2008 COACHES

MARTY HUNTER
Head Coach

Marty Hunter, a veteran coach with experience at the high school, college, and professional levels, begins his first year as head coach of the George Fox University baseball program this season after being promoted from his position as associate head coach.

Hunter joined the George Fox staff as an assistant coach in 2003 and was named the Bruins' associate head coach in 2005. He replaces Pat Bailey, whose 12-year run at George Fox included an NCAA Division III national title in 2004, eight Northwest Conference championships, and a win-

loss record of 353-158. Bailey was named assistant coach at two-time defending NCAA Division I national champion Oregon State University.

At George Fox, Hunter's primary coaching focus has been with the infielders. In each of the past five seasons, the George Fox defense has ranked in the top six nationally in fielding average. The Bruins led the nation in both 2003 and 2005 and set a Division III record in 2005 with a .979 fielding mark.

Hunter came to the George Fox program from Canby (Ore.) High School, which he guided to a 132-63 record from 1995 to 2002. His teams made the state Class 4A playoffs every year and won Pacific-9 Conference titles in 1997, 1998, and 2002. He was the Conference Coach of the Year in '97, '98, '01, and '02. Prior to his stint at Canby, Hunter coached Bend (Ore.) High School from 1991-94, going 68-40. Bend won the Intermountain Conference championship in 1991 and 1992, and he was named Coach of the Year in the conference both seasons. In 1990, he served as an assistant coach with the Bend Bucks, a team in the professional Class A Northwest League.

A graduate of Gresham (Ore.) High School, Hunter attended Linfield College, where he received two letters in football and three in baseball. He earned both dual business and health degrees from Linfield in 1984, and completed a master of education degree from Linfield in 1991. He and his wife of 22 years, Kim, reside in Canby and have two sons: Taylor, 18, and Tucker, 15.
