas Community College Invitational in Oregon City, Ore., the races to begin at 11:00 a.m.

Bruin Coach Cook Hospitalized for Tests

NEWBERG, Ore. --- Veteran cross country coach **Wes Cook** of George Fox University was resting comfortably and in remarkably good spirits Monday morning after spending the weekend in Newberg Providence Hospital due to high blood pressure.

Early last Friday afternoon, Cook felt a heaviness in his chest area while out shopping and getting gas for his car. "It wasn't really painful," Cook recalls, "but later on I felt light-headed and warm -- not sweaty, but warmer than usual -- so I decided to go home and rest about mid-afternoon."

George Fox Cross Country ... Sept. 10, 2001 ... page 2

Before leaving, Cook stopped in to see head athletic trainer Karen Hostetter, who quickly diagnosed an irregular heartbeat and skyrocketing blood pressure. An ambulance was called and Cook was taken to the local hospital, where his heartbeat has become more regular and his blood pressure has dropped to a more tolerable level, though it still spikes occasionally.

Cook was to undergo a thorough stress test Monday afternoon, and was hopeful of being released after that, or early Tuesday at the latest. The veteran coach's deepest regret was that he missed a Bruins' cross country event for the first time in his 15 years at George Fox. "I sent 'Gooz' (assistant track coach Dave Guzman) with the teams, and the women came in second without me! I may have to send him along on other trips if they keep doing that!"

BRUIN BITS:

* **Goeres Honorable Mention for NWC Weekly Honor:** George Fox sophomore **Janelle Goeres** received Honorable Mention for the first Northwest Conference "Women's Runner of the Week" honor in 2001. Goeres finished second overall and had the best senior college women's time in the Boxer Rebellion 5K race on Saturday at Lincoln Park in Forest Grove., Ore., with a time of 19:14.20, leading the Bruins to a second-place finish as a team. "I think she came just short of a personal best," said Bruin coach Wes Cook. "She hadn't actually run quite that well in pre-season practice, but she's obviously learned how to pace herself during the week to be ready for the weekends."

NWC "Women's Runner of the Week" honors went to Dana Boyle of Puget Sound, who was 5th against mostly D-I competition with a time of 18:16 in the Emerald City Invitational. NWC "Men's Runner of the Week" honors went to Carl Hoogesteger of Pacific, who was 8th, the top collegiate finish, in the Boxer Rebellion with a time of 27:01.8 over the 8K course.

* **New Personal Records:** Two Bruin women set new personal marks for a 5K race in the Boxer Rebellion on Sept. 8. **Rebecca Rising** with a time of 19:29.80 and **Beth Moyer** at 19:50.41 topped their previous best times. **Sarah Jertberg** turned a surprisingly-good time at 22:53.50, considering that it was her first-ever cross country race (she has been a volleyball and softball player for George Fox until this year).

* **Five is Enough (Barely):** The George Fox men's cross country team had just enough runners (five) to count for a team score in the Boxer Rebellion race on Saturday. **Zach Smith (Fr., East Wenatchee, Wash.)** continues to recover from a foot injury, while **Michael Owen (Jr., Anchorage, Alaska)** is still sidelined with a groin injury that has been slow to heal.

GEORGE FOX CROSS COUNTRY

HIGHLIGHTS:

**Pre-Season Outlook, Updated Rosters and Schedule
George Fox to Open Track Season Sept. 8 in Boxer Rebellion**

George Fox University 2001 Cross Country Pre-Season Outlook ---

WITH SMALLEST SQUADS EVER, BRUINS MUST AVOID INJURIES IN '01

NEWBERG, Ore. --- Chalk it up to a number of unavoidable circumstances – injuries, transfers, academics, finances, student teaching, studies abroad, new interests, etc. – but it all adds up to the same thing: **Wes Cook** will have the smallest men's and women's squads in his 15 years as head coach of the George Fox University men's and women's cross country teams.

"Depth is obviously going to be a problem, so we must avoid injuries," says Cook stoically, pointing to a pair of rosters with only seven runners each. "And they are not all of relatively equal talent; we have a wide range of skill levels on both teams. Some are running cross country for the first time ever."

Men

Only three of 15 letterwinners return for the Bruin men, the toughest losses being a pair of NCAA Division III All-West Region racers, academic junior Steve Willmer to a fall internship, and freshman Will Vollstedt to a lack of financial resources.

Michael Owen (Jr., Anchorage, Alaska), a potential All-Northwest Conference performer, will lead the lineup of returning runners that includes **Nathan Paisley (Sr., Salem, Ore.)** and **Matt Burg (So., Newberg, Ore.)**. "Owen has been plagued by an ongoing groin problem," says Cook, "and Burg has been injured two of his last three seasons. He's recovering from a foot problem that caused him to miss track last spring. Paisley is a hard worker who seems to improve every time out and should be a top scorer for us."

"Of our newcomers, only **Zach Smith (Fr., East Wenatchee, Wash.)** has proven talent as a runner right now. He's coming off a stellar track season as a long sprinter. **Chris Kelley (So., Newberg, Ore.)** has never run cross country. **Rob Gaslin (Fr., Tualatin, Ore.)** is young and could blossom into a solid runner for us. **Kris Clifton (Fr., Sutherlin, Ore.)** ran cross country in high school but used it primarily as a conditioner for wrestling."

Women

The Bruin women also have only three letterwinners returning from a squad of 17. Especially missed will be the first George Fox runner to compete in the NCAA Division III National Championships, junior Colleen Forbes, who transferred to the University of Washington to complete her nursing degree. Also missing from last fall's team which finished fifth in the West Regional are Marisa Merritt, an All-West Region performer, and fellow senior Jamie McElwain, both graduated. Another top runner, Katherine Burley, transferred to pursue a dental curriculum at the Oregon Health Sciences University.

Janelle Goeres (So., Sams Valley, Ore.) was an All-West Region runner in her rookie season and gives the team a talented threat every time out when she is healthy. **Kirsten Norgaard (Sr., Everett, Wash.)** is back but may miss several races due to required student teaching. **Beth Moyer (So., Camarillo, Calif.)** was an All-American in the steeplechase at the U.S.A. Track and Field Junior National Championships in June in Richmond, Va., but she was unable to train regularly after that due to working two summer jobs and must get back into running shape as the new season progresses.

Rebecca Rising (Sr., Sanger, Calif.) is a former letterwinner who should help if she can stay healthy; she missed last fall with leg problems and sat out the track season because of a heavy academic load. "Rebecca again has a couple of academic conflicts this fall, but things might work out if she and Norgaard are able to work together around those times," says Cook hopefully.

