Guidelines for Authors

The Christian Librarian

The Christian Librarian is directed to Christian librarians in institutions of higher learning and publishes articles on Christian interpretation of librarianship, theory and practice of library science, bibliographic essays, reviews, and human-interest articles relating to books and libraries. Unless arranged in advance with the journal, manuscripts are accepted with the understanding that *The Christian Librarian* has first rights. Authors will be required to sign a Grant of License to the Association of Christian Librarians for the work. This agreement grants to the Association of Christian Librarians permission to print the article in *The Christian Librarian* and also provides for possible future use by the Association of Christian Librarians. All other rights remain with the author.

Manuscripts

Articles for the Feature Article section include research articles and scholarly articles ranging in length up to 5,000 words. Longer papers may be acceptable. Non-research, informative articles range in length from 1,000 to 3,500 words. Authors should submit word-processed double-spaced manuscripts via email attachment. A separate cover page should include the title of the article and name, address, position, institution, and telephone number of the author(s). The author(s) should not be identified anywhere else in the manuscript.

Abstracts

The first page of text should begin with the title followed by a 100-word abstract describing the purpose of the article.

References

References should be typed, double-spaced at the end of the text following the American Psychological Association (APA) citation format.

Reviews

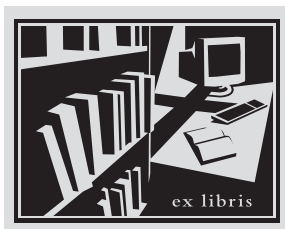

Reviews should identify books by title, author, place of publication, publisher, date, number of pages, cost, and ISBN. The reviewer's name, position, institution, and address should appear above the review, in a separate paragraph following the bibliographic description of the book. A review should describe the purpose of the book and include a brief objective summary, the reviewer's judgments, and an evaluation of the usefulness of the book. Reviews should generally be 150-300 words, double-spaced, and submitted via email attachment. Critical reviews may require more than 500 words. Review essays should be submitted as articles. Authors and reviewers may contact an editor for more specific guidelines.

Submitting Manuscripts

Articles should be sent via email attachment to the Editor-in-Chief, Anne-Elizabeth Powell, apowell@pointloma.edu. Mail inquiries should be addressed to Anne-Elizabeth Powell, Editor-in-Chief, *The Christian Librarian*, Ryan Library/PLNU, 3900 Lomaland Dr., San Diego, CA 92106.

Reviews should be sent via email attachment to the Review Editor, Phyllis Fox, pfox@pointloma.edu. Mail inquiries should be addressed to Phyllis Fox, Review Editor, TCL, Media Services/PLNU, 3900 Lomaland Dr., San Diego, CA 92106.
