STEVE GRANT  
Head Coach

Steve Grant is now in his 27th season with the Bruins' volleyball program, having established it as one of the most consistent winners in the nation during that time.

The Bruins have posted 20 winnings seasons in Grant's 26 years, including 13 straight from 1987-99. With a career record of 527-344, he ranks in the top ten in victories among active NCAA Division III coaches.

Under Grant, George Fox won NCCAA national championships in 1984 and 1987, and each time he was named NCCAA National Coach of the Year. He was also named NAIA District 2 Coach of the Year in 1984 and 1990. His first team in 1982 captured the Women's Conference of Independent Colleges title. In 1998, the Bruins went 31-8, won the Northwest Conference regular season and tournament titles, and went to the NAIA National Tournament for the only time in team history. He was named NWC Coach of the Year for that success.

During the 1990s, five of his athletes won NAIA All-America awards, and five were named NAIA All-American Scholar-Athletes. He also served as an assistant coach with the men's basketball program at George Fox until 1995.

Grant is in his sixth year as chairman of the health and human performance department at GFU. He was honored by his peers with the 2006-07 Faculty Achievement Award for Undergraduate Teaching. He was named associate director of intercollegiate athletics in the summer of 2007.

Grant is a 1969 graduate of Biola University, where he was a three-sport athlete in basketball, soccer, and baseball. He remained at his alma mater upon graduation for two years as a basketball and soccer assistant coach. He has also coached boys' basketball, baseball, and volleyball at Salem Academy. In 1981-82, he coached women's basketball and men's soccer at Western Baptist College (now Corban College) in Salem.

Grant, who earned a master's degree from Linfield College in 1985, lives in Newberg with his wife Kathy, an admissions counselor for the Continuing Education Department at George Fox.