Sarah Jertberg (Jr., Klamath Falls, Ore.), an all-around athlete who has played both volleyball and softball for the Bruins in previous years and ran track in high school, decided at the last minute to give cross country a try this fall and will give the team some depth.

Rounding out the squad are **Dana Cavaliere (So., Santa Rosa, Calif.)**, a transfer from Santa Rosa Junior College, and **Ashley Crisell (Fr., Woodburn, Ore.)**. Both have high school running experience, but Cavaliere did not compete in cross country in junior college.

Summary

"I've never had team size affected by so many different things which have all cropped up at the same time," remarks Cook ruefully, "but you've got to play the hand you're dealt. It takes five runners to score as a team, so we can't afford any injuries. We're not very experienced this year, but the athletes we have are great young people who are going to give it 100% every time out, and that's all you can ask for. We'd like to see each individual strive to improve in every race, and as teams, we'll have had great seasons if we can finish anywhere near the middle of the conference pack."

BRUINS OPT OUT OF SEPT. 1 OPENER, ENTER BOXER REBELLION ON SEPT. 8

NEWBERG, Ore. --- Hoping to give some pre-season injuries a little more time to heal, the George Fox University men's and women's cross country teams opted out of their originally-scheduled opener, the Labor Day Invitational in Spokane, Wash., on Sept. 1. Instead, the Bruins will open up in the Boxer Rebellion races on Saturday, Sept. 8, hosted by Pacific University in Forest Grove, Ore. The women's 5K race begins at 10:00 a.m., followed by the men's 8K race.

"As small as our squads are, and as banged up as we are with some nagging 'owwies', I didn't think we would derive as much benefit from driving 800 round-trip miles as we would by waiting another week to give our injuries more time to heal," explained veteran Bruins coach Wes Cook, who is starting his 15th season at George Fox. "So we'll give 'em another week to get ready and stay a bit closer to home."

GEORGE FOX CROSS COUNTRY

HIGHLIGHTS:

George Fox to Rely on Quality, Not Quantity, in 2001

Pre-Season Info: Quick Facts, Schedule, Preliminary Roster

HARRIER NUMBERS SMALL BUT TALENTED FOR 2001 BRUINS

NEWBERG, Ore. --- In years past, George Fox University has had a plethora of cross country runners from which to choose in building a competitive program in the tough Northwest Conference. In 2001, however, veteran coach **Wes Cook**, who enters his 15th season at the helm of the Bruins' ship, will have to rely on a small but talented group in both the men's and women's programs.

For a combination of reason -- concentration on academics, transfers, an inability to remain in school because of finances -- the Bruins find themselves facing the 2001 season with only six men and six women on the rosters, unless some new faces show up from incoming freshmen, current students wanting to run, or transfers.

The women's team has a strong anchor in **Janelle Goeres (So., Sams Valley, Ore.)**, who earned All-West Region honors last year, while **Kirsten Norgaard (Sr., Everett, Wash.)** and **Elizabeth Moyer (So., Camarillo, Calif.)** also returning. **Moyer** was a Junior All-American in the steeplechase at the U.S.A. Track and Field Junior National Championships in Richmond, Va., this summer.

The Bruin women will be without the skills of **Colleen Forbes (Jr., Jackson, Wyo.)**, who finished 98th in the NCAA Division III Nationals last fall, and All-West Region runner **Marisa Merritt (Sr., Portland, Ore.)**, who graduated.

On the men's side, the top returning runners are **Michael Owen (Jr., Anchorage, Alaska)** and the ever-improving **Nathan Paisley (Sr., Salem, Ore.)**. **Steve Willmer (So., Fullerton, Calif.)**, an All-Region, All-NWC Second Team runner, and **Will Vollstedt (Fr., Portland, Ore.)**, another All-Region performer, are the men's top losses, **Willmer** to concentrate on studies and **Vollstedt** for financial considerations.

SALEM, Ore. – A 7th-place finish for the women and an 8th-place standing for the men were the results for the **George Fox University Bruins** in the Northwest Conference Cross Country Championships, hosted by Willamette University, on Saturday (Oct. 27) here at Bush's Pasture Park, while the University of Puget Sound and Willamette University took the women's and men's titles respectively.

Women

In the women's 5,000-meter event, Puget Sound returned to the winner's circle after a two-year absence. UPS won NWC championships from 1996-98. The Loggers defeated Willamette by 12 points, 46-58, followed by Pacific Lutheran University with 78, Whitworth College 84, Lewis & Clark College 117, Whitman College 168, **George Fox** 189, Pacific University 211, and Linfield College 249.

Dana Boyle of UPS, who has won every meet she has entered this fall, won the race by almost 50 seconds with a time of 17:32.12. Pacific Lutheran's Lia Ossiander, the defending champion, took second in 18:19.67.

The best George Fox time was 19:16.90 by **Beth Moyer (So., Camarillo, Calif.)**, who finished 17th overall and 17th in placing for team scoring. Other Bruin runners were **Rebecca Rising (Sr., Sanger, Calif.)** at 19:52.79 (29th/27th), **Kirsten Norgaard (Sr., Everett, Wash.)** at 20:05.26 (38th/35th), **Ashley Crisell (Fr., Woodburn, Ore.)** at 20:57.51 (56th/49th), and **Dana Cavaliere (So., Santa Rosa, Calif.)** at 32:06.93 (77th/61st).

Men

Willamette's men, running on their 8,000-meter home course, won their first conference title since 1993 with a decisive 29-60 edge over Lewis & Clark. They were followed by Puget Sound with 72, Pacific Lutheran 76, Whitworth 141, Whitman 170, Pacific 196, **George Fox** 238, and Linfield 254.

Lewis & Clark's Neil Weare won the individual title in a time of 24:55.9, edging Linfield's Ryan Reed at 25:01.14. Weare's individual crown was the first by a Pioneer since current L&C coach David Fix won back-to-back championships in 1967-68.

Forrest Towne (Sr., Springfield, Ore.) posted the best time for the Bruin men with a 27:30.31, placing 31st overall and 28th for team scoring. Following him were **Matt Burg (So., Newberg, Ore.)** at 27:58.21 (43rd/40th), **Nathan Paisley (Sr., Salem, Ore.)** at 29:43.94

George Fox Cross Country ... Oct. 29, 2001 ... page 2

(66th/54th), **Kris Clifton (Fr., Sutherlin, Ore.)** at 30:40.60 (71st/57th), **Rob Gaslin (Fr., Tualatin, Ore.)** at 31:34.43 (73rd/59th), and **Chris Kelley (So., Newberg, Ore.)** at 34:44.34 (76th/62nd).

All the NWC schools will return to Bush's Pasture Park in two weeks for the NCAA Division III West Region Championships on Saturday, Nov. 10. The women's race begins at 9 a.m., with the men's race to follow at 10 a.m. In last year's regional, the Bruin men finished 9th and the women 6th, with Colleen Forbes becoming the first George Fox runner to compete in the NCAA Division III National Cross Country Championships by placing 8th in the region.

BRUIN BITS:

* Two new personal marks were set by Bruins at the NWC Championships on Oct. 27:

Women's New Personal Record

Beth Moyer 19:16.90 (by 34 seconds)

Ashley Crisell 20:57.51 (by 13 seconds)

Men's New Personal Record

Chris Kelley 34:44:34 (by 50 seconds)

* Both **Rebecca Rising** and **Kirsten Norgaard** set new personal course records at Bush's Pasture Park during the NWC Championships on Oct. 27. **Rising's** time of 19:52.79 was 0.69 better than her previous best in Salem, and **Norgaard's** 20:05.26 was 2.28 seconds better.

* **Beth Moyer's** 17th-place finish in the NWC Championships meant she missed All-Conference honors by three places. The top 14 finishers receive All-Conference honors.

* **Sarah Jertberg (Jr., Klamath Falls, Ore.)** started the women's race for the Bruins but dropped out before the first mile marker. "Sarah's had some health problems that can cause dizziness and fatigue, and the spells sometimes hit at inopportune times, as they did Saturday," said Bruin coach **Wes Cook**.

* **Dana Cavaliere** developed a hip injury during the NWC women's race that caused her to walk a good portion of the 5k course. "Dana's had what they call 'compartment syndrome' in her lower legs for a while, but this was totally unrelated to that," coach **Wes Cook** commented. "It was painful to watch, and I tried to get her to stop, but she was determined to finish the race, and she did. That gave us enough finishers for a team score and we came in ahead of two other teams, so you've got to give her credit for a gritty effort."

* **Cook's Comments:** "I think we ran about to our talent level in Salem. The seniors performed very well, as did Beth Moyer, who just missed out on All-Conference honors. Now we've got two weeks to get ready for the regionals, and we're probably only going to send the top four women and maybe two men. This is the first year in a long time at George Fox that we haven't been able to send a team that could realistically be competitive, so we're just sending the top individuals to see what they can do. And, when that's over, we'll be busy on the recruiting trail and planning to do better next fall."

BRUIN BITS:

* Two new personal marks were set by Bruins at the PLU Invitational on Oct. 13:

Women's New Personal Record

Dana Cavaliere 23:10.1 (by 10 seconds)

* **Beth Moyer's** time of 19:55.8 was a new personal course best at Ft. Steilacoom, bettering her mark there last year by almost a minute.

* **Cook's Comments:** "We'd didn't run as well in Tacoma as we did at the Willamette meet the week before, but then, we haven't run two full-distance back-to-back races very well all season. Ft. Steilacoom is never as fast a race as Salem, anyway; I told the teams not to push too hard, but to back off and get ready for the conference meet. We'll take this week off to rest up and try to make a better showing in the conference race on the 27th."

10/6 – WILLAMETTE INVITATIONAL:

Bruin Women Finish 33rd, Men 36th in Willamette Invitational

SALEM, Ore. --- In "the largest meet on the West Coast" – a claim certainly substantiated by 788 runners in the event – the **George Fox University Bruins** finished 33rd in the women's 5K race and 36th in the men's 8K race at the Willamette University Invitational Cross Country Meet Saturday here at Bush's Pasture Park.

In team scoring for the NCAA Division I schools, the University of Hawaii edged the University of Oregon 42-43 in the women's race, while the University of Portland defeated Portland State University 19-38. In the College/Open division, the University of Victoria finished first with 68 points to 121 for Claremont-Mudd-Scripps Colleges in the women's race, and the Seacows track club edged Eastern Oregon University 99-103 in the men's race. **George Fox** was 33rd of 36 teams with 883 points in the women's division, while the men collected 979 points to wind up 36th of 39 teams.

Running for the George Fox women were **Rebecca Rising (Sr., Sanger, Calif.)**, who ran a 19:53.48 (167th overall/143rd in scoring), **Kirsten Norgaard (Sr., Everett, Wash.)** at 20:07.54 (192nd/153rd), **Ashley Crisell (Fr., Woodburn, Ore.)** at 21:10.36 (280th/206th), **Sarah Jertberg (Jr., Klamath Falls, Ore.)** at 23:20.41 (362nd/248th), and **Dana Cavaliere (So., Santa Rosa, Calif.)** at 23:20.81 (363rd/249th).

For the men, **Matt Burg (So., Newberg, Ore.)** had the top time at 26:45.80 (165th overall/135th in scoring), followed by **Forrest Towne (Sr., Springfield, Ore.)** at 27:16.80 (209th/169th), **Kris Clifton (Fr., Sutherlin, Ore.)** at 29:44.40 (342nd/239th), **Nathan Paisley (Sr., Salem, Ore.)** at 29:46.30 (346th/242nd), **Rob Gaslin (Fr., Tualatin, Ore.)** at 31:05.50 (370th/253rd), and **Chris Kelley (So., Newberg, Ore.)** at 35:34.20 (399th/268th).

Next up for the Bruins is the Pacific Lutheran University Invitational at Ft. Steilacoom Park in Tacoma, Wash., on Saturday, Oct. 13. That is the Bruins' last event before the Northwest Conference championships on Oct. 27 back in Salem.

BRUIN BITS:

* Several Bruins set new personal records Oct. 6 in the Willamette Invitational:

Men's New Personal Records

Matt Burg	26:45.80 (by 56 seconds)
Forrest Towne	27:16.80 (by 12 seconds)
Kris Clifton	29:44.40 (by 42 seconds)
Rob Gaslin	31:05.50 (by 29 seconds)
Chris Kelley	35:34.20 (by 17 seconds)

Women's New Personal Records

Ashley Crisell	21:10.36 (by 44 seconds)
Dana Cavaliere	23:20.81 (by 48 seconds)

* **Ashley Crisell** set a new personal record at the Willamette Invitational despite running most of the race with a shoe untied. "I talked to her high school coach ... I told him they were supposed to take care of that before they sent her to me!" laughed Bruin coach **Wes Cook**.

* **Rebecca Rising** (19:53.48) and **Kirsten Norgaard** (20:07.54) set new personal course records at Bush's Pasture Park.

* While official race results showed **Nathan Paisley** with a time of 29:46.30 and finishes of 346th and 242nd for team scoring, Coach Cook believes Paisley actually ran closer to 29:13, which would have moved him up to 327th overall and 233rd in scoring. "That would have altered the team scoring a bit, although I'm not sure it would have affected our place or not," Cook pointed out. "They had a major mix-up in the men's finish chute, which didn't make a ton of difference to us, but it meant a lot of extra time reviewing video and trying to get it right – and they may have missed one or two. But it is nothing to worry about now."

* Only three men have run faster times in the last two years than **Matt Burg** did in the Willamette Invitational – Brandon Workman in 1999, Steve Willmer and Will Vollstedt in 2000 – and all three were NCAA All-West Region performers. His time was only 14 seconds off the top 15 list for Bruin sophomores.

* **Forrest Towne** set a new personal mark in his first race since rejoining the Bruins for the fall season.

* **Janelle Goeres (So., Sams Valley, Ore.)** and **Beth Moyer (So., Camarillo, Calif.)**, two of the Bruin women's top runners, missed the Willamette meet, Goeres due to lingering injuries and Moyer because of a visit home for her father's retirement ceremony from military service.

* **Cook's Comments:** "Overall, it (the Willamette Invitational) was a significant improvement for us ... but our obvious lack of depth and experience is costing us big time. It is encouraging to see how hard our youngsters are working, that they are making progress, and remaining pretty upbeat about what they're doing. Hopefully, a smaller field in Tacoma will encourage further improvement."

PACIFIC INVITATIONAL: Bruin Women Tie for 2nd, Men are 4th in Pacific Invitational

FOREST GROVE, Ore. --- In a "replacement" meet for the cancelled Bear Fete Invitational, the George Fox University women's team finished in a tie for second while the men's team finished fourth in the Pacific University Invitational Saturday (Sept. 22) here at Lincoln Park.

With the Bear Fete races, normally the George Fox "homecoming" event, cancelled due to veteran Bruin coach **Wes Cook's** brief stay in the hospital (the coach is back at work and feeling fine now), the Pacific Invitational was arranged quickly by Pacific coach Ron Tabb. The women's race was a two-mile event, the men's a five-kilometer race.

Host Pacific captured the women's race with 35 points, while **George Fox** and Warner Pacific College tied for second with 43 points. Team Oregon, a club team, was not counted in the scores, while Clark College, a community college in Vancouver, Wash., took an incomplete.

Beth Moyer (So., Camarillo, Calif.) finished fifth overall and third among college runners in the race with a time of 12:26, the best showing by a Bruin. **Rebecca Rising (Sr., Sanger, Calif.)** was next for George Fox at 12:34 (7th/5th), followed by **Ashley Crisell (Fr., Woodburn, Ore.)** at 13:21 (13th/9th), **Dana Cavaliere (So., Santa Rosa, Calif.)** at 14:12 (24th/12th), and **Sarah Jertberg (Jr., Klamath Falls, Ore.)** at 14:38 (27th/14th).

Clark College took the men's race with 33 points, followed by Pacific with 53, Warner Pacific with 62, and **George Fox** with 63. Leading the Bruins was **Matt Burg (So., Newberg, Ore.)** with a time of 16:14, good for third place overall and second among college runners. Other Bruins in the race were **Nathan Paisley (Sr., Salem, Ore.)** at 17:37 (15th/11th), **Kris Clifton (Fr., Sutherlin, Ore.)** at 18:12 (18th/14th), **Rob Gaslin (Fr., Tualatin, Ore.)** at 18:51 (20th/15th), and **Chris Kelley (So., Newberg, Ore.)** at 21:18 (26th/21st).

The Bruins are off next week, but hit the racecourses again Saturday, Oct. 6, in the Willamette Invitational. The day's events begin at 10:00 a.m. at Bush's Pasture Park in Salem, Ore.

Bruin Women 6th, Men Take Incomplete in Clackamas Invitational

OREGON CITY, Ore. --- Janelle Goeres (So., Sams Valley, Ore.) captured seventh place, the best individual showing for a George Fox University women's team that finished sixth, while the Bruin men, with only four runners, took an incomplete in the Clackamas Community College Invitational Cross Country Meet here Saturday morning (Sept. 15).

Willamette University took the women's race, which was actually a distance of 4,100 meters instead of the standard 4,000, with 44 points, followed by the University of Portland with 71, Western Oregon University 79, Mt. Hood Community College 112, Clackamas CC 119, **George Fox** 128, North Idaho College 158, and Lane Community College incomplete.

Goeres posted a time of 15:46 for seventh, and she was joined in scoring for the Bruins by **Kirsten Norgaard (Sr., Everett, Wash.)**, 21st at 16:15; **Beth Moyer (So., Camarillo, Calif.)**, 30th at 16:36; **Rebecca Rising (Sr., Sanger, Calif.)**, 31st at 16:37; and **Ashley Crisell (Fr., Wodburn, Ore.)**, 60th at 17:46. Also running for the Bruins were **Dana Cavaliere (So., Santa Rosa, Calif.)**, 72nd at 19:20, and **Sarah Jertberg (Jr., Klamath Falls, Ore.)**, 73rd at 19:29.

The men's race, at 6,100 meters instead of 6,000, was also won by Willamette with 26 points, followed by North Idaho with 71, Mt. Hood CC 77, Clackamas CC 107, Western Oregon 108, Lane 131, and **George Fox** incomplete.

Matt Burg (So., Newberg, Ore.) posted the Bruins' top time, finishing 56th with a 21:56.5. Others who ran for the Bruins were **Nathan Paisley (Sr., Salem, Ore.)**, 70th at 23:04; **Rob Gaslin (Fr., Tualatin, Ore.)**, 79th at 24:49; and **Chris Kelley (So., Newberg, Ore.)**, 83rd at 28:07.

"Obviously, having three of our seven runners out nursing nagging injuries didn't help, since you've got to have five to score as a team," said Bruin coach **Wes Cook**, who was back in attendance after missing last week's Boxer Rebellion races due to being hospitalized with an irregular heartbeat and high blood pressure.

BRUIN BITS:

* Bruin coach **Wes Cook**, who missed a George Fox event for the first time in his 15 years at the school last Saturday, was cleared by doctors to return to normal duties Wednesday, but encouraged to take it easy for a couple of weeks. Cook had been sent to Newberg Providence Hospital over the weekend by Bruin athletic trainer Karen Hostetter after an examination uncovered an irregular heartbeat and high blood pressure on Friday. A stress test on Monday at Newberg Providence, and an angiogram on Tuesday at Good Samaritan Hospital in Portland, revealed nothing out of the ordinary, and Cook was back in his office ready and rarin' to go on Wednesday.

George Fox Cross Country ... Sept. 17, 2001 ... page 2

* With **Cook** absent for a few days, the logistics of pulling together the annual Bear Fete Invitational / Bru-Running Homecoming event, set for Saturday, Sept. 22, at Champoege State Park, were crushed by time constraints. As a result, the event has been cancelled. The weekend will not be a total loss, however, as many of the Bruin cross country alumni who usually come back for the Bear Fete races are going to come anyway and have a cookout in their former coach's backyard.

* Instead of the Bear Fete this weekend, the Bruins will run in the an event Pacific University coach Ron Tabb has arranged to replace the George Fox race. The meet will begin and end at Lincoln Park just north of the Pacific Athletic Center and will circle the campus. The women's two-mile race begins at 10:00 a.m., while the men's 5K race starts at 11:00 a.m.

Bruin Women 6th, Men Take Incomplete in Clackamas Invitational

OREGON CITY, Ore. --- Janelle Goeres captured seventh place, the best individual showing for a George Fox University women's team that finished sixth, while the Bruin men, with only four runners, took an incomplete in the Clackamas Community College Invitational Cross Country Meet here Saturday morning (Sept. 15).

Willamette University took the women's race, which was actually a distance of 4,100 meters instead of the standard 4,000, with 44 points, followed by the University of Portland with 71, Western Oregon University 79, Mt. Hood Community College 112, Clackamas CC 119, George Fox 128, North Idaho College 158, and Lane Community College incomplete

Goeres posted a time of 15:46 for seventh, and she was joined in scoring for the Bruins by Kirsten Norgaard, 21st at 16:15; Beth Moyer, 30th at 16:36; Rebecca Rising, 31st at 16:37; and Ashley Crisell, 60th at 17:46. Also running for the Bruins were Dana Cavaliere, 72nd at 19:20, and Sarah Jertberg, 73rd at 19:29.

The men's race, at 6,100 meters instead of 6,000, was also won by Willamette with 26 points, followed by North Idaho with 71, Mt. Hood CC 77, Clackamas CC 107, Western Oregon 108, Lane 131, and George Fox incomplete.

Matt Burg posted the Bruins' top time, finishing 56th with a 21:56.5. Others who ran for the Bruins were Nathan Paisley, 70th at 23:04; Rob Gaslin, 79th at 24:49; and Chris Kelley, 83rd at 28:07.

Tests at both Providence Newberg and Good Samaritan Hospitals proved negative, and Cook was back in his office Wednesday.

However, the logistics of pulling together the annual Bear Fete Invitational / Bru-Running Homecoming event, set for Saturday, Sept. 22, at Champoeg State Park were hampered by the absence of Cook for a few days and resulted in the races being cancelled. Pacific University has stepped into the void, however, by scheduling races to replace the lost Bear Fete meet, and the Bruins are expected to compete in those races in Forest Grove on Sept. 22.

Bruin Coach Cook Moved to Good Samaritan; Bear Fete Cancelled

NEWBERG, Ore. --- Veteran George Fox University coach Wes Cook was transferred today from Providence Newberg Hospital to Good Samaritan Hospital in Portland, where he will undergo an angiogram at 3:00 this afternoon to locate possible blockage in his circulatory system, according to news from Bruin director of athletics Craig Taylor.

"The doctors who ran the stress test on him Monday apparently found something they didn't like, so they're running this procedure to be sure, and then they'll make a recommendation depending on what they find," said Taylor.

Cook and the Bruins were to host their annual Bear Fete Invitational / Bru-Running Homecoming event at Champoeg State Park on Sept. 22, but due to the coach's physical situation and a desire to relieve him of as much stress as possible until he is fully recovered, this year's Bear Fete meet will not be held. Coaches and teams have been alerted by Taylor to the cancellation of the races.

Cook, in his 15th year at George Fox as head coach of the cross country and track and field teams, was admitted to the Newberg hospital Friday afternoon. He had felt a heaviness in his chest and experienced some light-headedness that caused him to visit athletic trainer Karen Hostetter, who diagnosed him with an irregular heartbeat and very high blood pressure and recommended a trip to the hospital.

As a result, Cook missed the Bruins' performances in the Boxer Rebellion cross country races in Forest Grove on Saturday, the first events he has missed as a George Fox coach. Assistant track and field coach Dave Guzman took the teams to the event, and will handle the teams' affairs until Cook returns. The Bruins are to run in the Clackamas Community College Invitational this Saturday (Sept. 15) at 11:00 a.m.

FOREST GROVE, Ore. --- With veteran coach **Wes Cook** hospitalized for observation, the George Fox University Bruins opened their 2001 cross country season with a second-place finish in the women's 5K race and a sixth-place finish in the men's 8K race in the Boxer Rebellion Saturday morning here at Lincoln Park.

The Boxer Rebellion was hosted by Pacific University. Other scorers for the Bruins were **Rebecca Rising (Sr., Sanger, Calif.)**, 6th in scoring and 8th overall at 19:29.80; **Kirsten Norgaard (Sr., Everett, Wash.)**, 8th and 10th at 19:42.23; **Beth Moyer (So., Camarillo, Calif.)**, 11th and 13th at 19:50.41; and **Ashley Crisell (Fr., Woodburn, Ore.)**, 27th and 41st at 21:54.44. The men's winner was Chris Clancey of Warner Pacific at 25:37.02.

George Fox returns to the races Saturday (Sept. 15) in the Clackamas Community College Invitational in Oregon City, Ore., the races to begin at 11:00 a.m.

Bruin Coach Cook Hospitalized for Tests

NEWBERG, Ore. --- Veteran cross country coach **Wes Cook** of George Fox University was resting comfortably and in remarkably good spirits Monday morning after spending the weekend in Newberg Providence Hospital due to high blood pressure.

Early last Friday afternoon, Cook felt a heaviness in his chest area while out shopping and getting gas for his car. "It wasn't really painful," Cook recalls, "but later on I felt light-headed and warm -- not sweaty, but warmer than usual -- so I decided to go home and rest about mid-afternoon."

George Fox Cross Country ... Sept. 10, 2001 ... page 2

Before leaving, Cook stopped in to see head athletic trainer Karen Hostetter, who quickly diagnosed an irregular heartbeat and skyrocketing blood pressure. An ambulance was called and Cook was taken to the local hospital, where his heartbeat has become more regular and his blood pressure has dropped to a more tolerable level, though it still spikes occasionally.

Cook was to undergo a thorough stress test Monday afternoon, and was hopeful of being released after that, or early Tuesday at the latest. The veteran coach's deepest regret was that he missed a Bruins' cross country event for the first time in his 15 years at George Fox. "I sent 'Gooz' (assistant track coach Dave Guzman) with the teams, and the women came in second without me! I may have to send him along on other trips if they keep doing that!"

BRUIN BITS:

*** Goeres Honorable Mention for NWC Weekly Honor:** George Fox sophomore **Janelle Goeres** received Honorable Mention for the first Northwest Conference "Women's Runner of the Week" honor in 2001. Goeres finished second overall and had the best senior college women's time in the Boxer Rebellion 5K race on Saturday at Lincoln Park in Forest Grove., Ore., with a time of 19:14.20, leading the Bruins to a second-place finish as a team. "I think she came just short of a personal best," said Bruin coach Wes Cook. "She hadn't actually run quite that well in pre-season practice, but she's obviously learned how to pace herself during the week to be ready for the weekends."

NWC "Women's Runner of the Week" honors went to Dana Boyle of Puget Sound, who was 5th against mostly D-I competition with a time of 18:16 in the Emerald City Invitational. NWC "Men's Runner of the Week" honors went to Carl Hoogesteger of Pacific, who was 8th, the top collegiate finish, in the Boxer Rebellion with a time of 27:01.8 over the 8K course.

*** New Personal Records:** Two Bruin women set new personal marks for a 5K race in the Boxer Rebellion on Sept. 8. **Rebecca Rising** with a time of 19:29.80 and **Beth Moyer** at 19:50.41 topped their previous best times. **Sarah Jertberg** turned a surprisingly-good time at 22:53.50, considering that it was her first-ever cross country race (she has been a volleyball and softball player for George Fox until this year).

*** Five is Enough (Barely):** The George Fox men's cross country team had just enough runners (five) to count for a team score in the Boxer Rebellion race on Saturday. **Zach Smith (Fr., East Wenatchee, Wash.)** continues to recover from a foot injury, while **Michael Owen (Jr., Anchorage, Alaska)** is still sidelined with a groin injury that has been slow to heal.

Bruins Open Cross Country Season Without Veteran Coach Cook

FOREST GROVE, Ore. --- With veteran coach Wes Cook hospitalized for observation, the George Fox University Bruins opened their 2001 cross country season with a second-place finish in the women's 3K race and a sixth-place finish in the men's 5K race in the Boxer Rebellion Saturday morning here at Lincoln Park.

The Bruins were without Cook, now in his 14th season with the George Fox program, who was admitted to Newberg Providence Hospital Friday afternoon after experiencing a racing heart and skyrocketing blood pressure. He was examined by university athletic training personnel and dispatched to the hospital, where he continues to suffer irregular heartbeats but appears in no immediate danger, according to Bruin athletics director Craig Taylor.

The Boxer Rebellion was hosted by Pacific University, the first home cross country event for the Boxers in almost two decades. Lewis & Clark College captured the women's title with 50 points, followed by George Fox with 54, Pacific 104, Linfield College 112, Warner Pacific College 114, and Clark College 116. The men's race also went to Lewis & Clark with 29 points, then it was Cascade College with 87, Pacific 100, Warner Pacific 119, Linfield 131, and George Fox 155.

GEORGE FOX CROSS COUNTRY

HIGHLIGHTS:

**Pre-Season Outlook, Updated Rosters and Schedule
George Fox to Open Track Season Sept. 8 in Boxer Rebellion**

George Fox University 2001 Cross Country Pre-Season Outlook ---

WITH SMALLEST SQUADS EVER, BRUINS MUST AVOID INJURIES IN '01

NEWBERG, Ore. --- Chalk it up to a number of unavoidable circumstances – injuries, transfers, academics, finances, student teaching, studies abroad, new interests, etc. – but it all adds up to the same thing: **Wes Cook** will have the smallest men's and women's squads in his 15 years as head coach of the George Fox University men's and women's cross country teams.

"Depth is obviously going to be a problem, so we must avoid injuries," says Cook stoically, pointing to a pair of rosters with only seven runners each. "And they are not all of relatively equal talent; we have a wide range of skill levels on both teams. Some are running cross country for the first time ever."

Men

Only three of 15 letterwinners return for the Bruin men, the toughest losses being a pair of NCAA Division III All-West Region racers, academic junior Steve Willmer to a fall internship, and freshman Will Vollstedt to a lack of financial resources.

Michael Owen (Jr., Anchorage, Alaska), a potential All-Northwest Conference performer, will lead the lineup of returning runners that includes **Nathan Paisley (Sr., Salem, Ore.)** and **Matt Burg (So., Newberg, Ore.)**. "Owen has been plagued by an ongoing groin problem," says Cook, "and Burg has been injured two of his last three seasons. He's recovering from a foot problem that caused him to miss track last spring. Paisley is a hard worker who seems to improve every time out and should be a top scorer for us."

"Of our newcomers, only **Zach Smith (Fr., East Wenatchee, Wash.)** has proven talent as a runner right now. He's coming off a stellar track season as a long sprinter. **Chris Kelley (So., Newberg, Ore.)** has never run cross country. **Rob Gaslin (Fr., Tualatin, Ore.)** is young and could blossom into a solid runner for us. **Kris Clifton (Fr., Sutherlin, Ore.)** ran cross country in high school but used it primarily as a conditioner for wrestling."

Women

The Bruin women also have only three letterwinners returning from a squad of 17. Especially missed will be the first George Fox runner to compete in the NCAA Division III National Championships, junior Colleen Forbes, who transferred to the University of Washington to complete her nursing degree. Also missing from last fall's team which finished fifth in the West Regional are Marisa Merritt, an All-West Region performer, and fellow senior Jamie McElwain, both graduated. Another top runner, Katherine Burley, transferred to pursue a dental curriculum at the Oregon Health Sciences University.

Janelle Goeres (So., Sams Valley, Ore.) was an All-West Region runner in her rookie season and gives the team a talented threat every time out when she is healthy. **Kirsten Norgaard (Sr., Everett, Wash.)** is back but may miss several races due to required student teaching. **Beth Moyer (So., Camarillo, Calif.)** was an All-American in the steeplechase at the U.S.A. Track and Field Junior National Championships in June in Richmond, Va., but she was unable to train regularly after that due to working two summer jobs and must get back into running shape as the new season progresses.

George Fox Cross Country ... September 3, 2001 ... page 2

Rebecca Rising (Sr., Sanger, Calif.) is a former letterwinner who should help if she can stay healthy; she missed last fall with leg problems and sat out the track season because of a heavy academic load. "Rebecca again has a couple of academic conflicts this fall, but things might work out if she and Norgaard are able to work together around those times," says Cook hopefully.

Sarah Jertberg (Jr., Klamath Falls, Ore.), an all-around athlete who has played both volleyball and softball for the Bruins in previous years and ran track in high school, decided at the last minute to give cross country a try this fall and will give the team some depth.

Rounding out the squad are **Dana Cavaliere (So., Santa Rosa, Calif.)**, a transfer from Santa Rosa Junior College, and **Ashley Crisell (Fr., Woodburn, Ore.)**. Both have high school running experience, but Cavaliere did not compete in cross country in junior college.

Summary

"I've never had team size affected by so many different things which have all cropped up at the same time," remarks Cook ruefully, "but you've got to play the hand you're dealt. It takes five runners to score as a team, so we can't afford any injuries. We're not very experienced this year, but the athletes we have are great young people who are going to give it 100% every time out, and that's all you can ask for. We'd like to see each individual strive to improve in every race, and as teams, we'll have had great seasons if we can finish anywhere near the middle of the conference pack."

BRUINS OPT OUT OF SEPT. 1 OPENER, ENTER BOXER REBELLION ON SEPT. 8

NEWBERG, Ore. --- Hoping to give some pre-season injuries a little more time to heal, the George Fox University men's and women's cross country teams opted out of their originally-scheduled opener, the Labor Day Invitational in Spokane, Wash., on Sept. 1. Instead, the Bruins will open up in the Boxer Rebellion races on Saturday, Sept. 8, hosted by Pacific University in Forest Grove, Ore. The women's 5K race begins at 10:00 a.m., followed by the men's 8K race.

"As small as our squads are, and as banged up as we are with some nagging 'owwies', I didn't think we would derive as much benefit from driving 800 round-trip miles as we would by waiting another week to give our injuries more time to heal," explained veteran Bruins coach Wes Cook, who is starting his 15th season at George Fox. "So we'll give 'em another week to get ready and stay a bit closer to home."

GEORGE FOX CROSS COUNTRY

HIGHLIGHTS:

George Fox to Rely on Quality, Not Quantity, in 2001
Pre-Season Info: Quick Facts, Schedule, Preliminary Roster

HARRIER NUMBERS SMALL BUT TALENTED FOR 2001 BRUINS

NEWBERG, Ore. --- In years past, George Fox University has had a plethora of cross country runners from which to choose in building a competitive program in the tough Northwest Conference. In 2001, however, veteran coach **Wes Cook**, who enters his 15th season at the helm of the Bruins' ship, will have to rely on a small but talented group in both the men's and women's programs.

For a combination of reason -- concentration on academics, transfers, an inability to remain in school because of finances -- the Bruins find themselves facing the 2001 season with only six men and six women on the rosters, unless some new faces show up from incoming freshmen, current students wanting to run, or transfers.

The women's team has a strong anchor in **Janelle Goeres (So., Sams Valley, Ore.)**, who earned All-West Region honors last year, while **Kirsten Norgaard (Sr., Everett, Wash.)** and **Elizabeth Moyer (So., Camarillo, Calif.)** also returning. **Moyer** was a Junior All-American in the steeplechase at the U.S.A. Track and Field Junior National Championships in Richmond, Va., this summer.

The Bruin women will be without the skills of **Colleen Forbes (Jr., Jackson, Wyo.)**, who finished 98th in the NCAA Division III Nationals last fall, and All-West Region runner **Marisa Merritt (Sr., Portland, Ore.)**, who graduated.

On the men's side, the top returning runners are **Michael Owen (Jr., Anchorage, Alaska)** and the ever-improving **Nathan Paisley (Sr., Salem, Ore.)**. **Steve Willmer (So., Fullerton, Calif.)**, an All-Region, All-NWC Second Team runner, and **Will Vollstedt (Fr., Portland, Ore.)**, another All-Region performer, are the men's top losses, **Willmer** to concentrate on studies and **Vollstedt** for financial considerations.

Bruin Women 6th, Men Take Incomplete in Clackamas Invitational

OREGON CITY, Ore. --- Janelle Goeres captured seventh place, the best individual showing for a George Fox University women's team that finished sixth, while the Bruin men, with only four runners, took an incomplete in the Clackamas Community College Invitational Cross Country Meet here Saturday morning (Sept. 15).

Willamette University took the women's race, which was actually a distance of 4,100 meters instead of the standard 4,000, with 44 points, followed by the University of Portland with 71, Western Oregon University 79, Mt. Hood Community College 112, Clackamas CC 119, George Fox 128, North Idaho College 158, and Lane Community College incomplete.

Goeres posted a time of 15:46 for seventh, and she was joined in scoring for the Bruins by Kirsten Norgaard, 21st at 16:15; Beth Moyer, 30th at 16:36; Rebecca Rising, 31st at 16:37; and Ashley Crisell, 60th at 17:46. Also running for the Bruins were Dana Cavaliere, 72nd at 19:20, and Sarah Jertberg, 73rd at 19:29.

The men's race, at 6,100 meters instead of 6,000, was also won by Willamette with 26 points, followed by North Idaho with 71, Mt. Hood CC 77, Clackamas CC 107, Western Oregon 108, Lane 131, and George Fox incomplete.

Matt Burg posted the Bruins' top time, finishing 56th with a 21:56.5. Others who ran for the Bruins were Nathan Paisley, 70th at 23:04; Rob Gaslin, 79th at 24:49; and Chris Kelley, 83rd at 28:07.

"Obviously, having three of our seven runners out nursing nagging injuries didn't help, since you've got to have five to score as a team," said Bruin coach Wes Cook, who was back in attendance after missing last week's Boxer Rebellion races due to being hospitalized with an irregular heartbeat and high blood pressure. Tests at both Providence Newberg and Good Samaritan Hospitals proved negative, and Cook was back in his office Wednesday.

However, the logistics of pulling together the annual Bear Fete Invitational / Bru-Running Homecoming event, set for Saturday, Sept. 22, at Champoeg State Park were hampered by the absence of Cook for a few days and resulted in the races being cancelled. Pacific University has stepped into the void, however, by scheduling races to replace the lost Bear Fete meet, and the Bruins are expected to compete in those races in Forest Grove on Sept. 22.

PACIFIC INVITATIONAL: Bruin Women Tie for 2nd, Men are 4th in Pacific Invitational

FOREST GROVE, Ore. --- In a "replacement" meet for the cancelled Bear Fete Invitational, the George Fox University women's team finished in a tie for second while the men's team finished fourth in the Pacific University Invitational Saturday (Sept. 22) here at Lincoln Park.

With the Bear Fete races, normally the George Fox "homecoming" event, cancelled due to veteran Bruin coach Wes Cook's brief stay in the hospital (the coach is back at work and feeling fine now), the Pacific Invitational was arranged quickly by Pacific coach Ron Tabb. The women's race was a two-mile event, the men's a five-kilometer race.

Host Pacific captured the women's race with 35 points, while George Fox and Warner Pacific tied for second with 43 points. Team Oregon, a club team, was not counted in the scores, while Clark College, a community college in Vancouver, Wash., took an incomplete.

Beth Moyer finished fifth overall and third among college runners in the race with a time of 12:26, the best showing by a Bruin. Rebecca Rising was next for George Fox at 12:34 (7th/5th), followed by Ashley Crisell at 13:21 (13th/9th), Dana Cavaliere at 14:12 (24th/12th), and Sarah Jertberg at 14:38 (27th/14th).

Clark College took the men's race with 33 points, followed by Pacific with 53, Warner Pacific with 62, and George Fox with 63. Leading the Bruins was Matt Burg with a time of 16:14, good for third place overall and second among college runners. Other Bruins in the race were Nathan Paisley at 17:37 (15th/11th), Kris Clifton at 18:12 (18th/14th), Rob Gaslin at 18:51 (20th/15th), and Chris Kelley at 21:18 (26th/21st).

The Bruins are off next week, but hit the racecourses again Saturday, Oct. 6, in the Willamette Invitational. The day's events begin at 10:00 a.m. at Bush's Pasture Park in Salem, Ore.

Bruins Open Cross Country Season Without Veteran Coach Cook

FOREST GROVE, Ore. --- With veteran coach Wes Cook hospitalized for observation, the George Fox University Bruins opened their 2001 cross country season with a second-place finish in the women's 3K race and a sixth-place finish in the men's 5K race in the Boxer Rebellion Saturday morning here at Lincoln Park.

The Bruins were without Cook, now in his 14th season with the George Fox program, who was admitted to Newberg Providence Hospital Friday afternoon after experiencing a racing heart and skyrocketing blood pressure. He was examined by university athletic training personnel and dispatched to the hospital, where he continues to suffer irregular heartbeats but appears in no immediate danger, according to Bruin athletics director Craig Taylor.

The Boxer Rebellion was hosted by Pacific University, the first home cross country event for the Boxers in almost two decades. Lewis & Clark College captured the women's title with 50 points, followed by George Fox with 54, Pacific 104, Linfield College 112, Warner Pacific College 114, and Clark College 116. The men's race also went to Lewis & Clark with 29 points, then it was Cascade College with 87, Pacific 100, Warner Pacific 119, Linfield 131, and George Fox 155.

Janelle Goeres led the Bruin women with a time of 19:14.20, good for second to Sheila Perletti of Clark, who ran a 19:01.15. Other scorers for the Bruins were Rebecca Rising, 6th in scoring and 8th overall at 19:29.80; Kirsten Norgaard, 8th and 10th at 19:42.23; Beth Moyer, 11th and 13th at 19:50.41; and Ashley Crisell, 27th and 41st at 21:54.44. Other Bruins in the race included Sarah Jertberg, 32nd and 48th at 22:53.50; and Dana Cavaliere, 36th and 58th at 24:08.17.

For the Bruin men, the best time was posted by Matt Burg, who was 19th in scoring and 27th overall with a time of 28:56.65; Nathan Paisley, 26th and 34th at 29:57.46; Kris Clifton, 33rd and 41st at 30:26.01; Rob Gaslin, 37th and 47th at 31:26.66; and Chris Kelley, 49th and 61st at 35:19.92. The men's winner was Chris Clancey of Warner Pacific at 25:37.02.

George Fox returns to the races Saturday (Sept. 15) in the Clackamas Community College Invitational in Oregon City, Ore., the races to begin at 11:00 a.m.

FOR IMMEDIATE RELEASE
September 17, 2000

MEN'S SOCCER: Lutes host favored Puget Sound in NWC opener

COMING UP: Pacific Lutheran hosts Puget Sound, Wednesday, 5 p.m.; at Pacific, Saturday, 2:30 p.m.; at George Fox, Sunday, 2:30 p.m.

LUTES OPEN NWC ACTION: Pacific Lutheran opens its Northwest Conference slate this week with three matches, including the opener at 5 p.m. Wednesday against cross-town rival Puget Sound. The contest will be played on the PLU campus. The Lutes have compiled a 1-1 non-conference record to open the season, while Puget Sound has already played six matches and is 4-2. Coaches favor the Loggers to win the NWC title. Pacific Lutheran, on the other hand, hopes to exceed the expectations that place them sixth in the preseason poll. All Northwest Conference teams play within the conference on Wednesday.

LUTES TUNE UP WITH 5-1 WIN OVER ALUMNI: Pacific Lutheran has been scoring goals at a solid rate during the early part of the season, and they continued that trend in a 5-1 win over the Alumni on Saturday. Sophomore forward Michael Rosenau (Newberg, Ore. / Newberg HS) had a three-goal "hat trick." The goal of the match, however, went to PLU alum Joe Hampson, whose well-placed second half chip accounted for his team's only tally. Hampson now coaches at Shorewood High School.

10/6 – WILLAMETTE INVITATIONAL: Bruin Women Finish 33rd, Men 36th in Willamette Invitational

SALEM, Ore. --- In "the largest meet on the West Coast" - a claim certainly substantiated by 788 runners in the event - the George Fox University Bruins finished 33rd in the women's 5K race and 36th in the men's 8K race at the Willamette University Invitational Cross Country Meet Saturday here at Bush's Pasture Park.

In team scoring for the NCAA Division I schools, the University of Hawaii edged the University of Oregon 42-43 in the women's race, while the University of Portland defeated Portland State University 19-38. In the College/Open division, the University of Victoria finished first with 68 points to 121 for Claremont-Mudd-Scripps Colleges in the women's race, and the Seacows track club edged Eastern Oregon University 99-103 in the men's race.
